SPECIAL PROJECTS

- Partnering with University Finance to publish the first ever report on how student fees are used.
- Creating an Advancement | Foundation fund to support students in purchasing medical assistance devices.
- Increasing knowlege of NAU history.

COMMITTEE "WINS"

- Secured increased student minimum wage and re-implementation of student pay tiers.

STATEMENT

Serving in this role has been the privilege of my NAU student career, and I am proud of the progress my team and I have made toward our goals. The Fall semester is always an excellent time to pursue aggressive goals and lay foundations for the rest of the year.

As we go into Spring, we will continue to look at our organization critically.

ASNAU will be reevaluating our effectiveness and modify roles appropriately to better serve students. Students are always welcome to reach out to suggest how we can better serve them.
