

# 2025 ELECTIONS

## RESULTS

This year's elections were marked by a significant success, resulting in a **record number of votes** cast. All colleges received the requisite number of votes to allow the election of a **third senator**, thereby enhancing representation diversity. ROTC members had the opportunity to vote for their own senator for the **first time**. Additionally, our elections kick-off event was highly successful, drawing a substantial turnout of students who actively selected their preferred candidates. The total number of candidates reached 51, including those running for executive positions, reflecting strong engagement in the electoral process.

President: **Ander Turueno Garcia**

Year: Graduate  
Major: Aviation Finance

*My legacy in SGA began as YOUR Senator for the College of Aviation, Vice President, and most importantly this current term SGA President. In my previous years at Embry-Riddle, I have driven significant change and positive impact to the student body. I previously served as the President of the ALPA ACE Club, President of the Flight Professional Conduct Board, and Co-Chair of the COA's Dean's Student Advisory Board, anchor of the "Well & Beyond" Series, among others. My commitment has always been to YOU, ensuring a better, more connected student experience, for YOUR benefit.*

Vice President: **Giovanni Zayas**

Year: Senior  
Major: Aerospace Engineering

*As President of the Society of Hispanic Professional Engineers, "familia" has been a key factor in everything I do, as I aim to foster a community where we build each other up. As SGA Vice President, I want to bring this same dedication to the entire student body. I aim to enhance campus and student life through projects reflecting the wants and needs of the student body, building a campus where all students feel valued, supported, and empowered to achieve their dreams. As YOUR SGA Vice President, we can make that goal become a reality.*

## RESULTS

### TREASURER

**Marcus Lopez**

Year: Senior

Major: Aerospace Engineering

*For nearly three years, I've worked hands-on with student finances both on the current SGA Treasury Board and as Treasurer of another campus organization for two years. These positions have given me a strong grasp of budgeting, fund management, and making sure student organizations get the financial support they need. I've had the chance to work with a wide range of groups on campus, helping them access resources and maximize their funding. If elected, I want to dedicate my time to making sure student funds are managed transparently and efficiently while ensuring every organization has a voice in the process. I'm committed to keeping things fair, accessible, and effective so that our student government can truly support the needs of our campus. I hope to build a stronger financial future together!*
