

**AS&F Executive Board Appointments
2022-2023 (Fall)**

Dear Prospective Candidate,

On behalf of the Associated Students and Faculty Senate, I would like to thank you for your expressed interest in an executive board position of the Adams State Student Body Government. This organization thrives on improving the ASU campus and community. As a member of the AS&F Executive Board, you will have the power to affect the changes and improvements that happen on this campus. The tasks may not always be easy, but in the end, they yield remarkably rewarding results. As AS&F, we believe strongly in our mission statement and purpose. By running in this election, you are agreeing that if successful, you will strive to uphold and fulfill both the AS&F Mission Statement and the AS&F Purpose for the entirety of your tenure in office.

AS&F Mission Statement: The Associated Students and Faculty promote a strong community of leadership and communication among students, faculty, and staff. The Senate advocates for student rights and represents Adams State University by enabling opportunities, development, and engagement.

AS&F Purpose: AS&F Government is composed of an Executive Board, Legislative Branch, and Judicial Branch who work together to ensure that the voices of Adams State University are being heard. In doing so, the AS&F Government governs and assists clubs and organizations across campus in maintaining all the tools necessary to thrive as student leaders and organizations. AS&F also welcomes student concerns and questions, and acts as a liaison between the students, staff, faculty, administration, and board of trustees.

Included in this packet you will find election guidelines, a list of vacant positions, and a general information survey.

After completing, turn in your packet to the AS&F Office. If there is not a member of the Executive Board available
