ASGA MEMBERS:

ASGA CONTINUES TO IMPROVE ALL OF OUR MEMBER RESOURCES

We have worked overtime over the last year to enhance ASGA's resources, particularly the "SG Toolbox" which offers step-by-step guides, videos, and audio files any members can stream or download.

Use these ASGA member resources to keep your SG operational & effective during these uncertain times and be ready with a plan of action to implement when back on campus:

SG DATABASE

asgahome.com/sg-database

- Search our database for SG officers, advisors, budgets, publicity ideas, strengths and weaknesses, major accomplishments, goals, and more.
- Review thousands of constitutions/bylaws, finance codes, student activity fees, signature programs, and SG structures.
- Find out which SG officers are paid, who has a full-time advisor, who has the highest election turnout, and more.

SG TOOLBOX

- Grade your SG, view ASGA webinars, and get step-by-step guides on how to improve voter turnout with online elections, enhance your SG website, establish a discount card/savings program, get more publicity, conduct better meetings, recruit more members, get students to care about your SG, and more.

CONFERENCES

asgaconferences.org

- Our conferences this fall are virtual, but we hope to return to in-person conferences starting with New Orleans in February 2022.

ASGA is committed to adapting and overcoming the current situation to continue to serve and support Student Governments!

We launched a new member feature, the ASGA Minute podcast. One-minute podcasts on a pressing topic or SG-related issue.

Be sure to stay connected with ASGA on our social networks!

We're grateful for your membership in ASGA and for the opportunity to serve and support Student Governments of all types and sizes nationwide.
