### Don't Start Over from Scratch!

There's no need to reinvent the wheel. We've developed step-by-step guides to help you get your Student Government on everything you need to know to improve your SG website.

Through ASGA's two annual conferences, you can get your SG is and when you get the SG Effectiveness Test to get a "grade" for your SG.

If your SG is not performing well, you can get help from our consultants.

### Assessment Tools

- **Effectiveness Test**  
Find out how your SG is doing against the best in America. Determine your current strengths & weaknesses to improve your SG.
- **Test Your Administrators**  
Find out just how well your college or university really is and how you can improve that relationship.

### What Is the SG Database?

It is the world's only searchable database of every collegiate Student Government in America. It's like a directory for Student Governments.

You can advise your SG on how to improve its performance.
