Presented by: The Student Government Association

WEDNESDAY | SEPT. 16 | 12:30 P.M.

You are invited to participate in the first Student Town Hall of the Fall 2020 semester, presented by your Student Government Association.

These student leaders from across the college represent you and will advocate on your behalf any concerns you may have to the administration of Broward College so that we may better serve you.

Student Government will present their platform agenda for the 2020-2021 academic year to the student body and learn how they can best serve you during these unprecedented times.
