# INTRODUCTION TO ALLEGANY COLLEGE *of* MARYLAND

---

Allegany College of Maryland, founded in 1961, is a publicly supported co-educational community college providing numerous career, technical, transfer, general education, and continuing education programs. Our students receive Associates Degrees, Certificates, Letters of Recognition, and Transfer Credits; many students pursue specific credit and non-credit classes for career development and personal enrichment.

The College consists of two campuses: the main campus in Cumberland, Maryland and the Bedford County campus in Everett, Pennsylvania (established in 1990). The College also manages multiple teaching sites including the Bedford County Technical Center; the Gateway Center in downtown Cumberland which houses the Culinary Arts, Hotel & Restaurant Management, and the Hospitality Management programs; Garrett County Memorial Hospital in Oakland, Maryland which graduates a cohort of twenty registered nurses every other year; and the Somerset Education Site which continues to offer early college. Also, the College offers a wide variety of online and distance learning classes/programs, as well as extensive early college opportunities in local high schools.

The mission of the Allegany College of Maryland Center for Continuing Education and Workforce Development cultivates lifelong learners by providing superior, flexible and relevant workforce education, professional development training and personal enrichment opportunities to enhance economic advancement and quality of life for our students, partners, and communities.

With opportunities offered at both Bedford County and Cumberland campus locations, Continuing Education Department gives countless options through customized contract trainings, open enrollment courses, professional conferences, certification and licensure courses, and job entry and advancement trainings.

The College is approved for operation by the Maryland Higher Education Commission in Annapolis (Maryland) and is accredited by the Commission on Higher Education, Middle States Association of Colleges & Schools in Philadelphia (Pennsylvania). Local governance is provided by the College's Board of Trustees – appointed members of the local community (Allegany County, Maryland); Allegany College of Maryland is proud to have a highly engaged and inspired Board membership: Kim Leonard (Chair), Jane Belt (Vice Chair), Linda Buckel, Joyce Lapp, John J. McMullen Jr., James R. Pyles, and Barry Ronan.

This Student Handbook details the many opportunities, services, policies, and procedures that make Allegany College of Maryland the quality institution it has always been and will continue to be. Allegany College of Maryland supports the efforts of the State of Maryland and the United States to provide learning centers and workplaces free of illegal drug and alcohol use. In addition, the use of oral tobacco or tobacco substitute products or smoking, or the carrying of any lighted tobacco product or tobacco substitute is prohibited in all interior areas of all campus buildings and in all College vehicles. Allegany College of Maryland is a tobacco free environment. Violators are subject to discipline which might include censure, restitution, probation, suspension, dismissal, or expulsion. In addition, some of the financial aid programs made available through Allegany College of Maryland or through the State of Maryland require certification that the student recipient remain drug free and avoid the unlawful use of alcohol. Conviction of an alcohol or drug violation in a court or under the College Code of Student Conduct could mean loss of valuable financial aid or scholarships. All college students are encouraged to become familiar with the Code of Student Conduct, the College Drug/Alcohol Abuse Policy, Heroin and Opioid Prevention Awareness Policy, and the College Tobacco Use Policy, each of these policies are found in this Student Handbook. If help is needed, the College's Alcohol and Drug Abuse Resource Manual and additional information/resources can be obtained from the Office of the Dean of Student & Legal Affairs or from the College's website at [www.allegany.edu/drugs-and-alcohol](http://www.allegany.edu/drugs-and-alcohol). # ALLEGANY COLLEGE OF MARYLAND | STUDENT & LEGAL AFFAIRS EXPECTATIONS

---

Our Mission: Allegany College of Maryland is a lifelong learning community dedicated to **excellence in education** and responsive to the changing needs of the communities we serve. Our focus is the preparation of individuals in mind, body, and spirit for lives of **fulfillment, leadership, and service** in a diverse and global society. . . . .

**EXPECTATION #1: Attend Class.** Go to each of your classes each time it meets. Be on time, and stay for the entire class session. If you must miss class because of illness or emergency, check your course syllabus to know the instructor's attendance policy. Make up any missed work promptly. (It is vitally important that you read each course syllabus! It contains what you need to know to be successful in that class; it also tells you what each individual instructor's expectations are.)

**EXPECTATION #2 Do the Work.** It is true that for every hour you spend in class you should study two hours outside of class. (If you are taking 12 credits, you should be studying/doing homework 24 hours each week.) Read each assignment. Turn in your homework when it is due.

**EXPECTATION #3: Ask for Help.** If you are having problems with a class or an assignment, help is available. See the instructor. Go to the Student Success Center for a tutor. Form a study group with classmates. Meet with your advisor. But don't wait until it is too late! Waiting until the final weeks of a semester is unlikely to help.

**EXPECTATION #4: Read the Handbook.** The Student Handbook is full of useful information to help you negotiate the often-roiling waters of college life. It also details the responsibilities of campus citizenship. (Ignorance of the rules is NOT an excuse for breaking them.) The answer to virtually any question you have about Allegany College of Maryland is in this Handbook.

**EXPECTATION #5: Respect Others.** One of the College's Core Values is Respect. Showing respect means many things, including being courteous in the classroom, hallway, library, cafeteria, courtyard, parking lot – anyplace you encounter other people. Respect also means treating others as you would like to be treated; insulting, humiliating, judging, or ignoring another person hurts feelings. Shouting and cursing are always inappropriate in a learning environment.

**EXPECTATION #6: Be Responsible.** We trust that you meet all obligations that are part of attending college. As an adult, you must learn to read all notices given to you, mailed to you, or posted for you to read, to show up for work study assignments, to pay your bills on time, and to manage problems/issues yourself without demanding special treatment or immediate gratification.

College is about more than merely attending classes and getting grades. College is about finding and creating opportunities to grow. It is about learning independence, making your own decisions, and becoming a community citizen. We are here to help you learn those things, too.

We promise to treat you with respect, to give you quality education, to act with integrity, to provide you with opportunities to learn and to grow as a person, and to promote wellness in mind, body, and spirit. That's our part. You must do yours.

Our staff members are dedicated to helping education students on life issues *outside* the classroom, to cultivate a safe learning environment, and to assist students in becoming well-rounded, responsible adults. The following pages reveal the breadth of Student Affairs. If you need help, we either offer what you need or can guide you to the people who do.

### A. ORIENTATION

Orientation programs are held at the Bedford County and Cumberland campuses for the Fall and Spring semesters. These Orientation Programs inform incoming students about academic, social, and safety policies/services as well as provide opportunities to engage with College staff, faculty, and other students. Participation in Orientation is critical to student success and reaching academic goals. *(Note: New Student Orientation is not the same as Admitted Student Days which are organized by the Advising Center).*

#### 1. Cumberland Campus

Multiple orientation sessions are scheduled for each semester; dates are provided online and in mailings. New students register online for the session that is most convenient for them. Guests are welcome and will attend a separate information session.

In addition to the New Student Orientation, Willowbrook Woods residents must participate in mandatory Housing Orientation immediately following move-in.

**2. Bedford County Campus**

One orientation session is scheduled for each semester; the date and time is provided in advance. Guests are welcome. Students who cannot attend a “live” session on campus must complete an online session prior to the end of their first semester of attendance. Students may not receive final grades or transcripts until they complete Orientation.

**3. Online, Garrett, and other students**

Regardless of where/how classes are taken, any ACM students is welcome to travel to either campus to attend a “live” session; since that may not be possible, online students should complete an online Orientation session prior to the end of their first semester of attendance.

**4. Specific Academic Majors/Programs of Study**

Some academic majors/programs have their own, unique orientation programs that addresses content specific to that area of study; students are notified separately of any requirements by authorized personnel in the academic major/program.

**B. STUDENT PHOTO IDENTIFICATION (ID) CARDS**

All students are strongly encouraged to obtain a College photo ID card since the cards are necessary to access many student services and benefits. For access to student activities, sporting events, testing services, etc., a College photo ID will be required. State law also requires any person on a college campus to possess (and display upon request) a form of photo identification. Willowbrook Woods residents are required to carry their distinctive housing ID cards at all times as an essential security measure, and any guest to Willowbrook Woods must have a form of photo identification.

Credit students may obtain an Allegany College of Maryland photo ID card in the Photo ID office on the Cumberland campus during posted hours or by contacting the Director of Student Life at [eyokum@allegany.edu](mailto:eyokum@allegany.edu). At the beginning of the fall and spring semesters, photo ID services are available at both campuses.

**During the 2019-2020 academic year, the college may implement a new policy which will require all credit students to obtain and carry an ACM ID card.**

The first ID card is free. The card should last your entire time at ACM; you simply show your course schedule to obtain an updated sticker each year you attend. If you lose your card, there is a modest fee to replace it.

Willowbrook Woods residents are required to carry their ID cards at all times and to give them to Gatehouse Guards to gain entry.

**C. HEALTH & WELLBEING**

While Allegany College of Maryland offers a variety of resources related to student health/wellness, the College does not offer a clinic or other on-campus health care. Students are encouraged to use the many off-campus medical facilities – including the Western Maryland Regional Medical Center located across the street from the Cumberland Campus. Student and Legal Affairs maintains a list of local emergency and urgent medical care providers. Student and Legal Affairs stock multiple first aid kits on campus; additionally, the College has multiple Automated External Defibrillators (AED) on campus, and many College employees have been trained in their use. For mental health needs, see Counseling Services in this section.

**1. Alcohol, Drugs and Other Intoxicants**

ACM has clear policies\* about the use and possession of alcohol and drugs (including any other intoxicant or mind-altering substance). Allegany College of Maryland prohibits the possession and use of drugs and alcohol on all college property and in all college-affiliated activities without the express permission of the College President.

\*See the Code of Student Conduct (Section 8 of this Handbook) and the Alcohol/Drug Abuse Resource Manual (online and in the Office of Student Affairs) for details. A new alcohol and drug policy is in development at time of publication. Final policy will be distributed to students.

The college urges everyone to be informed and offers educational resources (including treatment information) at [www.allegany.edu/drugs-and-alcohol](http://www.allegany.edu/drugs-and-alcohol).

Drug use, abuse, and addiction are serious issues. The life-threatening dangers associated with heroin and opioids particularly prompted a 2017 law: All new, full time students are required by Maryland law to participate in heroin/opioid training; this training is provided via D2L/Brightspace, and all incoming students must complete the training before the end of their first semester of enrollment to receive grades and to register for subsequent semesters. The college urges everyone to be informed and offers educational resources (including treatment information) at [www.allegany.edu/drugs-and-alcohol](http://www.allegany.edu/drugs-and-alcohol).

\*Allegany College of Maryland prohibits the possession and use of drugs and alcohol on all college property and in all college-affiliated activities without the express permission of the College President.

Additionally, all Maryland colleges are required to obtain and store Naloxone or other overdose-reversing medication to be used in an overdose emergency situation. Allegany College of Maryland's Campus Security/Public Safety officers as well as other designated employees are trained to recognize the symptoms of an overdose and to administer Naloxone or other overdose-reversing medication.

**Always call 911 in an overdose emergency.**

If you have any questions or concerns or if you need help, contact the Campus Security/Public Safety by email at [rcuthbertson@allegany.edu](mailto:rcuthbertson@allegany.edu) or by phone at 301-784-5252 **or** the Office of Student & Legal Affairs by email at [rconner@allegany.edu](mailto:rconner@allegany.edu), or by phone at 301-784-5206.

**2. Tobacco/Smoking**

Effective 8/19/2013, ACM is a smoke-free and tobacco-free college. Smoking and the use of any tobacco or tobacco substitute product (including but not limited to vapor products) is strictly prohibited on ACM property. See the Code of Student Conduct (Section 8 of this Handbook) for details.

**3. First Aid Kits**

Sixteen departments throughout the College (or each building of the main campus of Allegany College of Maryland) have a First Aid Kit that is purchased, maintained, and kept current by Campus Security/Public Safety. If you are in need of minor attention (i.e. scrapes, cuts, bee stings, etc.) please go to a faculty/staff office and someone can assist you in locating the closest First Aid Kit. For medical emergencies, call 911.

Each building also has an **Automated External Defibrillator (AED)** with personnel trained to use it. All security guards are trained in AED and CPR/First Aid.

If you are in need of minor attention at the Bedford County Campus, please go to a faculty/staff office and someone can assist you in locating a First Aid Kit.

**4. Medical Care**

Allegany College of Maryland does not operate its own health center. Since ACM is a community college, many students already have a local doctor, dentist, or other medical provider, but for other students, the College maintains a list of local health care providers (i.e., clinics) to which students may be referred for general or specific medical issues. Allegany College of Maryland does not endorse or recommend any of these health care providers. The list is provided simply as an informational service. It is the student's responsibility to choose his/her own provider and to pay for

all medical services. Additionally, each county in our service region has a Health Department which provides numerous medical services/programs. The Cumberland campus is next-door to the Allegany County Health Department and across the street from the hospital: Western Maryland Regional Medical Center (a facility of Western Maryland Health System). The College provides information from E.J. Smith & Associates to students that inquire about health insurance. They provide Major Medical, Short Term, Dental/Vision, etc. Their website is [www.ejsmith.com](http://www.ejsmith.com). Students can also inquire about insurance from the state's exchange: [marylandhealthconnection.gov](http://marylandhealthconnection.gov).

#### **5. Nurse Managed Wellness Clinic**

The Nurse Managed Wellness Clinic offers health and wellness services to students, and the local ACM and surrounding community. Services offered include Allied Health program and sports physicals, influenza vaccinations, Tuberculosis (PPD) screenings, immunity titers, cholesterol and blood sugar screenings as well as health education clinics on a variety of topics. The NMWC serves as a clinical site for nursing and allied health students, providing opportunities for hands on learning during supervised clinics. The NMWC is located on the first floor of the Allied Health Building (room 115). A full list of services with dates and times is available at NMWC 301-784-5670 and on the College website at <https://www.allegany.edu/health-clinics/nurse-managed-wellness-clinic/index.html>.

#### **6. Student Counseling Program**

Allegany College of Maryland offers comprehensive counseling services for its students – free of charge. We know that the academic pressures of being a college student and the challenges students face in their personal lives can interfere with academic success. Allegany College of Maryland is committed to supporting students, faculty, and staff when life sometimes gets in the way. Students who need personal counseling will be referred to an off-site partner or to a mental health provider of their choice.

3. Family Crisis Resource Center (FCRC):  
Allegany College of Maryland works closely with the Family Crisis Resource Center (Cumberland) to provide easily accessible domestic violence and sexual assault support services to students. FCRC is a non-profit, nongovernmental sexual assault and domestic violence victim services organization. FCRC is available by appointment and in emergencies to help any student (or employee). All FCRC services are free. FCRC can be reached by calling 301-759-9244.
4. Mental Health First Aid  
Drs. Renee Conner and June Bracken were certified in March 2014 for the nationally recognized program known as Mental Health First Aid. Mental Health First Aid teaches the basic knowledge and skills to respond to an individual in distress. Drs. Conner and Bracken were certified both as mental health “first aiders” and as instructors to teach the program. They have trained 28 Allegany College of Maryland employees to be certified as mental health “first aiders” – providing employees with valuable skills to manage distressed students and to know what to do if a student is in crisis. College employees who have completed the training receive a koala sticker to place on their doors or desks so they can be identified. **Look for the Koala!!**
5. Screening for Mental Health  
Allegany College of Maryland is registered with College Response to purchase online screening programs for depression, generalized anxiety disorder, PTSD, bipolar disorder, alcohol/drug use disorders, and eating disorders. These personal assessments can be completed by any student from any internet connection; if the results indicate treatment or services may be needed, you will be given appropriate referral information.
6. Crisis Text Line:  
Recognizing the increase in people who need support, an important new, anonymous national and international emergency service has been created. Crisis Text Line serves **anyone**, in any type of crisis, providing access to free\*, 24/7 support and information via the medium people already use and trust: text. Here’s how it works:

\* Cell phone plans with AT&T, T-Mobile, Sprint, or Verizon are free; for different carriers, standard text message rates apply.

- Text START to 741741 from anywhere in the USA, anytime, about any type of crisis.
- A live, trained Crisis Counselor receives the text and responds quickly.
- The volunteer Crisis Counselor will help you move from a hot moment to a cool moment

Counseling brochures are located in racks across campus, and lists of resources are available in the Office of Student Affairs. ### **Infectious Diseases Policy**

This policy concerns infectious diseases/conditions that include (but are not limited to) measles, chickenpox, other rashes with fever, lice, hepatitis, flu pandemic, impetigo, pink eye, jaundice, and the like.

In an effort to protect the health and welfare of students, staff, and faculty at Allegany College of Maryland, students, staff, faculty, and their children who exhibit signs and symptoms of potential, acute communicable illnesses may **not** remain on campus and will be excluded from public areas, classrooms, laboratories, college offices, and housing until the acute and/or contagious stage is over. (That determination must be made by a physician or Health Department official, who must provide written verification.) Exclusion from campus during this period will not only facilitate the recovery of the affected person, but it will also protect other from possible transmission to other persons, particularly those whose immunity to disease is already compromised (e.g., persons undergoing treatment for leukemia and other forms of cancer).

It is the responsibility of the infected individual to notify the Dean of Student & Legal Affairs\* of the illness. The person will be asked to provide essential information such as when the illness/condition was contracted, from whom the illness/condition was contracted, and with whom the infected person has had contact. The Dean of Student & Legal Affairs will coordinate any campus-wide response that is needed with the appropriate officials (e.g., Health Department officials, the Wellmobile, the Vice President of Finance and Administration, the Senior Vice President of Instruction and Student Affairs, the Director of Residence Life, etc..) *If necessary, Allegany College of Maryland will close until the medical crisis has passed.*

\*On the Pennsylvania campus, the Director of Student Services will accept notification and coordinate response.

Assuming hospitalization or other quarantine is not required, students will be encouraged to go to their permanent homes during this time and to contact their instructors to make arrangements for their assignments, tests, and other academic obligations. Please consult the relevant section of this Handbook and course syllabi for attendance policies.

## **D. RESIDENCY**

“Residency” is a legal designation that dictates the tuition that shall be charged to an individual credit student. Residency shall be designated for each full time, part time, and dually enrolled student. Each Allegany College of Maryland student shall have one residency classification. Allegany College of Maryland shall classify each incoming student as in-county, out-of-county, or out-of state for tuition purposes and shall create a process whereby the student may request a change in residency classification or appeal a current classification. This classification and process shall fully comply with the Annotated Code of Maryland and COMAR (including terms and definitions where applicable). Students who are under the age of eighteen years or who are financially dependent upon another person shall be classified in accordance with the residency of the parent, legal guardian, or person upon whom s/he is financially dependent. This policy applies to all Allegany College of Maryland students regardless of which campus or instruction site the student primarily attends.

A student’s residency shall be classified upon enrollment at Allegany College of Maryland by the Office of Admission & Registration; this classification shall be determined using information provided by the student on his/her admissions application. This classification upon enrollment creates a rebuttable presumption, and the classification remains in effect as long as the student remains enrolled at the College unless/until the student’s domicile changes. If the student disagrees with the classification or if the student’s domicile changes, the student may petition for a change in residency and has the burden of showing by clear and convincing evidence that the classification is inaccurate. Petitions to change the residency classification shall be made to the Office of Student & Legal Affairs and must be submitted before the end of the semester for which the change is requested; the student shall be required to submit the necessary documentation with the petition to change residency.

To be eligible for a change in residency, the student must satisfy the following criteria:

- 1.) That the student's domicile or the domicile of the person upon whom the student is financially dependent is located in the locality being claimed; and
- 2.) That the student or the person upon whom the student is financially dependent has maintained this domicile for three months prior to the start of the semester for which the change is requested; unless
- 3.) The student or the person upon whom the student is financially dependent qualifies for an exception or special provision.

After reviewing all the information and any documents provided by the student, the Dean of Student & Legal Affairs shall determine whether the residency criteria being requested has been met; the decision shall be made in writing and communicated to the student in person, in writing, or electronically. Any student who wishes to appeal this decision may petition the Student Services Appeal Committee via existing committee procedures; the committee's decision is final.

Any student who provides incomplete, false, and/or misleading information related to residency may have his/her residency classification reverted to its original classification and may be subject to disciplinary action pursuant to the Code of Student Conduct. If a reduced tuition rate was obtained as a result of the incomplete, false, and/or misleading information provided, the College reserves the right to retroactively adjust the correct tuition rate for each semester affected.

The Offices of Admissions & Registration and Student & Legal Affairs shall create procedures to implement this policy as it applies to their specific responsibilities. The procedures must be consistent, and all residency determinations must be documented and stored for no less than five years.

Students are required to notify the College of any address change.

The definitions noted below apply to this policy.

## **E. STUDENT LIFE**

### **1. Introduction**

Student Life incorporates a broad range of social, cultural, and educational programs in an attempt to meet the needs of the diverse student population at Allegany College of Maryland. The Director of Student Life serves as a liaison between the Student Government Association and other areas of the College community including the administration, faculty, and staff members. Each year the Office of Student Life distributes funds to support the following areas: recognized clubs/organizations on campus, athletics, intramurals, child care services, scholarship programs, tutorial services, game room operations, and numerous student activities sponsored throughout the school year. Additionally, the Office of Student Life coordinates: New Student Orientation programs, Red Cross Blood Drives, Drug, Alcohol and AIDS Awareness programs, and more. All student activities sponsored by the Student Government Association, the Office of Student Life, and the Center for Diversity & Student Engagement are offered to students for free or at a reduced cost with a valid ACM student ID.

### **2. Orientation**

All incoming first semester students are expected to participate in an orientation program. The purpose of these orientations is to inform students about academic, social, and general College policies affecting their growth and success at the College. Orientation is hands-on, interactive, and conducive to making new connections. Interested students may register by phone or online; additionally, orientation programs are available to students attending the Bedford County Campus.

### **3. Student Government Association**

At Allegany College of Maryland, the Student Government Association (SGA) functions as the governing organization of the student body. It serves as a means of participation in College governance with the faculty and administration, and it acts on behalf of the students. Additionally, SGA allocates student activity funds, supervises elections, coordinates campus social activities, and approves new campus student organizations.

Any student of Allegany College of Maryland who plans to seek office or serve on the Student Government Association must maintain a cumulative grade point average of 2.25. In addition, a minimum of six hours of credit instruction must be attempted and successfully completed each semester in order to serve.

Students attending the Bedford County Campus may serve on the Student Council at that campus. Interested students should contact the Student Services office at that campus for more information.

A student on academic probation may not hold appointive or elective offices in any student organization. During the period of probation and unless the grade point average was at least 1.50 for the preceding semester, a student may not perform any task in an extracurricular activity which requires more than three hours during any one week.

A person on non-academic probation (social probation) may attend but may not practice or participate in college-sponsored functions, intramurals, or intercollegiate athletics. He or she may not hold appointive or elective offices in any student organization and will have his or her membership in clubs suspended as specified by the Student Government Association.

### **Supplemental Information**

In addition to serving as liaison between the student body and College administration, the SGA allocates student activity funds, coordinates campus social/educational activities, and approves new campus student organizations. The student activity program is developed according to student interest and available resources. Social life is important to the college student, and a number of informal and formal activities make up the social calendar of the College. The SGA also funds a wide variety of clubs and organizations, including many of those listed below.

Students are welcome to attend any Student Government Association meeting and may contact any SGA member with ideas for new activities. Volunteers staff student activities, such as picnics and “Stress Busters” and “willing workers” should contact any SGA member or Erin Yokum, Director of Student Life. Written suggestions and comments can be sent via campus mail to Erin Yokum. The Student Government Association meets in the Diversity Center located in the College Center Building. Meeting dates and times will be posted on the doorway of the Student Life Office.

During the Spring semester, new members to the SGA are nominated by faculty, staff, and students. Newly-nominated members serve a one-year term of office beginning in the Fall semester. A total of 15 students may serve on the SGA in any given year. If more than 15 are nominated there would be a run-off election held during the fourth week in April. Freshmen students may be considered for appointment if there are not 15 members currently serving. They may petition the SGA be voted on by simple majority of current SGA membership. All students enrolled at Allegany College of Maryland in 6 hours of credit classes or more and maintaining at least a 2.25 cumulative grade point average are eligible to serve on Student Government Association.

The Bedford County Campus has its own Student Council; contact the Student Services Office on that campus for more information about the specific services, activities, and events organized at this location.

**5. Procedures for Recognition of Student Organizations****Holding an Interest Meeting**

Any student with an interest/hobby/passion not reflected in the above list of student clubs/organizations is strongly encouraged to explore forming a new student group by following these steps.

First, submit a Proposed new Student Club/Organization Interest Meeting Request Form to the Director of Student Life. This form must identify at least one (1) current ACM student in good standing (not on academic probation, continued academic probation, or suspended) and the signature of an ACM faculty or staff member to serve as the proposed organization's advisor. The Director of Student Life will review the request and can authorize an interest meeting (or multiple meetings if requested on the form). Permission to hold an interest meeting does NOT give the group official recognition by the College or the SGA.

Next, the student(s) and the designated advisor will reserve a campus room, schedule the interest meeting, and promote the meeting to fellow students. All such meetings must be open to any interested student. See "Student Communication and Publications" below for information about how to publicize the interest meeting.

Next, at the interest meeting, the organizers explain the intended group's purpose, solicit other interested students to join, select a group name (if not already selected), and start writing a constitution & by-laws to govern the group's activities. By the conclusion of the interest meeting(s), the organizers should decide if they are prepared to apply for recognition as an ACM club/organization.

### **Applying for Recognition as an ACM Student Club/Organization**

*The following is the process for becoming a Recognized Student Club/Organization by Allegany College of Maryland:*

1. Submit the Application for Recognition as a New Student Club/Organization to the Director of Student Life. The Application for Recognition as a New Student Club/Organization contains the following information:
  - a. the Name & Purpose of the Organization;
  - b. the Constitution & By-laws for the Organization, which will govern the Organization's operations;
  - c. the Officers for the Organization;
  - d. the names, student ID#s, and email addresses of all proposed members who are current ACM students in good standing at the College (a minimum of five (5) students is required);
  - e. the signature and contact information of the proposed faculty or staff advisor;
  - f. the names of the ACM faculty and/or staff members that should have access to the Organization's College account in WebAdvisor; and
  - g. the information regarding national, state, or local affiliations with any group or persons not connected with the College, if applicable.
2. Once received, the Director of Student Life then presents the Application to the Student Government Association for consideration. The SGA shall consider and verify the Application and may request that the petitioners appear before them to provide information and answer questions regarding the proposed organization.
3. The SGA will then vote to either approve or deny the Application. **The name of the College may not be used by the organization until the organization has been officially recognized by the College.**
4. Once approved, the Organization is then considered to be officially recognized by the College and may begin to conduct business as such. A Club Account will be created through the Finance Office, which the Organization will then use to account for any monies raised/spent by the Organization.
5. If denied, the SGA will notify the petitioners of the reasons that the proposed Club/Organization was denied. The students that proposed the new student Club/Organization may then make any changes necessary and resubmit their Application if desired.
6. Any changes to the Club/Organization's Constitution and/or By-Laws **MUST** be approved by the SGA.

**Privileges of Official Recognition**

Official recognition by the College grants the following privileges to College organizations, subject to College procedures and regulations:

- the use of College facilities rent free;
- the use of a College Account to deposit all funds for the Organization;
- the right to request a funding allocation from the SGA;
- the right to publicize events on campus (see Policy on Student Publications and Sales);
- the right to establish dues and money-raising projects within the limits of College rules and regulations.

**Maintaining Recognition**

At the beginning of each Fall and Spring semester, the club/organization must submit to the Director of Student Life, a Member Update Form, which contains an updated list of club/organization members and officers, as well as the signature of the club/organization's advisor. Any changes to the club/organization's Constitution/By-Laws or outside affiliations must also be filed with the Director of Student Life.

*"Students may join any club/organization at any time during a semester; the club/organization officer(s) are responsible for maintaining an accurate roster of all members for submission at the start of the next semester."*

**Student Club/Organization Status**

The College via the SGA (which bestows College recognition as detailed above) reserves the right to modify the recognition and status of a student club/organization. Any person with a concern about the operations/ activities of an ACM student club/organization shall contact the Director of Student Life, who may request a written statement detailing the concern. Any modification by SGA must be done by majority vote in an open meeting to which the club/organization officers are invited; absent a showing of misconduct, SGA decisions are final.

**Recognized/Active:** the club/organization has submitted all the paperwork and been approved by the Student Government Association. At the beginning of each Fall and Spring semester, the club/organization must submit a Member Update Form to the Director of Student Life. The Member Update Form contains a list of all the student members, a list of officers, certification that there have been no changes to the Constitution/By-Laws, and the advisor's signature.

**Probation:** the club/organization has not submitted its Member Update Form for the semester. Probation status allows the club/organization to continue functioning with rights and privileges but serves as notice that the club/organization's status is in jeopardy.

**Inactive:** the club/organization has not submitted its Member Update Form 2 semesters in a row. Rights and privileges are suspended pending submission of a Member Update Form, at which time its status is restored to Recognized/Active.

**Defunct:** the club/organization has been designated as "Inactive" 2 semesters in a row, has lost all rights and privileges, and has lost all funds accrued. (Any funds in the club/organization's account will be transferred to the SGA.) The club/organization must reapply for recognition following the same process described above.

**Suspended:** the club/organization violated ACM policy or SGA rules/procedures. Rights and privileges are suspended pending submission of an action plan addressing the violations and appropriate corrective action.

**Revoked:** the club/organization has engaged in improper fundraising/sales (see below) or has violated other ACM policies or SGA procedures while on probation or suspension. Revocation means the club/organization has lost all rights and privileges and has lost all funds accrued. (Any funds in the club/organization's account will be transferred to the SGA.) The club/organization must reapply for recognition following the same process described above.

## **6. Student Communication (General Information)**

Students have multiple venues for communicating with other students, faculty, and staff. Aside from face-to-face conversations, students may receive and/or issue information via WebAdvisor, the College website ( [www.allegany.edu](http://www.allegany.edu) ), email, telephone, student newsletter(s), bulletin boards, fliers/notices, D2L/Brightspace, social media, and faculty-staff mailboxes. (Exception: for handbill distribution, political signs, religious tract dissemination, and the like, refer to the First Amendment Policy and the Office of Student & Legal Affairs.)

Business solicitations and commercial sales are not permitted on campus.

Authorized notices/fliers/posters may be posted on designated bulletin boards throughout the campus; anyone wishing to post a notice on a special purpose bulletin board (eg., faculty office boards) must obtain the proper College Official's permission. notices/fliers/posters may not be hung on walls, windows, or other areas without advance permission from the proper College Official (often the Physical Plant Director). The person/entity posting notices/fliers/posters is responsible for removing the materials immediately following the event, program, or activity being promoted.

The College reserves the right to refuse any promotional endeavors. Any person who disputes a decision by the College to refuse or restrict campus communication and publication may challenge that decision via the Employee Complaint Policy, First Amendment Policy, or similar recourse.

Business solicitations and commercial sales are not permitted on campus.

NOTE: Financial Aid accounts in the campus Bookstore are for the direct educational expenses of the student whose name is on the account or for whom a Financial Aid refund is anticipated. Misappropriation of those dollars for any other purpose is not permitted.

Allegany County Transit offers Allegany College of Maryland students a Semester Pass with unlimited rides on the fixed bus route for \$180.00 per semester. Passes can be purchased by mail, in person at the Transit office, or online. For more information about bus routes, passes, hours of operations, and more, contact Allegany County Transit at (301) 722-6360 or visit their website [www.gov.allconet.org/act](http://www.gov.allconet.org/act)

### **Bus / Allegany County Transit**

- Information: <http://www.gov.allconet.org/ACT/>
- The bus stops at "the circle" by the flagpoles outside Humanities
- Bus schedules are posted on bulletin boards on campus and can be found on their website
- Be on time for the bus you need; drivers cannot wait for you.
- Have your fare ready. You need exact change
- **It costs \$2 (one way) to ride the bus.**  
Frostburg State University students pay their fares via a fee through the university, so they simply show their FSU ID to board.
- Board the bus one at a time. The driver needs to verify that each passenger has paid the fare.
- Not paying your fare is stealing!
- You can purchase a bus pass in the ACM Bookstore.
- You must wear a seatbelt – ACT regulations.
- You must be able to hold/secure all property/packages/parcels.
- Eating, drinking, and smoking/tobacco use are not permitted on the bus.
- Do not distract the driver or interfere with the bus' safe operation.

- If you do not follow the rules, you will not be allowed to ride the bus. Some violations could be reported to ACM and result in disciplinary action.

### **Taxis / Crown, Frostburg, Queen City, Yellow Cab**

- Only call for a taxi if you need one; don't call a cab and then decide to get another ride. It costs gas for them to come to you!
- Find out how much your total fare will be or get an estimate if possible.
- If sharing a taxi, agree in advance how much each passenger will pay; then be sure to pay your fair share.
- Not paying your fare is stealing!
- Do not distract the driver or interfere with the taxi's safe operation.
- Be courteous at all times and follow directions.
- Violations could be reported to ACM and result in disciplinary action.

### **Uber / Lyft / Ride-Sharing**

Students should exercise extreme caution using these forms of transportation. The cost is the student's responsibility, and students should be absolutely certain that the person operating the vehicle is the person/company with whom they made arrangements. Never get into a vehicle unless you know it is a legitimate driver. Never get into a vehicle if the driver is under the influence of any intoxicating/mind-altering substance. Never accept a ride from someone you do not know. Be sure you know the cost of the ride and how to pay. Follow personal safety practices at all times.

## II. DONALD L. ALEXANDER LIBRARY

---

A well-trained staff is prepared to assist students and College personnel with their learning and information needs. The Donald L. Alexander Library is considered as much a place for learning as is the classroom, with librarians providing instruction in research and information gathering skills.

The Cumberland campus library, named for the College's third president, has undergone a complete renovation and expansion of about 30 percent. Windows and doors are energy efficient and there is bright, energy-efficient lighting throughout. The building is fully compliant with the Americans with Disabilities Act. The improvements created an exceptionally attractive and comfortable place for students to study and relax, both individually and in group. The space allows for improved seating and study areas, a computer lab and a lounge where students can take refreshments and have wireless Internet via their laptop computers.

The library includes the Appalachian Collection, the popular repository of genealogy and regional history materials. The Allegany County Genealogical Society's offices and its collection are also housed in this area. There is a collection of materials related to celebrated American author Willa Cather and other revered American and British authors. These impressive items, gathered by Dr. Gary Cook in name and memory of his late wife, Janet, an ACM English professor, are housed in a handsome room known as the Janet Zastrow Cook Willa Cather and Rare Book Collections.

Cumberland Campus library resources include printed books and periodicals and a large selection of non-print materials such as DVDs, eBooks, videotapes, CDs, and audio cassettes. A selective U.S. Government Documents Depository collection is also available. Materials are selected for their relevance to the instructional programs and for their potential to serve the cultural and recreational interests of the College community. Materials from other Libraries may be obtained, free of charge, through interlibrary loan. Adult residents of Allegany County and the surrounding area are encouraged to use the Library and may borrow materials.

The Library is expanding its use of electronic tools and resources. Computers with internet access and Microsoft products enable students to work effectively in the library. Students may use the online library catalog either on campus or at home to locate materials in the library collection. To aid students and faculty in research, the library subscribes to online databases of journal articles and other electronic resources. The library's databases may be accessed from off campus by all faculty, staff, and students. In support of the College's information literacy program, general and course specific classes are offered to teach students the efficient and appropriate use of different resources and materials.

Library resources can also be found at the Bedford County Campus. The Bedford County Campus library offers computer stations that give access to the library online catalog and databases, and electronic resources, which are accessible through the college library webpage. These databases, online books, and select websites have thousands of periodical articles, books, and other forms of information on a wide variety of topics from nursing, psychology, science, and other disciplines. Instruction on use of these databases and other library resources is available from the professionally trained librarian assigned to the campus.

## **D. TECHNOLOGY RESOURCES POLICY**

### **Policy Overview**

Allegany College of Maryland makes every effort to provide students, faculty, and staff with the best technologies available. In this effort, Allegany College of Maryland has installed and maintains technology resources that support diverse and ever-growing learning and administrative functions. These technology resources include computer systems, information systems, telephone systems, and network systems.

This policy has been constructed to advise on the acceptable uses of Allegany College of Maryland technology resources, including but not limited to, computer equipment, the Internet, electronic mail (“email”), computer labs, voice mail, computer-based information systems, and the college computer network including wireless Ethernet.

This policy also covers the subject of access to and disclosure of computer-stored information, voice mail messages and e-mail messages (created, sent, or received) by Allegany College of Maryland's employees, and the College's rights and responsibilities in providing access to and control over its property. Technology resources and their uses are governed by college policy as well as federal, state and local laws. Individuals who inappropriately or illegally use college technology services and resources may suffer all applicable college and legal penalties for such misuse.

Access to and use of the College's technology resources are privileges granted solely to Allegany College of Maryland faculty, staff, students, and those with special accounts. These privileges can be modified, limited, extended, or revoked at the discretion of the college with or without prior warning or consent.

### **Scope**

This policy and additional guidelines for using resources apply to the use of all technology resources at Allegany College of Maryland.

**Policy****1.0 Governance of General Use**

- 1.1 All College technology resources are designed and intended for academic and administrative use. Alternate uses may be restricted or prohibited at the discretion of the college, especially when these uses conflict with or interfere with academic and administrative functions.
- 1.2 College technology resources are not to be used to create any threatening, abusive, or disruptive messages. Allegany College of Maryland does not discriminate against any individual for reason of race, sex, color, religion, national/ethnic origin, age, veteran status, condition of disability, or sexual orientation. Allegany College of Maryland also has "Principles of Conduct" for all employees; among these principles are prohibitions on immoral/unethical conduct, offensive/brutal treatment of students and colleagues, and disparagement of colleagues. Finally, the College has a Sexual Harassment policy that prohibits – among other things – conduct that has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive work environment. The College's computers, Internet, email, and voice mail systems may not be used to violate these standards.

**2.0 Access to Technology Resources**

- 2.1 An individual shall only use the technology resources assigned to him or her. This includes use of computer-based and network-based user accounts (including email mailboxes and voicemail mailboxes), assigned passwords, and computer/network identities.
- 2.2 Users may not attempt to obtain login credentials or passwords that are not specifically assigned to them. A user's attempt to disguise or otherwise obscure the identity of the credentials or resources he or she is using is prohibited. Attempts to gain unauthorized access to technology resources are prohibited.
- 2.3 All persons shall abide by the terms of all software licensing agreements and copyright laws. Unauthorized copying of copyrighted software is prohibited. The copying of site-licensed software for distribution to persons other than Allegany College of Maryland faculty, staff, and students, or the copying of site-licensed software for use at locations not covered under the terms of the license agreement is prohibited.

**3.0 Deliberate Malicious Acts**

- 3.1 Any deliberate act which may impact the operation of technology resources is prohibited. Such acts include, but are not limited to, tampering with computer, network, and telephone systems, launching software attacks (viruses, denial of service, or other malicious software), and tampering with or otherwise modifying College software and systems.
- 3.2 Any deliberate act which may circumvent hardware and software security systems or data protection schemes is prohibited.
- 3.3 Unauthorized attempts to uncover or exploit security loopholes are prohibited. If such a loophole is discovered, the user is required to report his or her findings to the Computer Services department.
- 3.4 Deliberate acts which are wasteful of computing/information network resources or which unfairly monopolize resources to the exclusion of others are prohibited. These acts include, but are not limited to, sending mass mailings or chain letters, creating unnecessary multiple jobs or processes, obtaining unnecessary output, or printing or creating unnecessary network traffic.

#### 4.0 Creation and Use of Data

- 4.1 The College observes all federal, state, and local laws pertaining to the protection of user data, including those specified by FERPA and HIPAA regulations. To the best of its ability, the College maintains the privacy of stored data including, but not limited to, user-created files, log entries, and electronic communications utilizing multiple levels of security and data protection schemes.
- 4.2 The College maintains multiple levels of data backup and data loss prevention systems. At no time should a user expect that a file he or she deletes has been completely destroyed, but the College does not guarantee the ability to recover any specific file or files in the event of accidental or unwanted deletion.
- 4.3 The College maintains the right to, but does not regularly monitor voice mail or electronic mail messages. The College will, however, inspect the contents of computers, voice mail or electronic mail in the course of an investigation triggered by indications of unacceptable behavior or as necessary to locate needed information that is not more readily available by some other less intrusive means. The contents of computers, voice mail, and electronic mail, properly obtained for some legitimate business purpose, may be disclosed by Allegany College of Maryland. Allegany College of Maryland's President or his/her designee will grant or deny any request for access to the contents of an individual's computer, voice mail, or electronic mail prior to access being made without the individual's consent. With exception to the College's right to retrieve and read electronic mail messages, such messages should be treated as confidential and should only be accessed by intended recipients.
- 4.4 The following types of information cannot be created or stored on any College technology resource:
  - a. Information that infringes upon the rights of any other individual or group of individuals.
  - b. Information that infringes on the copyright of any other individual or group of individuals including, but not limited to, copied or "pirated" software, music, videos, et al.
  - c. Information that may injure someone else and/or lead to a lawsuit or criminal charges including, but not limited to, viruses, malware, pornographic materials, or libelous statements.
- 4.5 Any data or network traffic exiting the College is subject to the acceptable use policies of the network through which it flows (AllCoNet, etc.), as well as to the policies listed here.

#### 5.0 Additional Restricted Uses of College Technology Resources

- 5.1 Use of College technology resources for personal or financial gain is prohibited. The College reserves the right to offer systems and services that allow for the promotion of personal goods and services, but does not sponsor, endorse, or support said goods and services.
- 5.2 The College reserves the right to offer systems and services that allow for the promotion of charitable goods and services, and to solicit for charitable contributions, but does not sponsor, endorse, or support said goods, services, and solicitations.
- 5.3 Use of the College's technology resources to monitor another user's data communications, or to read, copy, change, or delete another user's files or software without the user's permission is prohibited.
- 5.4 Use of the College's technology resources to operate any unauthorized network server is prohibited. This includes, but is not limited to chat, file, print, web, and application servers.

**6.0 The College's Right to Recourse**

- 6.1 Access to and use of College technology resources are privileges. These privileges can be modified, limited, extended, or revoked at the discretion of the college with or without prior warning or consent.
- 6.2 Individuals who inappropriately or illegally use college technology services and resources may suffer all applicable College and legal penalties for such misuse.
- 6.3 Individuals who violate Allegany College of Maryland Technology Resources Policy may be subject to discipline, up to and including termination or dismissal.

**User Responsibilities**

The Computer Services department and the President should be notified about violations of laws and policies governing information use, intellectual property rights, or copyrights, as well as about potential loopholes in the security of the College's technology resources.

The user community is expected to cooperate with the College in its operation of technology resources as well as in the investigation of misuse or abuse. ### **F. STUDENT COMMUNICATION POLICY**

Allegany College of Maryland has adopted a new policy that applies to all students and became effective on February 28, 2012. The Student Communication Policy requires ACM officials to communicate with students electronically (via email, college website, student portal, etc.) whenever possible and requires students to monitor their electronic communication tools (particularly email) regularly and frequently. This policy means that future, official correspondence from the College will be via email rather than postal mail and "it is the students' responsibility to read all communications and to respond as necessary." Therefore, you should make it a habit to use your [username@student.allegany.edu](mailto:username@student.allegany.edu) account on a daily basis.

The Student Communication Policy also includes some restrictions such as using College communication tools appropriately, not using personal communication devices (such as cell phones) to disrupt classes, and never engaging in cyber-bullying or other abusive/harassing behaviors. See Section I.H above for the complete text of the policy.

Questions about the policy should be directed to the Office of Student & Legal Affairs at (301) 784-5206.

## VIII. SPECIAL INFORMATION FOR STUDENTS AT THE BEDFORD COUNTY CAMPUS

\* See also PA directory in Section Twelve.

Much of the information in this Handbook pertains to students enrolled at any Allegany College of Maryland Campus. But, there are some differences. Not all of the student services are available at the Bedford County Campus, but they can be accessed by contacting appropriate offices on the Cumberland Campus. Sometimes a telephone call can provide the needed information. If you plan to visit a main campus office, making an appointment in advance will help assure that the needed assistance will be available. All of the student services offices, the Library and Bookstore, and the assistance of instructional department chairmen and directors are available to Bedford County Campus students.

The Bedford County Campus's Student Council plans student activities at that campus. However, students are encouraged to attend athletic and cultural events and other student activities scheduled at the main campus. In some cases, an admission fee is charged. Students of Allegany College of Maryland's Bedford County Campus are required to pay a student services fee. This fee is used to underwrite tutoring and other student support services at that campus.

## SECTION TWO:

# SAFETY AND SECURITY

---

Allegany College of Maryland is committed to ensuring a safe environment for students, faculty, staff and visitors. The college's Campus Safety/Special Police Department has primary responsibility for serving the safety and security needs of the campus community. Campus buildings and facilities are patrolled and inspected regularly to ensure a safe and comfortable academic environment. Every effort is made to fulfill any request for service. The CS/SP Department realizes security is also an individual responsibility and strives to educate the campus community about personal and public safety. The CS/SP Department works closely with the administration, student affairs, housing, and staff of the physical plant to ensure a safe environment. In addition, the CS/SP Department works closely with the Cumberland Police and Fire Departments to promote personal safety.

The CS/SP Department and the Office of Student Affairs ensures full disclosure of campus security information in compliance with the legal requirements of the Jeanne Clery Act. The annual report containing crime statistics is available in the Office of Student Affairs and online at [www.allegany.edu](http://www.allegany.edu). The Public Crime Log is available in the CS/SP Office and can be viewed during normal business hours.

\*The CS/SP Department is located in the College Center of the Cumberland Campus, behind the theatre. The office phone number is (301) 784-5252 or dial 5252 from any campus network phone. For emergencies, call (301) 784-5555 or dial 5555 from any campus network phone.  
**Or call 911.**

### **Personal Safety**

Allegany College of Maryland welcomes thousands of students and visitors to its campuses each year to enroll in credit and non-credit classes, to enjoy athletic and cultural events, to use recreation facilities, to conduct research in the Library, to dine in the cafeteria, to attend meetings, and much more. College faculty and staff are committed to making each campus environment functional and safe. Campus security is highly capable of handling many emergencies and has direct communication with the Cumberland City Police. Maintenance personnel are vigilant to correct any obstructions or damages to College property. Nevertheless, given the high volume of traffic and the extensive hours of operation, accidents and acts of misconduct are inevitable.

Happily, Allegany College of Maryland has a low rate of both accidents and crime. We strive to keep it that way, and we emphasize prevention as an essential tool for everyone's personal safety.

Please observe the following practices whenever you are on campus:

- Always be aware of your surroundings.
- Avoid walking in areas that are isolated, poorly lit, unpaved, or containing debris/equipment.
- Do not walk alone at night. Walk in groups or call Security for an escort to your car.
- Do not leave populated areas with someone you do not know extremely well.
- If you feel uncomfortable or suspicious of a person or situation, get away!
- Do not leave your personal property unattended at any time, in any location.
- Keep a separate record of valuables (including serial numbers).
- Always lock your car, locker, and apartment door.
- Protect personal information such as social security number, locker combination, PIN numbers, etc.
- Make sure someone (a friend or relative) knows your schedule and travel habits.
- Evacuate buildings if you hear a fire alarm OR are directed by an official.
- Report dangerous situations, accidents, and crimes immediately to Police, not Security.

If there has been an accident with injuries, call 911 and Security (ext. 5555).

If there has been an accident without injuries, call Security\*.

If there has been a crime with injuries, call 911 and Security (ext. 5555).

If there has been a crime without injuries, call the police, Security\*, and the Dean of Student & Legal Affairs.

\*Incidents on the Bedford County Campus shall be reported to the Admissions/Registration Offices.

**Criminal Activity**

The College strives to maintain a safe environment for students to learn, for faculty to teach, and for administration and staff to work by (1) having policies and procedures which may prevent crime, (2) reporting crimes to local law enforcement and assisting with those investigations, (3) initiating disciplinary action for any crimes committed by students, and (4) banning unsafe persons from campus. If you are the victim of a crime or if you have information about the commission of a crime, please report the crime immediately.

- Always call 911 in an emergency.
- Contact Campus Safety Special Police at (301) 784-5555
- Contact Cumberland Police Department at (301) 777-1600.
- You may also report by contacting the Office of Student Affairs at (301) 784-5206
- You can report anonymously on the Campus Security web page at [www.allegany.edu](http://www.allegany.edu)

In the event of an active shooter on campus, the College will make every effort to issue alerts, warnings, and information to keep students, staff, and visitors safe. According to the Maryland State Police, who have provided direct training to College officials, an active shooter situation is when one or more suspects participate in an ongoing, random, or systematic shooting spree demonstrating their intent to continuously harm others. ACM adopts the noticeably accepted run/hide protocol. Evacuate if it is safe to do so; if you cannot safely escape, barricade yourself and hide. If you are discovered, defend yourself. The best advice to help us prevent an active shooter or other danger is to be vigilant and SEE SOMETHING / SAY SOMETHING! Report anything suspicious or concerning to a College official or to the police, and let the authorities take the appropriate action. Read safety communications from the College, and attend any training/informational opportunities. Sign-up for e-Safe (details above). Follow all laws, rules, policies, and procedures; they exist to help keep you safe. If the worst happens, your goal is to SURVIVE. Always follow directions from College and law enforcement officials.

\*This information provided by Maryland State Police's Active Shooter Training at Allegany College of Maryland 4/3/13.

**Cooperation with Law Enforcement Officials**

Allegany College of Maryland will fully cooperate with any law enforcement official called onto any campus by College officials or by students with the support of College officials. This cooperation may include the release of student records in accordance with the FERPA exception for and the release of emergencies; the College regards CS/SP reports necessary intervention by law enforcement officials when there has been a reported crime to constitute an emergency for 24 hours after the report is made. Emergencies notwithstanding, the College will fully cooperate with law enforcement officials' requests for information that do not violate FERPA and with any properly issued court summons or subpoena. The College has memoranda of understanding with local law enforcement partners; you can see the MOUs at the Office of Campus Safety/Special Police.

### **Clery Act Compliance**

The Crime Awareness and Campus Security Act, enacted by Congress in 1990 and commonly known as the Clery Act (named for 19 year old college student Jeanne Clery who was tragically raped and murdered in her Lehigh University dormitory in 1986) is federal law containing numerous requirements for all colleges and universities who receive federal funding. Allegany College of Maryland fully complies with all Clery Act mandates:

- Maintain public crime log
  - >> ACM's crime log is open to public inspection during business hours in the Office of Campus Safety/Special Police.
- Report crime statistics for the following crimes: criminal homicide: (murder, non-negligent manslaughter, negligent manslaughter); sex offenses (rape, fondling, incest, statutory rape), aggravated assault, robbery, burglary, motor vehicle theft, and arson
- Report crime statistics for these additional crimes: sexual assault, dating violence, domestic violence and stalking (effective July 1, 2015)
- Afford expanded rights to campus survivors of sexual assault, domestic violence, dating violence, and stalking.
- Report arrests & referrals for disciplinary actions including: liquor law violations, drug law violations, and illegal weapon possession.
- Issue timely warnings
  - >> ACM will timely notify the campus community of any crime that represents a serious or continuing threat to the safety of students or employees. The Dean of Student & Legal Affairs, in consultation with campus security, law enforcement, and/or other officials, determines if and when a "timely warning" will be issued. This decision will be made on a case-by-case basis in light of circumstances; factors to consider include the nature of the crime, the continuing danger to the community, and the possible risk of compromising law enforcement efforts. The warning shall be intended to reach the entire campus community as soon as possible after the threat becomes known. The warning shall be issued by the following means: e-SAFE, allusers email, posted notices, telephone calls using the College's Emergency Management Plan Daytime Communication Tree, and/or the local media as appropriate.
- Devise emergency response, notification, and testing policy
- Create missing student policies and procedures
- Publish annual security and fire safety report
- Implement certain policies, procedures, and training/education

Any person can **and should** report a crime or violation of the Code of Student Conduct. Every employee at Allegany College of Maryland is a "responsible employee" for compliance purposes which means that any employee with knowledge of these offenses is required to report them.

Reports should be made immediately; if not, then such reports should be made as soon after the crime as possible. The College strongly supports reporting **all** crimes to the police, and ACM has Memoranda of Understanding with our key local law enforcement partners. Reports should also be made to the College via the Office of Campus Safety/Special Police. All reports shall be documented with appropriate follow-up as determined by the Dean of Student & Legal Affairs or other designated personnel.

Questions about Clery Compliance can be directed to the Director of Campus Safety/Special Police or the Dean of Student & Legal Affairs.

### **Sexual Misconduct and Sex Discrimination/Title IX**

Title IX is federal law that prohibits discrimination against any person on the basis of sex in any education program or activity; sexual misconduct and sexual harassment are forms of discrimination under Title IX. The College's policy and procedures relating to sexual misconduct and sex discrimination include requirements under Title IX, Clery Act, Violence Against Women Act, and other federal/state laws commonly referred to – collectively – as "Title IX".

- ACM prohibits sexual misconduct, sex discrimination, and retaliation.
- ACM's Sexual Misconduct & Sex Discrimination Policy and accompanying procedures comply with all legal mandates. **All information related to Title IX compliance may be found at [www.allegany.edu/titleIX](http://www.allegany.edu/titleIX)** . Topics include: healthy relationships, risk reduction, consent, bystander intervention, rights and responsibilities, interim measures, the complete ACM policy, and much more.
- Any employee with knowledge of sexual misconduct and sex discrimination must report it.

**\*Be advised that federal regulations for Title IX are changing. The new rules were not released to colleges at publication; students and employees will be notified of changes when they are known and adopted by ACM. Also, the State of Maryland has additional requirements that will be in effect for the 2019-2020 academic year.**

If another person makes a report/complaint against you, the College will apply the same policy/procedures to the new report/complaint.

# SECTION THREE: REGISTRATION FOR COURSES AND ADDING/DROPPING COURSES

---

## I. REGISTERING FOR COURSES

---

All students are expected to register for classes within the registration dates listed in the College calendar. Students are requested to make appointments with their advisors or the Advising Center prior to beginning the registration process. On occasions when academic advisors are not available, students may complete the process in the Admissions Office.

## II. ADDING A COURSE

---

Courses added after the first week of classes require the written permission of the instructor and the approval of the Academic Standards Committee. To Add a course(s), the student must prepare a Change of Schedule Form, have it signed by the advisor, and have it recorded in the Registration Office.

The College reserves the right to cancel a course in which there is insufficient enrollment.

## III. DROPPING A COURSE

---

A student withdrawing from any course(s) up to the tenth week of the semester must complete a Change of Schedule form. This form must be filed before adding or dropping any course(s) becomes final. Except by written approval of the Academic Standards Committee, a course may not be officially dropped or changed to an audit after the tenth week of the semester.

If a student neglects to follow the official withdrawal procedure and merely ceases to attend classes, a grade of "F" will be recorded at the end of the semester. The official date of withdrawal is the date on which the completed Change of Schedule form is filed with the Registration Office, or the date of the Academic Standards Committee's action. The student is responsible for all assigned course work up to this date.

Students indebted to the College at the time of withdrawal will be obligated to fulfill the financial obligation. Extenuating circumstances, such as illness, must be documented and will be reviewed individually.

## IV. REPEATING A COURSE

---

Students may repeat courses up to three times for credit, except in specific programs where noted. If a student repeats a course, only the later grade shall be applied toward credits earned or in determining grade point averages. However, the earlier grade and record shall remain listed on the student's permanent transcript and shall be included in all transcripts of credits. "W" and "R" grades will not be used to replace grades of "D", "F", or "X" earned in previous attempts.

To receive quality points for any course previously taken at Allegany College of Maryland, that course must be repeated and passed at this institution.

For Student Financial Aid the Department of Education regulations state that federal student aid funds can only be used to pay for one repeat of a previously passed course. Successful completion includes grades of "D" and above. This regulation must be followed even though our academic policy noted above allows some courses to be repeated for credit up to 3 times. Failed classes which are repeated will be paid for indefinitely.

## V. ACCESSING INFORMATION USING WEBADVISOR

---

### **What is WebAdvisor?**

WebAdvisor is our student information system and a central component of our ERP system.

### **Access**

The stand-alone website for WebAdvisor is located at <http://webadvisor.allegany.edu> . When visiting WebAdvisor, a student should login using his ACM Username and Password.

### **Registering New Students**

New students are required to meet with an advisor to select classes. Advisors should complete the registration grid with the desired course sections or help register online. The student should be instructed to bring the grid to the Registration Office to be processed.

### **Registering Current Students**

Current students have the ability to self-register using **their** own WebAdvisor login. Although not required, current students may opt to meet with their advisors before or after the self-registration process. A student's advisor can make changes to course selections.

### **System Maintenance**

Due to necessary system maintenance, WebAdvisor will be inaccessible Monday through Friday from 5:00 p.m. – 8:00 p.m.

## VI. VETERAN'S AFFAIRS

---

The Office of Veteran Services serves the needs of individuals eligible for educational benefits either through the Department of Veterans Affairs (VA) or the Department of Defense (DoD - Tuition Assistance). The Veteran Service's office is here to serve all veterans, military service members, veteran's dependents and others eligible for educational benefits with concerns or questions regarding benefits, enrollment certification or other matters relating to VA or DoD benefits. The office is located in College Center, in the Advising Center on the Cumberland Campus. The Veteran Services phone number is 301-784-5209. It is prudent for new, re-entering or returning students, who are or may be eligible for VA benefits, to contact the Office of Veterans Services prior to registration to ensure that all necessary VA paper-work is properly initiated. Please remember, eligibility for educational benefits is determined by the VA or the DoD. Eligibility for VA or DoD educational benefits bears no relationship to an individual's indebtedness to Allegany College of Maryland.

According to Public Law 94-502, a veteran needs to consider the following:

1. Audited Courses ("R") - These courses do not result in credit being granted toward graduation. Because no credit toward an educational objective can be earned for such a course, it is not properly part of the student's approved educational program. Subsequently, no benefits can be earned for taking audited courses.
2. Nonpunitive Grades - At Allegany College of Maryland, nonpunitive grades are "W" and "X." These grades, whether upon completion of the course or at the time of withdrawal, have the effect of excluding the course from consideration in determining progress toward fulfillment of requirements for graduation. No credit toward graduation is granted for such a grade, nor is there any effect on other graduation factors imposed by school policy, such as grade point average. Courses in which "W" and "X" grades are received are equivalent to audited courses for purposes of advancement toward graduation.

- a. The "W" Grade - A "W" grade (withdrawal grade) is granted to students up until the first week after mid-term. If you receive a "W" grade (for instance, going from twelve to nine credit hours; nine to six credit hours; or to six or less credit hours), the difference has to be repaid to the V.A. depending on the amount of benefits paid. However, if there are mitigating circumstances, this policy may be waived.
  - b. The "X" Grade - In relation to the "X" grade, veterans no longer have the opportunity to use the "X" grade. In the event you receive an "X" grade at the end of the semester, you have to repay the difference accrued between twelve or nine credit hours, or six or less credit hours. There are also a number of mitigating circumstances that can affect the recipient of an "X" grade.
3. Punitive (Failing) Grade - This is a grade assigned for pursuit of a course which indicated unacceptable course work and no credit granted toward graduation for that pursuit. Although this type of grade results in no credit, it is distinguished from a nonpunitive grade by the fact that it is considered in determining overall progress toward graduation in that a penalty is exacted in a school graduation requirement, such as a grade point average. A course for which a punitive failing grade is assigned is not equivalent to an audited course because the grade is computed into a graduation requirement.
  4. Changes of Academic Status - All Veterans must report any changes of academic status to the Veterans Affairs Coordinator located in the Registration Office.

Allegany College of Maryland, which has a long history of helping military veterans transition to rewarding civilian careers, has recently opened a new Veteran's Center on campus that gives these students a place to call their own. The Veterans Center is located in the Humanities Building and features several Internet-linked computer stations, a seating lounge and a small kitchen.

# SECTION FOUR: STUDENT FINANCIAL AID

---

## I. INFORMATION AND POLICIES

---

By distributing funds according to need, Allegany College of Maryland's financial aid program makes it possible for the greater number of students, regardless of their financial circumstances, to continue their education. Currently, eighty-five percent of all enrolled students at Allegany College of Maryland receive some form of financial aid.

In addition to having its own funds, Allegany College of Maryland participates in most federal programs. Residents of Maryland and Pennsylvania are also eligible to receive state scholarships from their respective states. Last year, Allegany College of Maryland disbursed more than \$16,000,000 in funds from local, state, and federal programs.

Students applying for financial aid are considered for all programs for which they are eligible. The amount of financial aid awarded is generally a combination of grant, loan, and employment monies. The financial aid package is based on the financial need of the student and/or parents as determined by a federally mandated formula. Need is determined by subtracting the resources of the student and his/her parents from the total student expenses. All financial aid awards to students are determined by the Director of Student Financial Aid.

### **Financial Aid Sources**

The College participates in seven federally funded student financial aid programs where completing the FAFSA ([fafsa.gov](http://fafsa.gov)) is the initial step for applying:

**Federal Pell Grant** - gift aid, not to be repaid; full-time, part-time (6-11 credits), and less than part-time (1-5 credits) students eligible.

**Federal Supplemental Educational Opportunity Grant (FSEOG)** - gift aid, not to be repaid; full-time and part-time (6 to 11 credits) students eligible.

**Iraq and Afghanistan Service Grant** - (New starting 2011-12) gift aid, not to be repaid; full time, part-time (6 to 11 credits), and less than part-time (1 to 5 credits) students eligible. For students who are not Pell Grant eligible, but whose parent or guardian died as a result of military service in Iraq or Afghanistan after September 11, 2001; and who, at the time of the parent's or guardian's death, were less than 24 years old or were enrolled at least part-time at an institution of higher education. Award amount is determined annually by the Federal Government.

**Federal Work-Study (FWS)** - Part-time employment on or off campus; pay rate is \$11.00/hour; full-time or part-time (6 to 11 credits) students eligible. Students employed in the America Reads Program receive \$13.75 per hour. Funds are also available for summer; and students must complete the summer work-study application which is available in the Student Financial Aid Office or on our website.

**William D. Ford Federal Direct Loan Program** – Subsidized Stafford Loan – A low interest loan that enables students to borrow up to \$3,500 at the freshman level, \$4,500 at the sophomore level, and \$5,500 at the junior and senior undergraduate level, and \$8,500 for graduate study. Aggregate limits are: \$23,000 for undergraduates and \$65,500 for graduate and professional degree work. Interest rate is expected to be 5.045% for loans disbursed after July 1, 2018; however, the rate is subject to change as determined by Congress. Students must show need in order to be eligible to borrow. The Federal Government pays full interest on the loan while the student is in college; however, interest begins to accrue at the time the student graduates, withdraws, or drops below 6 credit hours. Repayment of the principal and interest begins

6 months after the student is no longer enrolled in at least 6 credits, although students can elect to make payments at any time after the loan is disbursed. Deferments are available. Students are also required to pay a 1.062% default fee on the principal amount of the loan, which is proportionately deducted from each loan disbursement. For new borrowers after July 1, 2013, there is now a limit on borrowing under this program equal to 150% of the time allowed to graduate in a program. Information on this limit is available from the Student Financial Aid Office or on the ACM Financial Aid website.

**William D. Ford Federal Direct Loan Program – Unsubsidized Stafford Loan** – A low interest loan that enables students who show little or no eligibility to borrow under the Subsidized Stafford Loan to borrow at those same levels plus an additional amount of \$2,000 for dependent students and \$6,000 for independent students. A student whose parents are unable to borrow under the Parent PLUS Loan program can borrow an additional \$6,000. Interest rate is expected to be a fixed rate of 5.045% for loans disbursed after July 1, 2018; however, the rate is subject to change as determined by Congress. Unsubsidized loan recipients are responsible for payment of interest during in-school, grace, and deferment periods. Students are also required to pay a 1.062% default fee on the principal amount of the loan, which is proportionately deducted from each loan disbursement.

**Federal PLUS Loans (Parent Loan for Undergraduate Students)** - Enables parents of dependent students to borrow funds to assist with their student's education. Parents may borrow up to the student's estimated cost of attendance minus any financial aid. Interest rate is expected to be 7.595% for loans disbursed after July 1, 2018; however the rate is subject to change as determined by the Federal Government. There may be an origination fee of up to 4.248% of the loan amount. Repayment usually begins 60 days after the loan is fully disbursed; however, parents can elect to delay repayment on the Parent PLUS Loan until 6 months after the dependent student for whom they borrowed ceases at least half time enrollment. Checks are made copayable to parent and school and disbursed to the institution.

### **How to Apply**

Students must complete the Free Application for Federal Student Aid (FAFSA). Parent borrowers (PLUS) must visit [www.studentloans.gov](http://www.studentloans.gov) to complete the parent loan application process. Students should apply for financial aid as soon after October 1 as possible for each academic year for which they will be enrolled, i.e., October 1, 2019 for 2020-21 academic year. Applications received by March 1 for Fall semester and November 1 for Spring semester will be given first consideration for all types of financial assistance. The FAFSA may be obtained from the Student Financial Aid Office, guidance offices at most high schools, or on the web at <https://fafsa.gov>. Additional information, including the required forms, on student financial aid may be obtained by calling 301-784-5213, by visiting the Student Financial Aid Office located in the College Center Building, or on the web at [www.allegany.edu/finaid](http://www.allegany.edu/finaid).

### **Satisfactory Academic Progress Policy (SAP)**

Students must be making satisfactory academic progress in order to receive financial aid. SAP requires a minimum GPA, successful completion of 67% of courses, and credential completion within 150% of program length. Copies of this policy may be obtained from the Student Financial Aid Office or on the ACM website at [www.allegany.edu/finaid](http://www.allegany.edu/finaid) under "Student Information." Students who fail to meet SAP risk termination, so students should always consult a Financial Aid Officer prior to dropping or not attending a class.

### **Refund Policy for Title IV Recipients**

As required by the Higher Education Amendments of 1998, the Student Financial Aid Office will recalculate the Title IV federal financial aid eligibility for any student who officially or unofficially withdraws, drops out, or is dismissed from Allegany College of Maryland prior to completing 60% of the enrollment period.

Title IV Federal Financial Aid refers to the federal programs ACM participates in as authorized under the Higher Education Act of 1965 (as amended) and includes the following programs: Unsubsidized Federal Direct Student Loans, Subsidized Federal Direct Student Loans, Federal Direct PLUS Loans, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, and the Iraq/Afghanistan Service Grant.

A student's withdrawal date will be determined as:

- a. the date the student began the institutional withdrawal process or officially notified the institution of intent to withdraw; or
- b. the midpoint of the period for a student who leaves without notifying the institution; or
- c. the student's last date of attendance at a documented academically-related activity.

Recalculation of federal aid is based on the percent of earned aid which is determined by one of the following:

- a. If the day the student ceased attendance occurs on or before 60% of the enrollment period, the percentage of federal aid earned is equal to the percentage of the semester that was completed.  
Example: Student attends 40% of the semester, he/she earns 40% of the aid disbursed or that could be disbursed.
- b. If the student ceases attendance after completing 60% of the enrollment period, all federal aid is considered to have been earned.

The difference between the earned aid and the total aid that was disbursed or could have been disbursed is "unearned aid."

Unearned aid must be returned to the appropriate Title IV financial aid program. If the calculations determine that "unearned financial aid" has been credited to the student's billing account, the institution will return those funds to the appropriate federal program. However, the student will then be responsible to the institution for any outstanding charges that remain when funds are returned.

Calculations may also show that students are now ineligible for refunds of federal grants and/or loans that they have already received.

NOTE: Students who are responsible for returning "unearned financial aid funds" must make arrangements with the Business Office for prompt repayment of the funds.

Title IV Funds must be returned in the following order as required by law:

- Unsubsidized Direct Stafford Loan (other than Plus)
- Subsidized Direct Stafford Loan
- Direct Plus Loan
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant
- Irag/Afganistan Service Grant

NOTE: Calculation worksheets and examples are available in the Student Financial Aid Office.

**STUDENT FINANCIAL AID DISBURSEMENT PROCEDURE:** Student Financial Aid refunds from our Billing Office will be mailed to students after all tuition, fees, books, and Willowbrook Woods charges have been paid in full, meaning the first financial aid payment received by the Billing Office will pay for expenses until the account is paid in full. Students will need to budget accordingly.

In addition, students who plan to use financial aid funds to pay for Willowbrook Woods must have a completed and verified file before July 1 for the fall term.

Bedford County Campus: Representatives from the Student Financial Aid Office have regularly scheduled appointments at this campus. Please call the Bedford County Campus to make an appointment.

**Allegany College of Maryland**  
**Student Financial Aid Non-Discrimination Statement**

The Student Financial Aid Office of Allegany College of Maryland offers free financial aid counseling services to all persons who request such help. All students attending the College are awarded all of the student financial aid for which they are eligible. Students have the right to cancel/decline some or all of any student financial aid award at any time. ACM's Student Financial Aid Office does not discriminate on the basis of curriculum, race, color, creed, or national or ethnic origin, gender, religion, disability, age, veteran status, or citizenship status (except in those circumstances permitted or mandated by Federal Law) when awarding or disbursing student financial assistance.

## ACADEMIC INFORMATION

---

### I. JAMES ZAMAGIAS STUDENT SUCCESS CENTER

---

#### A. PLACEMENT ASSESSMENT

##### **Cumberland Campus**

As a part of advising and registration procedure, some new, incoming students may need to complete an academic placement assessment which consists of three sections: English, mathematics, and reading. Since the College prescribes to multiple measures of placement, students should contact the ACM Admissions Office to determine if they need a placement test. Placement tests are administered Monday through Friday by appointment. To schedule an assessment, call the Testing Lab at 301-784-5554 or schedule a time electronically on the College's website under placement testing. Students who live a distance from the College, may request a voucher (ticket) to take the test at another certified Accuplacer test site. To request a voucher, students should visit the ACM website under placement testing. Students are responsible for making arrangements with certified site to schedule the exam. The test site may charge a proctoring fee. As with all testing services, students must present a photo ID at all testing sites.

Students who have not completed a basic college introductory biology course (Biology 100, 101, or 109 at ACM) and wish to take an anatomy and physiology courses (Biology 121, 201, or 207) must take and have a passing score on the Anatomy and Physiology Placement Examination. Please note this test is not a part of the standard placement assessment, and students must have an active D2L/Brightspace (Formerly Blackboard) account. New students **must** schedule three days in advance, so that an account can be created. For more information please check on our College's website under placement testing.

##### **Pennsylvania Campus**

Placement assessments are administered Monday through Friday by appointment. Students should call 814-652-9528 for Bedford County Campus testing information. Check with Robin Swindell.

#### B. TRANSFER ADVISING

Students planning to transfer to a four-year college or university should discuss course transferability with their advisors or Student Success Center staff members before or during their first semester (or the Student Services Office at the Bedford County Campus). Each college or university has a unique series of required courses. Students should plan their coursework to meet the requirements of the transfer institution. Ultimately, the student has the responsibility of knowing/determining course transferability. Additional resources are available on the College's website under "Transfer Advising."

The Bedford County Campus's Student Services office can help you head in the right direction with your education. Our Career Development Program is designed to help our students be aware of their interests, skills and personality traits in order to pursue educational majors/careers that are well suited for them. Any student planning to transfer Allegany College of Maryland credits to another college or university needs to register for classes with our Transfer Advisor to ensure a successful transition. To contact a career advisor in Student Services Office at the Bedford County Campus call 814-652-9528, ext. 6204. Check with Robin Swindell.

#### C. TUTORING

The Cumberland Campus Tutoring Program offers regularly scheduled study labs for students.

- The Reading and Writing Center, located in L-115, offers assistance for students writing essays for all ACM credit courses, along with help with reading comprehension, resumes, cover letters, and

applications. A Speech Study Lab is a part of the Reading and Writing Center and provides a place for students to practice oral presentation for any class.

- The Math Study Lab is housed in H-66 and offers tutorial support for mathematics classes from beginning algebra to calculus. Support is also available for math concerns in the sciences.
- The Science Study Lab in S-64 also uses available lab space in the Science Building and offers assistance with basic sciences and anatomy and physiology courses.

A schedule of hours is available from the Student Success Center and the ACM website. Individual and group tutoring is available to all students through the Student Services Office at the Bedford County Campus.

Individualized and small group assistance to supplement classroom instruction is provided in some subjects through the Student Success Center in the Humanities Building. The goal of the tutoring program is to help students become independent learners. Tutoring is not intended to be long-term, but rather to help a student with a distinct problem in a particular course. Individual tutors may be provided for subjects not covered by study labs. Due to a limited number of available tutors, students must attend one of the study labs before applying. If tutors are not available in the requested subjects, students are assigned to a study group and/or placed on a waiting list.

To become tutors, students must be sponsored by an instructor, demonstrate academic abilities, (3.00 cumulative GPA or higher and a "B" or higher in the course to be tutored) and be in good standing with the College and community. Non-student tutors are hired only when a sufficient number of tutors cannot be recruited from the student body. Tutors are required to complete training prior to the first tutoring session.

Online tutoring is available in all mathematics courses, basic writing courses, introductory biology, chemistry, and physics, anatomy and physiology, economics, accounting, nursing, and computer software. Services are available from 10 a.m. to 4 a.m. (the next morning). With the exception of the economics, accounting, nursing, and software for which appointments are required, all subjects are available upon demand. To access online tutoring, any registered ACM student can visit <https://www.thinkingstorm.com/acm/>.

## **D. TESTING LAB/CLASSROOM TESTING**

### **Testing Lab Guidelines**

The Testing Lab offers placement assessments for prospective students, correspondence tests, and other tests arranged by students and their instructors.

To ensure the security of tests in the Testing Lab, the following guidelines have been instituted:

- Students must sign-in and present an official photographic identification before entering the Testing Lab. Students who do not have an ID may request that a faculty or staff member to verify their identity.
- All cell phones, smart watches, laptop computers, electronic tablets, and any other electronic equipment must be turned off and secured in Testing Lab lockers or security bags. Additionally, books, book bags, purses, and other personal items must be secured in locker or security bags.
- When a staff member observes cheating in the Testing Lab, he/she will verify the activity using digital video recording. If cheating is verified, the test will be collected and the student will be asked to leave. The instructor will be notified in writing of the observed cheating and will be offered the option to review the recording. See the College's Policy Regarding Student Cheating in this Student Handbook for more information.
- Instructors using the Testing Lab to administer tests must complete a Test Administration Form.

Specific instructions as to type of calculators, reason for testing, aids, or books allowed must be included. To provide greater security, instructors must provide a roster of students who will be taking the tests or indicate the students' names on the tests.

- Work/Study students and tutors employed by the Student Success Center are not allowed to handle or distribute tests. Only full- or part-time college employees of the Student Success Center can administer tests/proctor tests. Tests may not be handled by any other college employee unless designated by the instructor.
- As stated under the College's Code of Conduct Policy on Unattended Children, no child may accompany an adult into the Testing Lab. Additionally, Student Success Center staff members will not take the responsibility for watching a child while an adult takes a test.

NOTE: Testing at the Bedford County Campus is administered by the Student Services Office and done by appointment only.

### **E. COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)**

CLEP provides students with the opportunity to demonstrate college-level achievement through a program of exams in undergraduate college courses. Students planning to transfer CLEP credit should check with their college or university to see which tests and how many credits they accept via examination. To obtain information about CLEP or to schedule an exam, call the Student Success Center at 301-784-5554 or Bedford County Campus Student Services Office in PA and visit [www.clep.collegeboard.org](http://www.clep.collegeboard.org) to register for a test session. Non-ACM students will be assessed a proctoring fee in addition to the fees paid to CLEP.

### **F. ONLINE TESTING FOR OTHER INSTITUTIONS**

Students who are taking online courses through another institution may make arrangements to test in one of the ACM Testing Labs. It is the student's obligation to make the arrangements. Individuals who are not currently ACM students will be assessed a proctoring fee.

### **G. PRAXIS EXAMS**

The Student Success Center regularly administers PRAXIS exams for Educational Testing Services. These exams are given to students entering upper-division education courses or to educational professionals seeking certifications. PRAXIS testing may require closures or relocation of the SSC Testing Lab.

## **II. ACADEMIC ACCESS & DISABILITY RESOURCES**

---

Students who had an IEP or 504 plan in high school or have been diagnosed with a learning disability, ADHD, or a chronic medical or mental health disorder may qualify for academic accommodations. Those students who provide appropriate documentation of their condition to the Academic Access and Disability Resources Office (AADR) will have a set of academic accommodations established that uphold equal access to educational opportunities at ACM, such as extended time on tests, a reader for tests, or testing in a quiet environment. To assure timely acquisition of services, students should contact AADR at least four weeks prior to the start of the semester. Maryland residents who are retired from the workforce by reason of total and permanent disability as defined by the Social Security or Railroad Retirement Act may be eligible for a disability-based tuition waiver and should contact the AADR on the Cumberland Campus, located in the Humanities Building, Suite H-1 through H-3, by calling (301) 784-5234 or emailing [ADR@allegany.edu](mailto:ADR@allegany.edu). Individuals who need assistive calling may place a call through Maryland Relay by dialing 711.

### III. NON-TRADITIONAL STUDENTS

---

Additional support and advising is available for non-traditional student learners as they begin their journey into college. Non-traditional learners are students who have been out of school for 5 or more years, are 25 years of age or older, are parents, military veterans, dislocated workers, or GED recipients. Support is provided through the Academic Access and Disability Resources Coordinator. The coordinator recognizes that non-traditional students have different needs than students coming straight from high school and that taking college courses after being away from school for a time can be intimidating. Services provided include general support and advising, community referrals, and advocacy. The Academic Access and Disability Resources Coordinator is located in the Humanities Building, room H-1, on the Cumberland campus.

For more information or to schedule an appointment, please call Dione Clark-Trub at 301-784-5234 or email [ADR@allegany.edu](mailto:ADR@allegany.edu).

### IV. DISTANCE LEARNING

---

#### A. INTERACTIVE VIDEO COURSES

Allegany College of Maryland uses videoconferencing technology to offer multi-point interactive distance learning courses among the Cumberland campus, the Bedford campus, the Gateway Center, and other teaching sites. These courses meet at regularly scheduled class times in the distance learning classrooms at each site. In the distance learning classrooms, you will see and be seen, hear and be heard –in real time– by class members at each participating site. Your instructor may teach from the site you attend or from one of the remote sites. For more information, contact Janet Murray at [jmurray@allegany.edu](mailto:jmurray@allegany.edu).

#### B. WEB (ONLINE) COURSES

Allegany College of Maryland offers more than 100 web courses. Web courses do not meet regularly in the classroom; the majority of the learning activities are completed online. Some online courses require proctored or on-site exams. For more information, contact Janet Murray at [jmurray@allegany.edu](mailto:jmurray@allegany.edu).

#### C. BLENDED COURSES

Blended courses meet in a classroom less frequently than traditional face-to-face courses as they are taught partially online. Students taking blended courses are expected to attend scheduled classes and complete the online learning activities and assignments. For more information, contact Janet Murray at [jmurray@allegany.edu](mailto:jmurray@allegany.edu).

### V. PATHWAYS FOR SUCCESS (TRIO/STUDENT SUPPORT SERVICES)

---

The Pathways For Success Program at Allegany College of Maryland (ACM) is a TRIO Student Support Services (SSS) project funded through a grant from the U.S. Department of Education. Pathways For Success provides a supportive environment on campus for first-generation, income eligible students and students with disabilities. To assist Pathways For Success students in achieving their academic goals, the program offers services such as academic and transfer advising, tutoring, career advising, and financial aid advising/literacy, among other services. Pathways For Success serves 140 eligible, enrolled students annually at ACM.

To be eligible for Pathways For Success (TRIO SSS), a student must

1. Be a citizen or national of the United States OR meet residency requirements for federal student financial aid;
2. Possess a GED or high school diploma;

## **VI. CHEATING/PLAGIARISM**

---

Definition - Cheating is defined as an act of conscious deception done in order to obtain an undeserved grade; or the aiding or abetting of deception in order to obtain an undeserved grade.

Types of Cheating:

1. dishonestly obtaining and using copies of examinations;
2. using "crib sheets" or previously prepared materials during examinations;
3. impulsive exchange of information or copying from another's paper during examinations;
4. plagiarism:
  - a. the submission, as your own work, of papers or parts of papers actually written by another;
  - b. the inclusion in your own work of a passage **written by another person** without giving due credit; i.e., quoting or paraphrasing without proper citation of source.
5. falsifying records and/or the forging of an instructor's signature on clinical or laboratory evaluation papers.

If cheating and/or plagiarism occurs or is believed to occur, faculty have the discretion to determine the most appropriate sanction. Students who disagree with the response of the faculty to incidents of cheating and/or plagiarism should refer to the Academic Grievance Policy found on page 85 of this Student Handbook.

## VII. SOME NOTES ON ACADEMIC SUCCESS

---

### **GUIDELINES FOR STUDENTS FROM FACULTY**

#### **An Opening Note**

The following “tips” were designed for you by faculty to help you in your transition from being a high school student to being a college student. Take advantage of them and you’ll increase your chances of success in college.

And since college and the work world have much in common, many of these suggestions apply to both and help to ensure success in both.

As a college student, you are an adult. That means that you are primarily responsible for your work, behavior, and grades. You have the opportunity to establish your priorities, work independently, and assume responsibility for your life.

#### **Course Load, Study Time, and Work**

You will need to spend a minimum of two hours of study for each hour in class per week. Therefore, multiply the total number of credit hours you’re taking by two to determine the minimum amount of time to commit weekly to out of class study. Budget time well to allow time each day (including weekends) for each subject. So if you are taking 15 credits, budget a total of 45 hours for class and study time. As you can see, this is certainly a full-time job! And if you are employed, you may need to adjust the number of hours you work. Don’t forget to arrange work schedules, appointments, and child care so they do not interfere with class meetings and study time.

#### **Assignments, Preparation, and Study**

Find an atmosphere for study to enhance concentration. Many students find it helpful to study with a partner or in groups. Do assignments to learn and master the skill or objective, not just to “get it done.” Look over your class notes or relevant text material and do the assignment as soon after class as possible. Exam preparation is an on-going process, not just a cram session at the last minute.

#### **Some Specifics on Reading and Note Taking**

When taking notes in class, outline the main points and record any examples given by the instructor. Do not try to record everything said by the instructor. As soon as possible after having taken the notes, update and review them while the material is clear in your mind. Periodically update and review notes.

Do assigned reading daily. DO NOT underline anything in your textbook the first time you read the material when almost everything will look important. Instead, ask yourself what you think was important in the paragraph you just read. Then selectively underline the information that answers your question, generally no more than ten percent of the text, or—better yet—note the important information in the margin. You will find it helpful to read the “Summary” section of a chapter before you begin reading the chapter. Outlining the chapter and answering study questions at the end of the chapter also will benefit you.

#### **Attendance and Responsibility for Content Missed if Absent**

The course goes on even if you are not able to be there. If you are committed to learning, you’ll keep absences to a bare minimum. It is very difficult to catch up if you miss even one class, not to mention two or more in a row. (Missing one class in college is like missing a week or more in high school.) If you must be absent, contact a fellow classmate to obtain notes or assignments. It is solely your responsibility to catch up, not the instructor’s. Research indicates that “A” students generally miss zero or only one class per semester. Attendance is very important in any course. So is promptness.

#### **Faculty and Students**

While faculty members are experts in their field, they are also fellow human beings employed to help you achieve expertise and/or professional credentials. So contact each faculty member whose courses you’re taking during office hours or make an appointment to review tests/assignments, clarify information, pursue more information, or deal with problems—early in the semester.

**Enhancing Learning**

Use available teaching aids such as computer programs, video tapes, and the college library to reinforce course content.

The library has special resources such as the video “Where There’s A Will, There’s an A.” The College’s developmental education program can help you in study skills and related matters. Your instructor or advisor may refer you to such courses. They are invaluable!

**Gaining From the Classroom**

Come to class prepared. But participate also. Being involved in class deepens and expands your knowledge. It also makes learning easier. Try to relate the class material to your interests, everyday life, and/or current events. Faculty members aren’t “mind readers,” so ask questions if you don’t understand material or assignments. Instructors often use a variety of teaching methods and means of evaluation to help you learn as easily and pleasantly as possible.

**Learning From Library Research**

In a library paper, you may discuss, compare, contrast, and critically evaluate material. It is not enough simply to record, without comment, conclusions or a synthesis from the material located. You must cite sources internally (footnotes of APA or MLA format) and in a bibliography. Failure to do so is plagiarism, a kind of theft.

**Academic Freedom**

In college, students are exposed to a variety of information, philosophies, and ideas. Some are controversial. This exposure, leading to awareness and understanding, is part of becoming an educated person. Freedom to express relevant ideas in the classroom is called “Academic Freedom” and the right to do so is protected not only by tradition but also by law.

**Attitudes Toward Learning**

College is different from high school. You choose to attend college to learn and gain important knowledge and skills for life and career. The TV/movie image of “nerds” and “geeks” belongs to fiction. Adults are serious students, interested in broadening education and in doing quality work—attitudes needed for success in today’s complicated, demanding, and technical job market.

**An Important Footnote**

These “tips” are meant to contribute to your progress in general and to every course you take. But they are merely general guidelines and neither overrule nor limit specific directions on any syllabus.

(Since “tips” are applicable to all courses, they are general. Your course syllabus may provide more specific help. Read it carefully and review it often. It will answer many of your questions and prove to be invaluable.)

If no such agreement is reached, then the instructor will communicate the details of the situation to the immediate supervisor. The student will also be referred to the immediate supervisor. The immediate supervisor will provide support and assistance as needed to help resolve the situation. If no resolution is found through the aforementioned discourse, the student will be dropped from the course. Thereafter, the student may initiate the academic grievance process. This process is independent of any disciplinary action connected to the Code of Student Conduct.

However, if the situation is excessively disruptive, aggressive, intimidating, out-of-control, or otherwise presents a safety risk to the instructor and/or other students, the instructor should immediately direct the

disruptive student to leave the classroom, call 911 as needed, and notify campus security and/or the Office of Student and Legal Affairs. After the class session is over, the instructor's immediate supervisor will be informed of the disturbance. The instructor may choose to drop the student from the course and the student may initiate the academic grievance process. This process is independent of any disciplinary action connected to the Code of Student Conduct.

## **SECTION F: GRADUATION**

I	Incomplete	None
P	Pass (non-credit and designated credit courses only)	None
R	Registered to audit	None
W	Withdrawn	None
X	Deferred (See Regulation H7)	None

Note: All grades with the exception of "I" (Incomplete) are permanent grades

H2 The grades of "I" (Incomplete) will only be used as a temporary grade. The decision to use the "I" grade is at the discretion of the instructor, and shall be used in such instances where the student requests and the instructor grants permission to complete required coursework, including the final evaluation after the close of a semester or summer session. The grade of "I" will not be awarded as a mid-term grade or after a final grade is verified.

If the request for an Incomplete is granted by the instructor, all work must be completed by a date specified by the instructor. All incompletes granted during the spring semester or summer sessions must be completed no later than 30 days after the first day of fall semester courses. All incompletes granted during the fall semester must be completed no later than 30 calendar days after the first day of the spring semester courses. Otherwise, the grade of "F" will be recorded by the Office of Enrollment and Advising Services. An extension of time beyond the date specified may be granted upon written request with the concurrence of the instructor and Senior Vice President of Instructional and Student Affairs.

H3 The grade of "P" (Pass) will be recorded for satisfactory work in certain credit courses as indicated in the College catalog.

H4 The grade of "R" (Registered for audit) will be recorded at the student's request at the time of registration. A grade of "R" will be recorded automatically, unless the instructor advises the Office of Enrollment and Advising Services in writing, via an appropriate form, that the student has failed to follow instructions in the course syllabus. In such an event, the grade of "W" shall be recorded on the student's transcript.

H5 A student who is registered for a course may change to audit until the final drop date with the instructor's and advisor's approvals. A student who is registered to audit may change to credit within the first week of class with the instructor's and advisor's approvals.

H6 The grade of "W" (Withdrawn) will be recorded under the complete circumstances listed in Section R: Withdrawal from Courses.

- H7 The grade of "X" (Deferred) will be awarded at the instructor's discretion to those students who, in their opinion have made some progress through reasonably diligent efforts, but have not attained proficiency sufficient for a passing grade. Note: The "X" grade is a permanent grade. The grade of "X" will not be awarded at midterm.

### **SECTION I: REPORTING AND RECORDING GRADES**

- I1 Grades for each student and for each course shall be reported by the instructor to the Office of Enrollment and Advising Services at mid-term and at the end of each semester or session. "X" and "I" grades will be issued at the end of the semester or session.

Midterm grades are issued for the fall and spring semesters.

- I2 The semester grade as reported to the Office of Enrollment and Advising Services at the end of the semester or session shall be final but may be changed within sixty (60) calendar days only if:
- (a) The instructor acknowledges in writing that there was an error in recording or computing the grade; or
  - (b) the instructor explains fully in writing the special conditions or extenuating circumstances, which the instructor believes constitute sufficient justification for the grade change and obtains the written approval of the Senior Vice President of Instructional Affairs.
- I3 If a student repeats a course, the earlier grade(s) shall remain listed on the student's official transcript.

### **SECTION J: QUALITY POINT AVERAGE**

The semester Quality Point Average and the cumulative Quality Point Average shall be computed at the end of each semester. For purposes of this section, credit hours refer only to the college-level credit courses numbered 100 and above.

- J1 A semester Quality Point Average (QPA) is the total number of the quality points earned in the semester divided by the total number of credit hours attempted.
- J2 A cumulative QPA is the total number of quality points earned in all semesters divided by the total number of credit hours attempted.
- J3 If a student repeats a course, only the later grade shall be used in determining QPA. However, in a required course, should the first grade be passing and the repeated grade failing, then the passing grade may be counted as satisfying graduation requirements for the course.
- J4 Only final course grades are used to compute cumulative point averages at the close of a semester or a summer session.
- J5 Quality points are not accepted in transfer from another institution.
- J6 To be eligible for the Dean's list, a student must have a semester QPA of at least 3.80, and the student must have carried a course load of at least 5 college-level credit hours.
- J7 To be eligible for the Honor's List, a student must have a semester QPA of at least 3.30 and less than 3.80, and the student must have carried a course load of at least 5 college-level credit hours.
- J8 A student who has discontinued attendance at Allegany College of Maryland for a minimum of five years and who re-enrolls may request grade forgiveness for a maximum of 16 credit hours. Grade forgiveness may not include any course that has fulfilled a graduation requirement, is a program requirement, or can be repeated for credit. Original grades are not expunged from the student's record; however, the courses are coded and the original grades will no longer be calculated in the student's grade point

average. Grade forgiveness may be used no more than one time, regardless of the number of times a student may begin and discontinue enrollment at Allegany College of Maryland.

### **SECTION K: ACADEMIC PROBATION**

K1 Any full-time student or part-time student with an accumulated total of 12 or more attempted college-level credit hours must attain a semester quality point average of at least a 1.75, or a cumulative quality point average of 2.00 to avoid being placed on academic probation.

K2 A student on academic probation may not enroll in more than 15 credit hours.

### **SECTION L: REMOVAL FROM ACADEMIC PROBATION**

A student will be removed from academic probation if the student has attained a cumulative quality point average of at least 2.00.

A student who has been placed on academic probation will be academically suspended if the student fails to attain at least a 1.50 semester grade point average.

### **SECTION N: STUDENT CLASSIFICATION**

N1 A student carrying 12 or more credit hours is classified as a full-time student. A student carrying less than 12 credit hours is classified as a part-time student.

N2 A student who has earned 28 or more college-level credit hours will be classified as a sophomore. A student who has earned less than 28 college-level credit hours will be classified as a freshman.

### **SECTION O: COURSE REPETITIONS**

O1 Except where noted differently in the course descriptions, a student may take the same course for credit no more than three times. Additional attempts will require the approval of the Department Chair and instructor of the course. (For purposes of this section, "take" shall include courses in which the student receives a grade of A, B, C, D, F, W, R, or X). The most recent repeated grade will be computed in the student's grade point average. (See Regulation J3)

O2 To receive credit for any course in which a grade of "F" was received at Allegany College of Maryland, the student must repeat and pass the course at this institution subject to the provisions of Regulation O1 unless permission for taking the course elsewhere has been granted by the Registrar.

### **SECTION P: REGISTRATION**

P1 The College Calendar lists the dates for registration.

P2 With instructor and advisor approval, a student will be permitted to enroll in a regular semester (15 weeks) course during the first five academic calendar days of the semester.

P3 A student may change courses until the end of the third full week:  
a. if the change is sections of the same course, or  
b. b.if the course is within the same department and the change is recommended by the department and advisor.

P4 Registration deadlines will vary for courses with beginning and ending dates different from the regular semester dates.

P5 A student who has been deregistered after the semester begins may, with instructor approval, re-register for the same course(s) with the same instructor(s) provided the student re-enrolls within five academic calendar days of being deregistered.

## **SECTION Q: ACADEMIC LOAD**

A student may enroll for more than 19 credit hours in one semester, or for more than 12 credit hours for a summer session only upon receiving written permission from the advisor.

## **SECTION R: WITHDRAWAL FROM CLASSES**

- R1 The course drop or withdraw process is available to the student online prior to the first day of the semester. Once the semester begins, the process requires the submission of the appropriate form to the Office of Enrollment and Advising Services based on the below timeframe:
- a. A course dropped or withdrawn prior to the first day of the semester or within the first 20% of the course will not be included on the student's transcript.
  - b. A course dropped or withdrawn after the 20% and before 60% of the course will be recorded with a "W" grade on the student's transcript.
  - c. A course may not be dropped by a student after 60% of the course.
  - d. A course dropped by the instructor after 60% of the course will be recorded with an "F" grade on the student's transcript.
- R2 A student that withdraws from all courses in a semester may receive "W" grades if supported by documentation from a medical provider. Signed documentation on letterhead must include specific dates the student was unable to attend or effectively participate in class activities.
- R3 The official date of withdrawal is the date on which the appropriate form is received in the Office of Enrollment and Advising Services.
- R4 An instructor may drop a student from the class roster in accordance with Regulation E1, E2, and/or U4 after the instructor submits the appropriate form. The Office of Enrollment and Advising Services will notify the student. When a student is dropped by the instructor, Regulation R1 will apply.
- R5 If a student dies during the course of a semester, a grade of "W" will be recorded for each course. Any unresolved "I" grades on a deceased student's record will revert to "W" grade.

## **SECTION S: INSTRUCTIONAL PROGRAMS**

- S1 Each student will be placed in a program of study or classified as Non-Degree. (See Regulation B1)
- S2 A student wishing to change his/her program of study must submit the appropriate form to the Office of Enrollment and Advising Services.

Review the requirements and/or performance standards. Please take a few moments to make sure your concern is a valid one and is not based on inaccurate or incomplete information. Also please understand that this policy addresses issues of an academic nature, such as grades, attendance, or other academic issues relating to a course. This procedure must be initiated within 10 working days after occurrence. For issues that are non-academic in nature, students should refer to the appropriate College policy, which may be found in the Student Handbook.

Written documentation may be requested. The faculty member has the right to meet with involved individuals throughout each step of this process.

- Meet with the Dean of Educational Services.
- The Dean will make a decision based on the information contained in the Academic Grievance Notice and meetings with involved parties.

The Dean notes his/her decision on the Notice (with copies provided to all parties, and a copy maintained in the files of the Dean). Any person with a complaint about how an employee has conducted himself/herself in word or deed in his/her capacity as an employee of the College shall schedule a time to meet and discuss the complaint/concern with the particular employee. Informal resolution of concerns is permitted at this stage. If, however, the person does not feel his/her complaint has been redressed OR feels uncomfortable speaking privately with the employee, s/he should speak with the employee's immediate supervisor. - further **investigation** by the supervisor;
- **no action** because the complaint has no basis in fact, insufficient information is available, the matter has otherwise been resolved, or the employee acted correctly (which should be explained to the complainant); and
- **discipline** of the employee if warranted. (See the Employee Handbook's disciplinary policy for details on this process.)

The supervisor's finding(s)/action(s) shall be communicated - as privacy laws permit - to the complainant in writing. ### III. PROCEDURE FOR APPEALING DENIAL OF COLLEGE SERVICE(S)

\*This committee's bylaws and responsibilities are under review. Contact the Office of Student & Legal Affairs for assistance.

The Allegany College of Maryland Student Services Appeals Committee processes concerns of students regarding financial aid, counseling programs, the main campus Student Success Center and Pennsylvania campus Student Service Offices, and student activities. Matters that may be appealed include, but are not limited to, termination of financial aid, termination from a college work study, institutional work study, or tutoring position, denial of tutoring services, residency classification for tuition purposes, denial of participation in student activities, and denial of services or accommodations for a disability.\* Appeals may only be considered by the Committee when a person is adversely affected by a final decision of a department director, coordinator, or manager. Warnings, reprimands, and other forms of non-conclusory actions may not be appealed.

\*This service and appeal process is likely to change during the 2017-2018 academic year. Contact the Office of Academic Disability Resources or the Office of Student & Legal Affairs for assistance.

A credit student having a concern regarding the areas listed above should first attempt to resolve the concern in an informal manner by:

1. Presenting the concern orally to the appropriate director, coordinator, or manager, who will make a written record noting the date of the oral statement of the concern, the College students and employees involved, any witnesses that might be helpful to resolution, and a brief description of the concern. The director, coordinator, or manager will make an investigation of the facts, if necessary, and provide the student with a written resolution.
2. If the resolution is unsatisfactory to the student, the student may appeal to the Student Services Appeals Committee.

3. If a student wishes to express a concern about termination of financial aid due to unsatisfactory academic progress after written notification, the student should appeal directly to the Student Services Appeals Committee without attempting an informal resolution of their concern as outlined above.

A credit student wishing to appeal a concern to the Student Services Appeals Committee should:

1. Obtain a form of petition before the Committee from the Office of the Dean of Student & Legal Affairs, and complete the petition, providing all of the information requested, as well as any additional information that might be helpful in understanding the concern. Attachments to the petition form that provide additional information are encouraged. The Dean of Student & Legal Affairs may provide advice on completing the written petition.
2. The student may elect to appear in person before the Committee, or direct the Committee to consider the appeal and reach a decision without an appearance before the Committee. The student is encouraged to attend so that the Committee may ask questions and obtain information not included in the written petition.
3. The Office of Student & Legal Affairs shall schedule meetings of the Student Services Appeals Committee in advance and publish the dates of deadlines and meetings. Urgent matters may be considered by the committee via electronic means, without a meeting.
4. The Student Services Appeals Committee will meet and review the petition, conduct any investigation necessary, and deliberate the concern. The Committee renders a decision based upon a majority vote. The Dean of Student & Legal Affairs will prepare a written letter to the student advising of the Committee's action.

\* The decision of the Student Services Appeals Committee is final.

### **Policy: Alcohol & Drug Use**

A new drug and alcohol policy is in development at time of publication. Final policy will be distributed to students.

Allegany College of Maryland supports the efforts of the State of Maryland and the United States to provide workplaces and learning centers free of illicit drug use and free of unlawful alcohol use. The College supports the Federal Drug-Free Workplace Act of 1988, the Federal Drug-Free Schools and Communities Act Amendments of 1989, and drug and alcohol abuse policies of the Maryland Higher Education Commission.

It is the College's intention to provide and maintain a work environment for employees and students that is drug-free, healthful, safe, and secure. When a student is on campus, the student is expected to be in an appropriate mental and physical condition, free of any illegal drugs/alcohol and capable of fulfilling their daily duties. The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance (as defined by the Controlled Substance Act 21 U.S.C. section 802 and further defined at 21 C.F.R. sections 1300.11 - 1300.15) and the unlawful possession or use of alcohol on College property or as part of any College-sponsored activities off-campus is absolutely prohibited. Any unlawful activity with controlled substances or alcohol by students while involved with a College activity, on or off the campus, will not be tolerated.

Although the College recognizes drug/alcohol dependency as an illness and a major health problem affecting society, it also recognizes drug use and activity as a potential health, safety, and security problem. Students requiring assistance in dealing with drug or alcohol abuse or dependency are encouraged to seek counseling and/or medical assistance through the use of the College's health insurance plan, as may be appropriate, or through the Student Assistance Program which offers counseling and referral.

Certain student financial aid awards may only be made if the student is willing to certify or pledge that they will not engage in unlawful activities with regard to drugs and alcohol.

Violations of this Policy statement shall be immediately addressed by the College and may result in disciplinary action which could include expulsion. The College may also refer violations for criminal prosecution by civil authorities where circumstances warrant.

### **Policy: Tobacco and Smoking** (Approved by the Board of Trustees 6/17/13)

#### **PURPOSE AND BACKGROUND:**

It is a shared responsibility of the students, staff, and visitors of Allegany College of Maryland to promote a healthy, comfortable, productive, and safe campus environment. Reliable medical evidence reveals that smoking and tobacco use is hazardous not only to the health of those who use the products, but tobacco smoke is also hazardous to the health of nonsmokers who are exposed to smoke. Additional health concerns relative to the use of tobacco, tobacco products, and tobacco substitutes include oral cancer, allergic reaction/allergies by non-users who are exposed, communicable diseases which may be

transmitted by contact with body fluids and sputum produced during oral tobacco use which can provide the vehicle for infection, and the lack of medical research into the risks, if any, to users and non-users of tobacco substitutes such as e-cigarettes.

Thus, it is the position of the College that the use of tobacco, tobacco products, or tobacco substitutes is harmful not only to the person consuming/using it but also to others. In an effort to promote health and to preserve the working/learning environment of the campus community, all students, staff, and visitors to Allegany College of Maryland are required to comply with the provisions of this policy. In all matters related to the implementation and enforcement of this directive, reasonable priority shall be given to the needs of nonsmokers/non-users.

Allegany College of Maryland's former policy restricted the use of tobacco, tobacco products, and tobacco substitutes to parking lots; this policy was approved by the Board of Trustees in November 2007. Due to ongoing health and enforcement concerns, a Smoke Free Task Force comprised of faculty and staff was appointed in Fall 2011; in Spring 2012, the Task Force recommended that Allegany College of Maryland campuses go tobacco-free.

#### **POLICY:**

**Policy Statement:** No person shall use tobacco, tobacco product(s), and/or tobacco substitute(s) on any property owned, operated, or managed by Allegany College of Maryland including – but not limited to – buildings, parking lots, vehicles, and fields/lawns. This policy applies to **all** forms of tobacco, tobacco products, tobacco substitutes, and tobacco delivery devices – regardless of whether the delivery device is being used with tobacco or nicotine. Hereinafter, the use of the word “tobacco” in this policy and in any procedures which are developed shall encompass all the products listed in “Definitions” below.

The only exceptions to this policy are (a) smoking/tobacco cessation products such as nicotine patches, gum, physician-prescribed medications, or similar approved product and (b) exceptions expressly permitted by the College President or designee.

#### **Definitions:**

- Tobacco, tobacco, tobacco product(s), and/or tobacco substitute(s)  
The intent of this policy is to be broadly applied to the following products:
  - Cigarettes, cigars, cigarettos, pipes, chewing tobacco, snuff, snus, dissolvable tobacco, other smokeless tobacco;
  - Nicotine;
  - e-cigarettes, electronic nicotine delivery systems, hookahs, and other devices whose products are inhaled and/or which produce a vapor;
  - any product which is designed to mimic the act of smoking without using actual tobacco or nicotine;
  - any tobacco-, nicotine-, or smoking-related product which has an actual or potential effect upon a non-user;
  - any tobacco-, nicotine-, or smoking-related product existing at the time the policy is adopted; and
  - any tobacco-, nicotine-, or smoking-related product which may be developed in the future.
- Vehicle  
This policy applies to all vehicles operated, idling, or parked on campus including College-owned vehicles, College-owned golf carts, other College-owned motorized equipment, delivery/business vehicles, and personal vehicles.
- Smoking Cessation Product  
The intent of this policy is to encourage the students, staff, and visitors to quit using/consuming the products prohibited on campus by this policy; therefore, legitimate smoking cessation products are permitted. Preference will be given to any such product approved, endorsed, and/or provided by local, state, and federal agencies such as the Food & Drug Administration and the Allegany County Health Department.

**EDUCATION:**

The College shall purchase or produce signage of sufficient quantity and quality to inform all persons on campus about the policy. Signage shall be posted in prominent locations on all campus locations/property, and information about the policy and smoking cessation opportunities shall be included in relevant publications and electronic media. When appropriate, the College will promote education to students, faculty, and staff about the health risks associated with tobacco and related products; when funding is available, the College will provide smoking cessation resources to students, faculty, and staff.

Allegany College of Maryland encourages all consumers/users of tobacco to quit; those who do not shall be responsible for locating an alternate location to consume/use tobacco, and the College accepts no liability for their choice to consume/use tobacco on non-College property.

**ENFORCEMENT:**

All students, faculty, and staff share in the responsibility for adhering to and enforcing this policy. Informal enforcement may be used via courteous reminders for first time violators. Formal enforcement for students, faculty, and staff who repeatedly violate the policy or who fail to comply with informal measures may occur via the Code of Student Conduct (students) and the College HR Manual (employees). Campus visitors who fail to comply with informal measures may be asked to leave College property and may not be permitted to return.

Related Allegany College of Maryland policies maintain their full force and purpose (eg., FERPA, HIPAA, Code of Student Conduct, Employee Handbook, Employee Complaint Policy, Safety Risk Policy, etc.). Nothing in this policy shall be deemed to permit or authorize the use of smoked/inhaled drugs including, but not limited to, marijuana; illegal drugs and/or the unauthorized use of legal drugs are not permitted on any property owned, operated, or managed by Allegany College of Maryland, nor is any person permitted to be on College property under the influence of drugs (or alcohol).

**Information: Littering**

Allegany College of Maryland provides trash cans and tobacco receptacles on its campuses. Each person using College facilities is expected to dispose of his/her trash properly (including tobacco products).

**Policy: Unattended Children**

In an effort to protect the health and safety of students, faculty, and staff at the Main Campus in Cumberland, Bedford County Campus in Pennsylvania, and all other campus sites of the college, all persons doing business on this campus or either of its Pennsylvania Campuses are reminded that they are responsible for any minor children brought to the Campuses. No unattended children are allowed on campus.

Even if a child\* is in the company of an adult, the child may not accompany the adult to a class and/or laboratory. There is a very plausible reason for this and it is a matter of safety (Fire Marshal's mandate the number of persons allowed in each classroom and that number may not be exceeded). Additionally, the child's presence may disturb other students in the class.

\*Child = Any person under the age of eighteen, who is not registered as a credit or continuing education student at the College.

Efforts to have children cared for elsewhere are the responsibility of the student. Allegany College of Maryland staff members may have additional information about other childcare resources.

**Policy: Dangerous Persons on Campus**

Allegany College of Maryland strives to provide quality education and services in a safe and comfortable environment at a reasonable cost. Anyone who satisfies our admissions criteria and who is at least sixteen year of age is admitted to Allegany College of Maryland. The College reserves the right to refuse admission or re-enrollment or to place conditions on admission or re-enrollment of applicants and former

students who the College determines represent a safety risk to students, faculty, or staff. Allegany College of Maryland also strives to promote a college that enhances lives and the community through education and service. We welcome the public and service providers to our campus. All visitors are expected to conduct themselves appropriately and lawfully at all times. The College reserves the right to deny entrance to the College or to remove persons from the College grounds who pose a safety risk to our students, faculty, staff, other visitors, or property.

**Policy: Pets and Animals**

Bringing pets or animals onto College properties or into buildings without the express permission of the Physical Plant Department is prohibited. Pets and animals are strictly prohibited from Willowbrook Woods – except for fish in the maximum of a 10-gallon tank.

**Policy: Infectious Diseases/Conditions**

This policy concerns infectious diseases/conditions that include (but are not limited to) measles, chickenpox, other rashes with fever, lice, hepatitis, flu pandemic, impetigo, pink eye, jaundice, and the like.

In an effort to protect the health and welfare of students, staff, and faculty at Allegany College of Maryland, students, staff, faculty, and their children who exhibit signs and symptoms of potential, acute communicable illnesses may not remain on campus and will be excluded from public areas, classrooms, laboratories, college offices, and housing until the acute and/or contagious stage is over. (That determination must be made by a physician or Health Department official, who must provide written verification.) Exclusion from campus during this period will not only facilitate the recovery of the affected person, but it will also protect others from possible transmission to other persons, particularly those whose immunity to disease is already compromised (e.g., persons undergoing treatment for leukemia and other forms of cancer).

It is the responsibility of the infected individual to notify the Dean of Student & Legal Affairs\* of the illness. The person will be asked to provide essential information such as when the illness/condition was contracted, from whom the illness/condition was contracted, and with whom the infected person has had contact. The Dean of Student & Legal Affairs will coordinate any campus-wide response that is needed with the appropriate officials (e.g., Health Department officials, the Vice President of Finance and Administration, the Senior Vice President of Instruction and Student Affairs, the Director of Residence Life, etc.) *If necessary, Allegany College of Maryland will close until the medical crisis has passed.*

\*On the Pennsylvania campus, the Director of Student Services will accept notification and coordinate response.

Assuming hospitalization or other quarantine is not required, students will be encouraged to go to their permanent homes during this time and to contact their instructors to make arrangements for their assignments, tests, and other academic obligations. Please consult the relevant section of this Handbook and course syllabi for attendance policies.

## **D. PEACE AND ORDER**

Within the Standards of Conduct expected of all students at all campuses, the following actions/behaviors (and attempts to commit them) violate standards of peace and order and are strictly prohibited:

1. Failure to Comply: when a student is given an order, direction, or instruction from a College official or a community authority (such as fire and rescue personnel) who is rendering assistance to the College, the student must follow the order, direction, or instruction.  
(If the student objects to it, s/he must comply but may lodge a complaint with the official/authority or with the Dean of Student & Legal Affairs on the next business day.)
2. Probation Violation: failure to observe a term or condition of probation issued in a previous disciplinary matter.

3. False Statements: there are many occasions when a student is required to be truthful and honest with College officials. Violations include knowingly making a false report, giving false information during an investigatory interview, and/or falsifying a College document.
4. Fraud: certain actions/behaviors that are intended to deceive College officials or to gain access to facilities, equipment, offices, etc. constitute fraud. (See Terms and Conditions for Use of Internet for an example.) Also, no student shall engage in the forgery, adulteration, or misuse of any College document or record.
5. Disorderly Conduct: students shall not engage in actions/behavior that disrupt educational or administrative operations of the College. (See Classroom Behavior Policy for an example.)
6. Inappropriate/Unauthorized Use of Computer(s): the use of any computer to harass, intimidate, abuse, or embarrass any other person OR the use of another person's identity/access/password OR the misuse of internet privileges. (See Technologies Resources Policy).
7. Residence/Residency: Providing false, misleading, incomplete, or inaccurate information to solicit a change in legal residency is not permitted. Moving to Maryland and/or Allegany County solely for the purpose of obtaining a reduced tuition is not permitted. Also, each student is required to notify the Admissions/Registration Office of his/her permanent and local addresses – including any changes of addresses within a reasonable time. Willowbrook Woods may NOT be listed as a permanent address.
8. Unauthorized Publication(s)/Sale(s): Except as authorized in College policy or one-time, private transactions involving personal property, students are not permitted to sell merchandise without prior approval from the Dean of Student & Legal Affairs. Entrepreneurs who wish to engage in the routine sale of goods shall obtain a local business license.
9. Other act(s) that violate peace and order OR that violate any local, state, or federal law.

**Information: Classroom Behavior**

Faculty may enforce their own classroom/syllabus rules and have discretion to impose academic consequences in accordance with relevant college instructional policies per the Academic Regulations. Faculty members who have concerns about a student's discourteous or disruptive conduct in the classroom (or other class-related setting) are encouraged to follow the procedures detailed in Section E: Academic Responsibility related to academic consequences.

However, if the problem behavior is excessively disruptive, aggressive, out-of-control, or otherwise presents a safety risk to the instructor or other students, the faculty member shall immediately direct the student at fault to leave\* the classroom, call 911 as needed, and then notify either security or the Dean of Student & Legal Affairs, who may initiate disciplinary action. The faculty member may elect to withdraw the student, subject to the Academic Regulations.

(\*In unusual circumstances, it may be wiser to evacuate the classroom, leaving the disruptive student alone for intervention by the proper authorities.)

**Policy: Use of Cellular Telephones**

While the use of cellular telephones on the campuses of Allegany College of Maryland is generally permitted, there are certain situations in which cellular telephone use becomes disruptive. The following, non-exhaustive list contains examples of places/times when the use of cellular telephones is not permitted: all classrooms, lecture halls, and laboratories; all libraries and other areas used as "quiet study" places; and events in the College theatre where hosts have requested that all cellular telephones be turned off.

Out of courtesy to your instructors, fellow classmates, and College staff, Allegany College of Maryland encourages you to use your judgment as to the appropriateness of the use of your cellular telephone while on campus.

## B. DISCIPLINARY PROCEDURES

1. **Reporting:** All violations (or suspected violations) shall be reported. Reports should be made in writing when possible/practical. Once reported, all violations (or suspected violations) will be documented.
2. **Initiation of Discipline\*:** Reports will be forwarded immediately to the appropriate Hearing Officer.
  - a. Student/non-resident violations (all) to the Dean of Student & Legal Affairs
  - b. Non-student violations to the Dean of Student & Legal Affairs
  - c. Student/resident Housing violations to Housing staff
    - (i) All Housing violations screened by Director of Residence Life
    - (ii) Reported violations distributed Area Coordinator, Director of Residence Life, or Dean of Student & Legal Affairs.
 

Area Coordinator = Category III violations (exception: probation violation where the probation was assigned by the Area Coordinator)

Director = Category II violations (exception: probation violation where the probation was assigned by the Director)

Dean of Student & Legal Affairs = Category I violations (exception: probation violation where the probation was assigned by the Dean)
  - d. When a reported violation involves violence, force, and/or a reasonable concern that a safety risk exists, the Dean of Student & Legal Affairs may request an Order of Immediate Interim Suspension from the College President. Such an Order requires that the accused student immediately leave College grounds (including housing) and may not return for any reason (including classes) without permission from the College President – typically when either the investigation is concluded or the safety risk no longer exists. Housing residents who are

accused of conduct violations that necessitate their temporary removal from [only] housing (also for safety reasons) may be suspended by either the Director of Residence Life or the Dean of Student & Legal Affairs. These residents will be responsible for finding temporary accommodations and transportation to/from campus.

\*Sexual misconduct or sex discrimination matters will be assigned by the Title IX Coordinator.

3. **Notice:** Students accused of Code violations will be given written notice
  - a. Specific policy, regulation, rule, or law allegedly violated
  - b. Date (approximated, if necessary) of alleged violation
  - c. Hearing date, time, and location (not less than 24 hours) or directions for the accused student to schedule a hearing.
  - d. Notice shall either be sent by student email, certified mail to the accused student's address of record, OR hand-delivery with a signed receipt/acknowledgment by the accused student. Any student who refuses to claim his/her certified mail will be assessed the cost of the mailing.
  - e. Additional Notice may be waived in limited circumstances.
    - (i) The accused student gives demonstrably false information during the investigation, and the original Notice contained a warning of consequences if false information is given.
    - (ii) Additional violations are discovered during the investigations, the violations are directly related to the original matter(s) being investigated, and the accused student agrees to proceed without initiating a second disciplinary process.
  
4. **Investigation:** Assigned hearing officer conducts investigation\*
  - a. Interview complainant/victim. The Hearing Officer shall ascertain whether, in fact, a violation is likely to have occurred. If there is no basis for the complaint, the matter will be dismissed immediately. False reports could trigger a new disciplinary proceeding against whoever made it.
  - b. Interview witnesses; witness names may be provided by the complainant/victim, the accused student, other witnesses, College faculty/staff, and/or the hearing officer.
  - c. Review incident or police report(s), if any.
  - d. Review documentation or other records, recordings, videos, etc..
  - e. Hearing with accused student.

\* These steps need not occur in any particular order. Interviews and hearings shall not conflict with any student's class schedule. In order to protect confidentiality and to promote candor, hearings and interviews shall be conducted in private; students may not be accompanied by parents, friends, roommates, attorneys, or other persons – except an Ombudsman.

5. **Hearing:** Accused students are entitled to an impartial, closed hearing with the Hearing Officer who may be assisted by another College official to ensure accuracy. As stated below, the accused may be accompanied by an Ombudsman\*
  - a. Students have the right to attend the hearing
    - (i) Failure to attend could result in decision without student's input
    - (ii) If a student is unable to attend a scheduled hearing for good cause or needs more time to prepare, s/he must contact the Hearing Officer to reschedule.
  - b. Students have the right to answer and admit/deny the allegation
  - c. Students have the right to decline to give a statement
    - (i) Students' failure to provide a statement will not end the process; decisions shall be made without the student's input.
  - d. Students have the right to present fact or character witnesses.
  - e. Students have the right to present relevant evidence
  - f. Students do not have the right to an attorney during any disciplinary proceedings, as College proceedings are non-legal in nature and are, therefore, not subject to the same rules, procedures, and standards of proof as legal proceedings. (Exception by law: cases involving sexual misconduct or sex discrimination.)
  - g. Students have the right to seek procedural assistance and information from the Ombudsman, a neutral third party who is a member of the College staff appointed by the President, who does not advocate for any position or outcome, but who is well-versed in the Code of Student Conduct. The Ombudsman may meet with accused students (as requested) to prepare for the

hearing and may attend the hearing. (By law: Complainants and accused students in sexual misconduct & sex discrimination cases may be accompanied by an advisor to any proceeding. The advisor may not participate. The student must provide the name and title (if any) of the advisor no less than one business day in advance.)

**\*These rights apply at all hearings, including the Committee on Student Conduct.**

- 6. Deliberation:** The Hearing Officer shall take the necessary time to decide and shall re-interview any person s/he deems necessary. The standard to be applied in making decisions is preponderance of the evidence (i.e., it is more likely than not that the accused student committed the violation(s) as alleged).
- 7. Decision:** The hearing officer shall notify the student in writing of the decision and the reasoning for that decision. It shall either be sent by certified mail to the appealing student's address of record or hand-delivered with a signed receipt/acknowledgement by the appealing student.
- Findings: Not responsible/not in violation OR Responsible/in violation
  - If found not responsible, report/file will be closed and nothing will be noted in the student's official disciplinary records
  - If found responsible, sanction(s) shall be imposed.

\*By law, complainants in sexual misconduct & sex discrimination cases will receive notice of findings.

- 8. Sanctions:** A response appropriate for the offense will be imposed.
- Censure: A written reprimand placed in the student's disciplinary file.
  - Fine: A financial penalty.
  - Educational Sanction: An exercise intended to help the student learn.
  - Probation: A period of time when the student's conduct will be more closely monitored for compliance with all rules, regulations, policies, and laws. Specific terms and/or conditions that are intended to ensure safety, to compensate any victim, to deter this or any student from a similar course of conduct, or to educate the student may be placed upon a student for whom the sanction is probation. Examples of terms/conditions that may be imposed include (but are not limited to) restitution, letters of apology, counseling, written assignments, educational sanctions, community service, restriction of activities, and no contact with designated persons. Failure to comply with any term/condition of probation could result in additional disciplinary action. The written decision will state when the probation period expires; that time may be extended for cause (e.g., the student's inability to complete probationary sanctions).
  - Suspension: A period of time when the student may not be present on campus (or at housing) for any reason without the prior, written permission of the Hearing Officer. The written decision will state when the suspension period expires. A student who is suspended and who comes onto campus (or housing) could be arrested and prosecuted for criminal trespassing and could face additional disciplinary action.
  - Dismissal: The student is terminated from the College for an indefinite period of time and may be readmitted only with written approval from the College President. A student who is dismissed and who comes onto campus (or housing) could be arrested and prosecuted for criminal trespassing and could face additional disciplinary action. Any Willowbrook Woods resident who is dismissed from the College is automatically expelled from housing.
  - Expulsion (Willowbrook Woods residents only): The resident is removed from housing for a specific period of time, typically for the remainder of the contract term. The resident must remove all personal possession from his/her apartment, complete a formal check-out with the Area Coordinator, relinquish all keys and housing ID, and vacate the premises as directed. A resident who is expelled and who comes onto housing property could be arrested and prosecuted for criminal trespassing and could face additional disciplinary action. As stated in the housing contract, expulsion does not release the now-former resident from his/her financial obligations under the contract; fees will remain due as agreed unless and until that person's **vacancy – not room** – is filled.

- 9. Appeal:** Any student who has been found responsible/in violation of the Code of Student Conduct and sanctioned may petition to appeal that decision (or any part thereof) to the next higher authority within **the Code of Student Conduct. The appeal must be in writing, must state with specificity the grounds for appeal (i.e., why the decision was incorrect), and must be submitted to the Hearing Officer within 15 calendar days of the date of the decision being appealed.** The Hearing Officer will promptly notify the proper official and forward the appeal, a copy of the student's file, and any response to the petition to appeal. (By law, any appeal process available to accused students in sexual misconduct or sex discrimination case must also be available to complainants.)

\*See B5 (above) for list of appealing student's rights.

- a. Decisions by the Area Coordinator (housing only) are appealed to the Director of Residence Life.
- b. Decisions by the Director of Residence Life (housing only) are appealed to the Dean of Student & Legal Affairs.
- c. Decisions by the Dean of Student & Legal Affairs are appealed to the Committee on Student Conduct. The Committee Chair functions as the designated "Hearing Officer" for purposes of this provision.
  - (i) The Committee on Student Conduct is comprised of eight members: three members of the full-time faculty (selected by the Chairman of the Faculty Senate), no more than five students (selected, after completing an application, by the Committee Chairs), and two Chairs (selected by the President).
  - (ii) When an appeal is noted, all three faculty members and three students will be contacted to serve at the hearing. The two Chairs will alternate hearings. At least one Chair and three members must be present (to constitute a quorum).
- d. Decisions by the Committee on Student Conduct are appealed to the President of the College. Decisions by the President are final.

- 10. Appeal Procedures:** Upon receiving the student's appeal letter and copy of the file, the Appeal Official will promptly review the petition for appeal and the file materials submitted by the Hearing Officer to determine student's petition meets the required appeal criteria:

- Petition is in writing.
- Petition is timely filed.
- Petition states what is being appealed (e.g., finding and/or sanction).
- Petition clearly states the student's grounds for appeal (i.e., merely being dissatisfied with the outcome is insufficient). Acceptable grounds include the discovery of new evidence, proof of actual innocence that was unavailable before the Decision was made, or misconduct by the Hearing Officer. Such allegations must be supported by reference to specific evidence (such as notarized statements by newly identified witnesses, documentation, etc.) – not by vague claims or assertions.
- All procedural requirements for Hearings were met (e.g., notice, opportunity to be heard, etc.)
- Student participated as requested at the Hearing from which the decision is being appealed (i.e., Documented failure to cooperate with the investigation and/or hearing forfeits the student's right to appeal the decision. An accused student must attend his/her hearing even if s/he exercises the right to decline or give a statement or to answer questions.)

If the criteria have not been met, the Appeal Officer will notify the student that his/her appeal has been rejected. If the criteria have been met, the Appeal Officer will promptly schedule a hearing. When possible, hearings will be scheduled within 15 calendar days but should be scheduled for the soonest available date.

- a. Appeals to the Director of Residence Life will consist of a review of the file, additional interviews as necessary, and a hearing with the appealing resident. The Director of Residence Life should examine whether the appealing student has compelling grounds for the appeal and may uphold the decision, reverse the decision, or modify the decision as s/he deems appropriate. The new decision will be issued in writing within 15 calendar days and either sent to the appealing

student by certified mail to the appealing student's address of record or hand-delivered with a signed receipt/acknowledgement by the appealing student.

- b. Appeals to the Dean of Student & Legal Affairs will consist of a review of the file, additional interviews as necessary, and a hearing with the appealing resident. The Dean of Student & Legal Affairs should examine whether the appealing student has compelling grounds for the appeal and may uphold the decision, reverse the decision, or modify the decision as s/he deems appropriate. The new decision will be issued in writing within 15 calendar days and either sent to the appealing student by certified mail to the appealing student's address of record or hand-delivered with a signed receipt/acknowledgement by the appealing student.
- c. Appeals to the Committee on Student Conduct are more complex.
  - (i) Scheduling: At the beginning of each semester, the Chairs of the Committee will record when members of the Committee are available by consulting the faculty grid and the required applications submitted by student representatives. This information will be provided to the Ombudsman for efficient scheduling. The Ombudsman will notify the appealing student as well as the Committee members of the date, time, and location of the hearing in writing. The Ombudsman may meet with the appealing student prior to the appeal hearing to discuss hearing procedures (if requested by the appealing student) and shall attend the hearing to answer the appealing student's procedural questions during the hearing and to make recommendations to the Committee Chair when disputed issues arise during the hearing.
  - (ii) The Committee Chair will preside over the appeal hearing, resolve any procedural disputes, ensure that the hearing is fair, participate in deliberations, and write the Committee's decision. The other Committee members will hear the evidence and deliberate.
  - (iii) Hearings by the Committee on Student Conduct shall be recorded, and the tape(s) shall be kept with the file by the Chairs in a designated, secure location. No other person may record these proceedings. Additionally, hearings are closed; only the Committee, the appealing student, the Ombudsman, the Dean, and his/her investigatory aide may be present during the hearing.
  - (iv) The Dean will address the Committee first, followed by the appealing student. Then, each side may present a summary of his/her position or present witnesses/documents to support his/her position.
  - (v) Witnesses will remain outside the hearing until called; the Ombudsman will assist in bringing witnesses into the hearing. When possible, witnesses will be seated in an area separate from the Dean and the appealing student. All witnesses (including the Dean and the appealing student) may be questioned by the Dean, the appealing student, and/or any member of the Committee; such questioning should be conducted in logical sequence. Either side may present documentary evidence, as well.
  - (vi) Evidentiary rules of court do not apply; however, standard practices of civility apply. No party should interrupt a person who is speaking unless s/he has a valid objection. No party should insult, attack, harass, or intimidate any other person. All parties should remain in their seats unless a demonstration requires otherwise. Anyone who fails to follow these practices may be removed from the hearing and a decision may be made without his/her additional input.
  - (vii) At the conclusion of summaries and/or testimony, the Dean may provide closing remarks, followed by the appealing student. Following the closing remarks, the hearing is concluded.

- (viii) Only the Committee members may be present during deliberations. A majority vote dictates the Committee's decision. The Committee should examine whether the appealing student has compelling grounds for the appeal and may uphold the decision, reverse the decision, or modify the decision as it deems appropriate.
  - (ix) The Committee Chair will issue a written decision to the appealing student, copied to the Dean, within fifteen calendar days. This decision may be sent by certified mail to the appealing student's address of record or hand-delivered with a signed receipt/acknowledgement by the appealing student. The decision will not become public; rather it will be placed in the appealing student's official disciplinary file and subject to the usual FERPA requirements.
- d. Appeals to the President will consist of a review of the file, additional interviews as necessary, and a hearing with the appealing student. The President should examine whether the appealing student has compelling grounds for the appeal and may uphold the decision, reverse the decision, or modify the decision as s/he deems appropriate. The new decision will be issued in writing within 15 calendar days and either sent to the appealing student by certified mail to the appealing student's address of record or hand-delivered with a signed receipt/acknowledgement by the appealing student. Decisions by the President are final.

## SECTION TEN: FERPA

---

**NOTE: THIS POLICY IS UNDERGOING REVIEW AND REVISION DURING THE 2019-2020 ACADEMIC YEAR. IF/WHEN THE POLICY IS CHANGED, STUDENTS WILL BE PROVIDED WITH UPDATED INFORMATION. IF ANY LANGUAGE IN THE POLICY PUBLISHED BELOW IS INCONSISTENT WITH FEDERAL OR STATE REGULATORY REQUIREMENTS OR LAWS (INCLUDING NEW PROVISIONS ENACTED DURING THE ACADEMIC YEAR), THE COLLEGE WILL COMPLY WITH AND DEFER TO THE APPROPRIATE FEDERAL OR STATE REGULATORY REQUIREMENTS OR LAWS.**

**YOU MAY CONTACT THE OFFICE OF STUDENT & LEGAL AFFAIRS, LOCATED IN ROOM 142 OF THE COLLEGE CENTER FOR THE MOST CURRENT INFORMATION.**

### I. THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) POLICY

---

(The following policy is applicable to all Allegany College of Maryland faculty and staff)

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student educational records. The law applies to all schools that receive funds from the U.S. Department of Education.

As implied by the title, FERPA requires schools to protect the **privacy** and **access** rights of students regarding their educational records. There are limitations on what information a school may disclose and mandates on when students may inspect, review, and seek to amend their own records.

Since many FERPA terms are broad in nature and can be subject to interpretation, the President's Staff, with input from faculty and staff, has defined these terms as they will pertain to Allegany College of Maryland, and has identified and addressed how all college faculty and staff should respond in certain situations.

#### INSTITUTIONAL DEFINITIONS

**Directory information** – Directory information is information that **can be** disclosed about a student and includes the following: student name, address, field of study, degree/awards, and full-or part-time status. Address will only be disclosed when circumstances warrant it. This policy adds address to “directory information”. (NOTE: The fact that this information **can be disclosed** does **not require** the College to do so.)

**Educational record** – Education records are all records that are directly related to a student and are maintained by an educational agency, an institution, or a party acting for the agency or institution.

**Emergency** – Emergency is any incident that poses a health risk or threat of imminent danger, physical violence, or intimidation.

**Enrolled student** – A student is considered to be “enrolled” once the student has processed the registration forms **and** the schedule is either provided to the student or made available to him/her online. While *applicant* information is not protected by FERPA, the College will not release it without proper authority.

## DESIGNATED INSTITUTIONAL CONTACTS

FERPA questions should be directed to the Executive Director of Enrollment Services and Advising. In Pennsylvania, the Coordinator of Academic Services is the contact. If necessary, the Dean of Student & Legal Affairs may be consulted for responses to legal questions.

The Student Services Appeals Committee will hear student complaints and petitions to amend educational records.

## DISCLOSURE OF STUDENT INFORMATION

Educational records are “owned” by the student when he/she turns 18 **or** enrolls in college. However, grades may be disclosed to parents of **dependent** students only after written verification of dependency status has been obtained from the parents; i.e., copy of the 1040 federal tax return or signed release form obtained from the Admissions/ Registration Office.

When an inquiry about a student is made by a faculty/staff member, the person who has the information should disclose that information only after assessing the request and determining its legitimacy as a “need to know.” The “holder” of the information will make that determination.

Student information should not be disclosed over the phone to the students’ family members or others, since one cannot be sure with whom he/she is actually speaking.

## MAINTENANCE OF STUDENT RECORDS

Grades, rosters, and disciplinary records are kept indefinitely. All other centralized institutional records should be kept for five (5) years. Individual departments should establish their own policies for the length of time students records are to be kept.

## ALUMNI

Educational records of alumni are subject to FERPA regulations. Anything that occurs after graduation is considered directory information and, thus, not covered under FERPA.

## EMERGENCY SITUATIONS AND/OR DISCLOSURE OF INFORMATION TO LAW ENFORCEMENT

Information regarding health/safety emergencies may be disclosed without consent, with *emergency* being defined as stated above.

In the event of an on-campus emergency,\* the College may call the emergency contact, as this information is provided at registration time.

\*Or emergency that occurs off-campus during/associated with a college-sponsored activity.

If a crime or threatening situation occurs on campus, (eg., fight or breaking and entering) *and* a College employee calls the authorities or agrees with a non-employee’s decision to call the authorities, then the College will provide requested information to the police. Requests for information will be honored within 24-hours of the call. If the investigation is on-going, requiring longer than a 24-hour period, then the concern is not as urgent, and the College will not release student information without a properly issued subpoena or court order.

If a law officer comes to the campus to locate a student, the officer must present a subpoena to the Director of Admissions/Registration or designee, **if** the incident for which he is seeking the student occurred off-campus and/or **is not** an emergency to us (see *emergency* definition above).

Approved 3/06

## **POLICY STATEMENT ON THE RELEASE AND CONFIDENTIALITY OF STUDENT RECORDS**

Allegany College of Maryland affirms that a student's official educational records are confidential matters. The College adheres to the Family Educational Rights and Privacy Act regarding inspection, release or disclosure, and providing an opportunity to correct entries. The College's Policy is set forth in full in the Academic Information section of the annual catalog, and students are encouraged to familiarize themselves with all aspects of their privacy rights and responsibilities. In brief, the Family Educational Rights and Privacy Act and the College Policy provide students the right to:

- Inspect and obtain copies of information contained in their education records.
- Prevent disclosure of "directory information," such as name, address, major field of study, etc.
- Have educational records treated as confidential.
- Challenge the contents of educational records.
- File complaints with the U.S. Department of Education concerning alleged failures of Allegany College of Maryland to comply with the law.
- Obtain a copy from the Allegany College of Maryland's Registration Office.

### **Procedures for Students to Review Their Academic Record**

Any student of Allegany College of Maryland who wishes to review their academic record may do so according to the following procedure:

- Step 1 - Obtain the "Request to Review Permanent File" available from the Registration Office.
- Step 2 - Complete the form indicating the specific materials to be reviewed and return the completed form to the Registration Office.
- Step 3 - Once the request is filed, the student will be notified in writing within thirty (30) days of a time and date the file may be reviewed.
- Step 4 - The student will review the file with the Executive Director of Enrollment & Advising Services.

It should be noted that students may obtain a student copy of their transcript at any time by filing a request with the Registration Office.

As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records - including your Social Security Number, grades, or other private information - may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may allow access to your records and PII without your consent to any third party designated by a Federal or State authority to evaluate a federal-or state supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

# SECTION ELEVEN: COMMON QUESTIONS ABOUT ACM

---

## QUESTIONS RELATING TO ACADEMICS

---

**1. What does it mean to be a full-time student?**

Students are considered to be “full-time” if they enroll in twelve or more credit hours a semester. (Section N of the Academic Regulations.) Students taking fewer than 12 credit hours in a semester are classified as “part-time.” Full-time classification may be important for various types of insurance for students who are financially dependent upon parents or others.

**2. What is a credit hour?**

An institution shall award one semester hour of credit for:

1. A minimum of fifteen (15) hours of instruction of fifty (50) minutes each of actual class time;
2. A minimum of thirty (30) hours of fifty (50) minutes each of supervised laboratory or studio time;
3. A minimum of forty-five (45) hours of fifty (50) minutes each of instructional situations such as practica, internships, or clinicals.

For example, if you are enrolled in a three-credit hour, lecture course, you will spend 150 minutes or 2.5 hours per week in the class for a 15-week semester.

**3. What is a program of study?**

A program of study (sometimes called a major) is a program of study leading to a degree or certificate. Completion of the courses in a particular program of study is one of the requirements for graduation. The College Catalog lists various programs of study in different majors or areas of emphasis consisting of specific courses and electives.

**4. How much time must I spend for a course in addition to time spent in the classroom (homework, class preparation, etc.)?**

Study skills experts advise students should spend at least 2 hours in outside work for every hour spent in the classroom. Therefore, students enrolled in 12 credit hours will be spending 24 hours in study outside the classroom for their courses. However, it is important to realize that courses vary in both the degree of difficulty and the policies of the instructor.

**5. Does the College have an attendance policy?**

Yes. The attendance policy is found at Section U of the Academic Regulations. Individual instructors may vary from the general expectation that students attend every class session except in cases of emergency. Instructors may drop or withdraw a student from a course when they believe that student cannot successfully complete the course in the time remaining.

**6. How do I interpret my grade report?**

The meaning of letter grades received in both mid-semester and final grade reports can be found in Section H of the Academic Regulations.

**7. What grades are assigned if I stop coming to classes during a semester or summer term?**

Nonattendance may result in “F” grades being recorded in any or all courses in which the student is enrolled. Under certain circumstances, “F” grades can be avoided by following withdrawal procedures set forth in Section R of the Academic Regulations. Students are encouraged to follow withdrawal procedures to avoid the academic penalty of “F” grades should the student resume an educational program.

**8. What is a quality point on my grade report?**

At the end of each semester or summer term, you will be given a letter grade by your instructor for each course in which you're enrolled. Each letter grade is worth so many "quality points" per semester hour. The quality points assigned for letter grades are explained in Section H of the Academic Regulations.

Since "A" work is of higher quality than "B" through "F" work, the "A" carries more quality points. Each quality point value is multiplied by the credit hours for the course. Example: Attaining a "C" in English 101, a three-credit course, earns two quality points per credit hour, or a total of six quality points for the class.

**9. How do I compute my semester quality point average?**

Academic performance for a semester or term is expressed as quality point average or grade point average. The semester or term quality point average (QPA) will be computed by the College and will appear on your grade report and transcript. In general, it is calculated by determining the quality points for each course (quality points earned via the grade assigned by the instructor times the number of credit hours of the course); adding the quality points for each course and then dividing by the number of credit hours taken during that semester or term. Complete information about quality point averages can be found in Section J of the Academic Regulations. An example calculation for a 17 credit hour semester follows:

	Semester Hours	Grade	Quality Points of Grade	# of Quality Points per Course <small>(col. 1 x col. 3)</small>	
English	3	A	4	12	
History 103		3	F	0	0
Automotive Technology 101	4		B	12	3
Automotive Technology 102	4		C	2	8
Physical Education 105	1		D	1	1
Automotive Technology 105	2	A	4	8	
<b>TOTAL</b>	<b>17</b>			<b>41</b>	

Compute the semester quality point average by dividing the total number of quality points for all courses by the total number of semester hours. Therefore, in the example above:

$$\text{Semester quality point average} = \frac{41}{17} = 2.4117 \text{ or } 2.41 \text{ (to the nearest hundredth)}$$

**10. What is the difference between semester quality point average and cumulative quality point average?**

At the end of each semester or term, your grade report will show two types of quality point or grade point averages: the semester quality point average and the cumulative grade point average. If this is your first semester at Allegany College of Maryland, the semester and cumulative quality point average will be the same.

A semester quality point average, or grade point average, is the total number of quality points earned in a semester divided by the total of credit hours attempted.

A cumulative quality point average is the total number of quality points earned in all semesters or terms attended divided by the total number of credit hours attempted in all semesters or terms of attendance.

#### 11. What academic honors and programs exist for outstanding students?

##### HONORS PROGRAM

Graduates of accredited high schools and transfer students who have achieved a grade point average of 3.50 or above have an exciting and challenging opportunity available to them at Allegany College of Maryland. The Allegany College of Maryland Honors Program includes honors-by-contract courses and special activities, such as receptions, conferences, cultural affairs, and travel. Since the Honors Program is not a separate curriculum, the student may major in any Allegany College of Maryland one-year or two-year program and still participate in the Honors Program.

Students who are members of the Honors Program and are enrolled in Honors course(s) will be eligible for a reimbursement of one-half of the in-county tuition for that course(s) paid by the Allegany College of Maryland Foundation. Students in the Honors Program are required to complete a minimum of 12 hours of honors courses with a grade of "B" or better, must maintain a 3.5 GPA, and must provide three hours of service to the college or the community per semester. Please contact Melody Gaschler, Honors Director, located in Room 182 of the College Center for additional information and application process.

NOTE: If total scholarship awards exceed the overall semester cost to attend the college, the Honors Program tuition payment will be reduced and will thus be less than 50% of the in-county semester tuition.

##### DEAN'S LIST

To be eligible for the Dean's List, a student must have a semester grade point average of 3.80 or higher for course work totaling 5 or more semester hours. The Dean's List will be divided into full-time and part-time students.

To be eligible for the Honors List, a student must have a semester grade point average of 3.30 but less than 3.80 for course work totaling 5 or more semester hours. The Honors List is divided into full-time and part-time students.

##### GRADUATION HONORS

Students receiving an associate degree or a certificate under one of the several certificate programs will be graduated Summa Cum Laude if their cumulative grade point average is at least 3.80. Those whose cumulative grade point average is between 3.51 and 3.79, inclusive, will be graduated Magna Cum Laude. Those students whose cumulative grade point average is between 3.30 and 3.50, inclusive, will be graduated Cum Laude.

#### 12. When is a student placed on academic probation or suspended academically?

Students are expected to maintain a quality point or grade point average that will indicate a level of achievement that qualifies them for graduation when other requirements are met. Sections K, L, and M of the Academic Regulations explain the conditions for being placed on academic probation or suspension for poor scholarship and the consequences of each.

#### 13. What is a prerequisite?

A prerequisite is a course which is basic to others which follow in a given discipline or department. A course for which there is a prerequisite cannot be taken until the prerequisite is satisfactorily completed.

Example: General Biology I is a "prerequisite" for General Biology II, and a student cannot enroll in General Biology II without having passed General Biology I.

Prerequisites are designated in the course descriptions of the College Catalog. Be sure to check the Catalog before putting together a schedule of classes.

**14. What is an elective?**

The designation of “elective” in a curriculum means that the student may make a choice. If the curriculum or major lists just the word “elective,” it means that the student may select any course or courses which equal the required number of credit hours. If the curriculum or major lists the word “elective” followed by a designation such as social science, humanities, natural science, or other restriction, the choice is limited to courses fitting the designation.

Lists of courses which will satisfy restrictions such as arts and humanities, mathematics and biological/physical sciences, physical activities, English composition, social and behavioral sciences, and interdisciplinary and emerging issues may be found in the College catalog.

**15. What are the minimum requirements for graduation?**

Students who complete the course requirements set forth in a curriculum or major may be eligible for graduation. (The College also offers letters of recognition.) But, eligibility for graduation entails more than mere completion of a list of courses in a curriculum or major. Even an overdue library book with an unpaid fine can keep a student from graduating. A complete listing of graduation requirements can be found in Section F of the Academic Regulations. Regulation F4 explains the graduation application process.

**16. What is the role of an academic advisor?**

Allegany College of Maryland has a program of academic advising designed to ensure that the student is aware of the comprehensive educational opportunities offered, and that they acquire the knowledge and skills needed for continued studies or entry into a career field. Students are assigned an academic advisor who is familiar with the academic information necessary for that student to successfully reach educational goals.

Allegany College of Maryland plays a critical role in raising higher education levels in the tri-state area and offers expanded efforts to guide students toward their academic goals. With the award of a U.S. Department of Education-supported grant, funded through its Strengthening Institutions Program, the College's Advising Center offers enhanced academic advising services to students to boost their chances for success by consolidating academic advising services in one location for greater access and more consistent delivery. The Advising Center allows the College to take a systematic approach to advising through additional personnel and improved facilities. This one-stop advising services center located in the College Center includes a wide range of academic advising, career planning, supportive counseling, educational coaching and mentoring services.

Though students remain ultimately responsible for meeting graduation requirements, students are encouraged to consult with their academic advisor as part of the registration process for each semester or term.

Academic advisors can also provide information about College resources and programs and career fields and can answer general questions about College policies and protocols.

**17. What do I do if an instructor does not show up for class?**

If an instructor does not appear in class within ten minutes after the scheduled starting time, a member of the class should go to the instructor's office. If the instructor is not in his/her office, a student should go to Senior Vice President of Instructional and Student Affairs' Office on the main campus or to the Student Services Office on the Bedford County Campus. If the instructor cannot be located by these methods, students may consider the class cancelled.

**18. Do I need to let the College know if I change my address or phone number?**

Yes. Students should take immediate steps to notify the Registration Office at any campus of changes in local or permanent address changes, telephone number changes, and e-mail address changes. The College's registration data system is used by instructors to contact students and by various administrative units of the College for mail, including grade and other academic reports.
