

2018 USG Elections Campaign Value Report (CVR) Donations Guideline

- Maintaining a Google Doc/Sheet is the preferred CVR format.
 - One sheet for expenses, one sheet for donations
- Donations are to be reported at fair market value.
 - Example: If a candidate's mother bakes and donates cookies for campaigning purposes, the price that was spent on the ingredients should be reported on the candidate's CVR.
 - There are exceptions to this rule, and will be handled on a case-by-case basis.
 - Exceptions: donated tents for campaigning use on the Oval may be reported with a value of 10 (ten) dollars.
- If you have a specific concern on how an item should be reported, please contact Chief Justice Connor Greenwood (greenwood.97@osu.edu)
