A stronger Student Government will help your institution

An evolved Student Government can help your school recruit new students, retain existing students, and improve student and alumni involvement.

A strong, effective, efficient, and competent student voice is critical to the overall health of any higher-education institution.

That's why ASGA supports the development of Student Governments at educational institutions across America.

ASGA helps all types and sizes of Student Governments

New/Restarting SGs

If you're a new SG, ASGA can help you write a constitution, recruit new members, determine goals, and train your members.

Established SGs

If you're an established SG, ASGA can help you enhance services, improve voter turnout, recruit more candidates, and improve your relations with administrators.

Strong SGs

For strong SGs, ASGA can help you develop a strategic plan to communicate with your student body and administrators, improve voter turnout, enhance your marketing, improve relations with the campus press, and conduct research on your behalf.
