Dear Shared Governance Leader,

Thank you for serving in an important role in ACC's shared governance structure. As you know, students also play an important role in this process. Please use the link below to request students to participate on your one-time or recurring shared governance Committee or Council opportunities. Additionally, if you need to request students to participate on Parking Violations Committees, Grade Dispute Committees or Judiciary Review Panels, please use this process.

If you already have students assigned or would like to recommend a student to serve on your council, committee, or panel, this form is also the most efficient way to update information with ACC's Student Government Association.

Thank you again for your commitment to our students, faculty and staff.

Sincerely,

Cheryl Richard  
Student Life Director
