Zach suggested that Candy be creative in finding ways to fund G.H.O.S.T. Kevin also told Candy that Veterans day was going to be something the comm. serv. Chair should be involved in.

Senator Hensley told us that it isn't that difficult to get on post. Zach informed Senator Hensley that signs should go up on Monday and Zach also spoke of the designated spots where signs can go. Kevin said that she should ask Andy what we could put up. We need to put out for the minors on campus policy and we want to have flyers, and get the Allstate involved.

## ***VI. EC Remarks***

We discussed Senate floor being open and students being allowed to promote their own agenda. Vice President Kennedy was admonished to pay more attention to what students are being allowed to say on the Senate floor without being challenged. Dr. Berty explained that she could not let erroneous to be left there. We need to find out what an announcement should entail.

Zach discussed the New Candidate Orientation time and location (3:00 pm – 4:00 pm, UC- 307). Goal is to get t-shirts after training. Lobby Days: want to have dates set before Candidate Orientation. Budget: not set yet; shirt order already done, but we still need to keep a record of our budget.

Kevin discussed absences. She (Dr. Berty) doesn't know if she can support classes being missed in combination with SGA. Kevin wants to handle it after 3 meetings. We discussed if we could actually let it go and how we saw it in the constitution. We decided to let Kevin handle it. Feeling excited about the election. We have 5 or 6 freshman candidates. PELP

Dr. Berty: Compensation package needs to be discussed or struggle with it.
