Student Discounts

The Student Government Association

announces a new program available to students, faculty, and staff of Alamance Community College. Your SGA has been hard at work asking businesses to offer YOU discounts, and we are proud to announce that we have had some amazing feedback. Below is a list of businesses offering discounts if you present your ACC library card and a photo ID. Don't have a library card? Stop by the library and pick one up.

We are just getting started. We look forward to multiplying the businesses and services included on this list. If you would like us to request a discount from a certain business within our community, please email suggestions to SGA@alamancecc.edu.
