Student Government Association

Three Strikes Policy Disciplinary Action Contract

I, _____, am aware that my position and/or privileges associated with being a member of the Student Government Association will be determined by my work ethics. I understand the terms and conditions of the *Three Strikes Policy* that are associated with being member of the Student Government Association.

The first violation will consist of a verbal warning, which will be documented and noted in the SGA files. Upon receiving a second violation, I will receive a written warning by the Vice-President of Internal Affairs. Additionally, I will be summoned to a conference with the Student Government Association President, Vice-President, and Administrative Executive Officer to discuss my violations. In the event of a third violation, I am fully aware that my services are wanted, but are no longer needed by the Student Government Association at Albany State University for that academic term.
