Chancellor's Message

As the new chancellor of Central Texas College, I am fortunate to be a part of the CTC family and its tradition of providing some of the best higher educational opportunities which has become a trademark of this institution. As a 28-year veteran of the United States military, I have a deep appreciation and respect for CTC and its efforts to meet the academic needs for our military members and their families around the world.

The change of leadership at CTC is just one small part of the overall change taking place in education today. Accessibility, tuition rates, programs of study and learning options are just a few of the concerns we face. And I know we will respond favorably to each and every challenge. We are a strong college and we will continue to provide the invaluable educational service to the soldiers who protect us and the community in general. And because of the excellent job done by the administration before me, I have the privilege of stepping in and to what is already a successful environment. Together we will lead the path to putting students in a place where they can succeed and we are going to be a positive influence in changing the definition of being a college success. Nothing is more exciting to me than seeing that first generation college student start living their dream - a dream many thought might never be accomplished. Our faculty will help that student achieve their dream of higher education and moving on to even more success in life.

We have an absolute gem here at CTC. Our tuition is among the lowest in the country, our tax rate is among the lowest of any municipality and we are able to make higher education more affordable and accessible better than anyone else. I am proud of our people, programs, facilities, and service we render to our communities and students.

I look forward to working with you all and continuing the tradition of quality educational opportunities for our students. As your new chancellor, I will do all I can to continue the strong tradition CTC has achieved of being one of the most successful community colleges in the world.

Thank you,

A handwritten signature in black ink, appearing to read 'T. Klincar', written in a cursive style.

Introduction

Thank you for selecting Central Texas College to begin or continue your college career. This *Student Handbook* will provide you with useful information to aid in the development of communication between you and CTC's faculty and staff. The *Student Handbook* includes the institution's policies and regulations relating to student conduct and activities. Other publications include:

College Catalog

The *College Catalog* is an official publication of Central Texas College (published every two years) containing the institution's policies, regulations, procedures, and a schedule of tuition and fees. CTC reserves the right to amend the contents of the *Catalog* at any time to reflect board policies, administrative regulations and procedures, state law requirements, and tuition and/or fee changes. Students are responsible for observing the regulations and policies contained in the *Catalog*.

Schedule Bulletin

Before each semester registration period, a detailed *Schedule Bulletin* is published which provides a listing of activities, registration procedures, and a schedule of course offerings. For administrative purposes, the *Schedule Bulletin* becomes the official calendar for the semester for which it is published.

Bell Tower Buzz

The CTC *Bell Tower Buzz* is a weekly publication containing student "need-to know" articles and information about upcoming events on the Central Campus and in the surrounding areas. It is published each Monday by the Student Life Office. Campus departments and student organizations are encouraged to submit information and/or articles for publication. Academic Information

College Credit

Academic credit is measured by units called semester hours. One semester hour is earned by attending a class one hour per week for a full semester. Most classes meet three hours per week for 16 weeks; therefore, you will have earned three semester hours at the end of the course. Lab and clinical hours add to the semester hour value of a course.

Course Load

A full-time course load is 12 or more semester hours during the Spring or Fall semester and 8 or more semester hours during the ten-week Summer session. A student registering for at least four hours during the shorter Summer I and II semesters is also considered to be full-time; however, if receiving Financial Aid or VA benefits, please check with the appropriate office. If you want to enroll in more than 18 hours during regular sessions, you must receive special permission from the Dean of Central Campus, the Associate Dean of Guidance and Counseling, or the Dean of Student Services.

Prerequisites

A prerequisite is a course that must be completed satisfactorily before enrollment in another course. Prerequisites indicate what skills and knowledge you must have to succeed in the course. If you already qualified and want to skip a prerequisite or are unable to schedule a prerequisite course, you must obtain permission from the department. Don't wait until registration to get permission—take care of this early!

Class Attendance and Course Progress

Regular and punctual class attendance at all scheduled classes is expected. Each faculty member will inform students of the attendance policy and the course objectives at the initial class meeting.

- Students are required to be in class on time. Instructors may choose to lower a student's grade because of tardiness. Excessive tardiness is disruptive to the educational process and may result in disciplinary action. Due process and the right to appeal will be provided to students subject to disciplinary action.
- Only instructors can authorize an excused absence. Regardless of the reason for the absence, the student is responsible for completing all coursework covered during any absence.
- Failure to meet the attendance requirements in a course may result in a lower grade or failure in the course.
- An instructor may initiate an administrative withdrawal if a student fails to meet the attendance requirements or is not making satisfactory progress toward the course objectives. The instructor may assign a grade of "FN" or "XN" at the time of the administrative withdrawal.
- Students enrolled in distance learning courses are expected to maintain constant progress throughout the course. Failure to do so may result in the student being administratively withdrawn by the instructor.

Religious Holy Days

If you desire to be absent from classes for the observance of a religious holy day, you must submit a written request to each instructor prior to the absence, but no later than the fifteenth day after the first day of the semester, of the religious holy day(s) that will be missed. Although you will be excused from classes, you will be responsible for make-up of all work or tests missed on the religious holy day on which the absence occurred. The instructor may respond appropriately if you fail to satisfactorily complete the assignment or examination. A "religious holy day" means a holy day observed by a religion whose places of worship are exempt from property taxation under Section 11.20 Tax Code.

Withdrawal From Classes

It is the student's responsibility to officially drop a class if circumstances prevent attendance. An instructor cannot initiate a withdrawal based on the student's request. GoArmyEd students should contact their ACES counselor before withdrawing and withdraw through the GoArmyEd portal. All other students who desire to or must officially withdraw from a course on or after the first scheduled class meeting must file an Application for Withdrawal with the local CTC representative by the last date to withdraw. Students enrolled in distance learning courses and who do

not have access to a local CTC representative should submit a withdrawal form to online. mentors@ctcd.edu or the CTC Records Office in Killeen, Texas.

- Applications for Withdrawal will be accepted at any time before the completion of the 12th week of classes for 16-week courses, the sixth week of classes for eight-week courses, or the fourth week of classes for six-week courses.
- For non-GoArmyEd active military students, the effective date of withdrawal is the filing date with the Education Center. For all other students, the effective date of withdrawal is the date that the withdrawal application is received by the Central Texas College representative.
- Students who used financial aid, military tuition assistance, VA benefits, or other non-personal funds may be required to repay tuition and fees to the funding agency. For specific repayment requirements, contact the Office of Student Financial Aid or Veterans Services Office before withdrawing. Military tuition assistance students should visit their military Education Center or Navy College Office.
- Students may not withdraw from a class for which the instructor has previously issued a grade of “F,” “FI,” “FN,” “IP,” or “XN.”

Instructor Initiated Withdrawals

Faculty are authorized to withdraw students who are not making satisfactory course progress as outlined in the section of the Catalog entitled “Satisfactory Progress Standards.”

Administrative Initiated Withdrawals

A student may be administratively withdrawn by a designated member of the administrative staff of the College under the following conditions:

- The student has been placed on Academic Suspension or Disciplinary Suspension;
- The student has an outstanding financial obligation owed to the college; or
- The student registered for a course without the required prerequisite or departmental permission.

The college is under no obligation to refund tuition and fees, or other costs associated with a student who is administratively withdrawn.

Grading System

The grading system at Central Texas College is as follows:

Grades	Grade Points	
A	Superior	4
B	Above Average	3
C	Average	2
D	Passing, but Unsatisfactory	1
F	Failure	0
I	Incomplete (except developmental)	0
FN	Nonattendance	0
FI	Failure, nonremoval of incomplete	0
IP	Incomplete, in progress (except developmental) Not Computed	
N	No Credit	Not Computed
P	Completed	Not Computed
W	Withdrawal	Not Computed
XN	Nonattendance, Incomplete for developmental and designated modular courses	Not Computed

Incompletes

An “IP” grade may be assigned by an instructor if a student has made satisfactory progress in a course with the exception of a major quiz, final exam, or other project. The “IP” grade may also be assigned for extenuating circumstances beyond a student’s control such as personal illness, death in the immediate family, military orders, or in the case of distance learning courses, technology failures and mail delays. Notice of absences with supporting documentation may be required by the instructor. Students should notify instructors in advance of absences whenever possible. The instructor makes the final decision concerning the granting of the incomplete grade. The instructor may set a deadline for completing the remaining course requirements. In no case will the deadline exceed 110 days after the scheduled end of the course. It is the student’s responsibility to arrange with the instructor for the assignment of work necessary to complete the course and to change the “IP” within the time specified. An “IP” grade cannot be replaced by the grade of “W”. If a student elects to repeat the course, the student must register, pay full tuition and fees and repeat the entire course.

At the end of the 110 calendar days if the student has not completed the remaining coursework as required by the instructor, the “IP” will be converted to an “FI” and appear as an “F” on the student’s official transcript.

Academic Probation and Suspension

Information pertaining to Scholastic Probation and Suspension can be found in the *College Catalog*.

Grade Point Average (GPA)

Students are responsible for knowing their grade point average and when their grade point average affects their academic standing. Grades and unofficial transcripts are available online through WebAdvisor.

Dean’s Honor Roll

Students whose scholastic achievement is outstanding may qualify for the “Dean’s Honor Roll.” Please contact the Student Life Office, at 526-1258, to request your letter. The Honor Roll includes the names of all students who have earned a grade point average of 3.5 in 12 or more semester hours of college-level credit taken concurrently during the regular semester or eight semester hours of college-level credit taken during the summer semester. Students completing 12 or more semester hours of college-level credit during two consecutive eight-week terms that start and end within a fall or spring semester and achieve a grade point average of 3.5 or higher receive Honor Roll status.

Reaching for Excellence Through Education Now Training Individuals to Open New directions. This is the motto of the new Retention Services Specialist who is here to provide support for students who are or who may be facing academic challenges. As individuals, we all experience certain setbacks in all aspects of our lives. As students, we do not leave our personal lives at the entrance to the institution and assume the identity of a student. The fact is that as students, we are the complete package. Personal, financial, family, and relationship problems, to name a few, are the things that we carry with us to class. With time, these can affect us in ways that we may not even be aware of. Our study habits and ability to concentrate on school may take a back seat to some or all of these issues. To top it off, some of us really have little or no idea of what to expect from a college, or have little training in the area of study skills or good study habits. At CTC, we are committed to help you, the student, achieve success. How can this be reached?

- ✚ CTC believes that you are a high priority.
- ✚ At CTC, you will be exposed to diverse ideas and people.
- ✚ We will provide you with the “basic training” needed to navigate through college.
- ✚ CTC will help you learn college “survival skills”.
- ✚ We have high but reasonable expectations of you.
- ✚ We encourage participating in campus student groups and affiliations.
- ✚ Make you aware and encourage participation of campus services and resources.
- ✚ Offer you comprehensive information in a compassionate manner.
- ✚ Treat retention as a preventative measure.
- ✚ Remind you that at Central Texas College, Faculty and staff are here to work with you and for you.
- ✚ The Retention Specialist will work closely with the Chancellor’s Uniform Recruitment and Retention Strategy Steering Committee, as well as the Faculty Senate, Financial Aid, VA and Disability Support Services, Transportation Services, Childcare Services and Project Pass to ensure student to ensure your academic success.

The Retention Specialist currently works with students that are on probation, suspension or unsatisfactory progress, as well as students that are experiencing personal or other academic barriers that may prevent them from being a successful student and achieve a degree. The Retention Specialist Office is located in the Student Services Building (building 119), room 133. For more information, please call 254-526-1610.

Parking and Campus Vehicle Registration Information

The Texas Education Code and the CTCD Board of Trustees give the CTC Police Department the authority to regulate parking and traffic on campus and to issue parking permits and citations. Each person operating a motor vehicle or motorcycle as defined by the Texas Transportation Code, on campus shall be held responsible for obeying all campus parking regulations as well as all state parking and traffic laws.

Central Texas College considers the use of a vehicle on campus a convenience and is not obligated to furnish unlimited parking to accommodate all vehicles.

Central Texas College will, however, attempt to provide a reasonable number of parking spaces in keeping with available resources, but it does not assume any liability concerning the protection of motor vehicles.

Parking

Student, staff and guest parking is available in parking lots throughout campus except where marked "No Parking", "Reserved", "Maintenance", "Official Use", "Visitor", "Special Permit", or "Adjunct Faculty", or where temporarily designated for a special individual or activity. The entire vehicle must be within the boundaries of the marked space indicated by the painted yellow or white lines. Reserved parking spaces are limited to full-time staff members only which requires a yearly fee. The vehicle owner/driver will be responsible for finding a legal parking space, and the lack of parking spaces close to where the student or staff member works or attends class is not a valid excuse for violating any parking regulation. Students are never allowed to park in "Reserved", "Maintenance", "Visitor", "Official Use", "Special Permit", or "Adjunct Faculty" spaces when attending class.

Vehicles parked in violation of any state law, rule or regulation regulating parking on campus will be cited and can be immobilized or towed to a storage facility, all charges incurred become the responsibility of the vehicle owner or operator. Motorcycles must obey all parking regulations; parking outside lines provided, on grass, on a cement median, in drainage ditches or at the end of a row of parking spaces in a striped off area is strictly prohibited.

Handicapped Parking

Only those persons who have a designated numbered placard hung on the rearview mirror, or license plate issued by the county tax collector of the county in which they reside will be allowed to park in a disabled space. Those individuals with temporary handicapped parking letters issued by the CTC Office of Disability Support Services will place the authorization letter on the driver's side dashboard, visible for verification. By law those individuals who are Veterans of the US Military and have Disabled Veteran license plates may legally occupy handicapped spaces on campus. Those individuals who misuse disabled parking will be issued a Justice of the Peace Citation, with a fine not to exceed \$1,000.00, or a Campus parking citation with a fine not to exceed \$50.00. The Campus Police reserve the right to verify the identity of the owner of a handicapped placard or disabled plate.

Abandoned Vehicles/Lost and Found Property

Vehicles left on campus for a period of 48 hours or more will be considered abandoned unless prior approval for overnight parking is given by the Campus Police. The vehicle will be tagged and if not removed within the specified time period it will be inventoried and turned over (towed) to a vehicle storage facility for further disposition. All towing charges incurred will be the responsibility of the owner/ driver.

Lost and Found is housed at the CTC Police Department. All abandoned or found property if not claimed within 30 days by the owner will become CTC property and will be disposed of in accordance with applicable state laws. For further information consult the office of the Campus Police.

How to Get a Parking Permit - Vehicle Registration Procedure

All students (full or part-time) attending Central Texas College, who operate a motor vehicle, **including motorcycles, Vespa's, etc.**, on the Central Texas College campus and the Fort Hood Campus, regularly or occasionally, and all faculty and staff members are required to obtain a parking permit. Students should obtain their permits during normal fall, spring, or summer registration. Permits are available anytime after normal semester registration and can be obtained at the CTC Police Department, Building 137.

For a Parking Permit, you need:

- 1. Current CTCD Student/Staff ID Card**
- 2. State Vehicle Registration Card (not insurance)**
- 3. Driver License**

Parking permits are issued at no charge. Parking permits are permanent and changed only when replacing or adding other vehicles.

Display of Parking Permit

Every individual who operates or parks a **motor vehicle, including motorcycles on campus must:**

- Register the vehicle with the CTC Police Department.
- Request a parking permit for each vehicle driven.
- Properly display and affix the parking permit to the **vehicle as directed.**
- Become familiar with the parking and traffic regulations on campus.
- Report any temporary disabled vehicle to the campus police.
- Obtain a temporary parking permit when visiting or when having temporary means of transportation.

Parking permits shall be affixed to the outside lower left corner of the vehicle's rear window, or the front fork of any motorcycle, Vespa, etc, and clearly visible to the officer and not obstructed. Parking permits are not transferable from one vehicle to another.

Traffic Violations and Fines

Person's found to be in violation of Texas traffic laws on campus will be cited for those violations and issued a Justice of the Peace citation to the appropriate county (Bell or Coryell) in which the offense occurred. Those fines will be assessed by the appointed Judge in the Justice of the Peace court.

Upon receipt of a Campus parking citation, individuals must contact the Central Texas College Police Department, Building 137, within 10 working days of the date of the citation to make arrangements to pay the fine or submit a written appeal. Failure to pay parking fines will prevent the student from registering for class, receive copies of transcripts or grades, or obtain a degree from Central Texas College. Late fees will be assessed if the citation goes unpaid after the initial due date. Payment extensions can be approved by calling the campus police office at (254) 526-1427, prior to the due date. Payment plans for overdue citations are not accepted.

The following parking violations will be assessed a fine of \$25.00 for *each* violation cited on a campus parking citation: (however, this list is not all inclusive)

- No parking decal/permit
- Parked within 15 feet of a fire hydrant
- Parked blocking handicapped ramp
- Parked in a cross walk
- Parked in red/fire zone
- Parked in a loading zone
- Parked blocking drive-way or thoroughfare
- Improper/Unsafe parking

- Parked in a reserve space
- Parked within 20 feet of an intersection
- Parked outside lines provided
- Parked in a maintenance space
- Parked on the grass or landscaping

Multiple violations will reflect an aggregated total amount due. For example, parked in a reserved space (\$25) and failure to display parking permit (\$25) = total amount due is \$50.00.

Speed limits on campus vary and are posted accordingly. Speed limits in all parking lots shall not exceed 10 miles per hour. All Campus Police vehicles are equipped with operational speed detection devices (radar). A student, faculty or staff member or guest guilty of violating a posted speed limit on campus will be assessed a fine of \$25.00 plus \$1.00 per mile for each mile in excess of the authorized speed limit if issued a campus citation. Speeding violations in excess of 10 miles per hour over the posted speed limit will be referred to the applicable Justice of the Peace court for disposition. Students accumulating as many as three citations during their enrollment at CTC may be placed on disciplinary probation. Continued parking offenses will lead to suspension of campus driving privileges and may result in the student’s dismissal from college. Referrals for repeated campus citations are directed to the Director of Student Life and Activities.

If the student has the same family name or home address as the registered owner of a vehicle for which a campus citation has been issued, the citation and accompanying violation charges and fees will be recorded in the student’s name.

Unpaid charges for parking violations are recorded in either:

1. The name of the person who the parking permit was issued to;
2. The name of the previous parking permit owner/registrant;
3. The name of the person who has previously paid parking citation charges on the same vehicle;
4. The registered owner or driver;
5. A member of the same household, current or former student/employee, or
6. Any combination of the above

Appeal Process (Campus Citation Only)

If a person receives a citation and believes it is unwarranted, he/she may enter a plea of *Not Guilty* at the Central Texas College Police Department, Building 137, and complete an appeal form. All appeals must be requested in person and filed prior to the citation due date. All appeals will be reviewed by the Chief of Police or his/her designee for disposition. Upon an appeal being denied by the initial authority, further appeals must be requested at the campus police office by the date indicated on the appeal decision letter.

Justice of the Peace citations: Appeals or pleas of not guilty to a Justice of the Peace citation must be presented to the appropriate Justice of the Peace Judge in the court designated on the bottom of the J.P. citation.

Students have the right to further appeal any parking citation to the Director of Student Life and Activities, who has final determination of the appeal. No further appeals are available beyond the Student Life and Activities Director’s

review. If an appeal is not submitted within the above prescribed time, the recipient loses his/her right to appeal his/her campus citation.

Crime Prevention

Crime prevention and awareness at CTC requires the involvement of all members of the college community. The CTCPD strives to provide leadership and direction for this effort through programs ranging from crime prevention seminars to on-site inspections. CTC police officers participate in many crime prevention and awareness presentations each academic year.

CTCPD crime prevention programs stress campus community awareness through the dissemination of materials and presentations to familiarize students, faculty, and staff of their individual responsibility to help reduce criminal activities. Presentations, posters and handouts are all utilized in an effort to make all members of the campus community aware of the potential for crime. The campus newsletter, *The Bell Tower Buzz*, the online student newsletter "In the Loop", and the CTC staff Newslink are used for presenting crime information to the campus community which includes the occurrence of serious crimes on the campus. Security awareness and crime prevention programs are based upon a dual concept of eliminating and minimizing criminal opportunities when possible and encouraging students, faculty and staff to share safety responsibilities. Crime prevention and sexual assault prevention programs are presented on campus each semester.

Topics covered in these presentations include:

- Sexual offenses
- How to report offenses
- Who to contact
- How offenders choose victims
- Prevention practices
- Parking lot safety
- What to do if assaulted
- Victim services
- Shots Fired – What to do if there is a shooter on Campus

This information is being provided to all new college students in the state of Texas. Bacterial Meningitis is a serious, potentially deadly disease that can progress extremely fast - so take utmost caution. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that causes meningitis can also infect the blood. This disease strikes about 3,000 Americans each year, including 100-125 on college campuses, leading to 5-15 deaths among college students every year. There is a treatment, but those who survive may develop severe health problems or disabilities.

What are the Symptoms?

- High fever
- Rash or purple patches on skin
- Light sensitivity
- Confusion and sleepiness
- Lethargy
- Severe headache
- Vomiting
- Stiff neck
- Nausea
- Seizures

There may be a rash of tiny, red-purple spots caused by bleeding under the skin. These can occur anywhere on the body.

The more symptoms, the higher the risk, so when these symptoms appear seek immediate medical attention.

How is Bacterial Meningitis Diagnosed?

- Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests.
- Early diagnosis and treatment can greatly improve the likelihood of recovery.

How is the Disease Transmitted?

The disease is transmitted when people exchange saliva (such as by kissing, or by sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

What are the Risk Factors?

- Living in close conditions (such as sharing a room/suite in a dorm or group home).
- Sharing eating utensils, food, or drinks.
- Sharing cigarettes and toothbrushes.

What are the Possible Consequences of the Disease?

- Permanent brain damage
- Learning disability
- Gangrene
- Convulsions
- Kidney failure
- Hearing loss, blindness
- Coma
- Death (in 8 to 24 hours from exposure)
- Limb damage (fingers, toes, arms, legs) that requires amputation

Can This Disease be Treated?

- Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However, permanent disability or death can still occur.
- Vaccinations are available and should be considered for:
 - Those living in close quarters.
 - College students 25 years or younger.
- Vaccinations are effective against 4 of the 5 most common bacterial types that cause 70 percent of the disease in the U.S. (but does not protect against all types of meningitis).
- Vaccinations take 7 - 10 days to become effective, with protection lasting from 3 to 5 years.
- The cost of the vaccine varies, so check with your health care provider.
- Check with your health care provider for more information.

How Can I Find Out More Information?

- Contact your own health care provider.
- Contact the Bell County Health Office at (254) 526-8371.
- Contact web sites: www.cdc.gov/ncidod/dbmd/diseaseinfo; www.acha.org

Immunizations

Immunization is an integral part of your personal health care. A crucial part of the process is prevention - do something for yourself before you become ill. Don't be a part of the problem...be a part of the solution. Make sure that your immunizations are current now! For more information on immunizations, contact a physician, public health clinic, or military health services.

Measles (aka. Rubeola, Red Measles, Hard Measles, 10-Day Measles)

Measles is a highly contagious viral disease. Antibiotics are not available to treat persons infected with this organism. Recent outbreaks of this illness have included many hospitalizations and several deaths among college-aged persons; therefore, you should have two doses of the vaccine before beginning classes. Most young adults have had only one dose.

Tetanus (aka. Lockjaw)

Poison produced by tetanus bacteria cause an illness that is very difficult to treat once it occurs, and prevention is the most appropriate choice. The vaccine is effective for about 10 years and needs to be boosted at that interval. Older adults develop tetanus in the United States because many adults do not receive the recommended 10-year boosters. The tetanus vaccine should be given in combination with the diphtheria vaccine.

Poliomyelitis

In the United States, polio immunization is not routinely recommended for persons 18 years of age or older. However, if travel to other parts of world is planned, a physician should be contacted for specific recommendations.

Acquired Immune Deficiency Syndrome

Acquired Immune Deficiency Syndrome (AIDS) has produced a nation-wide health crisis. First described in the United States in 1981, it has now become one of the highest priorities of the U.S. Public Health Service. Central Texas College has developed its own set of AIDS Guidelines which are available for viewing at the Risk Management Office. Any occurrence of harassment or discrimination against a person known or suspected of being infected with HIV will not be tolerated by Central Texas College.

Bloodborne Pathogens

CTCD strives to provide the safest learning environment possible. However, you must accept responsibility for minimizing your exposure to blood-borne pathogens by reporting all potentially unsafe conditions and by practicing this universal precaution: Treat all human blood and certain human body fluids as infectious for the Human Immunodeficiency Virus, the Hepatitis B Virus, and other blood-borne pathogens.

A sharps container is available in the Nursing and Classroom Building, Bldg. 155, CTC Nursing Labs, for those individuals having a medically documented need for injections while on Institutional grounds (i.e. Insulin injections.) All contaminated needles or sharps are to be placed immediately, or as soon as possible, after use into a sharps container. Do not dispose of needles or sharps in trash containers.

Eating and drinking are not permitted in classrooms, libraries, or laboratories on campus. The cafeteria and snack bar located in the Anderson Campus Center, Bldg. 156, and offers seating for students who wish to purchase or bring food to school. Daily, thousands of users share CTCD computing resources. Everyone must use these resources responsibly since misuse by even a few individuals has the potential to disrupt CTCD business or the work of others. Therefore, you must exercise ethical behavior when using CTCD resources.

CTCD resources include mainframe computers, minicomputers, microcomputers, networks, software, data, facilities and related supplies. Anyone discovered misusing or abusing CTC computers or guidelines for computer use will be subject to college disciplinary action or criminal arrest if an infringement of the law exists.

Internet use is for educational purposes only.

I. Information Technology Security

- A. Users need to read, understand, and adhere to all CTCD policies, and exercise good judgment in the protection of information resources. Campus Running Policy

CTCD maintains a paved trail and a track surrounding the football field located behind the Natatorium & Physical Education Building, Bldg. 151. The paved trail and the track are designated to be used for pedestrian exercise such as walking, jogging or running. Walking, jogging, running or otherwise using campus roadways for pedestrian exercise or foot traffic is prohibited Monday through Friday, except to cross roadways at designated crosswalks. During this time walking, jogging, running or other pedestrian activity will be limited to campus sidewalks, grass areas, and established trails and tracks designated for pedestrian use.

Pedestrian activity will be allowed on CTC roadways on Saturday and Sunday from 8:00 am to noon only, to ensure daylight hours and low traffic flow; pedestrians are to stay on sidewalks when they are available and limit roadway use to single file when no sidewalk is present; pedestrians will always travel toward oncoming traffic and move off the roadway when traffic approaches.

Except as otherwise stated in these policies, only lawfully operated vehicles are permitted on CTCD campus roadways. Skateboarding, rollerblading, and skating are prohibited at all times on campus.

Requests for an exception to this policy for special events will be made in writing to the Director of Facilities Management for approval who will coordinate with the Campus Police.

Student Modes of Transportation

Although alternative modes of transportation on campus are encouraged, certain exceptions and regulations on their use must apply.

Definitions:

- **Motor Assisted Scooter** – a self-propelled vehicle with at least two wheels in contact with the ground during operation; a braking system capable of stopping the device under typical operating conditions; a gas or electric motor not exceeding 40 cubic centimeters; a deck designed to allow a person to stand or sit while operating the device; and the ability to be propelled by human power alone.
- **Bicycle** – a device that a person may ride that is propelled by human power and has two tandem wheels at least one of which is more than 14 inches in diameter.
- **Rollerblades** – shoe or device attached to a shoe, having a set of wheels (includes roller skates).
- **Skateboard** – non-motorized device where two or more wheels are attached to a platform upon which a rider stands.
- **Pedestrian** – a person on foot.

Motor scooters and bicycles on campus are subject to motor vehicle laws and regulations outlined by the Texas Transportation Code. Motor scooters must be registered and the operators licensed according to the Texas Transportation Code. All state laws concerning the operation, movement and storage to include parking of the above vehicles are in full force and effect while on college property.

Rollerblades and skateboards as defined, or any variance thereof, are strictly prohibited from being operated on campus grounds, buildings, hallways, parking areas, sidewalks, in or around pedestrians, on any stairway, wall, bench, fountain, tennis court or within any structure or facility; or on any property owned or occupied by Central Texas College District unless otherwise posted. Other prohibited areas include land, grass, shrubbery, gardens, flowerbeds, and other areas where pecuniary loss may occur.

Vehicle operators shall yield the right-of-way to a pedestrian crossing a roadway in a crosswalk. A pedestrian shall yield the right-of-way to a vehicle if crossing a roadway at a place other than a marked crosswalk. The operator of a vehicle approaching from the rear of a vehicle that is stopped at a crosswalk to permit a pedestrian to cross a roadway may not pass the stopped vehicle.

Anyone found in violation of this regulation may be subject to state law penalties and/or campus disciplinary action.

Curfew and Loitering Policy

The safety of the entire college community is a primary concern of the CTCD Administration. The Campus Police determine curfew times for certain restricted areas on campus including, parking lots, housing, all parks, the duck pond and any other rural property owned or under the control of the college district. Curfew times for these areas vary with time change but are always enforced during the hours of darkness.

All camping, sleeping, sit-ins and overnight stays on college owned or controlled property, not previously authorized are strictly prohibited.

Loitering on college-owned or controlled property, including buildings and parking lots, is prohibited. Loitering on college premises is defined as lingering idly or aimlessly in any area of the campus without official authority. Hanging around in clusters and creating or causing unusually loud and disturbing noises and/or wandering aimlessly about campus (especially around residence hall and married housing) between the quiet hours of 11:00 p.m. and 6:30 a.m. is a violation of college policy. Anyone identified loitering on campus may be cited for violation of the loitering policy, arrested or asked to leave, and/or may be reported to the Director of Student Life Activities for disciplinary action.

Warnings and Emergency Broadcast Messaging

The Central Texas College District's Community Relations and Marketing Department coordinates and manages all information and media communication involving events and activities relating to the college district.

This institution will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff on campus. Each student is enrolled in the no cost CTC's Emergency Alert System. This system is used to make notification in the event of a campus emergency and provide ongoing updates to the event.

Warnings may only be withheld if they would compromise efforts to contain the emergency; however, every effort will be made to issue crisis warnings without any delay following confirmation of an emergency.

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the Central Texas College Administration or the Chief of Police, which constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college faculty/staff email system, through the CTC Emergency Alert Broadcast System (see above), on the CTC Campus Police web page and the campus student newsletter, "The Buzz".

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the campus community and its individuals, the Office of the Campus Police may also post a notice on the CTC web site at: www.ctcd.edu, providing the college community with more immediate notification. In such instances, a copy of the notice is posted in Morton Hall, building 120; made available to all residents of Married Student/Single Parent Student Housing; and also available at the Office of the Campus Police. Anyone with information warranting a timely warning should report the circumstances to the Campus Police, by phone (254) 526-1427 or (254) 526-1200 or in person at the Campus Police Department, building 137, directly behind Student Services building 119 on Main Campus.

Off-Campus Criminal Activity

When a Central Texas College student is involved in an off-campus offense, or investigation, CTC police officers may assist with the investigation in cooperation with local, state, or federal law enforcement. Killeen and Copperas Cove police routinely work and communicate with campus officers on any serious incidents occurring on-campus or in the immediate areas surrounding campus. Central Texas College operates no off-campus housing or off-campus student organization facilities. However, many students live in the neighborhoods surrounding the college. Killeen and Copperas Cove police have primary jurisdiction in all areas off campus, CTC officers can and do respond to incidents that occur in close proximity to campus.

CTC police officers have direct radio communications with both city police departments, fire departments, and ambulance services to facilitate rapid response in any emergency situation. Any student who violates the CTC Student Code of Conduct will be subject to disciplinary action up to and including expulsion from college. Students whose behavior constitutes a violation of the College Code and Federal, State or Local Law not otherwise enumerated herein, may be accountable to both the College and civil authorities. Disciplinary action at the College will not be subject to challenge on the grounds that criminal charges involving the same incident have been dismissed, reduced, or are pending.

Fishing On Campus

Several areas on campus are devoted to the natural environmental beautification of the campus. Fishing in these areas by any means is strictly prohibited. Exceptions apply to Faculty and Staff of CTC and Texas A&M, Central Texas, in accordance with guidelines set up by the Director of Facilities Management and the Campus Police and applies to the CTC lake area only. Valid CTC fishing permits are required and State length limits are strictly enforced.

Fireworks

The term "fireworks" means all devices of inflammable and explosive materials combined of various proportions for the purpose of producing in combustion beautiful, amusing, audible or scenic effects.

Central Texas College students, faculty, staff and guests are strictly forbidden from manufacturing, assembling, storing, transporting, receiving, keeping, selling, or possessing with intent to sell, use, discharge, cause to be discharged, ignite, detonate, fire or otherwise set in action any fireworks of any description on any property owned, controlled, operated, leased or rented by the College District. A violation of this regulation can result in seizure of fireworks and a campus fine of \$25.

Legal definition: Fireworks as used herein, shall include all ICC-Class C common fireworks specifically defined in Section 2 of Article 9205, Vernons Annotated Texas Civil Statutes, and all other fireworks defined as Class A Fireworks and Class B Fireworks in Section 1 and 10, Article 9205, VATCS.

Closed-Circuit TV Monitoring

The Central Texas College District is committed to enhancing the quality of life of the campus community by integrating effective practices of policing by the use of closed circuit television monitoring and recording. It is recognized that CCTV can be an effective crime prevention program when it is part of a broader crime prevention and community safety strategy.

The Central Texas College Police Department oversees and coordinates the use of CCTV in sensitive areas on campus. Central Texas College Police Department also uses CCTV to monitor public areas in order to deter crime and to assist the College in providing for the safety and security of individuals and property belonging to the college district.

Video monitoring for security purposes will be conducted in a professional, ethical, and legal manner. Monitoring individuals based on characteristics of race, gender, ethnicity, sexual orientation, disability, or other protected classification is prohibited. Monitoring will be based on suspicious behavior, not individual characteristics. Information obtained through video monitoring will be used exclusively for safety, security, and law enforcement purposes. Recorded images will be stored in a secure location with access by authorized staff members only.

Signage giving notice of the College's possible CCTV monitoring of public areas may be posted as deemed necessary to enhance the crime prevention value of the CCTV system but is not required. The lack of signage in areas under surveillance does not justify violating campus rules and regulations, or State, Federal, or Local laws.

CCTV systems are used regularly in the hallways and common areas of the dormitory and in any area on campus deemed "sensitive" by the CTC Administration. An area may be considered sensitive by the nature of the college property or monies stored in or in use in the area under surveillance. Students and staff entering certain sensitive locations on campus may have an increased concern for privacy or confidentiality, however the use of CCTV

systems in those areas are a necessity for the preservation and protection of college owned property and assets.

Information obtained through video surveillance will only be released when authorized by the CTCD General Counsel, CTC Administration or the Chief of Police. Excluded from release are those tapes directly related to a criminal investigation, arrest or subpoena. Those recorded devices which are no longer needed for criminal justice or administrative purposes will be destroyed or electronically erased.

Closed Circuit Television and Web camera surveillance on Campus is consistent with the highest standards, protections, and compliance with all Federal, State, and local laws.

Smoking and Tobacco Use Policy

The administration and faculty of CTC are concerned about the health and welfare of all individuals on campus. In light of research findings, statements by the United States Surgeon General, and the trend in the business community today, CTC has a no smoking and/or tobacco use policy. The only exceptions to this rule are Married Student Housing and inside a person's personal vehicle. Failure to comply can result in a campus citation. Repeat violators may be subject to fines and discipline pursuant to the Student Code of Conduct.

Dress Code

You are expected to dress and groom in a manner that does not interfere with the educational mission or is disruptive to the operation of the institution while on campus and while participating in activities sponsored by the College. Students, whose conduct and dress cast an unfavorable reflection upon the College, or are in violation of this policy, are subject to disciplinary action.

ADAAA, 2008

The Americans with Disabilities Act Amendments Act (ADAAA) makes it unlawful to exclude or deny a qualified individual with a disability from participation in the benefits of the services, programs, and activities of Central Texas College.. CTC shall make reasonable modifications in policies, practices, or procedures when the modifications are necessary to ensure equal access for all.

Drug and Alcohol Abuse Policy

Introduction

You are admitted to Central Texas College for the purpose of educational, social and personal enhancement. As a student, you have the rights and privileges. With these rights and privileges, you also have certain duties and responsibilities essential for creating an environment in which all students can learn to live productive, fulfilling lives. Substance and alcohol abuse disrupts this environment and threatens not only the lives and well-being of our students, faculty and staff, but also the potential for educational, social and personal enhancement. All members of the college community must take responsibility for preventing substance and alcohol abuse.

In recognition of the problems associated with substance and alcohol abuse, Central Texas College has developed a college-wide drug policy. The policy addresses not only disciplinary sanctions associated with substance and alcohol abuse, but also education, prevention, intervention, and treatment activities necessary to help eliminate problems that substance and alcohol abuse poses to the college community.

Education, Prevention and Treatment

Central Texas College is committed to providing comprehensive drug education and prevention programs, as well as early intervention and referral services. In support of this commitment, Central Texas College has established the Substance Abuse Resource Center, located in the Student Services Building 119, to provide information and assistance to the college community. Through this program, Central Texas College will provide educational support programs which will assist in prevention of alcohol and substance abuse activities.

Central Texas College recognizes the importance of treatment services in assisting faculty, staff and students in overcoming substances and alcohol abuse problems. Assessment and intervention services for students and staff are

available through the Substance Abuse Resource Center. If further treatment is necessary, staff and students may be referred to outside counselors and programs. Active duty military and their dependents may seek assistance through the on-post alcohol and Drug community Activity Division. Information relating to these outside agencies may be requested from the office of the Substance Abuse Resource Center or the appropriate Campus Dean. All contacts are confidential and will not be the basis of disciplinary charges. Faculty and staff seeking outside assistance may contact the Insurance Claims Office to check on health insurance coverage.

Health Risks

Controlled substances of dangerous drugs as defined by law include, but are not limited to marijuana, any narcotic drug, hallucinogen, stimulant, depressant, amphetamine, and barbiturate. - hepatitis
- coma
- altered blood pressure
- death
- injection with contaminated needles may result in spread of disease

Mental

More specifically, the Institution prohibits the manufacturing, possessing, having under control, selling, transmitting, using, or being party to any illegal drug activities, possession of drug paraphernalia on college premises or at college sponsored activities.

Also prohibited is the possession, use, sale, or being under the influence of alcoholic beverages or having alcoholic beverage containers in any college-owned or operated facility or at any college sponsored event except when specifically designated by the Board of Trustees of the College District.

The term “controlled substance” when used in this policy shall refer to those drugs and substances whose, possession, sale or delivery results in criminal sanctions under the Texas Controlled Substances Act, as well as substances that possess a chemical structure similar to that of a controlled substance.

Institutional Disciplinary Action and Process

Institutional disciplinary action may be brought against faculty, staff and students alleged to have violated Institutional regulations and/or local/state and/ or federal laws concerning controlled substances or other criminal offenses. Violations of any state or federal law pertaining to controlled substances or any other criminal offense that occur off campus and are not associated with the Institutions related activities may result in disciplinary charges in situations in which the continued presence of the individual is likely to interfere with the educational mission and the orderly operation of the Institution, or impacts Central Texas College.

Institutional disciplinary proceedings will be in accordance with procedures outlined in the *Student Handbook* (students). Disciplinary action in cases involving drug or alcohol related situations by students may result in suspension or expulsion from the College, depending on the nature and seriousness of the case. Participation in a substance or alcohol abuse educational program may be required in addition to other sanctions. Any disciplinary action imposed by the College may be in addition to any penalty imposed by off-campus authority.

II. Scope

This policy applies to all students of the College, on all Campuses, including Distance Learning students.

In situations where serious mental and/or emotional health issues arise, analysis and review of the seriousness of the situation will be taken to determine appropriate action as needed. Family, or the individual[s] listed as emergency contact for the student, may be contacted if believed doing so is in the best interest of the student.

B. Once the situation has been reviewed and documented, one or more of the following courses of action may be taken:

1. **On Campus Counseling:** On Central Campus, mental health counseling is available through the office of the Director of Substance Abuse Resource Center/Employee Assistance Program, SARC/EAP. Student Life will refer students to the SARC/EAP Director as needed. The purpose of the meetings is to afford ongoing oversight of student's ability to function safely and effectively in the College environment. As a condition of continued enrollment, the student will be required to comply with all recommendations and scheduled meetings with the Director, SARC/EAP. There is no cost to the student for these services.

2. Mandated Off-Campus Assessment: The student may be required to complete a comprehensive assessment with an off-campus treatment provider. The purpose of the assessment is to determine the student's competency to function safely and effectively in the College environment. As a condition of continued enrollment, the student will be required to comply with all recommendations of the assessment. The student will be responsible for all costs associated with the assessment and recommendations. A student required to complete an assessment and recommendations may, at the discretion of the College, be prohibited from being on campus, in College housing, and/or attending classes until such time that the assessment and recommendations are completed, and have been reviewed by Central Texas College.

3. Removal from College Housing: All students living in College Housing must be able to provide for their own personal care. In situations where it is believed that the student's level of functioning is sufficiently impaired, the student may be removed from College Housing. This action can be short term (e.g. until a formal assessment is completed) or for a longer duration, depending on individual circumstances. Any refund of housing costs will be determined by the Director of Business Services and Contracting on a case by case basis.

4. Emergency Withdrawal or Medical Leave of Absence: The College reserves the right to immediately withdraw a student from the College. Such action will be taken when a student demonstrates the inability to continue as a student or presents an immediate danger to self or others. Such action will be the responsibility of the Campus Dean or his/her designee. (See Student Code of Conduct: Emergency Action)

After an emergency withdrawal or medical leave of absence, an evaluation supporting the student's return is required and must be submitted to the Campus Dean and, on Central Campus to the Director of Student Life. Such clearance shall include written documentation from the attending mental healthcare provider substantiating competency to return to the demands of the College environment, to include coursework, campus life, and campus housing as appropriate, and documentation setting forth whether follow up with the psychologist/psychiatrist or other health care provider is required. On Central Campus, the student will be required to attend a re-enrollment meeting with the Director of Student Life and with the Director SARC/EAP or his/her designee prior to returning. For other Campuses, the student will be required to meet with the designated Campus administrator prior to returning.

Students may not return to Campus without the appropriate documentation or without attending these re-enrollment meetings.

5. Disciplinary Action: Although the primary purpose of this policy is to address and support the mental and emotional health needs of students, at times the behaviors exhibited may also be violations of College Policy. The College reserves the right to adjudicate such Policy violations through the established adjudicating bodies of the College. See the CTCD Student Code of Conduct herein for more information on rule violations, disciplinary actions and the appeal process.

1. Any individual violating the Student Code of Conduct may be subject to disciplinary action. Disciplinary procedures will be coordinated by the Director of Student Life. If flagrant violations of policy cause sufficient disruption, tension, or danger to the order, safety, or well-being of the institution or other persons, the Dean of Central Campus is authorized to suspend students immediately. (See Emergency Procedures).

2. Students whose behavior constitutes a violation of both the Student Code of Conduct and federal, state or local laws may be accountable to both the College and civil authorities. Disciplinary action at the College will not be subject to challenge on the grounds that criminal or other charges involving the same incident have been dismissed, reduced, or are pending.

3. Instructional departments which offer in professional **certification/licensure** may **separately** initiate a disciplinary action based on **violation on** a professional code of conduct. The respective department chair may perform those functions normally reserved for the Director of Student Life.

B. Procedure for Investigation of Misconduct

1. Upon notification of an alleged violation of the Student Code of Conduct, the student may be summoned by the Director of Student Life. If a student fails to report, the student may be disciplined up to and including expulsion from the College.

2. After meeting with the student involved and reviewing the allegations, specifying the charges, obtaining the necessary information, and explaining the disciplinary procedures, the Director of Student Life may exercise one of the following options:

a. Issue a formal warning or impose disciplinary action of community service, probation, suspension, or expulsion. The issuance of community service may be combined with probation or suspension as a single form of discipline. If disciplinary action is imposed by the Director of Student Life, the student will be given a written statement of the charges and the student will be informed of his/her right to appeal.

b. Convene a Disciplinary Committee to hear the charges. The Director of Student Life will give the student a written statement of the charges.

c. Dismiss the charges brought against the student.

3. After the meeting with the Director of Student Life, the student may exercise one of the following options:

a. Accept the decision of the Director of Student Life.

b. Request a hearing before a Disciplinary Committee for the purpose of allowing the Committee to hear and determine the validity of the charges, and determine disciplinary action, if any.

c. If a student has admitted guilt but disagrees with the disciplinary sanction imposed, the student may request a hearing with the Disciplinary Committee to appeal the action recommended by the Director of Student Life. The Committee has the authority to uphold, repeal, reduce or increase the disciplinary sanction imposed.

4. In cases involving a student appeal of disciplinary action or a request for a hearing before the Disciplinary Committee, the Director of Student Life will inform the student of the appeal procedure. Requests for a hearing must be submitted in writing to the Director of Student Life within five (5) calendar days of the date of the written statement of charges or notice of disciplinary sanction imposed, when hand-delivered to the student, and within eight (8) calendar days of the date of the letter if delivered to the student by US mail.

Emergency Procedures

At any time warranted and after review of the situation and facts, the Dean of Central Campus may take immediate temporary action to protect the College or the public. These actions may include, but are not limited to the following:

1. Barring the student from the campus or any part of the campus.

2. Removing the student from a particular class or classes.

3. Prohibiting the student from participating in a College-sponsored activity, on or off campus.

Such emergency actions are temporary in nature and designed to handle an urgent situation and provide Central Texas College administration time to review the student's conduct. Once such review has occurred the student suspended on an emergency basis shall be given written notice of suspension by the Dean of the Central Campus and a brief statement of the reasons for the suspension.

The student may appeal the Dean's decision to impose emergency action to the Deputy Chancellor, Distance Learning & Texas Campus Operations or his/her designee. The appeal will be limited to the emergency removal from the campus, classes, or activities.

If the Deputy Chancellor determines that the facts do not warrant emergency action, he/she will notify the Dean of his/her decision, and the emergency action will be terminated. The Director of Student Life will then follow the policy as outlined under Administrative Disciplinary Action, Disciplinary Committee, Disciplinary Hearing procedures, and Appeal procedures.

When emergency action is taken prior to a disciplinary hearing, the Director of Student Life will take steps to expedite the procedures to provide the student with an opportunity for a hearing of the underlying disciplinary charge..

Nothing in this Student Code of Conduct shall preclude a faculty or staff member from requesting a disruptive student to leave a class, activity, or location immediately. If the student fails to comply with the request, the faculty or staff member may seek assistance from the Campus Police. A one-time removal from a class, activity, or location shall not be subject to appeal under this section on "Emergency Procedures."

Disciplinary Procedures: Other Than Professional Code Violations

Disciplinary Committee

A. The purpose of the Disciplinary Committee is to provide students an opportunity for a hearing when they feel there has been an unfair imposition of disciplinary action in the case of a non-academic misconduct. A Disciplinary Committee will not be convened for an action involving admonition and warning.

B. The Disciplinary Committee shall be composed of two (2) faculty members, one (1) staff member, and two (2) students. The Committee is appointed by the Deputy Chancellor, Distance Learning and Texas Campus Operations, based on recommendations from the Director of Student Life. The Disciplinary Committee may not convene unless all five (5) members are present for a hearing.

C. The student must submit a written summary of their appeal to the Director of Student Life. The Director will forward the written summary to the members of the Disciplinary Committee for their review and, during the pre-hearing, to decide, by simple majority vote if the appeal merits convening the Committee for an in-person hearing. The Director will then contact the student with the Committee's decision, informing the student of the date and time of the hearing if the committee chooses to hear the appeal.

D. The Disciplinary Committee is empowered to uphold the disciplinary action or modify the discipline ranging from no action to permanent expulsion from the College. If the committee chooses to lower the disciplinary action imposed by the Director of Student Life, the committee may do so during the pre-hearing. The student may appeal the committee's decision to the Dean of Central Campus.

Disciplinary Hearing Procedures

A. The Director of Student Life will notify the student of the date and time of the disciplinary hearing and furnish a complete statement of the charges to be considered. Whenever possible, three (3) business days will be allotted for preparation between the time of notification of the student and the hearing date. Unless the Director of Student Life determines unusual circumstances exist, the hearing should be held within 10 business days of the submission of the appeal.

B. The hearing will be facilitated by the Director of Student Life, and conducted on the campus in "closed session." The student shall present his/her case without representation from others. The session will be closed to the public, attorneys, press and others. All proceedings and decisions will be considered confidential. Only those persons whose presence is required, as determined by the Director of Student Life or requested by the Disciplinary Committee, will be permitted to attend.

C. The hearing proceedings will be recorded. The student may obtain a copy of the hearing by providing written request to the Director of Student Life prior to the hearing.

D. Any person, including the student charged, who disrupts a hearing shall be excluded from the proceedings and may be subject to discipline in accordance with the Student Code of Conduct.

E. The failure of the student to appear at the scheduled hearing and/or be present at all times while the hearing is in session shall be deemed a waiver of the right to a hearing and the Committee shall proceed and make its decision based on all of the information provided up to that point.

F. Any witness who is asked to testify at the hearing is expected to do so. It is expected that all statements made to the Disciplinary Committee will be true. Students giving false statements may be subject to discipline in accordance with these rules. A student may have up to 2 character witnesses testify at the hearing. The Committee, Director of Student Life and the student charged, may ask the witnesses questions.

G. If one or more witnesses are to appear on behalf of the student, a list of names and a brief statement of what information the witness is expected to provide, must be provided by the student to the Director of Student Life at least 24 hours before the hearing. The student is responsible for insuring his/her witnesses attend the hearing. If a witness does not report in time for the hearing the hearing will continue as scheduled and the witness may be excluded at the Committee's discretion.

H. All evidence against the student will be presented in his/her presence. Both, Central Texas College and the student will be permitted to rebut the statements of any witness after all evidence has been presented, or as directed by the Committee.

I. The Disciplinary Committee may impose limits on the number of witnesses and the amount of cumulative evidence that may be introduced.

J. The Director of Student Life will present charges and information supporting the charges at the disciplinary hearing. The Director of Student Life shall present any witnesses and evidence in support of the charge.

K. At the hearing, the student may review the information presented to the Disciplinary Committee by the Director of Student Life.

L. When the Disciplinary Committee is satisfied that all non-cumulative, relevant, available evidence has been presented, the hearing will be adjourned. The Disciplinary Committee will meet immediately to consider the evidence and to reach a decision. The Director of Student Life will be available during the deliberation to clarify any issues regarding College policy but shall not participate in the deliberation. The Committee may also ask for clarification from the student. Deliberations of the Disciplinary Committee will be confidential and will not be recorded.

M. Except as specified in E., the decision reached by the Disciplinary Committee will be based on the information received at the pre-hearing and hearing. The information shall consist of the record of the Disciplinary Committee's proceedings, and all written reports, documents, and other material submitted to the Disciplinary Committee.

N. The Disciplinary Committee will reach its decision by a majority vote.

O. The Disciplinary Committee will present its decision in writing to the Director of Student Life. Each member will sign the decision and the Director of Student Life will prepare a typed copy of that decision for the record.

P. The Director of Student Life may verbally inform the student of the Disciplinary Committee's decision, but will deliver to the student a copy of the written decision.

Q. Within five (5) business days following the Disciplinary Committee hearing, the Director of Student Life shall by hand-delivery or US mail, give written notification of the Committee's decision to the student. If disciplinary action is imposed, the student will be informed of the duration of that action and/or the date by which restitution or other appropriate conditions must be met. The letter will also inform the student of his/her appeal rights.

Appeal Procedures other than Professional Code Violations

A. The student may appeal the decision of the Disciplinary Committee by submitting a written request to the Director of Student Life within the time limit specified in Notice and Time Limits in this Student Code of Conduct. The request will then be submitted to the Dean of Central Campus.

B. The Dean will decide whether to reconsider the charges and/or action taken and will notify the student in writing. At the Dean's sole discretion, he/she may meet with the student or make a decision based on the records. The Dean has full authority to uphold, set aside, increase, or reduce the action of the Disciplinary Committee. The decision of the Dean is final.

Disciplinary Procedures Involving Professional Code Violations

Individual fields of study, such as Nursing, EMT, Aviation, Protective Services, may have their own licensing and professional Codes of Conduct. These kinds of violations may be handled within the department.

- A. The departmental process shall at a minimum include an examination of all evidence and a hearing of the student's version of events prior to a decision by the Department Chair.
- B. The Department Chair may verbally inform the student of his/her disciplinary decision, but will deliver to the student a copy of the written decision.

Appeal Procedures Involving Professional Code Violations

- A. The student may appeal the decision of the Department Chair by submitting a written request to the Dean of Central Campus within the time limit specified in Notice and Time Limits in the Student Code of Conduct.
- B. The Dean will decide whether to reconsider the charges and/or action taken and will notify the student in writing. At the Dean's sole discretion, he/she may meet with the student or make a decision based on the records. The Dean has full authority to uphold, set aside, increase, or reduce the action of the Department Chair. The decision of the Dean is final.

Grievances

Academic

The faculty and staff maintain an open door policy for all individuals attending Central Texas College. This means that any student problem should, if possible, be worked out between the student and the faculty or staff member directly involved with the problem. If the student feels that he/she cannot address the issue with the faculty or staff member and the problem remains unsolved, he/she should immediately consult the Director of Student Life for direction and further appeal.

Individual course instructors retain primary responsibility for assigning grades. The instructor's judgment is final unless compelling evidence shows discrimination, differential treatment, or procedural irregularities. A student who feels that he/she has been treated unfairly or unjustly by a faculty member (full-time or part-time) with regard to an academic process such as grading, testing, or assignments should discuss the issue first with the faculty member involved. This conference should be requested by the student within ten (10) business days from the time the student knew or reasonably should have known about the unfair or unjust treatment.

A faculty member will not be required to respond to a complaint, regarding academic issues, such as grades, that is not in writing or, when appropriate, does not have specific documentation such as dates, times, materials, etc.

If, within ten (10) business days of the request for a conference with the faculty member, the problem is not resolved or the faculty member has been unable to meet with the student, the student may file a written complaint with the Department Chairperson or Program Director. The written complaint must specifically identify the grievance at issue and state all relevant facts to support the student's position.

Upon receipt of a written complaint, the Department Chairperson or Program Director will work with the parties in an attempt to resolve the conflict.

If within ten (10) business days of a request to resolve a grievance the Department Chair or Program Director is unable to resolve the grievance to the student's satisfaction, the student may forward to the Office of the Dean of the Central Campus, a copy of the written complaint along with an explanation regarding action taken at each prior level. The Dean of Central Campus will meet, either jointly or independently, with the student, faculty member, and department chairperson and attempt to resolve the issues. This level will be the final step in any grievance process regarding grades. The Dean's decision is final.

An appeal process for grades expires one hundred-eighty days (180) days from the date the grade was issued. If the academic grievance, other than those concerning grades, is not resolved by the Dean of Central Campus, it may be forwarded in writing by the student to the Deputy Chancellor, Distance Learning & Texas Campus

Operations, for final resolution. The Deputy Chancellor will expedite a timely examination of the issues and will issue a final written determination in the grievance process.

Discrimination

Students who believe they have been treated in a discriminatory manner because of race, color, gender, age, religion, national origin, disability, veteran status, or other protected class under federal or state laws may informally discuss the allegations or formally file a complaint of discrimination with the Director of Student Life. The Director of Student Life will forward the information to the Dean of Central Campus and/or Central Texas College Human Resources Department for investigation.

Students may also file a complaint of discriminatory treatment in the provision of educational programs and services with the Department of Education, Office of Civil Rights. Students are encouraged to contact the Director of Student Life, whose office is located in the Student Center Building 106, and the telephone number is 526-1258, to report any concerns of discriminatory treatment.

ADAAA, 2008

CTC provides reasonable accommodations to students pursuant to the requirements of the Americans with Disability Act Amendments Act (ADAAA). The ADAAA prohibits discrimination against students with a disability by unlawfully denying access to or participation in benefits of the programs, services, or activities. The Disability Support Services Department (DSS) of Central Texas College implements provisions of the ADAAA relative to access to programs, services, and activities.

Sexual Misconduct

Sexual Misconduct is defined as any inappropriate behavior against an individual based on their gender, including but not limited to sexual harassment and sexual assault, and is strictly prohibited. Central Texas College does not tolerate sexual misconduct in any form. Sexual misconduct is a flagrant violation of the values and behavioral expectations of the College community. All reported violations within the jurisdiction of the College, including sexual assault, harassment, and retaliation, will be investigated and, as warranted, will be resolved through appropriate college disciplinary processes and/or criminal proceedings in accordance with applicable state and federal laws.

Students who believe that they have been subjected to sexual misconduct, should report their complaint to the Director of Student Life or Campus Police as soon as possible after the incident occurs. The Director of Student Life Activities is located in the Student Center, building 106, or call (254) 526-1258. Students' allegations involving college employees may be reported to the Director of Human Resource Management, building 103 or to the Campus Police.

Existing disciplinary and grievance procedures will serve as the framework for resolving allegations of sexual misconduct. Students found guilty of sexual misconduct will be subject to campus disciplinary penalties found in the Student Handbook.

The rights of both the accused and the complainant shall be protected to the fullest extent possible.

Harassment

Central Texas College is committed to providing an educational and workplace environment which will contribute to the personal, professional, and academic development of each individual. Faculty, staff and students should be aware that discrimination and harassment based on age, ethnic background, family status, gender, sexual orientation, disability, national origin, race, religion, veteran status or any other protected class under federal or state laws. is prohibited. To fulfill its mission as an institution of higher learning, Central Texas College encourages a climate that values and nurtures diversity and uniqueness of the individual.

Individuals who believe they have experienced harassment or discrimination are encouraged to contact the appropriate officials. Students should contact the Student Life Office at this campus; faculty should contact the Campus Dean; and staff members should contact the Office of the Director of Human Resources.

Retaliation

Retaliation for having made a complaint of sexual misconduct, or participating in an investigation, or filing a criminal or civil complaint, is prohibited.
