**How Does This  
FEE Benefit  
Me???**

## Your participation makes a difference

Some of you may have noticed an outstanding balance of \$5. This is the new Student Activity Fee, a common fee at many colleges and universities.

## What is the Student Activity Fee?

Paid by every student, at all three campuses the Student Activity Fee is designed to raise funds for the Associated Students Union (ASU). The ASU is the official body that represents students at Contra Costa College. The ASU provides leadership opportunities, support services, helpful workshops, and entertainment for the students of Contra Costa College.

This fee was researched at the District level. The Student Governments of all three campuses discussed & approved this activity fee. The Board of Trustees passed the fee as of Spring 2011
