WHEREAS

The majority of the students of the University of Arkansas at Little Rock employ the use of a motorized vehicle to reach the campus, by doing so, they are agreeing to the responsibility of becoming educated about the parking regulations for the university in order to responsibly operate and maneuver their motorized vehicles within the confines of the campus.

Every day, several tickets are written to the students at UALR for careless mistakes that could be avoided by the creation of a brief tutorial that students can place within their vehicles.

THEREFORE LET IT BE RESOLVED

That the Student Government Association will spend up to (but not to exceed) _____ from the _____ fund in order to place an ad in the University Forum that clearly and cleverly states the most basic, thorough, and most commonly overlooked parking rules of our campus. By doing so, the Student Government Association of the University of Arkansas at Little Rock will serve as a helping hand to reduce the number of tickets that students receive each semester.
