

# **Academic Council**

Academic Council serves as the Student Government's primary channel of lobbying for student interest in academic matters. A few of the main objectives for AC are to create and evaluate proposals pertaining to University policies and practices, investigate issues concerning academic quality for students of the University, and recommend the approval of resolutions and specific courses of actions concerning academic affairs.

Academic Council is chaired by the Director of Academic Affairs (DAA), who interviews and appoints his/her new council after 5<sup>th</sup> week of the winter/spring term. The term of office for this Council runs from July until June.
