Issue **Spring 2014**

Pride Band members and fans commemorate their final sit on the wooden bleachers at Plaster Sports Complex.

## Benefits of the B.E.A.R. Fee

Missouri State University students have passed a student fee of \$50 per semester, known as the Bear Experience and Recreation (B.E.A.R.) Fee, to help provide new and renovated athletic and recreational facilities on the Springfield campus.

*I am excited to see the changes that will be occurring around campus and can't wait to see the impact that this will have on the University.*

David Schneider, student body president

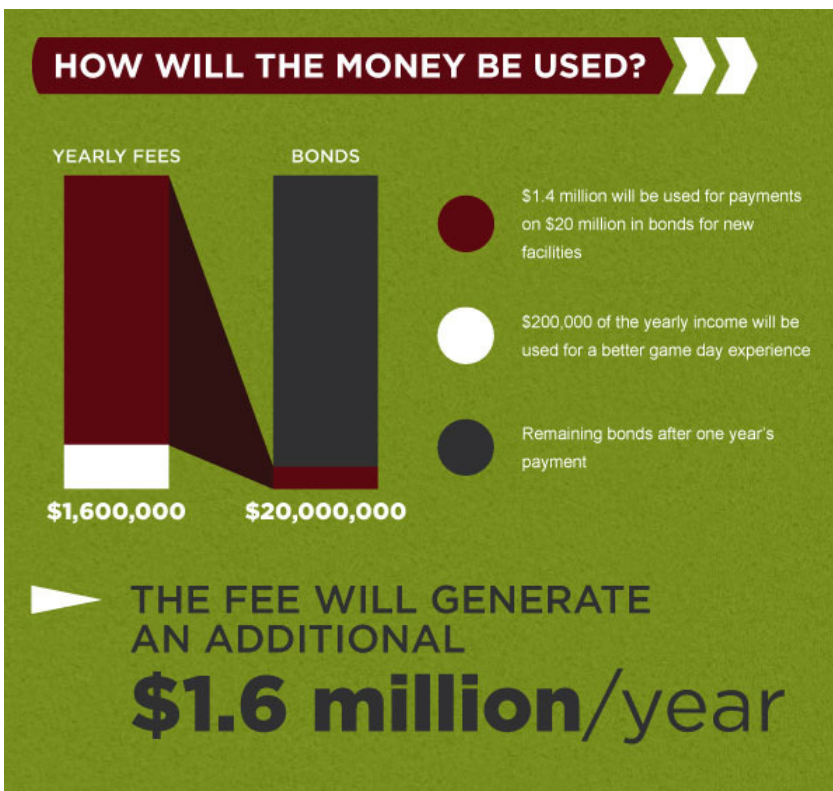

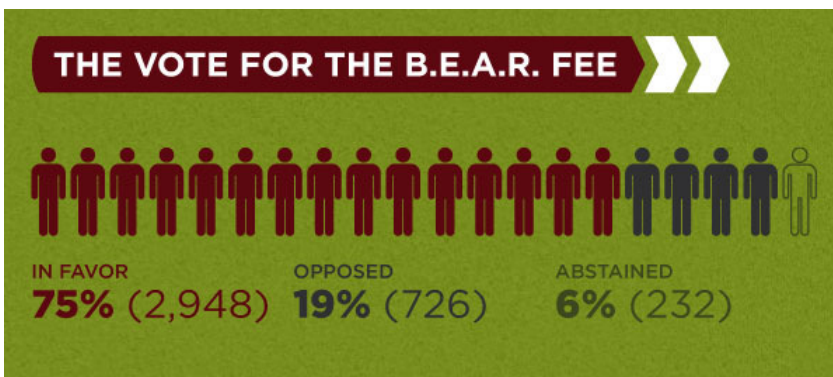

**HOW WILL THIS IMPROVE CAMPUS?** >>>

- New student seating at Plaster Sports Complex
- A new soccer, track and field complex
- A new sand volleyball complex
- A new field hockey and lacrosse complex

**A BETTER GAME DAY experience**

## PROPOSED PROJECT RENDERINGS

Student seating of Plaster Sports Complex

Sand volleyball complex

Lacrosse and field hockey complex

Soccer, track and field facilities

## WHEN WILL THE PROJECTS FINISH?

Construction on Plaster Sports Complex has started. So far, all projects are on target to be finished when students come to campus for fall semester 2014.

COMPLETION IS SCHEDULED FOR  
**Fall 2014**

*This is a positive move for Missouri State University, and I think that this shows that students take pride in and have a bigger and bolder vision for our University.*

David Schneider, student body president
