

Student Government's Platforms

Student Government Association has pledged to address a number of issues in the academic year.

Additional Navigation

[Platforms](#)

[Leadership Positions](#)

[Campus Entertainment Commission](#)

[Campus Ministry Commission](#)

[Campus Service Commission](#)

[Funding Opportunities](#)

Academic Credit

Exploring the possibility of excusing intercollegiate athletes from taking a one-credit fitness class

Facilities

Improving the Dining Service experience for students, adding more water-bottle filling stations, improving accessibility to parking, increasing building access hours

Intervisitation

Continuing the conversation regarding the intervisitation policy that is supported by the entire campus community

Interfaith

Encouraging student groups across campus to work together to further the Concordia community's interfaith initiatives

Registration

Improving the registration experience to minimize student frustration

Sustainability

Empowering student organizations that work toward sustainability, as well as looking into the idea of a BikeShare program and eliminating Cobber Water
