Dear Students:

As President of Ramapo College of New Jersey, I welcome you to our campus, nestled at the edge of mountains and metropolis. I congratulate you on choosing an outstanding college where you will be challenged and encouraged to push yourself to achieve your academic and professional goals.

Ramapo College's approximately 6,000 students come from more than 40 countries. We are larger than half the colleges in the country, yet small enough for our distinguished faculty and staff to know who you are and to provide you with individual attention and mentoring.

I have been continually impressed by the commitment and dedication of all those involved with the College. You will be exposed to dynamic teaching, hands-on learning, and service and research opportunities of the highest caliber. In addition to classroom work, I encourage you to engage in the wide array of co-curricular activities available at Ramapo College. There are more than 120 clubs and organizations as well as special events and athletic games planned throughout the year.

As you progress through your undergraduate or graduate experience, please keep in mind that my office welcomes student suggestions and feedback. Did you have a particularly memorable classroom experience that you would like to share? Have you observed a practice at the College that you have suggestions for enhancing? I encourage you to visit with me and the President's office staff or email my office at president@ramapo.edu.

At Ramapo College, you will discover a welcoming and intellectually stimulating climate as you pursue your endeavors at all levels. Please take the time to familiarize yourself with this Student Handbook and to explore the full range of opportunities outlined in it. I invite you to visit my website at <http://www.ramapo.edu/president/> where I periodically post updates about the College and highlight student, faculty and staff achievements.

At Ramapo College, you can make a difference; so I repeat: welcome to Ramapo College – an exciting place to push your personal, social, and intellectual boundaries.

INTRODUCTION

The Ramapo College Student Handbook serves as a resource for students. Within this publication are descriptions of the offices students most often interact with, as well as, information regarding clubs, organizations, and other opportunities for student involvement at the college. Equally important, this publication includes the policies and procedures that serve to outline student rights and responsibilities. The College has developed these policies and procedures to assist students in successfully navigating their college experience. Students should familiarize themselves with all college policies and procedures, as they are held responsible for knowing and abiding by them.

Should students have questions or comments regarding the contents of the Handbook, they are encouraged to call or stop by the Office of Student Affairs – (201) 684-7457, C-212.

OFFICE OF THE PRESIDENT

Dr. Peter P. Mercer, President

Location: Birch Mansion-215, Extension: 7607

Website: <http://www.ramapo.edu/president/>

The President is the Chief Executive Officer of the College. The Office of the President maintains an open door policy for students. Students have many opportunities to interact with the President in both formal and informal settings. The President also routinely meets with the Student Government Association and other student leaders to discuss student concerns and issues facing the College.

The President delivers a State of the College Address twice per academic year. These addresses often highlight trends, achievements, and challenges facing higher education and Ramapo College specifically. All students are encouraged to attend these addresses and participate in the question and answer sessions that follow.

The Office of the President is also primarily responsible for the coordination and delivery of four college-wide events: Convocation, Remembrance Day, Founders' Day, and Commencement. The President's webpage, <http://www.ramapo.edu/president/>, includes information on these four events and is also home to the President's Post. The Post is updated regularly with news of campus happenings, local and statewide initiatives, and institutional concerns.

SEXUAL MISCONDUCT POLICY GOVERNING STUDENTS

PREFACE: EMERGENCY INFORMATION

Ramapo College is committed to providing timely support and assistance to victims and/or survivors¹ of sexual assault or misconduct. Students who experience an incident of sexual misconduct should consider the information and resources provided below.

FOR IMMEDIATE ASSISTANCE:

1. Confidential Support:

Any student in need of immediate emotional support should call Counseling Services at 201-684-7522 and request to speak with a confidential counselor. Survivors may also contact the healingSPACE Sexual Violence Resource Center to speak with a confidential advocate 24 hours a day, 7 days a week by calling 201-487-2227.

2. Reporting:

Students are strongly encouraged to report sexual misconduct to College authorities and to the police in order to protect themselves and others. Even if the survivor does not want to make a formal incident report or file charges, he or she still has the right to other victims' services.

To file a report, a student can contact any of the following:

The Public Safety Department: *(available 24 hours a day, 7 days a week)*
(201) 684-6666
Room C-102

Title IX Coordinator: *(available during regular business hours)*
Kat McGee, Director of Affirmative Action and Workplace Compliance
E-mail: kmcgee@ramapo.edu
Phone: (201) 684-7220

The Mahwah Police Department: *(available 24 hours a day, 7 days a week)*
(201) 529-1000
<http://www.mahwahpd.org/>

¹ A note on language: The words "victim" and "survivor" are used interchangeably here. Ramapo College respects the decision of those who have experienced violence to identify as a victim or a survivor. We recognize that choosing to identify as a survivor is an important part of the healing process for some who have experienced sexual violence.

If the assault took place within the past five days the responding officer will ask the survivor if he or she wishes to activate the Bergen County Sexual Assault Response team (SART). SART is a free coordinated community response to assist a survivor in the aftermath of a recent sexual assault. It has been designed to offer a compassionate, victim-centered approach while collecting evidence that can be vital to the investigation and prosecution of the crime. Obtaining a forensic exam does not require that a police report be filed.

Although the College strongly encourages all members of its community to report violations of this Policy to law enforcement, it is the victim's choice whether to make such a report and victims have the right to decline involvement with the police. The College's Title IX Coordinator or Director of Public Safety (or their designees) will assist any victim with notifying local police if he/she so desires.

ANONYMOUS ONLINE REPORTING:

A reporting form is available at ramapo.edu/publicsafety/sexual-assault (See "*Report an Incident Now*") The form may be filled out anonymously, or the survivor may choose to include identifying information. This form is **not** to be used for emergencies that require an immediate response.

MEDICAL TREATMENT AND EVIDENCE PRESERVATION:

After an incident of sexual assault occurs, the victim should consider seeking medical attention as soon as possible at a local emergency room such as Valley Hospital in Ridgewood, New Jersey to have forensic evidence collection completed to preserve evidence in case the survivor decides to file a police report or pursue criminal charges. **Emergency transportation is available:** please contact the Public Safety Department at (201) 684-6666 and request to speak with an Emergency on Call Counselor to request emergency transportation.

A victim does not have to make a criminal complaint or decide whether to file charges to have forensic evidence collection completed, however the survivor must use his/her legal name. In circumstances of sexual assault, if a complainant does not opt for forensic evidence collection, health care providers still can treat injuries and take steps to address concerns of pregnancy and/or sexually-transmitted infection.

It is important that a survivor of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where she or he was assaulted within 96 hours after the incident occurred so that evidence as may be preserved. Complainants of sexual assault, domestic violence, dating violence, or stalking also are encouraged to preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if any exist that may be useful to College investigators, Public Safety personnel, or local police.

INVESTIGATIONS:

Survivors who wish to pursue an investigation may choose to:

1. Contact the Mahwah Police Department to pursue a criminal investigation.

2. File civil charges in a civil court.
3. Report to the Ramapo College Title IX Coordinator (see contact information above). An investigation of a campus policy violation is independent from criminal or civil investigations.
4. Decide not to file charges or make a report for investigation. Survivors are strongly encouraged but not required to report the incident. Survivors have the right to be free from any suggestion that victims must report the crime to be assured of any other rights or resources. Campus personnel will not pressure survivors to report a crime if the survivor does not wish to.

ACCOMMODATIONS:

A survivor may make a request for accommodations to the Title IX Coordinator. The survivor does not need to participate in an investigation or file charges in order to request accommodations. The Title IX Coordinator will work in conjunction with relevant parties to determine which measures are appropriate to ensure the victim's safety and equal access to educational programs and activities. Accommodations include:

- Accommodations related to academics, transportation, medical services and counseling.
- Relocation in their on-campus housing assignment or campus job if either will bring them into proximity with the perpetrator. Survivors can also request changes to their class schedule if they have classes in common with the accused.
- A "no-contact" order may be put in place between the survivor and the accused.
- Providing victims with financial aid-related information, such as how to apply for a leave of absence or addressing concerns about loan repayment.

I. Introduction

Ramapo College of New Jersey (“Ramapo” or “the College”) is committed to maintaining a respectful and professional academic and working environment for students, faculty, staff, and visitors. This includes having an environment free from sexual misconduct. Sexual misconduct refers to a range of prohibited offenses designated under this policy.

The following sexual misconduct offenses are prohibited by the Sexual Misconduct Policy:

- | | |
|-------------------------------|-----------------------------|
| 1. Sexual Harassment | 4. Stalking |
| 2. Sexual Assault | 5. Dating Violence |
| 3. Sexual Exploitation | 6. Domestic Violence |

In addition, it is a prohibited offense to retaliate against anyone who files a sexual misconduct complaint or participates in a related investigation.

This Sexual Misconduct Policy (hereinafter referred to as this “Policy”) applies to all settings and activities of the College, whether on campus property or off campus, as well as occurrences not related to activities of the College when the conduct has the propensity to create a hostile environment on campus. This Policy covers all students of the College and prohibits any student, faculty, staff, visitor or any other third party from engaging in sex-based discrimination against a student as further defined in this Policy.

So that the College may continue to foster a climate of respect and security on campus as it relates to preventing and responding to acts of sexual misconduct, this Policy has been created and serves to demonstrate the College’s commitment to:

- Disseminating clear policies and procedures for responding to sexual misconduct reported to the College;
- Engaging in investigative inquiry and resolution of reports that are prompt, fair, equitable, and independent of other investigations that may occur;
- Supporting complainants and respondents and holding persons accountable for established violations of this Policy; and
- Providing a written explanation of the rights and options available to every student that has been the victim of sexual misconduct, regardless of whether the offense occurred on or off campus.

In addition, this Policy:

1. Identifies the College's Title IX Coordinator, Deputy Title IX Coordinator, and Title IX Investigators, and describes their roles in compliance with guidance from the United States Department of Education's Office of Civil Rights and in compliance with the Clery Act.
2. Identifies how students can confidentially report sexual misconduct to the College and what resources are available both on and off campus to aid them, including students' rights to notify local law enforcement and their right also to decline to notify such authorities.
3. Provides information about how reports are assessed, investigated, and resolved.
4. Provides the College with a means to take all reasonable steps to identify sexual misconduct, prevent the recurrence of such misconduct, and to correct the discriminatory effects of sexual misconduct on the complainant and others, if appropriate.

II. NOTICE OF COORDINATION WITH NON-DISCRIMINATION POLICY & NOTICE OF NON-DISCRIMINATION

The College recognizes that it is important to coordinate this Policy with other existing policies related to harassment and discrimination knowing that harassment related to an individual's sex, sexual orientation, gender identity or gender expression can occur in conjunction with misconduct and harassment related to a person's race, ethnicity, national origin, religion, age, pregnancy or parenting status, disability, or other protected category. Therefore, when a report is made of harassment or discrimination based on sex as well as harassment or discrimination based on some other protected category, the College will use all applicable policies respectively to address the reports and will coordinate the investigation and resolution efforts.

The College is committed to maintaining an environment free from harassment and discrimination for everyone and does not discriminate on the basis of race, sex, national origin, religion, sexual orientation, gender identity or expression, or any other protected status. Further, the College does not discriminate on the basis of sex in any educational, employment, or extracurricular activity. Sexual misconduct, as described in this Policy, is a form of sexual harassment, which is a form of discrimination and is prohibited by Title IX of the Education Amendments of 1972 (hereinafter referred to as "Title IX"). Domestic violence, dating violence and stalking also are prohibited conduct as defined by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (hereinafter referred to as the "Clery Act"), as amended by the Violence Against Women Reauthorization Act of 2013.

*Students seeking further information regarding equal opportunity, disability, harassment, discrimination and retaliation that is **not related to sexual misconduct** should contact the Office of Affirmative Action and Workplace Compliance by calling (201) 684-7540.*

III. TITLE IX COORDINATOR; DEPUTY TITLE IX COORDINATOR & INVESTIGATORS

A. The College has designated a Title IX Coordinator who is responsible for the oversight of this Policy and any procedures related to it. The Title IX Coordinator is responsible for overseeing and resolving all Title IX reports and identifying and addressing any patterns or systemic problems that arise during the review of such reports. The Coordinator's responsibilities include oversight of a prompt, fair, equitable investigation and resolution process for reports of sexual misconduct at the College. The Title IX Coordinator also evaluates trends on campus by using information reported to him or her and makes recommendations for campus wide training and education programs.

Title IX Coordinator:

Kat McGee, Director of Affirmative Action and Workplace Compliance

E-mail: kmcgee@ramapo.edu

Phone: (201) 684-7220

B. Deputy Title IX Coordinators serve as designees for the Title IX Coordinator in any case where there is a conflict of interest or where either a complainant or respondent has identified a conflict of interest in his/her case with the Title IX Coordinator. The Deputy Coordinators are also able and will often oversee, in concert with the Title IX Coordinator, complaints arising in their respective areas of responsibility (the Deputy Coordinator, for the Dean of Students, for example, will be involved in reported student-on student cases whereas the Deputy Coordinator for Human Resources is likely to be involved in a case where a student reports sex-based discrimination perpetrated by a visitor to the College.) This is determined on a case-by-case basis and the Title IX Coordinator is able to determine how best to utilize the resources at hand to resolve cases.

Title IX Deputy Coordinators:

- Dean of Students, Deputy Title IX Coordinator for Students
- Director of Human Resources, Deputy Title IX Coordinator for Staff & Visitors
- Director of Employee Relations, Deputy Title IX Coordinator for American Federation of Teachers (AFT) Professional Staff
- Provost, Deputy Title IX Coordinator for Faculty

C. The Title IX Investigator(s) conducts thorough and impartial investigations into the facts of a case including interviewing the complainant, respondent, witnesses or others who may have relevant information, and collecting any other evidence deemed relevant to a case.

The Title IX Coordinator, Deputy Title IX Coordinator, and Title IX Investigators are trained annually on issues related to sexual misconduct and instructed on how to conduct effective and impartial investigations and administer a conduct process that protects the safety of victims and promotes accountability.

IV. DEFINITIONS

A. Definitions of Prohibited Sexual Misconduct:

DATING VIOLENCE: Threatened or actual physical or sexual violence committed by a person (a) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (b) where the existence of such a relationship will be determined based on a consideration of the following factors: (i) the length of the relationship; (ii) the type of relationship; and (iii) the frequency of interaction between the persons involved in the relationship.

Dating violence includes the use or threat of physical force or restraint carried out with the intent of causing pain or injury to another within a dating relationship.

DOMESTIC VIOLENCE: Threatened or actual physical or sexual violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person cohabitating with or having cohabitated with the victim as a spouse, or by any other person against a victim who is protected from that person's acts under the domestic or family violence laws.

Examples of behavior that may constitute domestic or dating violence include (but are not limited to) the following:

- Hitting, punching, pinching, slapping, or choking someone with whom the person is intimately involved.
- Violating a protective order.
- Touching an intimate partner sexually without the person's consent.

RETALIATION: Reprisal, interference, restraint, penalty, discrimination, intimidation, threats, harassment or any other adverse action taken against a person who reports sexual misconduct or any person involved in the investigation of such a report. Retaliation may occur in response to engaging in permitted conduct or for refusing to engage in prohibited conduct. *For more information please see Non-Retaliation Article XIV.*

SEXUAL ASSAULT: An offense classified as a forcible or non-forcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. (Sexual assault includes Rape, Fondling, Incest and Statutory Rape.) Since the College administrative process is not a criminal process, the terms that are used to describe rape, fondling, incest and statutory rape are non-criminal terms as stated and described below:

- **Non-Consensual Sexual Contact (or attempts to commit)** defined as any intentional sexual touching with any object(s) or body part that is without consent and/or by force. Sexual contact is defined as kissing or touching others intimate parts. Intimate parts may include, but are not limited to, a person's groin, buttocks, mouth or breasts.
- **Non-Consensual Sexual Intercourse (or attempts to commit)** defined as penetration, no matter how slight, of a person's vagina, anus or mouth with any object(s) or sex organ that is without consent and/or by force.

Examples of behavior that would constitute sexual assault may include the following:

- Engaging in sexual activity with an unconscious or semi-conscious person;
- Engaging in sexual activity with someone who is asleep or passed out;
- Engaging in sexual activity with someone who has said “no”;
- Engaging in sexual activity with someone who is not reciprocating by body movement;
- Engaging in sexual activity with someone who is vomiting, unable to stand or undress without assistance, or has to be carried to bed;
- Engaging in sexual activity with someone who is under the statutory age of consent (statutory rape) or related by degrees within sexual contact would be illegal (incest);
- Allowing another person to engage in sexual activity with your partner without his or her consent;
- Requiring any person to perform any sexual activity as a condition of acceptance into a fraternity, sorority, athletic, or any other organization affiliated with the College;
- Telling someone you will “out” them if they don’t engage in sexual activity (e.g., threatening to disclose the person’s sexual orientation without their consent);
- Telling someone you will fail them or give them a grade different from what they deserve if they don’t agree to engage in sexual activity; or
- Facilitating or assisting in a sexual assault including purchasing or providing alcohol or drugs to further a sexual assault.

SEXUAL EXPLOITATION: Occurs when a person takes advantage of another without that individual’s consent for the initiator’s own advantage or benefit or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses.

Examples of behavior that would constitute sexual exploitation include the following:

- Prostituting another;
- Allowing a third party to watch consensual sexual contact without the permission of both parties involved in the sex act or showing voluntarily recorded sexual activity to others without permission;
- Knowingly giving another a sexually transmitted infection (STI) or HIV; or
- Allowing others to have sex with an incapacitated person.

SEXUAL HARASSMENT: Unwelcome conduct of a sexual nature including unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment also may include inappropriate touching, suggestive comments, and public display of pornographic or suggestive calendars, posters, or signs where such images are not connected to any legitimate academic or workplace purpose.

Sexual Harassment also exists when: (1) submission to conduct is made as express or implicit term or condition of an individual’s employment, performance, appraisal, or evaluation of academic performance; or (2) unlawful conduct has the purpose or effect of unreasonably interfering with an individual’s work or academic performance or creating an intimidating, hostile, humiliating, or offensive working or learning environment.

Examples of behavior that could constitute sexual harassment may include the following:

- Calling someone by a sexually-oriented or demeaning name;
- Giving someone unwanted gifts of a sexual nature;
- Displaying sexually suggestive materials or sending notes, email, or jokes to a person that are sexually explicit;
- Touching someone sexually without their consent;

- Massaging someone without permission;
- Brushing up against someone repeatedly;
- Continuing to ask out a person who already has said he or she is not interested; or
- Exposing your private parts to another person without his or her consent.

STALKING: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to (a) fear for his or her safety or the safety of others; or (b) suffer substantial emotional distress.

Examples of behavior that would constitute stalking may include the following:

- Spreading lies about a person;
- Repeatedly communicating with a person who doesn't wish to be communicated with;
- Follow a person or lying in wait for another; or
- Sending unwanted gifts to another.

B. Definition of Affirmative Consent:

AFFIRMATIVE CONSENT: Affirmative consent (hereafter “consent”) is the voluntary, unambiguous, clear agreement in an act and understood by each party. It is the responsibility of each person involved in the sexual activity to ensure that the person has the consent of the other or others to engage in the sexual activity. Consent must be ongoing throughout a sexual activity and may be withdrawn at any time before the completion of an act. A person may be incapable of consent due to physical or mental incapacitation, physical or mental disability, threat, coercion, the influence of alcohol or drugs, being asleep, or under the legal age of consent².

- Consent to one act does not infer or imply that a person is consenting to another act;
- Consent to an act on a prior occasion does not infer or imply consent to a current act;
- The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.
- An individual’s silence or lack of protest does not infer or imply that they are consenting to an act,
- Consent must be clear and obvious by all partners, who have willingly and affirmatively chosen to participate without force, threat, or coercion, throughout the act;
- Incapacitated individuals, (physically, mentally, and/or due to alcohol or other drugs) are unable to consent. **For purposes of this Policy, the standard that shall be applied is whether or not a reasonable person would have known, based on the facts and circumstances presented, that the other person was incapacitated and therefore, not capable of giving consent.** A respondent cannot claim that being under the influence of alcohol or drugs is a defense or excuse for engaging in sexual misconduct. *For more information regarding incapacitation in section XV.*

² New Jersey Coalition Against Sexual Assault (2014)

If at any time consent is uncertain, the initiating party should stop and obtain verbal consent. The use of any force, coercion, threat, or intimidation negates consent. It is important to note that in the evaluation of a complaint in a disciplinary process, it shall not be a valid excuse that the accused believed that the complainant consented to the sexual activity under either of the following circumstances:

- (1) the accused's belief in consent arose from the intoxication or recklessness of the accused;
- or
- (2) the accused did not take reasonable steps, in the circumstances known to the accused at the time, to ascertain whether the complainant consented.

Additionally, it shall not be a valid excuse that the accused believed that the complainant consented to the sexual activity if the accused knew or reasonably should have known that the complainant was unable to consent to the sexual activity under any of the following circumstances:

- (1) the complainant was asleep or unconscious;
- (2) the complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the complainant could not understand the fact, nature, or extent of the sexual activity; or
- (3) the complainant was unable to communicate due to a mental or physical condition.

The College will use the reasonable person standard in determining whether or not the respondent knew or should have known given all facts and circumstances present at the time if any of the above conditions were met.

C. Other Definitions:

COERCION: An expression through words or acts of threats, intimidation, or undue or unreasonable pressure.

COMPLAINANT: The person reporting sexual misconduct. The Complainant can be either the victim or a third party.

CONSENSUAL RELATIONSHIPS: Romantic and/or sexual relationships between College employees and students, even with students who are not subject to direct supervision or evaluation by the faculty or staff member, should be avoided because they may negatively impact the learning environment. Moreover, Ramapo College prohibits all employees from having romantic, sexual, or other close personal relationships with students over whom they have educational evaluation, advisory or supervisory responsibility, regardless of whether the relationship was entered into with the consent of both parties. Such relationships are inconsistent with the proper role of the instructor, administrator or manager in the College's educational mission, and are susceptible to perceptions of favoritism, unprofessional behavior, and conflicts of interest. In the event that a faculty member or other employee is placed in a position that would require him or her to assume educational instruction, evaluation or supervisory authority over a student with whom he or she has, or has had, a romantic or sexual relationship, he or she shall immediately disclose the identity of the student to the unit head and shall refrain from exercising such authority over the student. The unit administrator shall notify the Office of Human Resources, and shall immediately arrange for another employee to instruct, evaluate or supervise the student. Any employee or student who obtains knowledge of such

a romantic or sexual relationship between an employee and a student is required to disclose it to the Director of Affirmative Action and Workplace Compliance for confidential investigation. The Affirmative Action and Workplace Compliance Office may notify the Office of Employee Relations and/or the Office of Human Resources for appropriate handling³.

EMPLOYEE: For purposes of this Policy, a College employee shall include all part-time and full-time faculty and staff members.

FORCE: Includes physical acts, coercion, threats, and intimidation.

GENDER: Gender refers to the spectrum between maleness and masculinity, and femaleness and femininity, as defined by self and society. It is a part of the constellation of physical, biological, behavioral, social and psychological traits that create legal "sex."

GENDER BIAS: A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender, e.g., male or female.

GENDER IDENTITY: Gender identity refers to every person's basic sense of gender, and is a deeply felt, core component of a person's identity. It has a strong biological and genetic component, and is the most important determinant of a person's sex⁴.

GENDER IDENTITY BIAS: A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., bias against transgender or gender non-conforming individuals.

GENDER NON-CONFORMING: Refers to people who do not follow other people's ideas or stereotypes about how they should look or act based on the female or male sex they were assigned at birth⁵.

IMPAIRMENT: The state of being diminished or weakened due to the consumption of alcohol or other drugs.

INTIMIDATION: An expression through words or acts that imply a threat.

occurred. Preponderance of the evidence is understood to require more than 50 percent certainty to determine responsibility (51% or greater).

RESPONDENT/ACCUSED: The person reported to have engaged in sexual misconduct is the “Respondent” or the “Accused” and those terms may be used interchangeably.

SEXUAL MISCONDUCT: A broad term that identifies forms of discrimination and harassment based on sex including, sexual harassment, sexual assault, sexual exploitation, dating violence, domestic violence, and stalking. Sexual misconduct includes other acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.

STUDENT: Ramapo College recognizes as a student any individual who has completed the following:

- paid a tuition deposit indicating “intent to enroll”;
- registered for credit bearing courses; and
- arrived on campus to begin the semester/term.

This definition includes individuals who arrive to campus prior to the start of the semester/term for recognized College functions including, but not limited to student employment; trainings; athletics; and participation in the Summer EOF program.

THREAT: An expression through words or acts of intent to inflict harm or other negative consequences.

V. CONFIDENTIALITY

Confidential resources are individuals who are not obligated to report information that is given to them. This allows a student to explore his or her options in order to make informed decisions. The only exceptions to this rule are in cases that involve imminent risk of serious harm, child abuse, emergent hospitalization, or a court order. While specific information may be kept confidential, these incidents may be counted for statistical purposes, as per the Clery Act.

Non-confidential resources are individuals who are required by law to report to these incidents of alleged sexual misconduct to the Title IX Coordinator. When possible, the Title IX Coordinator will keep the identity of an unwilling victim or witness confidential. However, confidentiality cannot be guaranteed as the Title IX Coordinator must balance a request for confidentiality against the safety of other members in our community. If the Title IX Coordinator determines that there is the threat of imminent or ongoing harm to an individual or to the community, information may need to be shared and then only with appropriate individuals.

If the complainant reports to the College and requests confidentiality or asks that the report not be pursued, the College will take all reasonable steps to investigate and respond to the report consistent with the request for confidentiality or request not to pursue an investigation. If a complainant insists that his/her name or other identifiable information not be disclosed to the respondent, the College’s ability to respond may be limited. If the

complainant continues to ask that his or her name not be revealed, the College will take all reasonable steps to investigate and respond to the report consistent with the respondent's request as long as doing so does not prevent the College from responding effectively to the harassment and preventing harassment of other members of the College community. The Title IX Coordinator will evaluate the confidentiality request in the context of its responsibility to provide a safe and nondiscriminatory environment for all persons. If the Title IX Coordinator determines that circumstances do not allow a request for confidentiality to be granted the college will take action as appropriate. It is a violation of the College policy to retaliate against an individual making a report or providing information for an investigation.

Additionally, personal identifiable information will be treated as confidential and only shared with persons who have a specific need to know and who are investigating/adjudicating the report or delivering resources or support services. Further, the College will maintain as confidential, any accommodations or protective measures provided to the complainant to the extent that maintaining such confidentiality would not impair the College's ability to provide such accommodations or protective measures.

A. Confidential Health, Counseling, Athletic Training, and Pastoral Services

The College provides confidential health, counseling, athletic training, and pastoral services on campus. The healthcare professionals, counselors, athletic trainers, and clergy providing these services can be of assistance to students in ordinary or emergent circumstances. Conversations with these individuals are confidential:

1. Healthcare professionals – Health Services provides emergency contraception, testing for Sexually Transmitted Infections (STI's), pregnancy testing, and more. These services are provided free of charge for survivors of sexual assault.
2. Licensed Professional Counselors in the Counseling Services: when contacting Counseling Services please request a **confidential** counselor. Licensed Professional Counselors in the State of New Jersey whose official College responsibilities include providing mental health counseling to members of the campus community are not required by Title IX or the Clery Act to report any information regarding an incident of sexual violence to the Title IX Coordinator or other College official. Information received by Licensed Professional Counselors regarding suspected abuse of children will be reported, as required by applicable law.
3. Athletic Trainers with certification and who are licensed by the State of New Jersey and whose official College responsibilities include the evaluation and treatment of student athletes; determining the appropriate application of emergency procedures; and providing first aid as needed are not required by Title IX to report any information regarding an incident of sexual violence to the Title IX Coordinator or other College official nor are they required to report any statistical information to Public Safety under the Clery Act.
4. Pastoral Counselors – A pastoral counselor is someone who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor at

the college. At Ramapo College, there are clergy and others appropriately recognized as fitting that definition who are associated with the Council for Faith and Spirituality. For more information about available clergy please visit www.ramapo.edu/ministries/

B. Confidentiality of Records

Education records are maintained in accordance with the Family Educational Rights and Privacy Act, 20 U.S.C. Section 1232g; 34 C.F.R. Part 99 (“FERPA”). All documentation related to a student’s report, investigation, and resolution are protected by FERPA and will not be released, except as required by law. In the event that any such report involves treatment records, those records will remain confidential subject to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and any applicable state law and regulation. Non-identifying information about a report may be shared with the Public Safety unit to comply with the Clery Act. A complainant’s name will never be published in connection with the College’s obligations under the Clery Act. In addition, the College does not publish identifiable information regarding victims in the College’s Daily Crime Log or online. In addition, any person including a victim of sexual misconduct may request that her or his directory information on file be removed from public sources. To request removal of directory information, students should contact the Registrar.

VI. REPORTING

If you have been the victim of sexual misconduct you should report the incident promptly to the Title IX Coordinator. The College will provide resources to any person who has been a victim of sexual misconduct and will apply appropriate disciplinary procedures to those who violate this Policy. The procedures set forth below afford a prompt response to reports of sexual misconduct, maintain confidentiality and fairness consistent with applicable legal requirements, and impose appropriate sanctions on violators of this Policy.

A. Contact Information for Reporting

1. Any person who believes she/he has been the subject of sexual misconduct or who is aware of a member of the College community who has been subject to sexual misconduct is strongly encouraged to contact:

Title IX Coordinator

Kat McGee, Director of Affirmative Action and Workplace Compliance

E-mail: kmcgee@ramapo.edu

Phone: (201) 684-7220

2. After regular business hours or in the event that immediate assistance is needed please report to the Public Safety Department:

Office Location: C-102

Phone: (201) 684-6666

B. Responsibility of College Employees to Report

Every employee (including faculty, student and professional staff, and administrators) who learns of an incident of sexual misconduct MUST report it to the Title IX Coordinator within 24 hours (unless the employee is a

designated confidential resource previously identified in the “Confidentiality” section of this policy).

Except for the confidential resources noted above, every faculty member, staff and volunteer on campus must report to the Title IX Coordinator any sexual misconduct reported to them or observed by them, including the name of the complainant and respondent, if known⁶.

The College requires everyone in the campus community to report the suspected abuse of children (those under the age of 18) to the Title IX Coordinator.

C. Essentials of a Report

1. A “report” is made when the College knows or reasonably should know based on the statements of a complainant or a third party that sexual misconduct has occurred.
2. A complainant need not supply a written statement, although it is preferable.
3. Actual notice, which consists of direct statements from a complainant of sexual misconduct, are desirable, although the College accepts verbal or written statements from any party who has knowledge of an incident occurring either on or off campus that has the potential to interfere with the educational mission or associated activities of the College.
4. The College reserves the right to bring reports forward against a student and to act as the complainant for purposes of this Policy. In addition, an individual does not have to be a member of the College community to file a report under this Policy.

D. Medical Attention

After an incident of sexual assault, or any other incident of sexual misconduct resulting in injury, the victim should consider seeking medical attention as soon as possible at the closest emergency room. (See section XIV. for medical treatment options).

E. Resources

Upon receipt of a report, the College will inform of the availability of medical, counseling and support services, and additional interim measures to prevent contact between a complainant and a respondent, such as housing, academic, transportation and working accommodations, if reasonably available.

F. Right to Pursue Criminal Charges

1. After receiving a report, the Title IX Coordinator will inform individuals of their right to file an incident report with law enforcement.
2. Although the College strongly encourages all members of its community to report violations of this Policy to law enforcement, it is the victim’s choice whether to make such a report and victims have the right to decline involvement with the police. The College’s Title IX Coordinator or Director of Public Safety (or their designees) will assist any victim with notifying local

⁶ Unless directed otherwise by the Title IX Coordinator or designee. Designated Campus Security Authorities who are not Responsible Employees must report statistical information so the College may comply with the Clery Act, but are not required to report identifying information.

police if he/she so desires. The Mahwah Police Department also may be reached directly by calling (201) 529-1000.

3. A complainant may choose NOT to have law enforcement contacted and no report filed BUT still may have forensic evidence collected. (Note: The complainant later may choose to file a police report and cooperate with a criminal investigation.) Victims of sexual assault are encouraged to request and cooperate fully with an investigation so the possibility of filing criminal charges remains an option, if they later chose to do so.
4. There is no statute of limitations on reporting a sexual assault to the police department. A survivor can make a report at any time. The Mahwah Police Department may be contacted for additional information concerning sexual assault reports.
5. If a survivor does not want to report to police, they may seek civil remedies, including the filing of an application for a restraining order. For additional information about civil remedies, the survivor should contact his/her own legal counsel.
6. A complainant may file a police incident report and ask that the investigation and charges be pursued immediately. While the prosecuting attorney is still the decision-maker in whether the perpetrator is charged criminally, the complainant can cooperate and provide as much timely information as may be possible.

G. Timing of Reporting

While the College does not limit the time in which a report can be made, as time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from protective orders related to the incident more difficult. If a victim chooses not to make a report regarding an incident, he or she nevertheless should consider speaking with the Title IX Coordinator or the Director of Public Safety or local law enforcement to preserve evidence in the event that she or he changes her/his mind at a later time.

H. Anonymous Online Reporting

A reporting form is available at ramapo.edu/publicsafety/sexual-assault (See “*Report an Incident Now*”) The form may be filled out anonymously, or the survivor may choose to include identifying information.

The supplier of an anonymous report should be mindful that failure to disclose identifying information about the respondent, the victim of the misconduct, or the facts and circumstances regarding the misconduct severely limits the College’s ability to respond to, address, and remedy the effects of sexual misconduct. Anonymous reports that provide enough information to constitute a criminal offense will be reported to the Public Safety Department without identifying information regarding the complainant for purposes of inclusion in the College’s Annual Security Report and to determine whether the College should send a Timely Warning Notice (TWN.)

VII. JURISDICTION & REPORTING TIMEFRAMES

Since sexual misconduct that occurs off campus may impact a person's work, academic, or co-curricular experience, the College assumes jurisdiction to adjudicate off campus reports of sexual misconduct if the alleged misconduct was committed by a Ramapo College student. In addition, the College encourages prompt reporting of sexual misconduct so that the College can respond promptly and equitably; however, the College does not limit the timeframe for reporting. If the respondent is no longer affiliated with the College at the time the report is made, then the College will continue to conduct an investigation for purposes of complying with Title IX and take steps to prevent the recurrence of such conduct and remedy the effects, if appropriate.

VIII. COLLEGE ALCOHOL & DRUG AMNESTY

In recognition of the College's primary concern for the health and safety of its community, a "Good Samaritan Policy" was established to provide amnesty from infractions under the Student Code of Conduct for alcohol and drug use under certain circumstances. The policy is intended to encourage students to seek assistance for themselves or someone else by reducing fear of facing disciplinary action under the College's Student Code of Conduct for alcohol and/or drug use. Further, the Good Samaritan Policy attempts to remove barriers that prevent students from seeking the medical or law enforcement attention (or other assistance) that they need when sexual misconduct has occurred.

However, Good Samaritan Policy does not necessarily grant amnesty for criminal, civil or legal consequences for violations of federal, state or local laws. The local law enforcement authority (Mahwah Police Department) has sworn police officers with full arrest authority and, in some circumstances, they have discretion to exercise that (arrest) authority as circumstances dictate according to their training and professional experience.

IX. INTERIM MEASURES & PROTECTIVE MEASURES

The College may take interim and/ or protective measures at any point during an investigation. These actions are designed to eliminate the harassment/sexual misconduct and prevent its recurrence. These measures may include, but are not limited to, no contact orders, changes in housing assignment for the respondent and/or complainant, removal from campus housing or grounds, academic accommodations, changes in supervisor or work location, social restrictions, changes in parking locations, increased security, and/or emotional and other support. An accused student may be issued an Interim Suspension (i.e. suspension from classes, work and other privileges or activities, or from the College) until resolution of a case.

If the respondent is a member of the College community, a No Contact Order may be issued to all parties involved by the College. This will prohibit communication between the parties, including contact verbally, in writing, through technology, or by third parties. If you have been the victim of domestic or dating violence, stalking or sexual abuse, you also should consider obtaining a restraining order from the State of New Jersey (see *Section XVI*).

X. INVESTIGATION & RESOLUTION

In proceedings under this Policy, the standard of proof used to determine whether or not a violation of this Policy has occurred is a preponderance of evidence, which means it is more likely than not the misconduct occurred.

The College reserves the right to bring reports forward against a student or employee and to act as the complainant for purposes of this Policy. In addition, an individual does not have to be a member of the College community to file a report under this Policy.

A. Process

1. Upon receiving a report (either verbally or in writing), the Title IX Coordinator will assess the report.
2. If the report and/or intake appear, upon initial assessment, to be a possible violation of this Policy, the Title IX Coordinator will confer with the Deputy Title IX Coordinator for Students and they shall assign the case to an Investigator(s). If an employee is the respondent, this Policy would not apply and the case would be referred to the Office of Affirmative Action and Workplace Compliance for investigation under the NJ State Policy Prohibiting Discrimination in the Workplace.
3. The Investigator(s) will conduct a thorough and impartial investigation into the facts of the case and will interview the complainant, respondent, witnesses or others who may have relevant information, and collect any other evidence deemed relevant to the case. Preliminary and follow-up interviews will be conducted as appropriate.
4. At the conclusion of the investigation the Investigator will deliver a preliminary report to the Title IX Coordinator and Deputy Coordinator. Deputy Coordinator will meet with the complainant and respondent separately to discuss the major facts that will be used to reach an outcome and to allow the parties the opportunity to present any information, evidence or witnesses that were not included but hold relevant information.
5. The parties will have five (5) business days from the date of this meeting to provide a written response to the Deputy Coordinator citing any further information, evidence or witnesses that they would like considered.
 - A. If one or both of the parties provides a written response the Deputy Coordinator will determine if there is a need for further investigation, and if so the Deputy Coordinator will direct the Investigator to conduct further investigation until the Investigator determines the fact-finding is complete. Any new information that is relevant to the investigation will be revealed to the complainant and the respondent.
 - B. If neither party provides a written response fact finding is determined to be complete.
6. Once fact finding has been completed the Investigator will provide a final report to the Title IX Coordinator and Deputy Coordinator including a recommendation as to whether or not, using the preponderance of the evidence standard, misconduct (as defined in this policy) occurred. The Deputy Coordinator will review the findings and agree with the findings or

direct the investigator to conduct further investigation. If the investigation has in fact concluded and a finding has been reached, the Deputy Coordinator will determine and issue any sanctions and permanent protective measures for students. (See *Sanctions Article XI*).

7. The Deputy Coordinator will communicate decisions regarding responsibility, the reason for the determination of responsibility, permanent protective measures (if any) and any sanction(s) (if any) to the complainant and respondent simultaneously and in writing by College email as well as by U.S. Mail. The Title IX Coordinator shall be copied on all outcome notices.

B. Appeals

All determinations, including not responsible findings, may be appealed to the Vice President of Enrollment Management and Student Affairs by the complainant and/or the respondent. Appeals are not heard in person; instead all requests for appeal must be submitted in writing to the Vice President of Enrollment Management and Student Affairs within five (5) business days from the date on the letter notifying the respondent or the complainant of the original finding. Failure to appeal within the allotted time will render the original finding final. Appeals shall be decided upon the record of the original report and upon the written appeal letter.

Appeals shall be granted only on one or more of the following grounds:

1. If the sanctions are found to be significantly disproportionate to the offense;
2. If the specified procedural error or errors in the interpretation of the College regulations were so substantial as to effectively deny the party(ies) a fair investigation;
3. If new and significant evidence becomes available which could not have been discovered by a properly diligent person during the original investigation.

The fact that one of the parties disagrees with the finding or sanction does not constitute grounds for appeal.

If the Vice President of Enrollment Management and Student Affairs finds no grounds for an appeal, then the decision will become final. There is no further appeal within the College. If the Vice President of Enrollment Management and Student Affairs finds grounds for appeal, then s/he will remand the case to the Deputy Coordinator. The Deputy Coordinator may dismiss the case, change the sanction, modify the finding, or uphold the finding based on the grounds identified by the Vice President of Enrollment Management and Student Affairs. The decision of the Deputy Coordinator is final. There is no further appeal within the College.

The Deputy Coordinator will communicate decisions regarding the appeal to the complainant and respondent simultaneously and in writing via the College email and U.S. Mail.

The imposition of sanctions is normally deferred during the appeal process although sanctions may go into effect immediately if the Title IX Coordinator and/or Deputy Coordinator deems it necessary. Interim measures will remain in place during the appeal process.

C. Personal Advisors

The complainant and the respondent each have the opportunity to be advised by a personal advisor of his or her choice, at his/her expense, at any stage of the process and to be accompanied by that advisor at any meeting or hearing in which the complainant or the respondent is required to attend. A sexual assault survivor may select a Confidential Rape Crisis Advocate from healingSPACE (Sexual Violence Resource Center) to be his or her personal advisor. An advisor may only consult and advise his or her advisee, but not speak for the advisee at any meeting. In addition, an advisor may not direct questions to any College administrator, party, or witness in the process. The College will never restrict who the advisor of choice can be (to include permitting an attorney to be an advisor), however, meetings and interviews will not be substantially delayed due to an advisor's availability⁷.

D. Time Frames

Typically, the investigation and resolution under this Policy will not exceed 60 days although the College reserves the right to exceed this timeframe in order to conduct a thorough investigation or other appropriate proceedings. If the investigation does or is anticipated to exceed 60 days, the College will notify the complainant and respondent in writing and will advise them of the reason for the delay and the anticipated timeframe for the completion of the investigation. The College reserves the right to retain external investigators as it sees fit based on the complexity and scope of the complaint.

E. Informal Resolution

When appropriate, certain student-on-student complaints may be resolved by the Title IX Coordinator OR Deputy Coordinator without a full investigation. Informal resolutions are only possible when the violations do not involve sexual assault or domestic/dating violence and/or may not meet the criteria for classification as a crime. Either party may elect to have a formal investigation of the complaint at any period prior to the resolution. The Title IX Coordinator will facilitate the resolution and give final sanction(s) as deemed suitable. Mediation will never be used in the resolution of complaints of sexual assault or domestic/dating violence.

XI. SANCTIONS

Any of the following sanction(s), or combinations of sanction(s), may be imposed for any violation under this policy. Failure to abide by the imposed sanction(s) will result in additional sanctions. This includes failure to comply with the reasonable directions of a College official, including, but not limited to, the Title IX Coordinator, Public Safety Officers, and/or other College employees acting in performance of their duties. Sanctions other than those outlined below may be taken if the situation warrants.

All findings of responsibility will result in written notification being placed in the respondent's disciplinary file in the Office of Student Conduct.

⁷ For example, if an attorney is not available to attend a meeting or interview for several weeks this may cause a substantial delay in the investigation, and thus the meeting or interview may proceed regardless of the availability of the desired advisor. The complainant or respondent may choose to bring another available advisor in place of the unavailable advisor.

All conditions of disciplinary sanctions must be fulfilled by the given deadlines. Failure to comply with sanctions will result in a registration hold for a subsequent semester and additional non-compliance charges.

A student, with incomplete disciplinary sanction(s), that is no longer enrolled at the College will have a registration hold placed on their account and sanctions placed in hiatus. Should a student re-enroll at the College, the sanctions must be completed. Monetary fines are the exception to this rule, as they are immediately posted on a student's bursar bill.

Recommended Sanction(s) for Domestic Violence, Dating Violence, Stalking, and other Sexual Misconduct (excluding Sexual Assault or Sexual Intercourse without consent) may include:

1. **Official Warning:** A written statement indicating a violation of the policy has occurred and warning that a subsequent violation will likely be treated more severely.
2. **Restitution Requirement:** The student may be required to provide the College with financial restitution for the restoration or replacement of property that was damaged, defaced, lost, or stolen. Students seeking a financial award from other students for damages or compensation for stolen/damaged items should seek further assistance from the Mahwah Municipal Court. The student conduct process does not have jurisdiction in this area.
3. **Residence Probation:** A defined period of time whereby a student living in College residence facilities is given an opportunity to modify his/her behavior or risk losing the privilege of living on campus. Any subsequent violation of the Code of Conduct, while in this status, will likely result in suspension of residence privileges
4. **Suspension of Activity Privileges:** The student cannot be a member of a recognized or registered student organization, participate in organizations' regularly scheduled activities, serve as a representative of the College, or participate in intramural, club, or intercollegiate sports. Notification of this sanction/status will be sent to appropriate College officials so they will know who may not participate in activities sponsored by their offices.
5. **Disciplinary Probation:** A defined period of time whereby any registered student is given an opportunity to modify her/his behavior or risk losing student status. Any subsequent violation of the Code of Conduct, while in this status, will likely result in suspension or expulsion from the College.
6. **Loss of Campus Housing Selection Privilege:** Students assigned this sanction may only enter the selection process as an "individual." Students are not permitted to join a "group" or be pulled into a group. Students must follow the necessary procedures outlined within the housing selection

materials in order to secure housing as an individual.

7. **Housing Relocation:** Students assigned this sanction will be required to relocate to a new residence hall assignment. This sanction may include restriction from visiting in the previous residence hall.
8. **Suspension of Residence Privileges:** The student's privilege to live on campus and visit the residence areas of the campus is suspended for a defined period of time. The student is not entitled to any refund of campus housing and/or meal plan fees once the standard refund periods have expired.
9. **College Suspension:** Beginning on the date the suspension takes effect, the student may not attend classes or submit any further work for their courses. In addition, the student may not be present on the campus nor at a College-sponsored event for any reason whatsoever for a specified period of time. The student is not entitled to a refund or any tuition or fees after the scheduled refund dates.
10. **Expulsion:** Beginning on the date the expulsion takes effect, the student may never again register for classes, may never attend classes, or submit any further work for the courses in which they are currently registered. In addition, the student may never be present on the campus nor at a College-sponsored event for any reason whatsoever. The student is not entitled to any refund or any tuition or fees after the published refund dates.
11. **Monetary Fines:** For some policy violations, students will be required to pay monetary fines. Examples of violations where students may be issued a fine include, but are not limited to, alcohol and other drug violations, fire safety violations, social gathering violations, and incidents involving non-compliance.
12. **Community Restitution:** The assignment of imposed service hours and/or participation in educational programs or projects.
13. **Mental Health Assessment:** A student may be required to participate in a mental health assessment through the Center for Health and Counseling. Students are strongly encouraged to follow the recommendation of the mental health practitioner.
14. **Restriction of Privileges:** Students may have their alcohol allowed privileges for their living unit temporarily or permanently revoked. Students may have residence area visitations or campus driving or parking privileges limited or revoked.

Recommended Sanctions for any form of Sexual Assault:

1. **College Suspension:** Beginning on the date the suspension takes effect; the student may not attend classes or submit any further work for their courses. In

addition, the student may not be present on the campus nor at a College-sponsored event for any reason whatsoever for a specified period of time. The student is not entitled to a refund or any tuition or fees after the scheduled refund dates⁸. OR

2. **Expulsion:** Beginning on the date the expulsion takes effect, the student may never again register for classes, may never attend classes, or submit any further work for the courses in which they are currently registered. In addition, the student may never be present on the campus nor at a College-sponsored event for any reason whatsoever. The student is not entitled to any refund or any tuition or fees after the published refund dates.

Access to Electronic Mail Accounts

Students or former students may have their privilege to use an e-mail account issued through the College revoked for a specified period of time. Specifically, students who have been suspended or expelled from the College, may have their e-mail account terminated immediately (or directly after all appeal procedures have been exhausted).

XII. RECORDKEEPING

The College will retain all records related to reports of sexual misconduct under this Policy in a secured storage area maintained by the Office of Affirmative Action and Workplace Compliance for a minimum period of seven (7) years, regardless of case outcome.

Student sexual misconduct records will be maintained in accordance with the storage and retention schedules for student records at Ramapo College of New Jersey and the New Jersey Division of Archives and Records Management. Such records are protected in accordance with current guidelines established under FERPA and the New Jersey Open Records Act (OPRA). In accordance with these laws, the record of most disciplinary proceedings' findings are not open to the public. The Clery Act prohibits institutions from releasing personally identifiable information regarding the victim of a crime of violence or a sexual assault (as defined as rape, fondling, incest or statutory rape.) Nothing in FERPA, the Clery Act or Title IX prohibits the institution from releasing the result, the reason for the result and the associated sanctions with the complainant and the respondent, and it is the right of each party to receive such outcomes. The College would never require a victim of a crime of violence or sexual assault to sign a non-disclosure agreement nor cooperate with law enforcement without his or her consent.

XIII. NON-RETALIATION

Retaliation, as defined in Section IV ("Definitions"), occurs when an adverse action is taken against the person who has brought the report or assisted in a resulting investigation under this Policy. It is important to note that impermissible retaliation can occur even in those circumstances where it is determined that the underlying report could not be substantiated.

⁸ Additionally, any number of the Recommended Sanctions 1-14 above may be required in order for a student to re-enroll following a College Suspension.

Any allegations of retaliation will result in an immediate investigation and appropriate action consistent with the College’s due process procedures. Acts of retaliation may include, but are not limited to:

- Pressuring or enlisting the aid of third parties to have a complainant to withdraw the complaint;
- Bullying, harassment, slut-shaming or blackballing a participant in a complaint through social media or the internet;
- Lowering a grade;
- Stalking or threatening;
- Removal from classes, teams, activities;
- Employment actions such as termination ,demotion, or change in schedule without cause;
- Other actions affecting a person’s employment or academic or school-related activities such as threats, unjustified negative evaluations, unjustified negative references, or increased surveillance; and
- Any other action such as an assault or unfounded (i.e. baseless or falsely reported) civil or criminal charges that are likely to deter reasonable people from pursuing their rights.

NOTE: Adverse actions do not include petty slights and annoyances, such as stray negative comments in an otherwise positive or neutral evaluation, "snubbing", not talking to a student, or negative comments that are justified by a student or employee's poor academic or work performance or history.

It is unlawful and a violation of College policy to retaliate against any faculty, staff member, or student who has brought a good-faith report of sexual misconduct or who has assisted in the investigation of a report of sexual misconduct. Retaliation destroys the sense of community and trust that is critical to a learning and work environment. The College considers acts of retaliation in response to such disclosures or participation to constitute a serious violation of College policy, which may result in disciplinary action, up to and including dismissal, against the retaliator.

If you believe that you are being retaliated against because of making a report or assisting in an investigation in violation of this Policy, you should promptly report your concerns to the Title IX Coordinator.

*Any other allegation of retaliation **not related to this Policy** should be reported immediately to the Office of Affirmative Action and Workplace Compliance at (201) 684-7540.*

C. How to Contact the Office of Affirmative Action and Workplace Compliance at Ramapo College

Office of Affirmative Action and Workplace Compliance telephone number: (201) 684-7540

Kat McGee, Director of the Office of Affirmative Action and Workplace Compliance
Title IX Coordinator
E-mail: kmcgee@ramapo.edu
Phone: (201) 684-7220

D. Frequently Asked Questions

Q: Do I have the right to contact no one if I have been sexually harassed or sexually assaulted?

A: Yes, you control who you tell and how much information you share. However, the College encourages prompt reporting of sexual harassment and sexual misconduct, so the College may take prompt steps to end the misconduct, prevent the recurrence, and to remedy the effects of such harassment or violence. Even if you do not want to make a report so an investigation can occur, we strongly encourage you to visit the Counseling Services to discuss your options and to get mental health assistance/counseling services, victim advocacy, and support. Please request to speak with a confidential counselor if you do not wish to make a formal report of the sexual misconduct.

Q: What happens when I report sexual misconduct to an office or college employee that is not confidential?

A: When you report an incident(s), the College employee will report the misconduct to the Title IX Coordinator. The Title IX Coordinator will invite you to participate in a Title IX

investigation. The Title IX Coordinator (or designee) will take notes and ask specific questions with regard to who harmed you, where the incident(s) took place, how many times the incident(s) took place, and if there were any witnesses to the incident(s). At that point, if enough information is provided to determine that what you are describing could potentially be a violation of this Policy, then the Title IX Coordinator will assign your case for investigation. At least one Investigator will be assigned and will fully interview you, witnesses, and the accused party as well as to collect any and all evidence the parties may have. Once the investigation is completed, the Investigator will confer with the Title IX Coordinator and/or Deputy Coordinator and will advise the Coordinator(s) whether or not, using the preponderance of the evidence standard (more likely than not to have occurred) the accused party is responsible. If the accused party is responsible, the respective Deputy Coordinator will issue sanctions and notify both parties in writing. If the accused party is not responsible, both the complainant and respondent will be notified in writing accordingly. No matter the outcome, both parties will receive notice, in writing and simultaneously, of any result and as such results become final.

Additionally, reports will be assessed to determine whether the College should send a Timely Warning Notice (TWN) in order to protect the community. A TWN will not identify the victim, but may include information such as the location of the incident and succinct description of the incident.

Q: If I disclose my incident to a faculty member so I can get an accommodation in class, like an extension on a paper or a test, what will happen?

A: Your faculty member is a Responsible Employee under Title IX, and as such, will have to report information you provide to him/her to the Title IX Coordinator, including your name. If you need an accommodation, the best thing to do is to tell the Title IX Coordinator directly (or tell your faculty member, who will report on your behalf.) Reporting still gives you control over how much information you share and the College is still required to provide you with on and off campus resource information and support.

XV. CONSENT AND INCAPACITATION

Individuals who are incapacitated cannot consent to sexual activity. Incapacitation renders an individual unable to understand the fact, nature, or extent of the sexual activity.

Incapacitation that renders a person mentally or physically helpless may result from intoxication or substance use, passing out, or being asleep. Consent is not present if someone is incapacitated by alcohol or drugs (legal or illegal). A person with a cognitive impairment such as a mental illness or a mental condition that renders the person incapable of understanding the nature of his or her conduct cannot consent to sexual activity.

When incapacitation occurs because of alcohol or drug use, some indicators of incapacitation may include, but is not limited to:

- Slurred speech;
- Bloodshot or unfocused eyes;
- Needing assistance to walk/stand;
- Vomiting;

- Outrageous or unusual behavior;
- Concern expressed by others about the individual; or
- Expressed memory loss or disorientation.

An individual also may be in a state known as a “blackout” when she or he is incapacitated and likely will have no memory of the sexual activity, but may still be walking and talking. Therefore, it is particularly important that people engaging in sexual activity know each person’s level of intoxication or impairment before beginning sexual activity.

XVI. RESTRAINING ORDERS

What are Restraining Orders?

Restraining Orders are judicial orders issued by a judge when the applicant appears to be in danger of domestic violence. In the State of New Jersey, domestic violence is defined as an adult or emancipated minor who has a specified relationship to the victim that commits one of the following crimes against you:

- | | |
|-------------------------|-----------------------------|
| 1. Homicide; | 8. Criminal sexual contact; |
| 2. Assault; | 9. Lewdness; |
| 3. Terroristic threats; | 10. Criminal mischief; |
| 4. Kidnapping; | 11. Burglary; |
| 5. Criminal restraint; | 12. Criminal trespass; |
| 6. False imprisonment; | 13. Harassment; |
| 7. Sexual assault; | 14. Stalking. |

In New Jersey, there are three kinds of Restraining Orders that can protect you and others in your family or home:

1. Emergency Order (designed to protect you after hours until a court opens and you have the ability to ask for a Temporary Restraining Order). These may be obtained calling the police or 911. The judge on call will be able to grant you an Emergency Temporary Order if he/she feels the order is necessary to protect your life, health, or well-being.
2. Temporary Restraining Order (lasts until a full hearing). When you file a complaint for a restraining order during normal court business hours, you may ask for a temporary restraining order to be issued immediately. The judge will grant you this temporary restraining order (TRO) if they find that the order is necessary to protect your life, health, or well-being. TROs are issued when it would place the victim in danger by waiting to receive an order at the hearing for a final restraining order. A full court hearing is scheduled within 10 days after the initial issuance of a TRO.
3. Final Order (lasts indefinitely, unless an expiration date is specified). After a hearing in which both sides have the opportunity to present testimony, evidence, and witnesses, a judge can grant you a final restraining order.

How will I know when the Restraining Order ends?

An Emergency Order lasts until normal court business hours. A Temporary Restraining Order lasts until the full court hearing, which is scheduled within 10 days of its issuance. A Final Restraining Order lasts forever, unless the judge specifies an expiration date.

Where do I go to request a Temporary Restraining Order?

You should go to the general district court in the jurisdiction in which you reside. If the court is not open for normal business hours, you can request an Emergency Order by calling either 911 or the police.

How do I get a Temporary Restraining Order?

You must fill out court forms. You then may go into a courtroom where a judge may ask you questions to decide whether to issue a Temporary Restraining Order.

How much does it cost to file for a Restraining Order?

There is no cost.

Do I qualify for a Restraining Order?

In order to get a domestic violence restraining order, there must be a special relationship between you and the abuser. This relationship is defined as:

- A spouse or former spouse;
- Any present or former household member (if you are 18 or older, or an emancipated minor);
- Someone with whom you have a child in common, or are pregnant and expecting a child with;
- Someone you are dating or have dated.

The Sexual Assault Survivor Protection Act of 2015 includes a six-month enactment clause, meaning expanded access to restraining orders will be available in May 2016. When the law is enacted any person alleging to be a victim of nonconsensual sexual contact, sexual penetration, or lewdness, or any attempt at such conduct, and who is not eligible for a restraining order as a “victim of domestic violence” may seek a temporary protective order.

Note: If you do not have the necessary relationship to file for a domestic violence restraining order, the perpetrator may still be committing a crime for which you can get a criminal court restraining order if he or she is arrested. If this is the case, you can call the police and ask for the perpetrator to be arrested. If they are charged in criminal court, you can ask for, and will likely receive, a criminal court restraining order that will prohibit your abuser from making any contact with you, or prohibit you from visiting your home, property, place of work, or any other venue named in the restraining order that you frequent.

What should I bring with me?

You should bring the name, address and identifying information of the person from whom you are seeking protection and a full description of the event(s) that led you to seek a protective order. The address should be the place where the person can be found and not a

P.O. Box. You also should bring your copy of the Emergency Restraining Order and information about the warrant or petition alleging an act of violence, force or threat, if either was issued.

Campus Public Safety, the Title IX Coordinator, or the Mahwah police department is available to assist individuals seeking a protective order and will coordinate safety plans in collaboration with Student Life or Human Resources, when appropriate.

Regardless of whether a complainant elects to pursue a criminal report, the College will assist reporters of sexual assault, domestic violence, dating violence, and stalking and will provide each complainant with a written explanation of his/her rights. The College complies with New Jersey's state law in recognizing restraining orders and encourages any person who obtains a restraining order from New Jersey or any other state to provide a copy to Campus Public Safety and the Title IX Coordinator. A complainant may then meet with Campus Public Safety to develop a Safety Action Plan, which is a plan for Campus Public Safety and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, changing classroom location, etc.

A Temporary Restraining Order may be available through a law enforcement officer or the victim may request one from the Family Part of the Chancery Division of the Superior Court located at the Bergen County Justice Center, Room 119 10 Main Street, Hackensack, NJ 07601 (Phone: 201-527-2300). The College cannot apply for an emergency restraining order, or final restraining order for a victim or on their behalf. The College can only apply for a Temporary Restraining Order on the victim's behalf only if there are extreme circumstances that prevent the victim from physically being in court. A judge may grant you a temporary restraining order with the sworn testimony of a person who represents you only if you are physically or mentally incapable of filing personally. Otherwise, the victim is required to apply directly for these orders and may be assisted by Campus Public Safety or local law enforcement.

XVII. RISK REDUCTION

Sexual assault and sexual misconduct are never the fault of the victim. With no intent to blame complainants and in recognizing that only abusers are responsible for the acts of abuse they perpetrate, the following are some strategies to reduce one's risk of sexual assault or harassment:

- Make sure you understand how to get and give consent. Make sure all participants have given consent prior to engaging in sexual activity and throughout the sexual activity.
- Be active in supporting a safe and respectful community. If you see others engaging in disrespectful or inappropriate actions, speak up and get involved, or contact someone else to assist.
- Practice being assertive about your boundaries. Respect the boundaries of others.

- Trust your instincts. If you feel uneasy or sense something is wrong, call for assistance.

The following strategies are from the Rape, Abuse, & Incest National Network¹⁰:

1. **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. **Avoid isolated areas.** It is more difficult to get help if no one is around.
3. **Walk with purpose.** Even if you don't know where you are going, act like you do.
4. **Trust your instincts.** If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
5. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
6. **Make sure your cell phone is with you** and charged and that you have money.
7. **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
8. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
9. **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
10. **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
12. **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
13. **Watch out for your friends, and vice versa.** If a friend seems out of it, is too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
14. **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).** Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
 - a. **Remember that being in this situation is not your fault.** You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
 - b. **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.

¹⁰ www.rainn.org

- c. **Have a code word with your friends or family** so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - d. **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
16. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
17. **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment.

XVIII. EDUCATION AND PREVENTION

The College engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to reduce and eliminate dating violence, domestic violence, sexual assault, stalking and other sexual misconduct which:

- Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome; and
- Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community and societal levels.

Public awareness events such as "Take Back the Night," the Clothesline Project, candlelight vigils, protests, "survivor speak outs," or other forums in which students, staff, or faculty members disclose incidents of sexual misconduct, are not considered a report of sexual misconduct or notice to the College of sexual misconduct for purposes of triggering the College's obligation to investigate any particular incident(s). Such events may, however, inform the need for campus-wide education and prevention efforts, and the College will provide information about Title IX and Clery rights at these events.

The college delivers primary prevention and awareness programs and ongoing training and education campaigns to students and employees so they may identify: what behavior constitutes sexual misconduct; understand how to report such misconduct; recognize warning signs of potentially abusive behavior and ways to reduce risks; and learn about safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than such individual;

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and employees that:

- a. Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;

- b. Defines using definitions provided both by the U.S. Department of Education as well as state law what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
- c. Defines what behavior and actions constitute consent to sexual activity in New Jersey and/or using the definition of consent found in this Policy;
- d. Provides a description of safe and positive options for bystander intervention. Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene;
- e. Delivers information on risk reduction. Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence; and
- f. Provides assurances for due process as required by the Clery Act as amended by the 2013 Reauthorization of the Violence Against Women Act.

A. Faculty, Staff and Student Training

- 1. In addition to the Title IX Coordinator’s core responsibilities, additional services to the College community will include, working with available campus resources to provide ongoing training to new/current students, faculty, and staff on Title IX issues and procedures.
- 2. The College also has established a Title IX Committee that meets regularly and is responsible for developing, reviewing, and revising protocols, policies and procedures for addressing overall Title IX Compliance. The Title IX Compliance Committee is responsible for overall annual training to Responsible Employees. For information about the Committee please contact **Kat McGee, Director of Affirmative Action and Workplace Compliance / Title IX Coordinator:** kmcgee@ramapo.edu.

B. Being an Active Bystander

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. These individuals are not directly involved but have the choice to intervene, speak up, or do something about it.”¹¹ The College promotes a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. Individuals may not always know what to do even if they want to help. Below is a list¹² of some ways to be an active bystander. If you or someone else is in immediate danger, dial 911, if a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

¹¹ Burn, S.M. (2009). A situational model of sexual assault prevention through bystander intervention. *Sex Roles*, 60, 779-792.

¹² Bystander intervention strategies adapted from Stanford University’s Office of Sexual Assault & Relationship Abuse.

1. Watch out for your friends and fellow students. If you see someone who looks like he or she could be in trouble or needs help, ask if he or she is okay.
2. Confront people who seclude, hit on, attempt to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this Policy for support in health, counseling, or with legal assistance.

NEW JERSEY SEXUAL ASSAULT VICTIM'S BILL OF RIGHTS

As defined by the United States Department of Education Office for Civil Rights, sexual harassment is a form of sex discrimination prohibited by Title IX. Sexual harassment includes sexual violence and sexual assault. Sexual violence interferes with a student's right to receive an education free from discrimination and is a crime in the State of New Jersey. Ramapo College is committed to providing a prompt and equitable response to reports of sexual harassment, and preventing future instances of sexual harassment. In order to meet these commitments, Ramapo College employs the New Jersey Sexual Assault Victim's Bill of Rights.

Public Law 1994, Chapter 160 NJS18A:61E-1 et.seq

Introduction

A College of university in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued. Its rules must be conceived for the purposed of furthering and protecting the rights of all members of the university community in achieving these ends.

The boundaries of personal freedom are limited by applicable State and Federal laws and institutional rules and regulations governing interpersonal behavior. In creating a community free from violence, sexual assault, and non-consensual sexual contact, respect for the individual and human dignity are of paramount importance.

The State of New Jersey recognizes the impact of violence on its victims and the surrounding community can be severe and long lasting. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures and services designed to insure the needs of victims are met and colleges and universities in New Jersey create and maintain communities that support human dignity.

Scholarships

Many competitive scholarship programs are available to students through the Office of the Provost. Merit scholarships are available to continuing Ramapo College students thanks to the generosity of corporations, alumni, former faculty members, trustees, and friends of the College. The Office of the Provost advertises merit scholarships available each year and accepts applications. Information concerning scholarship opportunities is sent to students via e-mail around mid-October. A scholarship committee, comprised of faculty and staff, meet to review applications and determine awards. To apply for a merit scholarship, students must:

- Have a grade point average of 3.5 or higher;
- Have earned at least 24 credits at Ramapo College;
- Be attending Ramapo College full-time;
- Submit an application form, essay and two letters of recommendation.

Some scholarships have specific eligibility criteria. For example, only history majors are eligible for the Palazzotto Scholarship, the Riesterer Scholarship is for returning minority women students, and the Coppertone Scholarship benefits students interested in environmental issues. A full list of available merit scholarships, application forms, and information deadlines is available in the Office of the Provost, Mansion, 1st Floor.

Students may also apply for scholarships administered through the Ramapo College Foundation. Eligible students are mailed applications for Foundation-sponsored awards. The application specifies criteria and any other requirements. Recipients are then selected by donor committees. More information on Foundation-administered scholarships is available from the Scholarship Coordinator (201)684-7374 in the Birch Mansion.

The Ramapo College Foundation also facilitates some scholarships awarded by the Office of Enrollment Management for entering first-year student. The Vice President of Enrollment Management and Student Affairs and his/her staff select students who meet the eligibility criteria.

Two college-wide events provide public recognition for scholarship recipients: the Academic Achievement Ceremony and the Scholarship Reception. Sponsored by the Office of the Provost, the Academic Achievement Ceremony is held each spring. The Scholarship

Reception, sponsored by the Ramapo College Foundation and also held each spring, offers students an opportunity to meet donors who have provided their scholarships. The Office of Enrollment Management also hosts a Scholarship Reception in the fall to honor new recipients.

Student Leadership Awards

The Student Leadership Programs Committee is pleased to offer Student Leadership Awards. Award recipients are selected based upon RCNJ campus involvement in leadership activities, including, but not limited to:

- Student Government Association
- Clubs/Organizations/Sororities/Fraternities
- Honor/ Professional Societies
- Community Service/Activism
- Residence Hall Involvement
- Serving as a Peer Facilitator/Tutor/Mentor

Eligibility

In order to be considered for an award, a student must:

- Be currently enrolled as an undergraduate student
- Maintain a 2.5 Cumulative GPA and be in good student conduct standing at the College. Academic and disciplinary histories will be reviewed and may affect award decisions.

In making award decisions, responsibilities for which students were compensated (e.g. RA, Program Assistant, Tutor, etc.) generally carry less weight than non-compensated activities. In such cases, awards may be given if leaders can demonstrate how they went above and beyond the requirements of their positions with examples of outstanding leadership and exemplary work.

Award Descriptions

Student leaders may apply for the following awards which will be presented at the annual Student Leadership Awards Reception:

- **The Pillars Award**
- **Jerome Lee Memorial Award for Outstanding Leadership**
- **Leadership Awards**

Descriptions and Criteria for each award are as follows:

The Pillars Award: This prestigious award honors those senior student leaders who have demonstrated over the course of their career at Ramapo College outstanding leadership, a strong commitment to the mission of the College, and dedication to fostering a positive and inclusive living and learning environment. The recipient should be considered by others to be the product and embodiment of the four Ramapo College pillars of interdisciplinary curriculum, international education, intercultural understanding and experiential learning. The criteria for consideration are as follows:

1. Outstanding contributions to the quality of campus life through sustained participation in co-curricular activities and/or programs.
2. Improvements in the college community through initiation of services or programs which support the college's mission and strategic plan.
3. Distinctive service to the student body through exceptional performance in an established position, whereby the manner in which the duties of that office were discharged have a substantial impact on the quality of student life and campus climate.
4. Performance, leadership, communication, and commitment that reflects the ideals of the four pillars of Ramapo College: interdisciplinary curriculum, international education, intercultural understanding and experiential learning.

Jerome Lee Memorial Award for Outstanding Leadership: The Jerome Lee Memorial Award for Outstanding Leadership is named in honor of the Director of the Student Center who died in 1995. Jerome Lee valued high ethical and moral standards and gladly extended his capacity for human love to all those with whom he came in contact. Applicants for the Jerome Lee Memorial Award should demonstrate in their work within the co-curriculum leadership through grace, human kindness, and the art of gentle persuasion—all traits which characterized Jerome's work. The Jerome Lee Memorial Award is traditionally awarded to Seniors, but outstanding Juniors may also be considered.

Leadership Award: This award is for students who demonstrate exceptional campus leadership. Awards will be selected by class year (First-Year Student, Sophomore, Junior, and Senior) for RCNJ campus involvement, academics, and leadership.

COLLEGE POLICIES AND PROCEDURES

ACADEMIC CALENDAR

The College has an academic calendar which sets forth the deadline dates for academic eligibility and specific grading policies published for every semester. Students' actions and decisions regarding requests for add/drop, refunds, withdrawals, incompletes and several other functions should be guided by the dates published on the academic calendar. Students are responsible for knowing these dates and complying with the strictly adhered to deadlines. Current and future academic calendars may be found here:
<http://www.ramapo.edu/academic-calendars/>

ACADEMIC INTEGRITY

All members of the community are expected to be honest and forthright in their academic endeavors. Since violations of academic integrity erode community confidence and undermine the pursuit of truth and knowledge at the College, academic dishonesty is not acceptable.

Procedure

Responsibilities

The Office of the Provost has responsibility for the oversight and enforcement of the Academic Integrity Policy and for making the policy an institutional priority. The Office of the Provost is also responsible for publishing the policy and for educating both faculty, staff, and students about the policy.

Faculty members play a crucial role in implementing the Academic Integrity Policy. They are responsible for educating their students about the importance of academic integrity and for communicating to students their expectations with respect to academic integrity in course work. They also report alleged violations of the policy to the Vice Provost.

Students have the responsibility to know and understand the Academic Integrity Policy, to comply with the policy in their academic work, and to inform the faculty and/or the Vice Provost if they are aware of violations of the Academic Integrity Policy.

Criteria

There are four (4) broad forms of academic dishonesty:

1. Cheating

Cheating is an act of deception by which a student misrepresents his or her mastery of material on a test or other academic exercise. Examples of cheating include, but are not limited to:

- copying from another student's work;
- allowing another student to copy his/her work;
- using unauthorized materials such as a textbook, notebook, or electronic devices during an examination;

- using specifically prepared materials, such as notes written on clothing, or other unauthorized notes, formula lists, etc., during an examination;
- collaborating with another person during an examination by giving or receiving information without authorization from the instructor;
- taking a test for another person or asking or allowing another to take the student's own test.

2. Plagiarism

Plagiarism occurs when a person represents someone else's words, ideas, phrases, sentences, or data as one's own work. When a student submits work that includes such material, the source of that information must be acknowledged through complete, accurate, and specific footnote or endnote references; additionally, verbatim statements must be acknowledged through quotation marks. To avoid a charge of plagiarism, a student should be sure to include an acknowledgment of indebtedness:

- whenever he or she quotes another person's words directly;
- whenever he or she uses another person's ideas, opinions, or theories, even if they have been completely paraphrased in one's own words;
- whenever he or she allows another individual to contribute to the work in some significant fashion (for instance, through editing or sharing of ideas);
- whenever he or she uses facts, statistics, or other illustrative material taken from a source, unless the information is common knowledge.

Examples of standard citation formats can be found on the George T. Potter Library Website: [Library Website: Citation Manuals and Style Guides](#)

3. Academic Misconduct

Academic misconduct includes the alteration of grades, involvement in the acquisition or distribution of un-administered tests, and the unauthorized submission of student work in more than one class. Examples of academic misconduct include, but are not limited to:

- changing, altering, falsifying, or being the accessory to the changing, altering, or falsifying of a grade report or form, transcript, or other academic record, or entering any computer system or College office or building for that purpose;
- stealing, buying, selling, giving way, or otherwise obtaining all or part of any un-administered test or paper or entering any computer system or College office or building for the purpose of obtaining an un-administered test;
- submitting written work (in whole or in significant part) to fulfill the requirements of more than one course without the explicit permission of both instructors;
- disregarding policies governing the use of human subjects or animals in research;
- sabotaging another student's work through actions designed to prevent the student from successfully completing an assignment;

- knowingly facilitating a violation of the academic integrity policy by another person.

4. Fabrication

Fabrication refers to the use of invented information or the falsification of research or other findings. Examples of fabrication include, but are not limited to:

- citing information not taken from the source indicated;
- citing of sources in a “works cited” that were not used in that project;
- altering, stealing, and/or falsifying research data used in research reports, theses, or dissertations;
- submitting as one’s own any academic work prepared in whole or in part by others, including the use of another’s identity;
- falsifying information or signatures on registration, withdrawal, or other academic forms and records.

Reporting Violations

In order to ensure due process, any member of the community who is aware of a violation of the Academic Integrity Policy is expected to report the incident to the Vice Provost. A faculty member may choose to resolve the incident him/herself or send the case to the Vice Provost for review (see below). In either case, the faculty member reports the incident to the Vice Provost on the reporting form, which serves not only to report the incident but also to record the finding and the sanction in situations in which the faculty member chooses to resolve the case. A faculty member is encouraged to report an alleged violation of academic integrity within 30 days of the discovery of the alleged violation but must do so no later than the last day to submit grades for the term in which the alleged violation occurred. A faculty member may report an incident after that date, but only if he/she has new evidence.

Hearing Process

A faculty member has the option of resolving a case of an alleged violation of the Academic Integrity Policy with the student or referring the case to Vice Provost. When an unresolved case reaches the Vice Provost, he/she will determine the factual sufficiency of the case and identify the appropriate hearing body, either the Vice Provost or the Academic Integrity Board, which is charged with hearing cases that may result in Suspension or Expulsion, cases of students found responsible for prior offences, and other cases that the Vice Provost would like the board to review. The Vice Provost will also send to the board for review a case resolved by the faculty member that constitutes a second or subsequent violation.

- *Resolution by the faculty member.*
A faculty member may choose to resolve the case him/herself. The faculty member will notify the student of the allegation in writing and arrange a review conference with the student, reminding the student to review the Academic Integrity Policy and Procedure before the meeting. At the conference, the faculty member will present the evidence to the student and give the student two options: to resolve the case with the faculty member or to send the case to the Vice Provost for further review. If the student elects to resolve the case with the faculty member, the faculty member will issue a finding (i.e., responsible or not responsible for violating the Academic

Integrity Policy) and, if responsible, a sanction. Sanctions may include requiring students to redo the assignment or to retake the exam with or without penalty, assigning a failing grade on the assignment or the exam, or assigning a failing grade for the course. The faculty member may also recommend that a student seek the support, for example, of the Center for Reading and Writing. The faculty member reports the incident as well as the finding and the sanction on the reporting form and submits it with all supporting documents to the Vice Provost. The Vice Provost will acknowledge receipt of the report via Ramapo e-mail. If, once the case is reported, the Vice Provost determines that the student has been found responsible for a prior offense; the Vice Provost may refer the case to the Academic Integrity Board for review. The finding and the sanction of the Academic Integrity Board override the finding and the sanction of the faculty member.

If the student or the faculty member prefers the case to be reviewed by the Vice Provost, if the student fails to attend the scheduled conference with the faculty member, if the student contests the faculty member's finding and/or sanction, or if the case is not otherwise resolved, the faculty member must refer the matter to the Vice Provost for further review and resolution. If the case is referred to the Vice Provost, the faculty member must provide all pertinent documentation and evidence to the Vice Provost with the specific factual allegations set forth on the reporting form.

Once the allegation of a violation is made to the Office of the Provost, the Vice Provost (or the Vice Provost's designee) will determine the factual sufficiency of the case. The Vice Provost will also determine the Hearing Officer/body (i.e., the Vice Provost or the Academic Integrity Board), depending on the nature and the severity of the case. If the Vice Provost (or his/her designee) determines that the case has factual sufficiency, he/she will charge the student with violating the Academic Integrity Policy via e-mail. The charge will include the hearing date and the hearing body.

- *Resolution by the Vice Provost.*
The Vice Provost (or designee) will hear cases that, while serious, are not egregious enough to result in Suspension or Expulsion from the College. The Vice Provost (or designee) will arrange a hearing with the student. At the hearing, the Vice Provost (or designee) will review the policy and procedure, present the evidence to the student, and determine the finding (responsible or not responsible for violating the Academic Integrity Policy) and, if responsible, the sanction. Sanctions may include, but are not limited to, issuing an official warning, requiring the student to redo the assignment or to retake the exam with or without penalty, requiring the student to seek the services of the Center for Reading and Writing, assigning a failing grade on the assignment or the exam, assigning a failing grade for the course, suspending the student from activity privileges, and/or placing the student on disciplinary probation. Failure to comply with sanctions by the prescribed time may result in a registration hold or other disciplinary action. For specific definitions of these sanctions, the student should consult section N of the Code of Conduct. The Vice Provost will

communicate the finding and the sanction (if applicable) to the student and the faculty member via Ramapo e-mail.

- *Resolution by the Academic Integrity Board.*

The Academic Integrity Board will hear all cases of students found responsible for prior offenses as well as all other cases that, because of their egregiousness, may result in Suspension or Expulsion from the College. Egregious cases may include, but are not limited to, ones in which graduate students allegedly plagiarized any part of their theses or capstone projects. In addition, the Vice Provost (or designee) reserves the right to send to the board for review any case at any time for any reason. The board is comprised of five members: two matriculated students and three faculty and/or professional staff. A quorum consists of three members of the board. The Vice Provost appoints board members upon positive recommendation from Deans (in the case of faculty), divisional vice presidents (in the case of professional staff), and any faculty member, administrator, or professional staff member (in the case of students). The Vice Provost also trains each new board member for service on the board and apprises the entire board of any approved procedural changes. The Vice Provost (or designee) will provide the student with the option to meet prior to the hearing to present the evidence and to review the policy and procedure. At the hearing, the Vice Provost (or designee) will serve as Board Advisor and, in that capacity, will present evidence, comment on procedure and admissibility of evidence, manage the hearing, and protect the rights of all parties. In addition, the Board Advisor has the right to remove from the hearing any individual who disrupts the hearing or otherwise fails to follow the procedures outlined in this policy. The Board Advisor will be present during the deliberations of the board but will not vote. The board will hear testimony from, and pose questions to, the student, the complainant, and any witnesses. The student will in turn have an opportunity to question anyone who provides information at the hearing and to respond to any evidence presented against him/her. After the hearing, the board will determine the finding (responsible or not responsible for violating the Academic Integrity Policy) and, if responsible, the sanction. Sanctions may include Suspension or Expulsion as well as the imposition of lesser sanctions as appropriate. Graduate students found responsible for plagiarizing any part of their theses or capstone projects may be sanctioned with permanent dismissal from their programs in addition to or instead of other sanctions as appropriate. Failure to comply with sanctions by the prescribed time may result in a registration hold or other disciplinary action. The Vice Provost will communicate the finding and the sanction (if applicable) to the student and the faculty member via Ramapo e-mail.

Procedural Protection

For any hearing conducted by the Vice Provost or the Academic Integrity Board, the student shall have the following procedural protections:

1. The student will receive, in addition to the reporting form, written notice of the charges that is dated at least three (3) business days prior to any scheduled hearing with the Vice Provost (or designee) and seven (7) business days prior to any scheduled hearing with the Academic Integrity Board. A student may relinquish his or her right to the notification period by signing and executing a waiver with the

Office of the Provost. All correspondence will be sent to the student's Ramapo College e-mail address. It is the responsibility of the student to access his/her electronic mail on a daily basis.

2. The student will have reasonable access to the case file prior to and during the hearing, provided that all reviews of files must take place in the Office of the Provost. All case materials shall be retained in the Office of the Provost.
3. The burden of proof shall be upon the complainant, who must establish that the person charged is responsible for the conduct violation "more likely than not" based on the credible evidence. This "preponderance of the evidence" standard is a lower one than the "beyond a reasonable doubt" standard employed in criminal prosecutions within the court system.
4. The student has the right to remain silent and not to present evidence against him/herself.
5. The student has the opportunity both to question those who provide information at the proceeding and to respond to any information being presented against her/him. Formal rules of evidence shall not be applicable pursuant to the Code of Conduct. The Hearing Officer or Board Advisor, as applicable, shall give effect to the rules of confidentiality and privilege but shall otherwise admit all information for consideration that reasonable persons would accept as having material value. Unduly repetitious or irrelevant information may be excluded.
6. Any member of the College may, upon showing relevance and necessity, request witnesses to appear at a hearing conducted by the Vice Provost or the Academic Integrity Board. Character witnesses are not permissible in campus disciplinary proceedings. It is the responsibility of the complainant and the charged student to notify the Vice Provost, by fax, electronic mail, or in writing of the persons they wish called as witnesses at least three (3) business days before the proceeding. The Vice Provost will notify students who are identified as witnesses that their appearance is expected. It is generally expected that witnesses will appear in person to give testimony. Under rare circumstances, a signed, dated, and notarized statement of a witness who is unable to appear or who has been excused may be introduced at a proceeding. The decision as to whether such a document or any other alternative means of testimony may be used lies solely with the Vice Provost. Under extraordinary circumstances, the Vice Provost may require students to serve as witnesses. Students who refuse to appear as witnesses for either the complainant or the charged student may be charged with "failure to comply with the directions of College officials, including campus Public Safety officers, or officers of the law, acting in performance of their duties (Code H.17)." Witnesses will be excluded from the proceeding during the testimony of other witnesses. All parties to the case and witnesses shall be excluded during any deliberations determining responsibility or sanctions.
7. A student charged with alleged violations, complainants, and witnesses may be accompanied by an advisor, who may be an attorney, to the hearing. An advisor may provide counsel to the student but may not speak on his/her behalf nor appear in lieu of the student. A student who wishes to have an attorney as an advisor must inform the Vice Provost, in writing by fax, electronic mail, or by telephone at least three (3) business days before the scheduled hearing. When informed that an attorney will be present at the proceeding, the College may consult with General

- Counsel and/or the New Jersey State Attorney General's Office for advice on whether legal counsel for the College should also be present.
8. In accordance with current guidelines established in the Family Educational Rights and Privacy Act (FERPA), the New Jersey Open Public Records Act (OPRA) and implemented by Ramapo College, the record of most disciplinary proceeding's findings is not open to the public.
 9. In cases in which a student charged does not appear after proper notice and has no justifiable reason for non-appearance, the finding will be an "uncontested admission of violation," and an appropriate sanction will be imposed.
 10. A student will be subjected to the College's student conduct process if the alleged violation occurred while s/he was a registered student. In cases where a student charged withdraws from the College prior to the disciplinary proceeding, the student conduct process will not be deferred.
 11. Hearings will not be postponed unless under unusual circumstances set forth in the "Justifiable Excuse" policy for non-appearance. The policy is available in the Office of the Provost. The process is designed to be educational in nature and support the student speaking for herself/himself; therefore, only the responding student may make a request to postpone a hearing. Requests by third parties, including counsel, will not be considered.
 12. Where Suspension or Expulsion is a possible sanction, proceedings will be recorded. Other proceedings may be recorded at the discretion of the College. These recordings are solely for the purpose of providing assistance to the Hearing Officer, the members of the Academic Integrity Board, and the appeals officer in their deliberations. These recordings remain the property of the College and constitute an official record of the proceeding.
 13. Final decisions and a listing of any sanctions imposed will be noted by the Hearing Officer or the Board Advisor, who will be responsible for ensuring such information is conveyed in writing to the charged student and to all others as deemed necessary or appropriate. The finding will be e-mailed to the charged student no later than ten (10) business days following the date of the hearing. Notification of others with a need or right to know under the law will only take place after all possible appeal processes have upheld the finding.

College Honors Program

If the student is found to have violated the Academic Integrity Policy and is enrolled in the College Honors Program, the Director of the College Honors Program will be notified in order to review the student's status in the program.

Final Grades

When a student is suspected of academic dishonesty and the case is not resolved prior to the official submission of final grades to the Registrar's Office, the Vice Provost will assign a Z grade for the course involved, using a Z grade form. Once a Z grade has been issued, the procedures described under "Hearing Process" will be followed.

Repeat / Fail (RF) Option

If a student receives an F in a course in which an Academic Integrity violation occurred and a sanction was imposed, the course is not eligible for RF grading.

Appeal Procedures

A student who is found responsible of violating the Academic Integrity Policy may appeal the decision of the Academic Integrity Board only if certain circumstances exist. The student may not appeal the decision of the faculty member or the Vice Provost. Appeals may be made only if:

- sanctions are grossly disproportionate to the offense, and/or
- specific procedural errors or errors in interpretations of College regulations were substantial, and/or
- new and significant evidence becomes available which could not have been discovered by a properly conducted investigation prior to or during the original hearing.
-

The following procedures apply to appeals:

- An appeal must be submitted by the student in writing to the Provost within five (5) business days from the date of the letter of finding. Failure to appeal within the allotted time will render the original decision final and conclusive.
- The Provost reserves the right to hear the appeal and will reject any appeal that does not offer clear evidence that one of the heretofore mentioned circumstances applies.
- In the case in which an appeal is filed in writing, the imposition of the sanction will be delayed.
- Appeals shall be decided only upon the record of the original proceeding and upon the written letter of appeal. Reversal or modification of sanction, or a finding of not responsible, may only occur if one of the heretofore mentioned circumstances applies.

Retention of Records

Case files will be retained in the Office of the Provost until five (5) years after graduation or termination.

ACADEMIC STANDING

Ramapo College of New Jersey has established standards for academic good standing which apply to all students (matriculated and non-matriculated), as follows:

- Students who have attempted or earned 12 or more credits should have at least a 2.0 cumulative grade point average.
- Students should have at least a 2.0 cumulative grade point average as well as at least a 2.0 cumulative grade point average in their major(s) to graduate.

Credits and grades of all Ramapo course work contribute to the cumulative grade point average. Courses transferred from other colleges count only as credits earned; accompanying grades are NOT calculated toward the grade point average at Ramapo.

The standards used and the actions prescribed are as follows:

- Students who have a cumulative GPA below 2.00 for ONE semester are placed on academic warning.
- Students who have a cumulative GPA below 2.00 for TWO consecutive semesters are placed on academic probation.

- Students who have a cumulative GPA below 2.00 for THREE consecutive semesters are suspended from the College for one full fall or spring semester.

Procedures for Determining Academic Standing

At the close of each fall and spring semester, once final grades have been posted, the Office of the Provost/Vice President for Academic Affairs reviews records of all matriculated students enrolled at the College who have completed 12 or more credits. Those students whose academic performance has fallen below the College's established standards (above) are advised of the deficiency in writing by the Office of the Provost via e-mail. Students must check their Ramapo email regularly. Non-matriculated students should check their status on the web.

The following procedures apply for students who have not met the standards for academic good standing.

Students Placed on Academic Warning or Academic Probation

Students placed on academic warning or academic probation are required to develop an academic plan with a Center for Student Success advisor. The Center for Student Success advisor may consult with the student's assigned faculty advisor. The faculty advisor provides planning advice within the major; the Center for Student Success advisor provides planning advice with respect to other aspects of the curriculum, including, but not limited to, course load and general education. The academic plan must be developed within the first month of the semester for which the warning or probation is in effect. For students placed on warning/probation after the fall semester, the plan is due February 15; for students placed on warning/probation after the spring semester, the plan is due September 30. Students who do not complete this requirement will have a registration hold placed on their account for the subsequent semester; this hold will be removed once the student has met with their Center for Student Success advisor. Additionally, students may be advised to register for no more than 3 courses for that semester and to meet with their Center for Student Success advisor at specified intervals throughout the semester. Support programs available to the student may be identified and may include, but are not limited to, the Center for Reading and Writing, Counseling Services, and the Office of Specialized Services.

Students placed on Academic Warning or Academic Probation may not appeal their standing.

Students placed on Academic Probation are restricted as to the types of extracurricular activities in which they may participate. They may NOT (a) serve as an executive board member of a recognized student organization or serve as an active member of a fraternity or sorority, (b) serve on any College committee or advisory board, (c) serve as a representative of the College, (d) participate in intercollegiate sports, or (e) participate in study abroad programs.

Towards the end of each fall and spring semester, the Office of the Provost/Vice President for Academic Affairs sends an email to students currently on Academic Warning or Academic Probation, reminding students of their standing and the actions to be taken once grades have been posted at the end of the semester. At that time, students in peril of being placed on Academic Suspension who wish to appeal for immediate reinstatement should

take appropriate steps to ensure that the documents required for the appeal can be submitted by the appeal deadline.

Once grades are posted at the end of the semester, the Office of the Provost/Vice President for Academic Affairs notifies students by email of their status for the upcoming semester:

- Students on Academic Warning or Academic Probation who have achieved a cumulative GPA of at least 2.00 are placed in good standing.
- Students on Academic Warning whose cumulative GPA remains below 2.0 are placed on Academic Probation.
- Students on Academic Probation who have made good academic progress by completing at least 75% of their course attempted load and achieving a semester GPA of at least 2.5 but whose cumulative GPA is still below a 2.0 are allowed to continue on academic probation for one further semester. If the student's cumulative GPA is not raised to a 2.0 by the end of the following semester, they will be placed on Academic Suspension.
- Students on Academic Probation who have not made good academic progress and whose cumulative GPA remains below 2.0 are placed on Academic Suspension. If extenuating circumstances contributed to their grades, the student may appeal the suspension (see the Academic Suspension section). Appeals will only be considered if they are received by the deadline specified in the notification email.

Academic Suspension

Students who have not made adequate academic progress are placed on Academic Suspension for one semester. Students must meet with a Center for Student Success advisor to determine their best course of action for the semester. Students on Academic Suspension must apply for reinstatement; reinstatement is not automatic. The reinstatement process is described in the next section.

Upon notification of suspension, the student is given an opportunity to submit a written appeal for immediate reinstatement to the Committee on Academic Standards and Procedures (CASP), which is comprised of faculty, staff, and administrators (including a Dean and representatives from Student Affairs, the Registrar's Office, EOF (ex-officio), OSS (ex-officio), Athletics (ex-officio), Counseling and Health Services (ex-officio) and Center for Student Success, and chaired by the Vice Provost (ex-officio). The deadline for appeals is five business days after the posting of final grades; the date will be specified in the written notification sent to the student by the Office of the Provost/Vice President for Academic Affairs. The Committee meets approximately five business days later.

Appeals must be received in writing (by email to casp@ramapo.edu) by the specified deadline. Appeals must include the following materials:

- Letter from the student requesting reinstatement. The student should explain any unusual circumstances which contributed to the academic difficulty and describe how he/she will be able to make better progress if reinstated. An academic plan for the following two semesters must be included.
- Supporting documentation, which may include (but is not limited to) letters of recommendation from Ramapo faculty/staff and/or letters from medical

practitioners documenting that the student was receiving care during the current semester.

The Committee, after having considered the appeal, decides whether the student may remain at the College on academic probation or must accept the one full fall or spring semester suspension. A student who does NOT appeal to the Committee in writing by the designated deadline is viewed as accepting the one full fall or spring semester suspension.

Committee decisions, based on appeal letters, are forwarded to the Office of the Provost/Vice President for Academic Affairs. The Office of the Provost/Vice President for Academic Affairs informs the student of the decision in writing, by email; this decision is final.

Students informed that they may continue on academic probation may enroll for another semester only with an academic plan endorsed by their Center for Student Success advisor, who may consult with the student's faculty advisor. (The faculty advisor provides planning advice within the major; the Center for Student Success advisor provides planning advice with respect to other aspects of the curriculum, including (but not limited to) course load and general education.) The plan must also include a detailed self-reflective statement indicating how the academic problems of past semesters will be addressed. In addition, students are required to find a faculty/staff mentor. Their records are again reviewed at the end of the probationary period:

- A student who achieves a cumulative GPA of at least 2.0 will be placed in good standing;
- A student who does not achieve a cumulative GPA of 2.0, but whose semester GPA is 2.5 or better after completing at least 75% of his/her attempted course load, will be allowed one final semester on probation, at the end of which he/she must achieve a cumulative GPA of 2.0 or better or will be permanently dismissed.
- If neither of these conditions are met, the student will be permanently dismissed from the College.
- If a student has been immediately reinstated and in any subsequent semester is suspended for a second time, the student will be permanently dismissed from the College and is ineligible for reinstatement/readmission.

Reinstatement and Readmission following Academic Suspension

A students on academic suspension must apply to the College for reinstatement or readmission. Reinstatement or readmission is neither automatic nor guaranteed after academic suspension. Students are strongly urged to apply by August 1 for the fall semester and by December 1 for the spring semester.

- A student on academic suspension who wishes to return to the College after a one-semester absence must appeal for reinstatement to the Dean of the School to which he or she wishes to return; an undeclared student must direct his/her appeal to the Vice Provost.
- A student on academic suspension who wishes to return to the College after an absence of two or more full semesters must apply for readmission to the College through the Office of Admissions after successfully appealing to the Dean of the School to which he or she wishes to return: an undeclared student appeals to the

Vice Provost. The Office of Admissions will consult with the Dean of the School to which the student wishes to return (or the Vice Provost if the student is undeclared).

In both cases, the student should begin the process by making an appointment with a Center for Student Success advisor who will assist the student in preparing the following materials:

- A detailed self-reflective statement indicating how the academic problems of past semesters will be addressed. This will include documentation and demonstration that the student has addressed the problems which initially led to academic difficulties OR a work record which demonstrates a resolution of the heretofore mentioned difficulties OR other indication of academic success (for instance, the successful completion of credits at another school during the semester(s) in which he/she was absent from Ramapo); and an Academic Plan. The Center for Student Success advisor may consult with the student's faculty advisor. (The faculty advisor provides planning advice within the major; the Center for Student Success advisor provides planning advice with respect to other aspects of the curriculum, including, but not limited to, course load and general education.)

The Center for Student Success advisor will verify that the student has no outstanding financial obligations to the College, no outstanding disciplinary charges, no assessed sanctions, or any other holds.

The Dean or the Vice Provost, who will consider the appeal:

- May confer with the Committee on Academic Standards and Procedures and consult the student's CASP file and;
- May request a conference with the student, at his/her discretion.

Upon a successful appeal, a student will be conditionally reinstated/readmitted and placed on Continued Probation. He/she will be required to regularly meet with his/her Center for Student Success advisor and may be advised to take a lower credit load. At the end of the semester for which a student was conditionally readmitted:

- A student who achieves a cumulative GPA of at least 2.0 will be placed in good standing;
- A student who does not achieve a cumulative GPA of 2.0 but whose semester GPA is 2.5 or better after completing least 75% of his/her attempted course load will be allowed one final semester on probation in which he/she must achieve a cumulative GPA of 2.0 or better or will be permanently dismissed;
- The student must also meet any additional conditions set by the Dean or Vice Provost;
- If any of the conditions above are not met, the student will be permanently dismissed from the College;
- If a student has been reinstated/readmitted, and in any subsequent semesters is suspended for a second time, the student will be permanently dismissed from the College and is ineligible for reinstatement/readmission.

If the office hearing the appeal renders an opinion that does not support the student's reinstatement/readmission appeal, the student may petition for a review by the Office of the

Provost/Vice President for Academic Affairs. The petition is initiated by the submission of a written statement (submitted by email or certified letter) by the student that explains his/her position and includes any evidence that contradicts the hearing officer's decision or contains information that had heretofore been unavailable. The Provost (or his/her designee) reserves the right to hear the petition and will reject any request for review that does not offer clear evidence that the hearing officer made a factual mistake, violated college policy, or otherwise acted outside the purview of the hearing officer.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

Ramapo College of New Jersey supports the protections available to members of its community under Section 503 and 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), and all applicable State regulations. Consistent with state and federal statutes that affirm and protect the equal opportunity rights of persons with disabilities, Ramapo College adopts a policy of non-discrimination and equal opportunity for otherwise qualified persons with disabilities.

In order to arrange for housing or education-related disability accommodations, students need to register with the Office of Specialized Services (OSS), which facilitates equal access to the programs and activities at the College. Students must initiate contact with OSS in order to request disability accommodations. Documentation of a disability must be provided to establish eligibility as well as for determining appropriate disability accommodations.

Any student with a disability who believes that s/he has been the victim of discrimination may file a complaint under the New Jersey State Policy Prohibiting Discrimination in the Workplace. The aforementioned policy and complaint procedure is published on the Affirmative Action and Workplace Compliance website at:

<http://www.ramapo.edu/affirmaction/>. For additional information there are two campus resources. Mr. Aaron Sanders, is the acting Lead Equal Employment Opportunity (EEO) investigator. Mr. Sanders may be contacted through (201) 684-7540 or asander3@ramapo.edu. His office is in Birch Mansion, room 208. Ms. Jill Brown, is the acting Americans with Disabilities Act (ADA) compliance officer. She will continue in her role as benefits manager. Ms. Brown may be contacted through (201) 684-7502 or jcbrown@ramapo.edu. Her office is in D-Building, room 114.

AIDS/HIV

The College adheres to State and Federal laws (including the confidentiality of medical information) regarding the consistent treatment of persons with Acquired Immune Deficiency Syndrome (AIDS) or HIV. The Americans with Disabilities Act Amendments Act (ADAAA) and the New Jersey Law Against Discrimination prohibits discrimination in employment, housing and public accommodation against any person with a physical or mental impairment which substantially impairs one or more major life activities, has a record of such impairment, or is regarded as having such impairment. Discrimination against a person who has AIDS, or who is perceived to have, or be at risk of having AIDS, is a violation of both State and Federal discrimination laws.

Any employee or student who believes s/he has been a victim of AIDS discrimination may file a complaint pursuant with the Non-Discrimination Policy (policy is contained in the Student Handbook).

ALCOHOL AND OTHER DRUG POLICY

Ramapo College is committed to providing a safe and healthy learning environment for all members and maximizes the academic and social development of students. The College believes that a student's development is negatively affected by the use of illegal drugs and the irresponsible consumption of alcohol. All students have the right to engage in curricular and co-curricular activities without interference from others who are under the influence of alcohol and/or other drugs. In addition, the unlawful and abusive use of alcohol interferes with the College's goals aligned with teaching and learning. Substance abuse may lead to criminal activity, property damage, and other risky behaviors. The purpose for the Alcohol and Other Drug Policy is to define and communicate, to all members of the College, acceptable and unacceptable behavior with regards to alcohol and other drugs and the sanctions for policy violations.

A description of the health risks associated with the use of illicit drugs and the abuse of alcohol can be found within the following online publication "The Public Safety Department Policies and Practices Campus Crime and Fire Statistics."

<http://www.ramapo.edu/facultystaff/publicsafety/index.html>

The above mentioned publication also includes a description of how to explore free, confidential counseling resources on campus. Counseling Services are available to students through the Center for Health and Counseling Services, D-216, (201) 684-7522, or further information can be found online; <http://www.ramapo.edu/students/counseling/index.html>.

Alcohol Laws

As of January 1, 1983, New Jersey state law prohibits the sale, possession, or consumption of alcohol by individuals under 21 years of age. Ramapo College is a public institution governed by Federal, State, and local laws, and by College regulations. The College complies with municipal and other law enforcement authorities in enforcing these laws as stated below:

State of New Jersey

- 3) Refusal to Take the Breathalyzer Test (N.J.S.A. 39:4-50.4a) – Refusal to take the breathalyzer test where there is probable cause for arrest for DWI will result in up to 10 year loss of license, a fine of \$300-\$1000, and an obligation to satisfy the requirements of an alcohol education or rehabilitation program. A person can also be convicted of DWI without the results of a breathalyzer test. In that case, s/he will suffer all the additional fines and penalties specified for the DWI conviction.

(Any of the statutes in the 2C:33 chapter which includes underage possession of alcohol and providing alcohol to a minor carries with it a mandatory loss of driver's license from a minimum of 6 months to a maximum of 2 years.)

Alcoholic Beverages at Campus Events

The Alcoholic Beverages at Campus Events policy applies to all members of the Ramapo College community and to those who rent or otherwise use space at the College. Sections A-O (see below) detail the policies and procedures used when a sponsoring group wishes to sell or serve alcoholic beverages

- A. If alcohol is to be served and no money is changing hands, only a Ramapo College Alcohol Permit is required. A copy of the application must be obtained in the Office of Events and Conferences (D-104) or at <http://www.ramapo.edu/conferences/forms-policies/docs/ALCOHOL-PERMIT-APPLICATION-050710.pdf>. Permits will be emailed to the sponsor as well as the Public Safety Department and Dining Services. All events at which alcohol is to be sold or served must be reviewed by the Office of Events and Conferences or, as appropriate, the Major Events Committee.
- B. If alcohol is to be sold, or where any transfer of money takes place, the sponsor of the event must secure a Special Permit for Social Affairs from the New Jersey Division of Alcoholic Beverage Control and a Ramapo College Alcohol Permit. The application for the ABC permit must be submitted at least two weeks before the event to their Trenton office, be accompanied by a fee, and have the signatures of authorized College and local officials. The final permit from the New Jersey Division of Alcoholic Beverage Control must be submitted to the Director of Scheduling/Events and Conferences at least 24 hours before the event. Details about the State permit process are available in the Office of Events and Conferences.
- C. Alcohol permits (College and/or N.J. Division of Alcoholic Beverage Control) and a copy of this policy must be prominently displayed at the bar where the alcohol is being dispensed/sold.
- D. New Jersey State law requires that all advertising, tickets, etc., which contain references to the sale of alcohol include the permit number that will be issued.
- E. In cases where students or others under the age of 21 are likely to be present, Public Safety Officers and/or Mahwah Police officers will oversee the process of proofing guests; professional bartenders will sell/serve the alcohol at events for which either permit has been obtained. Bartenders are allowed to serve only those wearing wristbands and may request additional proof of age as they deem necessary. No bartender will serve anyone who appears intoxicated.
- F. In cases where all guests at an event will be over the age of 21, the sponsor must agree to carefully monitor the events according to this policy to ensure all those who purchase or consume alcohol are of legal age, and that there is no excessive drinking or public drunkenness. In addition, the sponsor must agree to read and become familiar with any other information provided by the Office of Events and Conferences at the time the permit is obtained relating to the monitoring of events at which alcohol is served or sold.
- G. At events where students will be present or where those under the age of 21 are likely to be present, two proofs of identification (Ramapo College picture ID and either a driver's license, passport, or birth certificate) will be required. In addition, students may be further identified through a computer print-out containing current students' names, student identification numbers, and birth dates.
- H. At events for which alcohol permits have been obtained and underage persons are expected, the alcohol service area will be roped off or otherwise demarked from the general event area. Alcohol may not be removed from the roped off area.
- I. Ramapo College professional staff, and/or Public Safety Officers and/or police personnel must be present at all events at which alcohol is served or sold.

- J. Non-alcoholic beverages must also be served whenever alcohol is served/sold, and must be displayed as openly as the alcohol. Food must be served in adequate amounts when alcoholic beverages are served or sold.
- K. Persons attending events at which alcohol is sold or served may not bring any alcohol to the event. The only alcohol to be consumed at a sanctioned event is to be sold/served by those charged with that responsibility. Persons arriving intoxicated from drinking elsewhere will be barred.
- L. No student activity fee money may be used for the purchase of alcoholic beverages.
- M. Deliveries of alcoholic beverages to the campus may not be made by liquor stores or distributors unless specifically authorized by the President or his/her designee. Deliveries to the residence halls are prohibited.
- N. Events for which an alcohol permit has been issued may not include any kind of a “drinking contest” or “drinking game”, or feature any inducements to consume excessive amounts of alcohol. Advertisements for events shall not make reference to the amount of alcohol to be available, nor promote alcohol as a prime feature. There can be no price differential for alcoholic beverages depending on the characteristics of the consumer/purchaser (e.g. “Ladies’ Nights”, etc.).
- O. Public intoxication/drunkenness is not an acceptable condition for anyone on campus, whether the drinking which led to it took place on or off campus. This includes students, staff, faculty and guests. The identification of such persons at events for which permits have been issued will generally be made by Public Safety Officers or local police officers. A person in this condition may be asked to leave an event. If the person is a student, the student’s family or emergency contact may be called to assist. Non-student guests may have a taxi called (at the intoxicated person’s expense) to take them to their permanent residence. Those who are intoxicated/drank and whose behavior is disruptive may have charges filed against them for violations of the Code of Conduct (students) and/or the appropriate local or State statutes (students, employees and guests). Persons deemed dangerously intoxicated will be transported to a hospital for a medical evaluation at their own expense.

Alcohol in College Residence Areas (Living Units)

1. Alcohol is not permitted within Pine, Linden, Pamela M. Bischoff Hall (Bischoff Hall), Nancy Mackin Hall (Mackin Hall), The Overlook, The College Park Apartments, and assigned alcohol prohibited living units in Laurel Hall and the Village. No one, regardless of age, is permitted to possess or consume alcohol in these areas.
2. At the time of an alcohol violation, all alcohol and containers will be confiscated and properly disposed of regardless of the age of the occupant or the designation of the living unit as alcohol allowed or prohibited.
3. Alcohol containers and paraphernalia, including but not limited to empty cans, bottles and cartons, are not permitted as room decorations in any alcohol prohibited living unit. Alcohol containers and paraphernalia, including signs, are not permitted as window decorations in any living unit.
4. If a student is of legal drinking age, s/he may transport an alcoholic beverage as long as it is in its original closed container.
5. Kegs, beer balls and multi-quart containers of alcohol are prohibited in the residence areas at all times. Students are not permitted to receive retail deliveries of alcohol.

6. Possession of grain alcohol or caffeinated alcoholic energy drinks is prohibited at all times.
7. Consumption of any form of alcohol in an open container, including but not limited to cups, cans, plastic containers or bottles, is prohibited outside a student's living unit and/or in any outside campus area.
8. Residents holding a gathering in their living unit where an alcohol violation is taking place are considered hosts. All residents on the roster who are present during the time of the incident will likely be regarded as the host and subjected to disciplinary actions, including the Interim Suspension process. Hosts can be held responsible for injury or damage occurring to any person or to property in which the consumption of alcohol was a contributing factor. Hosts will be subject to disciplinary action and will receive harsher sanctions.
9. Presence in any living unit (room, suite or apartment) where an alcohol violation is taking place, even if not actually in possession of or consuming alcoholic beverages, will result in disciplinary action being taken.
10. Games, contests, or activities encouraging excessive drinking or the serving of alcohol that lead to the endangerment of an individual's well-being or to property damage will not be tolerated.
11. Consumption of alcohol to the point of intoxication, regardless of age, is prohibited. A person in this condition may be asked to leave the campus. If the person is a student, the student's family or emergency contact may be called to assist. Guests may have a taxi called (at the intoxicated person's expense) to take them to their permanent residence. Students will be medically transported to the hospital if dangerous intoxication is suspected by staff members. Consequent expenses (ie: hospital and ambulance) are the student's responsibility.
12. Alcohol allowed housing privileges will be immediately revoked for any living unit found in violation of the Alcohol in College Residence Areas (Living Units) policy. Final status of the living unit will be determined following a disciplinary proceeding in the Office of Student Conduct.

To help students understand what is and what is not permitted under the Alcohol in College Residence Areas Policy, the following examples are given as guidelines. This is not an exhaustive list and only provides examples.

Persons under the age of twenty-one MAY NOT:

- Be in possession of or in the presence of alcohol in any living unit.
- Permit persons to bring in or consume alcohol in their living unit.
- Carry opened or unopened alcoholic beverage containers any place on campus.
- Provide alcohol to any persons on campus.
- Possess alcohol displays made up of empty alcoholic beverage containers.
- Be present on campus or attend college sponsored events while under the influence of alcohol. Public intoxication/drunkenness is not an acceptable condition for anyone on campus, whether the drinking which led to it took place on or off campus.

Persons twenty-one and older MAY NOT:

- Consume alcohol outside of a living unit (lobby, hallways, stairwells, grounds, etc.)

- Consume alcohol, as a guest, in an alcohol allowed living unit when a legal age resident is not present.
- Provide alcohol to others under the age of twenty-one.
- Charge in any way for alcohol consumption by others.
- Possess kegs, beer balls or paraphernalia that promotes large consumption of alcohol.
- Permit underage persons to possess or be in the presence of alcohol in their living unit.
- Possess alcohol or alcohol displays within Pine, Linden, Bischoff Hall, Mackin Hall, The Overlook, assigned alcohol prohibited living units in Laurel Hall, or any other designated alcohol prohibited living units.
- Engage in high risk drinking behaviors such as “smoking” alcohol or taking “shots” of alcohol.
- Participate in any kind of “drinking contest” or “drinking game”, or any activity that may lead to the consumption of excessive amounts of alcohol.

Persons twenty-one and older MAY:

- Consume alcohol in their living unit when the living unit is designated as alcohol allowed.
- Consume alcohol in another alcohol allowed living unit if a host is twenty-one or older and is present.
- Carry unopened alcoholic beverage containers on campus (must be packaged and out of plain view.)
- Provide alcohol in their alcohol allowed living unit to others aged twenty-one or older and within the guidelines of the social gathering policy.
- Possess alcohol displays made up of alcoholic beverage containers if all residents are over the age of twenty-one (window decorations are prohibited in ALL living units).

Please note:

Persons who are present, within college housing, where alcohol is being consumed by those over or under the age of 21 will be presumed to have been drinking or in possession of alcohol if Public Safety Officers, On-Call Administrators or Resident Assistants are called to the scene. The rationale for having a policy against underage individuals being “in the presence of” alcohol is because it is not possible to distinguish who is actually consuming or possessing alcohol on an individual basis where a number of persons are present and without the use of specialized testing equipment used to determine blood alcohol content. Furthermore, staff members are not qualified to operate such equipment.

Recommended Sanctions for Alcohol Violations

Empty Bottle Display/Paraphernalia

Below are some conditions, not an exhaustive list, the college regards as an inappropriate large gathering and will lead to the termination of the gathering:

- Underage consumption/possession of alcohol is taking place.

- Inappropriate alcohol (kegs and beer balls) is present.
- Number of persons present exceeds occupancy limits.

The host(s) may be Interim Suspended if any of the above conditions exist or if it is deemed necessary by the responding college official.

Distribution and/or the sale of alcohol to underage persons will be viewed as an aggravating factor in sanctioning. Other factors to be considered in deciding sanctions shall include past disciplinary record of the student, the nature of the offense, and severity of any damage, injury, or harm resulting from it as perceived by the victim and/or appropriate College officials.

Drug Policy

Violations of the Code of Conduct and/or Federal, State, or local statutes related to the possession, use, or distribution of illegal drugs/substances are treated as very serious matters. Students found responsible, through the College’s disciplinary process, for the possession, use, or distribution of illegal drugs/substances on campus or at College-related events can expect serious consequences including loss of privileges, suspension, or expulsion from the College. In certain cases, a student’s financial aid or scholarship funds may be negatively affected as called for by law.

College officials may inform local or other law enforcement authorities about suspected or known drug violations.

Drug Laws

Ramapo College cooperates with municipal and other law enforcement authorities in enforcing State and Federal laws.

Federal Laws

The Controlled Substance Act (21 U.S.C. 841) makes it a federal crime: (a) to manufacture, distribute, or dispense, or possess with intent to manufacture, distribute, or dispense, a controlled substance; or (b) to create, distribute, or dispense, or possess with intent to distribute or dispense a counterfeit substance.

Classification of Controlled Substances

The U.S. Code establishes, and authorizes the U.S. Attorney General to revise as needed, classifications of controlled substances. The drugs are each classified in five “schedules,” Schedule I being comprised essentially of “street drugs” and Schedule V being comprised of drugs with a “low potential for abuse” when compared with drugs in Schedules I-IV. Examples of Schedule I drugs are; heroin, marijuana, synthetic marijuana, and designer labeled bath salts. Cocaine and codeine are Schedule II drugs. Amphetamines and anabolic steroids are Schedule III drugs, while Barbitol is a Schedule IV drug. An example of a Schedule V drug would be a prescription medication with no more than 200 mg. of codeine per 100 grams.

Penalties for Violations of Federal Drug Laws

Under US federal law, a first offense of illegal possession of a controlled substance can be punished by jail terms of up to twenty years and minimum fines ranging from \$1,000 to \$5,000. Federal possession and trafficking convictions can also lead to the forfeiture of property (e.g. your car), the denial of federal benefits such as student loans and grants, and a criminal record which may prevent an individual from entering certain career fields.

Suspension of Eligibility for Federal Student Aid

Section 484(r) of the Higher Education Reconciliation Act provides that a student's eligibility for federal student aid be suspended if that student is convicted under federal or state law of any offense involving the possession or sale of a controlled substance (not including alcohol or tobacco). The suspension of eligibility ranges from as much as one year to an indefinite period of time, depending upon the number and type of convictions. A student may regain eligibility early if the conviction is overturned or if he or she completes a drug rehabilitation program that meets certain statutory and regulatory requirements.

Repeated or aggravated violations of any provisions of this policy may result in expulsion, suspension, or in the imposition of such lesser sanctions as may be appropriate.

ANIMAL POLICY

Because of safety and health hazards, students are not permitted to have animals on campus. Students in residence may have fish that are contained in a 10 gallon tank. Exceptions to this policy are made for support animals and service dogs that are needed by individuals to address documented disability related needs. Students in need of disability-related support animals on campus must consult with the Office of Specialized Services (OSS) prior to bringing animals to campus. While students using services dogs are strongly encouraged to contact OSS, they are not required to do so. For further information, please visit the OSS website:

<http://www.ramapo.edu/students/oss/index.html>.

BEHAVIORAL INTERVENTION TEAM

Mission Statement

The mission of the Behavioral Intervention Team (hereafter referred to as The Team) is to coordinate the support services of Ramapo College in order to assist students who have reportedly displayed troublesome or concerning behaviors on campus.

Purpose: The Team serves as a central network focused on prevention and early intervention for students experiencing serious distress or engaging in harmful or disruptive behaviors. This process provides the community with a mechanism for alerting relevant campus authorities of their worry and concern for a student. The Team aims to intervene and assist these students in meeting their academic, personal, and professional goals at the College. The reported behaviors might relate to the safety and rights of others; therefore, the Team may mobilize resources in order to minimize the disruption to the College and

help prevent violence on campus. The Team will develop strategies for and provide consultation to the community when concerns arise about a student's well-being or when there is a behavior that is potentially harmful to self and/or others or is disruptive and/or threatening. The Team will regularly assess these situations in the community and recommend actions in accordance with existing college policies. The Team does not serve as a crisis response unit, nor does it replace faculty classroom management, and/or the Public Safety Department's response to an incident. Emergencies must be reported to the Public Safety Department at (201) 684-6666.

Team Members

- Linda Diaz; Director, Residence Life
- Dr. Judith Green; Director, Center for Health and Counseling Services
- Aaron Lorenz; Dean, School of Social Science and Human Services
- Vincent Markowski; Director, Public Safety Department
- Dr. David Nast; Director, Office of Specialized Services
- Rick Brown, Director, Center for Student Involvement
- Kathleen Hallissey; Director, Office of Student Conduct (chairperson)

As Needed Members: Other college officials may be asked to serve on the team in specific situations that warrant their knowledge, skill, and expertise on an as needed basis. The Team may consult with the College's General Counsel.

Responsibilities of the Team

- Receive and gather information pertaining to students of concern.
- Develop specific strategies to manage potentially harmful or disruptive behavior.
- Make recommendations to College officials regarding appropriate actions that are consistent with policies and procedures.
- Inform the referral person concerning next steps taken with the student (see header Potential Dispositions). The referral person must understand that not all action steps will be discussed given the confidential nature of the information and what is permissible under the eyes of the law.
- Educate and train the community on identification of concerning behaviors and proactive options to assist students.

Referral Process: Members of the community may refer students of concern to the Team through numerous channels. The Student of Concern Report is accessible on the BIT website. <http://www.ramapo.edu/students/bit.html>. Members of the community may also contact the Team by calling or e-mailing the chairperson (Kathleen Hallissey) at (201) 684-7869 or bit@ramapo.edu.

Anonymous Reporting: The process allows for individuals to make anonymous referrals or to petition to the chairperson that s/he wishes to maintain anonymity as the referral person. It is recommended that anonymity take place under rare circumstances and only when there might be a threat to safety. In some situations, anonymity may not be possible depending on the described behaviors and the student's ability to attribute a referral to a particular incident or person. Referrals may be reviewed by the Public Safety Department,

independent of the BIT process, and Public Safety Department officials might make decisions to act on cases where they determine there is a serious threat, harm, or disruption.

If the student or the community is in immediate danger, members of the community must immediately contact the Public Safety Department at (201) 684-6666.

Team Procedures: The Team will discuss student referrals and reach a disposition. The Team will make recommendations and consider strategies to contain disruption toward others and/or the normal operations of the College. The Team may examine environmental causes for the behavior and might also find it beneficial to direct inquiries about the student toward faculty and staff. The Team considers appropriate referral resources on campus.

Potential Dispositions

- No action recommended.
- Assist faculty, staff, or students in developing an action plan to manage the concerning behaviors.
- Refer the student to existing on campus support resources.
- Recommendation of parental notification. The chairperson has the right to decide if the student's emergency contact person will be contacted. The chairperson will be responsible for determining if a health and safety emergency exists and will make contact under the Parent Notification Policy.
- Recommendation of a Medical Leave of Absence.
- Recommendation of an Interim Suspension.

Confidentiality: The College recognizes the importance of maintaining records for each student. The College protects the rights of students regarding these records and has established policies and guidelines which describe the records maintained and provisions for releasing information. The rules conform to State and Federal laws (the U.S. Department of Education guidelines for the Family Educational Rights and Privacy Act of 1974 as amended, known as the Buckley Amendment or FERPA).

If a student referred to the Team is already receiving care at the Center for Health and Counseling Services or an outside mental health provider, information about that student's relationship or treatment plan may not be obtained by the Team (unless the student provides written authorization for such a release).

Exceptions: The Team may provide each other or faculty/staff involved in a referral, or outside parties in connection with the situation (such as parents/guardian), with information in matters that concern protecting the health and safety of that student or others in the community. The College has a duty to warn members of the community when potentially harmful or dangerous situations have been reported to officials. The Team may breach confidentiality should there be a need to warn potential victims.

CANDLE AND INCENSE POLICY:

Flameless candles or incense (electric or battery operated) shall be the only acceptable method of lighted candles in all buildings on campus. Open flame candles and incense

are PROHIBITED in all campus buildings except for religious purposes only at the Salameno Spiritual Center.

Exceptions:

Events, ceremonies and other functions held outdoors on campus or at the Salameno Spiritual Center involving the use of flame lighted candles, shall be acceptable provided the following precautions are followed:

- Only “dripleless” candles are used;
- Drop protectors/guards must be attached to all hand held candles;
- Hand held candles shall not be passed from one person to another;
- The participants shall keep a minimum of three feet distance between one another and thirty feet from College buildings and structures; enough distance to avoid burns to individuals and to avoid accidental fires in College buildings and structures;
- Candles will be extinguished before exiting the candlelight service;
- Suitable fireproof receptacles for extinguishment and disposal of the candles after the event shall be provided by the event organizer. An example of a suitable receptacle is a five gallon pail half full of water; or sufficient water to extinguish the candles.

The complete Candle and Incense Policy is located at the following website:

CODE OF CONDUCT 2015-2016

In order to protect the rights of all community members and guests, the College has established a Code of Conduct that outlines standards of behavior and means for sanctioning those who do not abide by these standards. The Code of Conduct covers the behavior of all students and their guests¹⁵ and applies to acts committed on the Ramapo College campus, at College-sponsored events and off campus behaviors as defined in Section F.

The disciplinary regulations that follow are designed to provide broad guidelines. They are not meant to define in exhaustive terms all behaviors that are prohibited. In all cases, the College has the right and duty to protect the well-being of community members. When violations of the Code of Conduct are also violations of Federal, State, or local law, the College, through its employees or representatives, may file a complaint in the appropriate forum. Similarly, the College itself may press internal disciplinary charges.

Ramapo College is committed to providing timely support and assistance to victims and/or survivors¹⁶ of sexual assault or misconduct. The Sexual Misconduct Policy Governing Policy is a comprehensive policy for victims and/or survivors and can be found in the Affirmative Action and Workplace Compliance Section of this handbook.

¹⁵ Residents and commuters will be held accountable for the behavior and/or actions of the guest(s) they are hosting.

¹⁶ A note on language: The words “victim” and “survivor” are used interchangeably here. Ramapo College respects the decision of those who have experienced violence to identify as a victim or a survivor. We recognize that choosing to identify as a survivor is an important part of the healing process for some who have experienced sexual violence.

The Code of Conduct will not be applied to abridge a student's exercise of free speech or expression which is protected by the Constitution of the State of New Jersey or the First Amendment of the U.S. Constitution.

The Code of Conduct may be amended. If a change is made, students will be notified through means deemed appropriate.

A. The Role of the Dean of Students

The Dean of Students or designee(s) has the responsibility for overseeing the staff in the Office of Student Conduct and processes related to the implementation of the Code. Academic misconduct charges are generally considered by members of the staff of the Provost/Vice President for Academic Affairs Office. In a situation where a student's health or safety is/was very seriously endangered, the Dean of Students or designee(s) will make every attempt to notify the parent/guardian as soon as possible.

B. Filing Complaints

Complaints against students may be made by any student, employee, or guest of the College who believes the Code of Conduct has been violated. A complaint must be made in writing to the Public Safety Department within a reasonable amount of time after the occurrence. (This will normally be construed to mean within 30 calendar days, unless unusual circumstances exist or it is an alleged crime that the college must report under The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.) The complainant should include as much detail concerning the alleged violation as possible and include specific reference to the part of the Code the complainant feels was violated. The complainant must visit the Public Safety Department (Office C-102) to complete a report. Students are formally charged with alleged violations only after appropriate members of the Office of Student Conduct staff have reviewed the complaint and witness statements (if available). Reports used to file a complaint or statement in the Public Safety Department or elsewhere may be used by the Office of Student Conduct in the adjudication of a Residence Life or College Discipline Conference or in a College Disciplinary Review Board hearing. The information may become part of the general case file and may be viewed by those against whom complaints have been filed as part of their due process rights. Complaints may also be filed via the Public Safety Department's website: <http://www.ramapo.edu/publicsafety/>. These complaints are reviewed by College officials during business hours and prior to being referred to relevant offices for possible action.

C. Complaints Against Student Groups

Recognized or registered student groups, organizations and teams may be charged with violations of the Code of Conduct. A student group, organization or team and its officers or captains may be held collectively and/or individually responsible when violations of the Code of Conduct occur by those associated with the group or organization whose actions have received the consent of the groups' or organization's leaders, officers, or spokespersons. The president or identifiable spokesperson of the group who is charged with violations of the Code of Conduct will be sent a "Notice of Disciplinary Proceeding" that will indicate the adjudication option that will be employed in their case. The person receiving this notice must be a registered student. For additional information regarding complaints against student groups, please refer to the Organization or Team Affiliated Event Policy.

D. Responsibilities of Officers or Other Leaders of Student Organizations

The officers or leaders or any identifiable spokesperson for a student group or organization may be directed by the Dean of Students or a designee to take appropriate action designed to prevent or end violations of the Code of Conduct by the group or organization, or by any persons associated with the group or organization who can reasonably be said to be acting on the groups' or organization's behalf. Failure to make reasonable efforts to comply with the Dean of Students or designee's directive shall be considered a violation of "failure to comply with the directions of College officials, including campus Public Safety Officers, or Officers of the law, acting in performance of their duties (Code H.17)."

E. Accountability of Students to Civil Authorities

Students may be accountable to both civil authorities and to the College for acts that violate the law and the Code of Conduct. Disciplinary action at the College may normally continue while criminal proceedings are pending and will not be subject to challenge on the grounds that criminal charges involving the same incident have been dismissed or reduced. The College reserves the right to reach its own determination on violations of the Code of Conduct unaffected by the outcome of any civil or criminal action.

F. Actions for Serious Crimes on Campus or Off Campus

If the College is made aware a student has been arrested, indicted, or found guilty of a crime, or when the College is notified of a student's off-campus conduct (including electronic communication) that, in the College's judgment, is sufficiently severe or pervasive that the student poses a material threat to the public safety or to ongoing operations of the campus, the College reserves the right to take administrative actions to protect the community and may, therefore, issue an Interim Suspension from the entire campus (see section M).

G. College Actions Against Non-Students

The College's disciplinary process does not have jurisdiction when a complaint is filed against a person who is not a student. Persons who are not students but who violate Federal, State, or local laws or College regulations may be subject to arrest, immediately banned from campus and/or may have their campus visitation privileges revoked. College officials may file charges with the police against guests or other visitors who violate laws while on campus. Non-students who are banned from campus or have their College visitation privileges revoked have the right to appeal that determination by writing to the official who issued the ban letter. Campus hosts may be held responsible for their guests' behavior. Hosts may be charged with the violation(s) of the Code of Conduct that was committed by their guest(s).

H. Prohibited Conduct (Code of Conduct)

Repeated or aggravated violations of any provisions of the Code of Conduct may result in expulsion, suspension, or the imposition of such lesser sanctions as may be appropriate.

- 1b. Intentionally or recklessly causing reasonable apprehension of physical harm.

- 3a. Unauthorized use of any weapon or realistic model of a weapon. I. Adjudication of Cases

Students and/or organizations charged with violations of the Code of Conduct will be sent (via e-mail to the Ramapo College issued e-mail account) a "Notice of Disciplinary Proceeding" that will indicate which of the following adjudication options will be employed in their case:

1. Residence Life and College Disciplinary Conferences: If the alleged violation is one for which the student could not be suspended or expelled from the College, the case will likely be heard (although it is not mandatory) in a Residence Life or a College Disciplinary Conference normally conducted by a professional staff member in Residence Life, Office of Student Conduct, or a designee. The charged student will be required to attend a scheduled conference with the presiding administrator (hereafter referred to as Hearing Officer) and will have the opportunity to discuss the alleged violation. Charged students have the option of taking responsibility for the alleged violation prior to the conference by signing the "Notice of Disciplinary Proceeding" form and returning it to the Office of Student Conduct. Students who choose to accept responsibility (by signing and submitting the form) will not attend the scheduled conference. The Hearing Officer will assess the disciplinary sanction and send this result to the student. Further information regarding Disciplinary Conferences is outlined in Section J.
2. College Disciplinary Review Board Hearings: If the alleged violation is one for which the charged student could be suspended or expelled from the College, the case must be heard by the College Disciplinary Review Board, cases of sexual misconduct are an exception. Cases of sexual misconduct fall under the Sexual Misconduct Policy Governing Students. Specific information regarding College Disciplinary Review Board Hearings is outlined in Sections J, K, and L.
3. No Contact Order: The Office of Student Conduct may mandate that no contact occur between students or groups of students. By copy of this order, students are not permitted to contact each other via verbal, written, electronic, or through a third party person. Students seeking court issued restraining orders, or protections off campus should contact a police agency. Any student found to be violating a No Contact Order

restriction will be referred to the Office of Student Conduct for violation of the Code of Conduct. The Public Safety Department will forward all relevant materials to the Office of Student Conduct where the reports will be reviewed to determine further disciplinary action (if any).

In the adjudication of cases, the Hearing Officer or College Disciplinary Review Board must find that the charged student is responsible for the conduct violation “more likely than not” based on the credible evidence. The "preponderance of the evidence" standard is a lower one than the "beyond a reasonable doubt" standard employed in criminal prosecutions within the court system.

A student will be subjected to the College’s disciplinary process if the alleged violation occurred while s/he was a registered student. Ramapo College recognizes as a student any individual who has completed the following:

- paid a tuition deposit indicating “intent to enroll”;
- registered for credit bearing courses; and
- arrived on campus to begin the semester/term.

This definition includes individuals who arrive to campus prior to the start of the semester/term for recognized College functions including, but not limited to student employment; trainings; athletics; and participation in the Summer EOF program. In cases where a student charged withdraws from the College prior to the disciplinary proceeding, the disciplinary process will not be deferred.

J. Rights in All Disciplinary Proceedings

For any disciplinary action for which sanctions may be imposed, the student and/or organization shall have the following procedural protections:

1. Written notice of the charges that is dated at least three (3) business days prior to any scheduled Residence Life or College Disciplinary Conference and seven (7) business days prior to any scheduled College Disciplinary Review Board Hearing. A student may relinquish his or her right to the notification period by signing and executing a waiver with the Office of Student Conduct. A written notice of the charges will be sent to the student’s Ramapo College email address. It is the responsibility of the student to access their mail and electronic mail on a daily basis.
2. Reasonable access to the case file prior to and during the proceeding, provided that all reviews of files must take place in the Office of Student Conduct (C-216). All case file materials shall be retained in the Office of Student Conduct.
3. The "preponderance of the evidence" standard is a lower one than the "beyond a reasonable doubt" standard employed in criminal prosecutions within the court system. A student will be found responsible for a conduct violation when the credible evidence presented proves that the conduct violation was “more likely than not” to have occurred.
4. The right to remain silent and not present evidence against her/himself.
5. Opportunities to both question those who provide information at the proceeding and respond to any information being presented against her/him. Formal rules of evidence shall not be applicable pursuant to the Code of Conduct. The Board

- Advisor/Hearing Officer shall give effect to the rules of confidentiality and privilege, but shall otherwise admit all information for consideration that reasonable persons would accept as having material value. Unduly repetitious or irrelevant information may be excluded.
6. Any member of the community may, upon showing relevance and necessity, request witnesses to appear at a proceeding. Character witnesses are not permissible in campus disciplinary proceedings. It is the responsibility of the complainant and the charged student to notify the Office of Student Conduct, by fax, electronic mail, or in writing of the persons they wish called as witnesses at least three (3) business days before the proceeding. The Office of Student Conduct will notify individuals who are identified as witnesses that their appearance is required. It is generally expected that witnesses will appear in person to give testimony. Under rare circumstances, the Board Advisor/Hearing Officer may accept a written statement from a witness who has been excused from attending a hearing. Witness statements that are not submitted through the Public Safety Department where the identity of the witness can be confirmed. Witness statements that are not submitted through the Public Safety Department must be signed, dated, and notarized. The decision as to whether such a document or any other alternative means of testimony may be used lies solely with the Board Advisor/Hearing Officer. Non-students may be called to serve as a witness at the discretion of the Board Advisor/Hearing Officer. Students who refuse to appear as witnesses (or make arrangements to submit a written statement) for either the complainant or the charged student may be charged with “failure to comply with the directions of College officials, including campus Public Safety officers, or officers of the law, acting in performance of their duties (Code H.17).” Witnesses will be excluded from the proceeding during the testimony of other witnesses. All parties to the case, witnesses, and the public shall be excluded during any deliberations determining responsibility or sanctions.
 7. Students charged with alleged violations, complainants, and witnesses may be accompanied by an advisor who may be an attorney. Advisors may provide counsel to the student, but may not speak on their behalf nor appear in lieu of the student. A student who wishes to have an attorney as an advisor must inform the Office of Student Conduct, in writing by fax, electronic mail, or by telephone at least three (3) business days before the scheduled proceeding. When informed that an attorney will be present at the proceeding, the College may consult with the College’s Legal Counsel/Vice President for advice on whether legal counsel for the College should also be present.
 8. In accordance with current guidelines established in the Family Educational Rights and Privacy Act (FERPA), the New Jersey Open Public Records Act (OPRA) and implemented by Ramapo College, the record of most disciplinary proceeding’s findings is not open to the public. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, permits the disclosure of campus disciplinary system findings to victims of "crimes of violence". In addition, FERPA now permits, once all appeals are exhausted, the final results of campus disciplinary proceedings for crimes of violence to be disclosed to the complainant, including the name of the accused held responsible and the nature of the offense. Parents or guardians may be notified in certain cases involving violations of campus drug or alcohol regulations once all appeals have been heard or when the Dean of Students deems the matter a health or safety emergency (see the College’s Alcohol and Other

- Drug Policies for more information). Complainants in other kinds of cases will be notified about case adjudication and sanctions imposed if, in the Dean of Student's or her/his designee's opinion, such disclosure is necessary to protect the safety of the complainant or of other members of the community. If FERPA or other pertinent regulations change, the complainant and the student charged will be notified before a proceeding is held. Note: Since the College does not have campus police officers, certain records of actions taken by outside police authorities are normally public information and are not subject to laws governing the privacy of College records.
9. In cases where a student charged does not appear after proper notice and has no justifiable reason for non-appearance, the finding will be an "uncontested admission of violation" and an appropriate sanction will be imposed. Please see Section R for information on appeals.
 10. Hearings will not be postponed unless under unusual circumstances set forth in the "Justifiable Excuse" policy for non-appearance. The policy is available in the Office of Student Conduct. Requests for postponement by third parties, including counsel, will not be considered.
 11. Whenever a Suspension of Residence Privileges, a College Suspension, or an Expulsion is considered as possible sanctions, the proceeding will be recorded. Other proceedings may be recorded at the discretion of the College. The recordings are solely for the purpose of providing assistance to the Hearing Officer/members of the College Disciplinary Review Board or to the Appeals Officer in their deliberations. The recordings remain the property of the College and constitute an official record of the proceeding.
 12. Final decisions and a listing of any sanctions imposed will be noted by the Board Advisor/Hearing Officer who will be responsible for ensuring such information is conveyed in writing to the charged student and to all others as deemed necessary or appropriate. The finding will be e-mailed to the charged student no later than ten (10) business days following the date of the hearing. Notification of others with a need or right to know under the law will only take place after all possible appeal processes have upheld the finding.
 13. Records of findings and sanctions are retained as indicated on the Hearing Results Form. The file of a person involved in disciplinary actions may be retained as a record for an indefinite period unless a time-defined limit is indicated on the Hearing Results Form.
 14. Except as specifically provided by laws referenced in Section J.8, under the New Jersey Open Public Records Act, the outcomes of College disciplinary hearings and academic actions against a student are privileged and confidential to the extent that disclosure of such records would reveal the identity of the student.

K. College Disciplinary Review Board Structure

The College Disciplinary Review Board shall be comprised of five members, two of whom shall be matriculated students, and the other three of whom shall be members of the faculty or staff. A quorum consists of any three members of the Board. Decisions are made by majority vote and the process does not allow for abstentions. College Disciplinary Review Boards will be impaneled on a case-by-case basis from a list of volunteers who have agreed to the principles and procedures outlined in the Code of Conduct and in the College Disciplinary Review Board Manual. All members of the College Disciplinary Review Board

are trained by the Office of Student Conduct and receive continuous education training at the discretion of the Director of Student Conduct.

Each College Disciplinary Review Board hearing will be guided by a Board Advisor, who is normally an employee of the Office of Student Conduct. The Board Advisor may comment on questions of procedure and admissibility of information presented and shall not be excluded from hearings or Board deliberations. The Board Advisor shall not vote. The Board Advisor shall exercise control over the manner in which the hearing is conducted to avoid unnecessarily lengthy hearings and to prevent the harassment or intimidation of all those providing testimony. The Board Advisor may make accommodations for the safety and well-being of the complainant, charged student, and witnesses by providing separate facilities for testimonies, using a telephone, videophone, videotape, audio tape, written statement, or other means on a case by case basis. These accommodations are made at the sole judgment of the Board Advisor. Anyone who disrupts a hearing or who fails to adhere to hearing guidelines may be excluded from the proceedings. The Board Advisor will ensure that the Board follows the procedures outlined in the Code of Conduct and in the College Disciplinary Review Board Manual.

L. College Disciplinary Review Board Hearing Format

At the time, date, and place scheduled, the hearing shall be conducted under the guidance of the Board Advisor. All proceedings before the College Disciplinary Review Board shall be recorded and shall adhere to the following format:

1. The Board Advisor shall convene the hearing and introduce all the parties involved in the proceeding, and the students' advisors, if any.
2. The Board Advisor will not apply the technical rules of evidence followed in criminal or civil proceedings nor entertain technical legal motions. Technical legal rules pertaining to the wording of questions, hearsay, and opinions will not be formally applied. Reasonable rules of relevancy will guide the Board Advisor in deciding on the admissibility of information. Reasonable limits may be imposed on the number of witnesses and the amount of cumulative evidence that may be introduced.
3. Any objections to the due process requirements shall be entered on record and the Board Advisor shall make any necessary rulings regarding the validity of such objections.
4. The alleged violation(s) upon which the complaint has been based shall be read by the Board Advisor. The charged student will be asked to enter a plea to each alleged violation. (In a case where a charged student pleads "responsible" for all charged violations, there will be no formal hearing on the charges. The charged student, the complainant and/or the victim will be permitted to make brief statements of explanation to the Board if they so wish. The Board will deliberate in private and determine a sanction.)
5. The complainant shall provide her/his narrative of the events describing the alleged violation(s).
6. The charged student shall then provide her/his narrative (if not electing to remain silent).
7. The charged student shall have the opportunity to ask questions of the complainant followed by questions from the Board.
8. The complainant shall have the opportunity to ask questions of the charged student, followed by questions from the Board.

9. The complainant shall be given the opportunity to call witnesses.
10. The charged student shall be given the opportunity to question each witness of the complainant after s/he testifies, followed by questions from the Board.
11. The charged student shall be given the opportunity to call witnesses.
12. The complainant shall be given the opportunity to question each witness of the charged student after s/he testifies, followed by questions from the Board.
13. The Board Advisor may adjourn the hearing for a brief period of time so that concise closing statements can be prepared.
14. The charged student shall present her/his closing statement followed by the complainant.
15. The hearing shall be concluded and the members of the College Disciplinary Review Board shall deliberate in private until the final decision is reached and recorded.

Note: A determination that a violation has occurred shall be followed by a deliberation concerning the appropriate sanction to be imposed. The past disciplinary record of the charged student shall not be supplied to the Board by the Board Advisor prior to this point. Other information from either party to the hearing, including a written victim impact statement if appropriate, or from the Board Advisor which is relevant to the choice of sanction may also be introduced at this point, including information concerning penalties assessed against other students for similar offenses. No information directly related to the case in question may be introduced for the first time at this point in the proceeding unless the charged student has been informed and allowed to review and comment on the material.

M. Interim Suspension Policy

The College is committed to protecting its community members from the risk of harm and preserving the integrity of its educational environment. The College has the right to issue an Interim Suspension when the student engages, or threatens to engage in behavior(s) which poses a danger of causing harm to others, **or** when the student exhibits behavior(s) that renders him/her unable to effectively function in residence areas and/or the College, **or** when the student exhibits behavior(s) that significantly interferes with the educational pursuits and/or living environment of others. When a student engages in or threatens to engage in such behavior, the most effective emergency response to protect the health and safety of the student and the community may be to require the student to leave the campus for a period of time. While an Interim Suspension is in place, the College will gather information and investigate the allegation(s) in order to make an individualized assessment of the risks posed by the student's reported behavior and whether those risks may be mitigated to protect the health, safety, and learning environment of others.

1. The Interim Suspension is issued to the student in writing via the Notice of Interim Suspension form. Interim Suspensions become effective immediately based upon evidence that the continued presence of the student on the campus may pose a significant threat of causing harm to others, **or** when the student is unable to effectively function in residence areas and/or the College, **or** when the student's behavior(s) significantly disrupts the educational pursuits and/or living environment of others.
2. The College has authorized official representatives to make the administrative determination that the Interim Suspension of a student is necessary. Those officials are:
 - a. On-Call Administrators, Counseling Services Staff, Director of Student Conduct, and Residence Life professional staff.

- b. In the absence of the aforementioned College officials, the designees are: Assistant Director of Student Conduct, Director and Assistant Director of Public Safety, and Tour Commanders.
3. While on an Interim Suspension, the student may not be present anywhere on College property pending further evaluation of the circumstances that led to the suspension. The student's College identification card will be confiscated and held in the Student Affairs office, pending the outcome of the Interim Suspension hearing. Upon notice of an Interim Suspension, the student must leave the campus no later than the time listed on the Notice of Interim Suspension Form. Non-compliance may result in arrest for trespass and the student may be subject to the College's disciplinary process.
4. A student placed on Interim Suspension who wishes to return to the campus is required to make an appointment for a hearing with the Dean of Students (or designee). The Dean of Students reserves the right to have another professional staff member present at the hearing in order to provide consultation. The College will make a reasonable effort to promptly schedule this hearing. Unless under unusual circumstances, the hearing will take place within 5 business days from when the student calls for the appointment. The purpose of the Interim Suspension hearing is to determine the following:
 - a. The reliability of the information concerning the student's conduct, including the matter of his/her identity.
 - b. Whether or not the student's conduct and surrounding circumstances reasonably indicate any or all of the following:
 - i) engages, or threatens to engage, in behavior(s) which poses a danger of causing harm to others;
 - ii) exhibits behavior(s) that renders the student unable to effectively function in residence areas and/or the College;
 - iii) exhibits disruptive behavior(s) that significantly interferes with the educational pursuits and/or living environment of others.
5. Depending on the circumstances, an Interim Suspension may lead to the issuance of an Involuntary Leave of Absence to those students who are determined by the Dean of Students (or designee), in consultation with the Health and Counseling Services staff, to require medical or psychological evaluation or intervention prior to returning to the College (see Involuntary Leave of Absence Policy).
6. If it is alleged that a Code of Conduct violation has occurred, the Office of Student Conduct will schedule a disciplinary proceeding at another time to adjudicate the charges against the student. Following the Interim Suspension hearing, the Dean of Students (or designee) shall notify the student, within three (3) business days, whether the Interim Suspension has been lifted, or will continue pending the outcome of a disciplinary proceeding. The student will receive written notice of the charges against him/her via a Notice of Disciplinary Proceeding issued by the Office of Student Conduct. The disciplinary proceeding will comply with the procedures outlined in the Code of Conduct.
7. An Interim Suspension, in and of itself, does not become part of a student's permanent disciplinary record.
8. The Dean of Students (or designee of the Dean of Students) reserves the right to place a registration hold on the account for a student who has been issued an Interim Suspension (see Transcript Hold policy in the Student Handbook).

9. There will be no refund of tuition, room, or board charges after the published deadlines if withdrawal from courses and/or campus residence is affected because of an Interim Suspension.

N. Faculty Responsibilities to Students on Interim Suspension

A student on interim suspension retains his/her status as a student and, as such, may attempt to complete coursework while banned from College property. The Dean of Students, who manages the interim suspension process, will inform the student that he/she may contact his/her faculty by Ramapo College e-mail or by other means that do not require a physical presence on campus. A faculty member who receives a request from a student on interim suspension to submit coursework should consider the following:

- course policies
- course schedule
- course material
- planned learning experiences

The faculty member is not required to amend the syllabus or any other aspect of the course in order to accommodate the student's request and may deny the student's request altogether. If, based on this criteria, a faculty member chooses to accommodate the student's request, he/she should communicate that decision to the student by Ramapo College e-mail. That communication should indicate the coursework to be completed, the deadline, and the means by which the student should submit the coursework. In no case should the student be permitted to return to campus to submit coursework while on interim suspension.

A student on interim suspension will likely be absent from one or more class sessions. The faculty member may follow the attendance policy as outlined in the course syllabus and apply the attendance policy consistently to all students. In cases when a student may be absent from class for a more prolonged period of time, the Dean of Students will notify the faculty member.

O. Sanctions

The following sanctions singly or in combination may be imposed for violations of; Section H: Prohibited Conduct. All findings result in written notification being placed in the student's disciplinary file in the Office of Student Conduct. Sanctions for group or organization misconduct may include revocation or denial of recognition or registration, de-funding, or the imposition of other appropriate sanctions.

A student who fails to complete the terms of a campus disciplinary sanction by the given deadline may have her/his registration for a subsequent semester postponed or terminated until all terms of the sanction have been completed. Students who fail to comply with a sanction may be charged with "violating the terms of any disciplinary sanction or actions required by a college office for reasons of health and safety or college policies imposed in accordance with this Code and the Guide to Community Living (Code H.6)." A student, with incomplete disciplinary sanction(s), that is no longer enrolled at the College will have a registration hold placed on their account and sanctions placed in hiatus. Should a student re-enroll at the College, the sanctions must be completed. Monetary fines are the exception to this rule, as they are immediately posted on a student's bursar bill.

1. **Official Warning:** A written statement indicating a violation of the Code of Conduct has occurred and warning that a subsequent violation will likely be treated more severely.
2. **Restitution Requirement:** The student may be required to provide the College with financial restitution for the restoration or replacement of property that was damaged, defaced, lost, or stolen. Students seeking a financial award from other students for damages or compensation for stolen/damaged items should seek further assistance from the Mahwah Municipal Court. The student conduct process does not have jurisdiction in this area.
3. **Residence Probation:** A defined period of time whereby a student living in College residence facilities is given an opportunity to modify his/her behavior or risk losing the privilege of living on campus. Any subsequent violation of the Code of Conduct, while in this status, will likely result in suspension of residence privileges.
4. **Suspension of Activity Privileges:** The student cannot be a member of a recognized or registered student organization, participate in the organizations' regularly scheduled activities, serve as a representative of the College, or participate in intramural, club, or intercollegiate sports. Notification of this sanction/status will be sent to appropriate College officials so they will know who may not participate in activities sponsored by their offices.
5. **Disciplinary Probation:** A defined period of time whereby any registered student is given an opportunity to modify her/his behavior or risk losing student status. Any subsequent violation of the Code of Conduct, while in this status, will likely result in suspension or expulsion from the College.
6. **Loss of Campus Housing Selection Privilege:** Students assigned this sanction may only enter the selection process as an "individual." Students are not permitted to join a "group" or be pulled into a group. Students must follow the necessary procedures outlined within the housing selection materials in order to secure housing as an individual.
7. **Housing Relocation:** Students assigned this sanction will be required to relocate to a new residence hall assignment. This sanction may include restriction from visiting in the previous residence hall.
8. **Suspension of Residence Privileges:** The student's privilege to live on campus and visit the residence areas of the campus is suspended for a defined period of time. The student is not entitled to any refund of campus housing and/or meal plan fees once the standard refund periods have expired.
9. **College Suspension:** Beginning on the date the suspension takes effect, the student may not attend classes or submit any further work for their courses. In addition, the student may not be present on the campus nor at a College-sponsored event for any reason whatsoever for a specified period of time. The student is not entitled to a refund or any tuition or fees after the scheduled refund dates.
10. **Expulsion:** Beginning on the date the expulsion takes effect, the student may never again register for classes, may never attend classes, or submit any further work for the courses in which they are currently registered. In addition, the student may never be present on the campus nor at a College-sponsored event for any reason whatsoever. The student is not entitled to any refund or any tuition or fees after the published refund dates. (See Registrar and Transcript Notations, Section Q).

11. **Monetary Fines:** For some policy violations, students will be required to pay monetary fines. Examples of violations where students may be issued a fine include, but are not limited to, alcohol and other drug violations, fire safety violations, social gathering violations, and incidents involving non-compliance.
12. **Community Restitution:** The assignment of imposed services hours and/or participation in educational programs or projects.
13. **Other Sanctions:** Other sanctions may be imposed in addition to, or instead of those described in #1 through #12.

Educational Sanctions: Essay or research projects may be assigned. Students may have community restitution projects assigned. Students who are found responsible for Code of Conduct violations which involve alcohol/drug use and/or abuse, or who otherwise engage in behavior associated with alcohol/drug use and/or abuse, may be required to attend educational programs intended to inform them about alcohol/drug use and/or abuse.

Mental Health Assessment: A student may be required to participate in a mental health assessment through the Center for Health and Counseling. Students are strongly encouraged to follow the recommendation of the mental health practitioner.

Restriction of Privileges: Students may have their alcohol allowed privileges for their living unit temporarily or permanently revoked. Students may have residence area visitations or campus driving or parking privileges limited or revoked.

Please note: There will be no refund of tuition, room, or board charges after the published deadlines if withdrawal from courses and/or campus residence is affected because of violations of the Code of Conduct. Students should be aware that a conviction in criminal court for certain controlled substance offenses including drug possession and/or sale may have them declared ineligible for Federal financial aid for a period of time.

Determination of Sanctions

Factors to be considered in deciding sanctions shall include the past disciplinary record of the student, the nature of the offense, and severity of any damage, injury, or harm resulting from it as perceived by the victim and/or appropriate College official. The (ab)use of alcohol shall be considered an aggravating rather than a mitigating factor. Violations of the Code of Conduct proving to have been motivated by illegal bias will result in the imposition of more severe sanctions. Victims may submit written statements to the Office of Student Conduct detailing the effect the offense has had upon them and their ability to function as students.

Access to Electronic Mail Accounts

Students or former students may have their privilege to use an e-mail account issued through the College revoked for a specified period of time. Specifically, students who have been suspended or expelled from the College, may have their e-mail account terminated immediately (or directly after all appeal procedures have been exhausted).

P. Conduct Code Violations' Effect upon Graduation

A student found responsible for violations of the Code of Conduct, which could have led to College Suspension or Expulsion had s/he remained a registered student at the College and who has otherwise satisfied the College's published requirements for graduation, may have

the awarding of her/his degree postponed to a future date or permanently withheld. A student whose graduation is postponed or permanently withheld may also be refused a copy of her/his official transcript and cannot have it sent to others during the period of her/his sanction. In cases where graduation is delayed due to pending charges, cases normally will be adjudicated within as short a period of time as possible. A graduating student found responsible for violations of the Code of Conduct, which result in the imposition of a fine or restitution of money or goods valued in excess of \$100.00, may be refused an official copy of her/his transcript and cannot have it sent to others while these charges remain on her/his college account.

Q. Registration Holds For Disciplinary Reasons

A student who fails to complete the terms of a disciplinary sanction by the given deadline may have her/his registration for a subsequent semester postponed or terminated until all terms of the sanction have been completed.

R. Registrar and Transcript Notations

When academic action is taken, it is noted on the student's official College transcript, this may range from an Academic Warning to an Academic Dismissal.

S. Appeals

Only disciplinary determinations that result in a Suspension of Residence Privileges, College Suspension, or Expulsion may be appealed to the Dean of Students by the student charged. A sanction for group or organization misconduct which revokes or denies recognition or registration may also be appealed to the Dean of Students by the organization's president or identifiable spokesperson.

Appeals are not heard in person; instead all requests for appeal must be submitted in writing to the Dean of Students Office within five (5) business days from the date on the letter notifying the person charged of the original decision. Failure to appeal within the allotted time will render the original decision final. Appeals shall be decided upon the record of the original proceeding and upon the written appeal letter. If the Dean of Students finds grounds for a modification or reversal, then s/he may dismiss the case, change the sanction, or remand the case to the original or another College Disciplinary Review Board for review or rehearing. If the disciplinary determination was reached by an "Admission of Violation" by the charged student or by the accused student admitting responsibility; the only acceptable grounds for appeal will be if the sanctions are disproportionate to the offense.

Appeals shall be approved only on one or more of the following grounds:

1. If the sanctions are found to be significantly disproportionate to the offense;
2. If the specified procedural error or errors in the interpretation of the College regulations were so substantial as to effectively deny the person charged a fair hearing;
3. If new and significant evidence becomes available which could not have been discovered by a properly diligent person before or during the original hearing;
4. If the decision is held to be arbitrary and capricious.

The imposition of sanctions is normally deferred during the appeal process although sanctions may go into effect immediately if the Dean of Students deems it necessary. The decision of the Dean of Students is final. There is no further appeal within the College.

DISSECTION OF PLANTS AND ANIMALS

Dissections of plants and animals are expected of students in many of our courses including, but not limited to, Fundamentals of Biology, Anatomy and Physiology, Comparative Anatomy, Marine Invertebrate Biology, Plant Propagation, and General Botany.

Dissections show a complexity in organisms that is invisible to models and computers. Although these are useful tools in the laboratory, they do not show the complicated relationships that exist among structures in dissection specimens. It is knowledge of internal anatomy of organisms which informs an understanding of function and physiology. Furthermore, morphological change during time and space is the cornerstone of an understanding of taxonomic and evolutionary relationships. The Biology Faculty has a deep respect for all organisms, living and dead. They are committed to using the minimum number of dissection specimens necessary for high quality instruction. They understand some students find dissection objectionable for moral/ethical reasons. In such cases where a student is unable to dissect, they will supply that student with as many alternative experiences as possible. These alternatives may include models, electronic sources of information, photographs, and demonstration dissections. In any event, they do hold each student responsible and accountable for mastery of all course materials including dissected material.

The broad judgment among biologists is that dissection is vital to understanding core biological concepts. Although they embrace that position, they try to accommodate every student who wants to learn biology.

ENTERING CLASSES IN SESSION

During the regularly scheduled meeting time for a course, announcements by students or others from outside the class may not be made unless the professor has authorized, in advance and in writing, that the announcement will be permitted.

Specifically, students may not interrupt a class to discuss matters unrelated to that course's curriculum as defined by the instructor:

- unless invited or permitted to do so in advance by the instructor or
- when a matter of significant overall college importance requires that an exception be made to this general policy by the President or his/her designee.

Normally, students should communicate with other students about non-academic announcements through posters and signs that meet college requirements, students should call the Office of Student Affairs at (201) 684-7456 for guidance.

FERPA

The Family Educational Rights and Privacy Act of 1974 protects the privacy of student education records. The Act provides for the right to inspect and review education records,

the right to seek to amend those records and to limit disclosure of information from the records. The intent of the legislation is to protect the rights of students and to ensure the privacy and accuracy of education records. The Act applies to all institutions that are the recipients of federal aid administered by the Secretary of Education.

To protect the rights of students regarding these records, the College has established policies and guidelines that describe the records maintained, provisions for releasing information, provisions for student inspection and review of records, and provisions for changes in records when warranted. These policies are generally supervised by the Office of the Registrar. Additional information regarding FERPA can be found on the web: <http://www.ramapo.edu/registrar/ferpa/>.

In accordance with The Family Educational Rights and Privacy Act (FERPA), Ramapo College of New Jersey will only disclose confidential information from the education records of students to parents or other third parties provided the College has written consent from the student on file. A FERPA Waiver is available as a means for students to give the Registrar (or designee) permission to discuss their educational records with someone other than themselves (i.e., with a parent, guardian, etc.). The FERPA Waiver form is available in the Office of the Registrar or can be found on the web: <http://www.ramapo.edu/registrar/forms-transcripts/>.

Written consent will be kept permanently on file, and the Office of the Registrar (or designee) will release information regarding the student's education record to the person(s) who have been designated on this form. If for any reason a student decides to cancel this release, he/she must submit a letter withdrawing the consent, indicate the person(s) affected, and send or deliver the written notice to: Ramapo College of New Jersey, Office of the Registrar, 505 Ramapo Valley Road, Mahwah, NJ 07430.

The following information is considered part of the public record and may be disclosed upon request without the written consent of the student; unless the student has filed an objection with the Office of the Registrar (the student's home address or on-campus address is not directory information and may not be disclosed):

- Student's name
- Class level
- Ramapo College email address
- School and major field of study
- Participation in officially recognized activities and sports
- Photographs
- Honors, listed by town
- Dates of attendance
- Degrees and Awards received
- Current enrollment status (full/part time)

FIRE SAFETY

Fire safety is a high priority at the College. Fire safety procedures at Ramapo College promote lifestyle practices that focus on health and safety. Policies and procedures

associated with fire safety are intended to inform, educate, and train students, faculty, staff and guests.

The Fire Safety Policies and Procedures, required reading for all students, are included in the Guide to Community Living; located at the following web address:

<http://www.ramapo.edu/students/reslife/guides.html>

Or visit the Fire Safety website for more comprehensive life safety information, including the Fire Safety Policies and Procedures covered in the Guide to Community Living. The web address is: <http://www.ramapo.edu/ehs/fire-safety/#policies>

FIRE SAFETY SYSTEMS ON CAMPUS

Fire safety policies and procedures, as well as information related to the Higher Education Opportunity Act Fire Safety Requirements, are posted on the web:

<http://www.ramapo.edu/ehs/fire-safety/>. Students are required to know proper fire evacuation procedures, be aware of the policies associated with student conduct, and know the sanctions for noncompliance with these policies.

All residence buildings have sprinklers and smoke and/or heat detector early warning devices. Students will be held accountable for inadvertently setting off these alarms. The most common types of violations are: the use of prohibited aerosol products, unattended cooking, and producing too much steam from the shower. Resident students are responsible for knowing the fire safety policies, procedures, prohibited items, and student actions that might trigger the fire alarm by accessing the Guide to Community Living.

Guide to Community Living:

<http://www.ramapo.edu/students/reslife/guides.html>

The devices are very sensitive. False alarms not only endanger the life and safety of all residents; but also the life and safety of the community, local police, the Mahwah Volunteer Fire Department and residents of the Mahwah Township.

Inadvertently setting off a fire alarm (due to unattended cooking)

1st offense - \$150.00 fine & completion of a fire education safety paper

2nd offense - \$300.00 fine & residence probation & possibly moved to a non-cooking facility

3rd offense – Removal from housing

Inadvertently setting off a fire alarm (due to non-cooking related issues, i.e. blow drying hair right under the smoke detector, spraying aerosol into air, hot showers)

10 hours community restitution & completion of a fire education safety paper

Tampering with fire alarm equipment

Students are prohibited from tampering in any way with fire safety suppression, detection, and any other fire safety equipment. Fire safety equipment includes, but is not limited to: fire extinguishers, pull stations, bells, smoke detectors, heat detectors, hydrants (including

attachments), hoses, standpipe cabinets, sprinklers, sprinkler pipes and alarm panels. Tampering includes, but is not limited to: covering with any products such as food, clothing, hats, and shower caps.

1st offense - \$500.00 fine & completion of a fire education safety paper

2nd offense – The case is referred to the College Disciplinary Review Board (see Code of Conduct, Section I: Adjudication of Cases).

False Alarms

Anyone alleged to have caused a false alarm will be referred to the Office of Student Conduct and also may be subject to prosecution to the fullest extent of the law

Fire Alarms and Failure to immediately evacuate from the building including failure to evacuate after warning and/or failure to evacuate at all.

\$100.00 fine

Prohibited Items and Actions

When it comes to fire safety, certain items and actions can compromise the safety of all within our community. Therefore, such items and actions are prohibited. If uncertain about a particular item or action, you are encouraged to bring such item(s) to or discuss plans that may compromise fire safety with your Resident Director who may refer you to Dennis Harrington, the College Fire Marshal. He can be contacted at dharring@ramapo.edu.

GENERAL EVENT PHOTOGRAPHY AND VIDEO POLICY

Students enrolled at Ramapo College may be included in marketing and communications materials, including the website and social media, via photographs and/or video. As a general rule, it is not necessary to obtain an image/photo release of any individual or group that is photographed or videoed in public venues or attending public events in order to use those photos or videos to promote Ramapo College of New Jersey. Public event venues include, but are not limited to: public spaces across campus, exterior walkways, entry ways, hallways, atriums, classrooms, sports fields, Bill Bradley Sports and Recreation Center, theaters, art galleries, bookstore, nature trails, Kameron Pond, the parking lot, the bandshell field, the Grove courtyard area, around and near the Havemeyer Arch, common congregation areas such as the dining halls, Curtin Call Cafe, student lounges, Robert E. Scott Student Center, residence area lounges, lawns/courtyards or outdoor spaces in front of and nearby residence halls, assembly areas, and all other similar public spaces.

If, however, an individual is photographed and/or videoed while in a public space and is easily recognizable in the photograph or video, the Office of Marketing and Web Administration or the Office of Communications and Public Affairs will obtain a Release Form from the student if the photograph or video will be distributed or published to organizations outside of Ramapo College of NJ. If a student is knowingly photographed while in a public space and prefers that their image not be used, it is their responsibility to inform the photographer of their preference at the time the photograph is taken. If a student intentionally and knowingly poses for a photo, their involvement in the photograph indicates a reasonable consent to use their image.

Students who have a concern about the use of their image or who would like the College to remove their image from being used can contact the Office of Marketing and Web Administration and/or the Office of Communications and Public Affairs. Both offices are located in Suite D-211 and can be reached at (201) 684-7602.

GOOD SAMARITAN POLICY

Objective: To save lives and acknowledge that student health and welfare are essential.

Philosophy Statement: The College takes pride in the partnership that exists between students and the officials who respond to emergency situations. The health and safety of students as it relates to critical incidents regarding alcohol and other drug use, misuse, and abuse are of paramount concern; especially when the individual is in need of timely medical assistance. Students must never hesitate to contact authorities when they suspect they themselves, another student, or a non-student is in need of urgent medical care stemming from their use of alcohol or other drugs because they are concerned that the incident may lead to disciplinary actions for themselves or others. In case of emergency students must call the Public Safety Department, (201) 684-6666, a Resident Assistant, or dial 911 from a cellphone.

Examples of critical incidents where students are encouraged to activate the Good Samaritan Policy by calling for help:

- A student is apprehensive to call for help because s/he has consumed enough alcohol (or other drugs) to be considered to be in an intoxicated state in violation of laws and/or college policies;
- A student is reluctant to call for help for another student who is unconscious, unresponsive, or violently vomiting due to alcohol or other drug use;
- A student is hosting a social gathering where alcohol or other drugs are available. An attendee at the gathering is intoxicated and in need of medical attention;
- A student is attending a social gathering where alcohol or other drugs are available. A person is intoxicated and in need of medical attention;
- An intoxicated student has been “put to bed” by a peer fearing that calling for help will involve disciplinary actions and/or parental notification.

Protocol:

- The Good Samaritan Policy is applied after an incident has been reviewed in the Office of Student Conduct. College personnel responding to an incident will follow all protocols on the scene, including documentation of the incident and of those involved.
- The Good Samaritan Policy applies to students who seek medical attention for themselves or students seeking help for another intoxicated individual. Medical attention includes an assessment by first-responders.
- Other violations of the Code of Conduct documented, including but not limited to: the threat of harm to others, damage to College property, violations of the College Hazing Policy or sexual victimization may be referred to the Office of Student Conduct for review and possible disciplinary action or referrals to the Center for

Health and Counseling Services. In other words, other Code of Conduct violations associated with the incident may NOT be granted amnesty.

- The Good Samaritan Policy exists so that students will do the right thing and seek medical attention for themselves or others without the fear of disciplinary outcomes. The incident does not become recorded on the student's official disciplinary record in the Office of Student Conduct. A record will exist in the Office of Student Conduct that the incident transpired, but is not normally reportable to outside employers, agencies, or noted on a transcript. The record exists to track the student's behavior should there be another incident of a similar nature. **Please note that some background checks for local, State, and/or Federal levels of employment require the full disclosure and release of all student records.**
- College officials will use the protocols in place for communicating with a student's emergency contacts should a student be hospitalized or if it is deemed by officials to be a dangerous or potentially dangerous condition or circumstance. In other words, the student's emergency contact person will most likely be called.
- As per college protocol, a student who is transported to the hospital for an alcohol or drug related incident will be issued an Interim Suspension. An Interim Suspension is not a disciplinary action and is therefore not covered by the Good Samaritan Policy. The student should follow the Interim Suspension guidelines for reinstatement to the College.
- **The College reserves the right to review each occurrence and make determinations on a case by case basis.**

Full Amnesty: Violations of the Code of Conduct that fall under this policy will not be referred to the Office of Student Conduct for formal action. The student(s) involved will be asked to meet with the Director of Student Conduct (or designee) to discuss the incident and the Code of Conduct. The Director (or designee) may make recommendations to the student(s) that include education and/or intervention through the Center for Health and Counseling Services. In cases where the student is hospitalized, an alcohol and other drug assessment with the Center for Health and Counseling Services will be strongly encouraged and the student may expect a counselor to follow up with her/him depending on the results of the assessment.

Provisions: This policy is in place to provide help and support for the health of Ramapo College students in isolated situations. It does not excuse or protect those who repeatedly violate College policy. In most cases, the Good Samaritan Policy will be applied once - either to the intoxicated student, those that have served alcohol or other drugs, or those attending social gatherings. In other words, repeat offenders may have their cases referred to the Office of Student Conduct for a formal disciplinary review.

Responding officials will use standard protocols for documenting information and collecting identification. All students are expected to comply and provide identification. Students should not assume that the Good Samaritan Policy applies to them at the time of the incident.

GUEST AND VISITATION POLICY

Guest Procedures

Guests are allowed in the halls as long as they comply with all Residence Life policies and procedures and do not disturb the normal operation of the building. Guests must carry the appropriate valid identification on them at ALL times as well as their approved Guest Registration Form. Guests must remain with their resident (host) at all times. Residents may submit a Guest Registration Form prior to their guest's arrival, however all required information needs to be filled out fully.

Residents will be held accountable for the behavior and actions of their guest(s).

Each registered guest is allowed to stay on-campus no more than three (3) nights (consecutively or not) within a seven (7) day period. A night begins and ends at 10:00PM. RCNJ residents are allowed to host up to two (2) guests at any given time.

All guests residing on-campus past the hours of 10:00PM must carry an approved Guest Registration Form and the appropriate valid form of identification at all times. Guests may not move from host to host to stay on-campus more than three (3) nights.

Current RCNJ residential students do not need to be registered as a guest. All residents are responsible for the behavior and action of their guests.

The College automatically assumes that all residents within a shared housing unit (room/suite/apartment) agree to permit their roommate, suitemate, or apartment-mates to register guests in their shared housing unit, without having to provide prior acknowledgment of those guests. However, residents have the right to opt-out of this automatic Guest Registration by contacting their Resident Assistant to facilitate a roommate/suitemate/apartment contract. As with any roommate/suitemate/apartment contract, if someone violates the terms of the contract, staff in the hall/area office must receive a formal complaint before they can act upon it. It is important to note that once a complaint is received for a particular room/suite/apartment, all residents of that space may lose guest privileges until they come together and a contract is developed.

It is essential that students adhere to the Social Gathering Policy for the assigned room/suite/apartment. It is the responsibility of roommates/suitemates to alert the host of the guest of any issues or concerns they may have concerning any guests or the amount of guests entering their room/suite/apartment. It is recommended that students have open conversations with roommates/suitemates about guest expectations.

Adult Guests (18+)

An Adult Guest is defined as anyone who is age 18 years or older and not assigned to an on-campus student residence room, suite, or apartment.

Examples of Guests:

- RCNJ Commuter Students
- RCNJ Former Students
- Non-RCNJ Students

- Non-RCNJ Family Members

These individuals need a Guest Registration Form and can be registered any night of the week. All guests must remain with their hosts at all times. Guests must carry the approved Guest Registration Form and a valid form of identification.

Acceptable Identification: Any <u>current</u> government issued photo identification:		
State Driver's License	State issued photo identification card	Military Identification Card
Permanent Resident Card	Passport of any Country	

Unacceptable Identification: Any forms of identification that are not government issued with a photo will not be accepted for guests:		
Any college identification cards (Including Ramapo Commuter IDs)	General photo identification cards (i.e. – Work Identification cards, Volunteer Identification cards)	Birth certificates
Credit Cards of any kind (i.e. – Credit Card displaying the owner's face)		

Minor Guests (Under age 18):

A Minor is defined as a person under 18 years of age. Minor Guests are only permitted to visit on the weekends (Friday-Sunday).

Minors over the age of 14 must provide a current high school identification card. All other forms of acceptable Identification listed above will be sufficient as well.

Failure to adequately supervise guests who are minors may result in disciplinary action or termination of minor visitation privileges for the Ramapo resident.

It is highly recommended that anyone who wishes to host a guest (or guests), who is (are) a minor to notify his/her respective hall office in advance.

All guests, regardless of age, must abide by all Ramapo College, local, State, and Federal regulations and rules.

Guest Registration Availability and Submission:

In order to have a guest(s), the resident (host) must register his/her guest(s) by completing a Guest Registration Form and submitting it to the respective locations indicated in the chart in this section. Guest Registration Forms will **ONLY** be approved by the Residence Hall Office or Desk Attendant Booth of the host, with the exception of those who live in The Village or The College Park Apartments. When the Hall Offices of The Village and The College Park Apartments close, residents from those areas must get their Guest Registration Forms approved at the Residence Hall Office closest to their place of residence.

Residents who have agreed with their roommate/suitemate to grant permission prior to a guest visiting must provide their signature in the provided space on the form.

Please review the chart for where a Guest Registration Form can be obtained and submitted.

Guest policy Violations:

No one may use the guest procedure to evade paying proper residence hall charges. Guests may not move from host to host in order to stay on campus for more than the duration the policy states. Students and guests who are found to be in violation of these procedures will be documented by the Residence Life Staff or Public Safety Officers. Students who violate the Guest Policy may be referred to Office of Student Conduct and may be subject to a residence area ban. Individuals, such as runaways or others fleeing lawful parental authority, are not permitted as guests.

NOTE: Depending on the situation, the College reserves the right to change or limit guest procedures. Guest privileges will be revoked if actions impede the teaching and learning processes that are at the heart of the College's mission. Guests' personal behaviors should conform to the wishes of all the residents in the room/suite/apartment. It is the host's responsibility to report the misconduct of guest(s) to the Public Safety Department or Residence Life staff immediately.

Other Information:

There are designated times throughout the year when guest privileges are more restricted in order to conform with Residence Hall operations. Included here is a listing of these times and guest expectations and procedures. Residents who reside on campus may not use their residency to allow others to circumvent paying for housing.

COLLEGE HAZING POLICY

Students who are members of or are interested in becoming members of fraternities or sororities at Ramapo College are required to read and agree to abide by the Potential New Member (PNM) Bill of Rights. Their signatures indicate acceptance of this responsibility. Hazing includes organizing, engaging in, facilitating, or promoting any conduct that places or may place another person in danger of bodily injury (the consent of those hazed will not be accepted as a defense). Hazing and aggravated hazing are also crimes punishable under the provisions of Title 2C of the Statutes of the State of New Jersey. Failure to comply with any of the standards or requirements outlined in the New Member Bill of Rights (developed by the Attorney General of the State of NJ pursuant to N.J.S.A. 18A: 3-24 et. Seq.) will be considered a violation of the Code of Conduct. Subsequent changes in hazing laws are automatically included in the Code upon their adoption.

According to New Jersey law an individual is guilty of hazing if, "in connection with the initiation of applicants to or members of a student or fraternal organization, he or she knowingly or recklessly organizes, promotes, facilitates or engages in any conduct, other than competitive athletic events, which places or may place another person in danger of bodily injury." Additionally, "a person is guilty of aggravated hazing, a crime of the fourth degree, if he/she commits an act prohibited... which results in serious bodily injury to another person."

Ramapo College defines hazing as:

"Any action taken or situation created, intentionally, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol during new member activities; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts,

scavenger hunts, road trips or any other such activities carried on outside or inside of the campus; wearing of public apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution or applicable state law."

Depending upon circumstances, these activities have at one time or another been construed as hazing by the courts and/or institutions of higher education. Such actions are often required or implied as conditions of inclusion or exclusion from a group, formal or informal. Thus, hazing may be perpetrated by individual(s), group(s), or part(s) of a group. Below are examples of hazing activities prohibited by College policy.

Examples of Hazing Activities Prohibited by Ramapo College:

- o. Engaging in unauthorized activities which involve compelling an individual or group of individuals to remain at a certain location or transporting anyone anywhere, within or outside the township of Mahwah i.e., road trips, treasure and scavenger hunts, kidnapping, sneaks, drop-offs, etc.

- p. Forcing PNM's to perform individual acts or acts as a group which are crude, degrading and meant to embarrass and/or humiliate, i.e., acting like an animal, simulating sexual acts
- q. Assigning or endorsing pranks such as borrowing or stealing items, painting property and objects of others, or harassing other individuals or groups
- r. Non-physical harassment including yelling and screaming or calling individuals demeaning names
- s. Requiring any personal servitude to another individual or group such as running errands, cleaning, making food runs, cooking, performing someone else's academic work, requiring a PNM to be a designated driver* even if not involved in the activity

- u. Simulating or requiring activity of a sexual nature, or threatening to do so
- v. Expecting illegal activity or threatening to require illegal activity
- w. Psychological games used to intimidate PNM's, isolating PNMs and/or abandoning or falsely imprisoning PNMs

Hazing is hazing regardless of consent. Agreeing to any of the aforementioned activities or any other unauthorized activity does not make it acceptable.

Organizations may not employ practices that are contrary to governing body policy. Activities banned by governing bodies are also considered banned by Ramapo College of New Jersey. Where organization and college policies differ, the College policies will prevail.

Please note: This list by no means covers all activities and actions that can be considered hazing. Should students have questions or desire clarification on any of these items, please contact the Center for Student Involvement, Student Center Room 200, or call (201) 684-7593.

INVOLUNTARY LEAVE OF ABSENCE POLICY

Reason for this Policy

The College has an obligation to protect its community members from the risk of harm and preserve the integrity of its educational environment. Some student behaviors which threaten health and safety and disrupt the learning environment may prove to be caused by treatable medical or mental health conditions which are classified as disabilities under State and Federal discrimination laws. While Ramapo College of New Jersey reasonably accommodates students with disabilities in the College's educational facilities and programs in compliance with section 503 and 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 2008 (ADAAA), and any applicable State regulations, the College has an obligation to assess whether the student who is exhibiting harmful behaviors can be reasonably accommodated in the College learning environment without unacceptable risk to others. Pursuant to this policy, the Involuntary Leave of Absence may be imposed when a student behaves in a way which threatens harm to others, or when the student is unable to effectively function, or when the student's behavior significantly disrupts the educational environment of others. When determining whether and when the student can return from the Involuntary Leave of Absence, the College will consider evidence of the student's

medical or mental health conditions, disabilities, and other facts and circumstances contributing to the student's behavior, and make an individualized assessment of the student and the health and safety risks posed by the student's behavior.

Purview of this Policy

An Involuntary Leave of Absence is issued, in writing, by the Dean of Students (or designee), in consultation with the Center for Health and Counseling Services staff, following the issuance of an Interim Suspension, in which a student was immediately suspended from the entire campus pending further evaluation of the circumstances that led to the Interim Suspension. At the Interim Suspension hearing, the Dean of Students (or designee) meets with the student in person, and makes an individualized assessment of the student's behavior based upon the information available at the time of the hearing. At or after an Interim Suspension hearing, an Involuntary Leave of Absence may be issued. In very limited circumstances, the Dean of Students (or designee) may convert an Interim Suspension to an Involuntary Leave of Absence without an Interim Suspension hearing. An Involuntary Leave of Absence is issued when it has been determined by the Dean of Students (or designee) that the student demonstrated any or all of the following behaviors:

- a. Engages, or threatens to engage, in behavior(s) which pose a danger of causing harm to others;
- b. Exhibits behavior(s) that renders the student unable to effectively function in the residence areas and/or the College;
- c. Exhibits disruptive behavior(s) that significantly interferes with the educational pursuits or living environment of others.

Procedure

1. A student who is placed on an Involuntary Leave of Absence following the Interim Suspension hearing will remain suspended from the entire campus and will not be allowed to:

- a. attend classes on campus;
- b. represent the College in any way as part of a team, student organization, etc.;
- c. take tests on campus without prior permission of the Dean of Students (or designee);
- d. hand in work in person without prior permission of the Dean of Students (or designee);
- e. be on any part of campus for any reason without prior permission of the Dean of Students (or designee);
- f. use any of the College's services (e.g. academic or student services) in person without prior permission of the Dean of Students (or designee);
- g. work on an on-campus job or at an off-campus internship, co-op or other experiential learning placement arranged by the College.

2. The student will be required to submit any or all of the following documents and evidence required for an individualized assessment of the student:

- a. a written psychological evaluation by a New Jersey or New York licensed psychiatrist or psychologist, or clinical social worker of the student's own choosing and at that student's expense;

- b. a written psychological evaluation and report utilizing the following testing*: i) intelligence, ii) personality, iii) projective testing, iv) violence/risk;
*at the College's choosing (see list of approved NJ psychologists) and at the student's expense
- c. a written medical evaluation by a New Jersey or New York licensed physician of the student's own choosing and at the student's expense;
- d. treatment records for the prior three years regarding treatment of the student for any injury, illness, substance abuse, medical or mental health condition which the student claims may have contributed to the incident and the behavior which resulted in the imposition of the Involuntary Leave of Absence;
- e. relevant background checks on the student for i) criminal record; ii) record of domestic violence; iii) record of neglect or abuse of minors; iv) record of discipline for misconduct by another educational institution or a public employer.

A student referred for evaluation and/or requested to consent to background checks and/or requested to disclose treatment information will be informed in writing by the Dean of Students (or designee) either by hand delivery, email, or certified mail via the Notice of Involuntary Leave of Absence form. The student and all evaluators or treatment professionals required to submit documentation will be provided a copy of this policy and the Notice of Involuntary Leave of Absence form.

Under section 2b, when specific testing is required, the College reserves the right to choose the NJ licensed psychologist to perform this function because it falls under a specialized field of training that many psychologists do not have. A list of specific NJ licensed psychologists will be provided to the student. Should the student wish to use a different licensed psychologist to conduct the testing the psychologist must be vetted by the Director for the Center for Health and Counseling Services prior to any evaluation.

The College will furnish the selected health professional(s) with collateral information which pertains to the reasons why an Involuntary Leave of Absence was issued. These may include, but are not limited to, information from the Emergency On-Call Counselor, On-Call Administrator, Public Safety officer, emergency room visit, College disciplinary records, medical, psychological or psychiatric evaluations, and eyewitness accounts. The health professional(s) will be provided this information in connection with an assessment that is considered to be a health and safety emergency under the Family Educational Rights and Privacy Act (34 C.F.R. Section 99.31 (a) (10)).

The Involuntary Leave of Absence will continue in effect until the requested documentation (see documentation requirements in #3) is submitted, has been reviewed by the Director for the Center for Health and Counseling Services (or designee), and the Dean of Students has made a determination regarding the student's status.

3. If a written report concerning the student's evaluation is requested by the College under 2(a) and/or (c), the evaluation must be submitted for review by the Director for the Center for Health and Counseling Services (or designee). **Each written evaluation MUST be based upon an examination of the student by the health professional in-person, conducted on a date following the evaluator's receipt of the collateral information**

furnished by the College (see above), must be submitted on professional letterhead, and must contain the following information:

- a. Diagnosis/presenting problem;
 - b. History of diagnosis;
 - c. Treatment history;
 - d. Medical history (include medications);
 - e. Family history: include family mental health problems, domestic violence, attempted or completed suicide(s) of family members, and substance abuse history;
 - f. Social history;
 - g. Academic functioning;
 - h. Substance use history;
 - i. High risk behavior: include incidents of suicidal ideation/behavior; suicide attempts; homicidal ideation; violent thoughts/behavior; sexual predation; self-mutilation; purging and/or self-starvation;
 - j. Threat assessment: include nature, duration, and severity of risk; probability that due to the student's medical or psychological condition that harm to others, threats of harm to others, inability to function effectively, or disruptive behavior may continue to occur or re-occur;
 - k. Risk Prognosis: whether the student's adherence to a treatment plan and/or reasonable accommodations or modifications of policies, practices, or procedures will sufficiently mitigate the risk and allow the student to return successfully to College – i.e., academic course load (full-time or part-time status), living arrangements (on-campus with or without roommates, substance-free housing, at home, off-campus), academic support services (tutoring, etc.) and specify how each listed accommodation is intended to mitigate specific adverse impacts of a student's medical or mental health condition or disability, and to improve the student's ability to function on campus without significant disruption to the College;
 - l. Evaluation: a recommendation concerning an immediate return to College, a delay in return while treatment is underway, or a recommendation that the student not return given current circumstances. A statement concerning the ability of the student to successfully function in an environment where student must: i) pay attention in class and not interfere with the rights of others to learn; ii) complete assignments independently, relate to diverse individuals, and carry on personal business without supervision, iii) live under only very general supervision and in the company of one or more other students (if assigned to a campus residence); iv) maintain reasonable standards of personal hygiene; and v) refrain from violating provisions of the student Code of Conduct is essential;
 - m. Treatment Plan: continued medical or mental health treatment; rehabilitative or physical therapy; psychiatric or psychological counseling; treatment for substance abuse; adherence to a prescribed medication regimen; no alcohol or non-prescribed drugs, etc.; and the duration of such limitations must also be noted.
4. Following receipt of the evaluation and a signed release of information from the student allowing communication between the Center for Health and Counseling Services and the health professional(s), the Director for the Center for Health and Counseling Services (or designee) will review it, may consult with its writer directly, will meet with the student, and will then make a written recommendation to the Dean of Students (or designee) regarding

the student's continued attendance or withdrawal and any conditions which should apply to that attendance, including the matter of the student's place of residence. If the evaluation report is deficient and cannot be adequately supplemented by conversations with the health professional(s), the Director may recommend that the Involuntary Leave of Absence continue, pending the College receiving and reviewing a supplemental evaluation report based upon an examination of the student performed by a New Jersey licensed physician, psychiatrist, psychologist, or clinical social worker of the College's choosing.

5. The Dean of Students (or designee) will meet with the students and the Director for the Center for Health and Counseling Services (or designee) to review the recommendations from the Director for the Center for Health and Counseling Services and all other documentation submitted under this policy, and to personally observe and individually assess the student's functioning. After this meeting, the Dean of Students (or designee) will prepare a written statement to the student within five (5) business days, indicating one of the following determinations:

- a. The student may return to all normal College activities, without conditions; recommendations for reasonable accommodations of any disability shall be referred to the College's Office of Specialized Services;
- b. The student may return to the College but with conditions applied (e.g., on-campus residence is not permitted); recommendations for reasonable accommodations of any disability shall be referred to the College's Office of Specialized Services;
- c. The student shall remain on Involuntary Leave of Absence pending the student submitting to, and the College receiving and reviewing, a supplemental evaluating (contents as specified by the College) performed by a New Jersey licensed physician, psychiatrist, psychologist, or clinical social worker of the College's choosing.

6. A determination from the Dean of Students (or designee) that a student is not permitted to return to the College shall be issued in writing and shall assess the evidence supporting the determination including significant risks to the health, safety, and College operations posed by the student's behavior which currently preclude the student's return to the College. The student will be withdrawn from his/her classes; grade(s) of W will be administratively assigned, and will be recorded on the student's transcript.

7. If the student's return from an Involuntary Leave of Absence is denied, he or she may file an appeal with the Vice President for Enrollment Management and Student Affairs if the student can demonstrate that:

- a. A specified procedural error or errors in the interpretation of College regulations were so substantial as to effectively deny the person fair consideration;
- b. The decision is held to be arbitrary and capricious

Such appeals must be submitted in writing to the Vice President for Enrollment Management and Student Affairs within five (5) business days from the date of notification of the denial of an Involuntary Leave of Absence. The decision of the Vice President for Enrollment Management and Student Affairs is final.

8. A registration hold will be applied to the student's account. If the student has already registered for the subsequent semester the student will be deregistered.

9. Any student on Involuntary Leave of Absence status on the final day of the exam period in a semester will be withdrawn from his/her classes for that semester; grade(s) of W will be administratively assigned, and will be recorded on the student's transcript. The Involuntary Leave of Absence restrictions will continue and the College Registrar will not enroll the student in any course(s) unless the documents and information requested on the notice of Involuntary Leave of Absence are submitted for review and a determination is made by the Dean of Students (or designee) based upon an individualized assessment of the student.

Code of Conduct Violations

Evidence of the student's conduct which resulted in the imposition of an Involuntary Leave of Absence may be referred by the Dean of Students (or designee) to the College's disciplinary process at any time during or following the Involuntary Leave of Absence, and may result in disciplinary action against the student under the College's Code of Conduct.

Complaint Procedure

Section 504 of the Rehabilitation Act of 1973 requires that institutes of higher learning make appropriate academic adjustments and reasonable modifications to policies and practices in order to allow for the full participation of students with disabilities in the same programs and activities available to nondisabled students. Under the Americans with Disabilities Act (ADA), the college must ensure that students are not excluded from or denied of the benefits or services and programs or activities of qualified persons with disabilities on the basis of disability.

If a student believes that they have been discriminated against under the Involuntary Leave of Absence policy, they can file a complaint with the College's ADA Coordinator. The Director of Affirmative Action and Workplace Compliance serves as the ADA Coordinator and assures that the college is in compliance with the ADA and other federal and state laws and regulations pertaining to persons with disabilities. Complaints should be directed to the Director of Affirmative Action and Workplace Compliance, (201) 684-7540.

Notifications

The College reserves the right to notify a student's designated emergency contact that an Involuntary Leave of Absence has been issued due to a health and safety emergency. The student's designated emergency contact may be asked to make arrangements for safe removal of the student from the college environment.

MEDICAL LEAVE OF ABSENCE (MLOA)

Request for a Medical Leave of Absence

Ramapo College of New Jersey (RCNJ) students may apply for a Medical Leave of Absence (MLOA) from the College for reasons of medical or psychological illnesses. Students must withdraw from all registered courses under this policy. There are rare occasions when it is appropriate for students to receive a medical withdrawal from one or two courses (i.e., a medical injury that renders a person unable to participate in a course which requires physical activity). Such exceptions will be considered on an individual basis, the grade for each

course the student withdraws from will be recorded as “W” on the student’s transcript. **There will be no refund if the request for a MLOA is completed after the College course withdrawal deadline (see Academic Calendar).**

When a student experiences a medical or psychological condition that is so serious where it requires that the student take a medical leave, it is strongly recommended that the student take off, at minimum, one full semester from his or her academic studies. This time is often needed in order to obtain the necessary psychological or medical treatment.

Student benefits and considerations of taking a MLOA

- A MLOA sometimes qualifies a student to initiate a leave of absence later in the semester than might normally be permitted for other forms of leave.
- Taking a MLOA should not impact insurance coverage. However, it is advised that a student inquires with their insurance carrier regarding coverage.
- For international students, a MLOA may affect one’s legal status, International students holding visas, including F-1 or J-1 visas, should consult with the Director of International Student Services or their own counsel before filing for a MLOA to make sure they meet with the immigration regulatory requirements. The International Center is located on the first floor of the Anisfield School of Business I the Roukema Center for International Education.
- Students who live in housing must following the housing withdrawal process outlined in the Guide to Community Living. Students intending on returning to housing after obtaining clearance to return from a MLOA must contact the Office of Residence Life via e-mail at reslife@ramapo.edu. The Office of Residence Life will make every reasonable effort to provide housing to a student who is returning from a MLOA.
- Students can take as much time as needed away from the College to recover from their condition; however, students who do not take classes for two or more consecutive semesters must reapply for admission. Students who stay out for longer than two consecutive semesters and are readmitted and are readmitted will continue their studies under the graduation requirements in effect at the time of their readmission.
- Students who withdraw and have received financial aid must contact the Financial Aid office. Some student aid may need to be returned. Any balance that result from a reduction in aid is the student’s responsibility.

Process for Obtaining a MLOA

If a student wishes to apply for a MLOA, he/she must contact the Center for Health and Counseling Services (CHCS) to request an evaluation for the purpose of pursuing a MLOA. If the condition is psychological in nature, contact Counseling Services (CS) (201) 684-7522. If the condition is medical in nature, contact Health Services (HS) (201) 684-7536.

In order to both obtain a MLOA and to return from a MLOA a student must obtain a medical recommendation from the appropriate unit (Counseling Services or Health Services) within the Center for Health and Counseling Services.

MLOA Due to a Psychological Condition

- Contact and schedule an appointment at CS to request an evaluation for the purpose of pursuing a MLOA. The evaluation process, which may occur over a few sessions, assesses whether a student's psychological condition meets the criteria for a medical leave.
- If the student is being treated by an off-campus provider CS will require medical documentation or a detailed letter from the off-campus treatment provider stating: 1) diagnosis, 2) date of onset, 3) effect the psychological condition has on the student's ability to perform academically, 4) prognosis, and 5) treatment plan. This information is reviewed by CS to determine if the psychological condition warrants a MLOA. The withdrawal determination is based on the severity and onset of the condition and its impact on the student's ability to meet his/her responsibilities as a student. The student seeking a MLOA will be asked to provide written consent for CS counselors to consult with his/her current treatment provider(s).
- After the evaluation is completed and has been approved by the Director of the Center for Health and Counseling Services, CS notifies the Registrar, who administers Withdrawal (W) grades. Counseling Services places a registration hold on the student's account until the student has been evaluated and cleared to return to Ramapo. If the student is a resident, CS notifies the Office of Residence Life that he/she has been approved for a MLOA.
- In cases where a MLOA is denied a student may file an appeal with the Dean of Students if the student can demonstrate that:
 - a. A specified procedural error or errors in the interpretation of the College regulations were so substantial as to effectively deny the person fair consideration;
 - b. The decision is held to be arbitrary and capricious

Such appeals must be submitted in writing to the Dean of Students within five (5) business days from the date of notification of the denial of an MLOA. The decision of the Dean of Students is final.

If a student chooses to take a MLOA due to a psychological condition, he/she will be **required** to meet the following **conditions of return before he/she can be medically cleared to pursue re-enrollment at RCNJ**:

1. Evidence of stabilization of the psychological condition that precipitated the need for a MLOA, as evidence by:
 - a. A substantially improved condition, as defined and determined by a CS counselor and if relevant, other treatment team members, which may include a psychiatrist.
 - b. Once achieved in treatment; the substantially improved condition is then maintained for a period deemed reasonable by a CS counselor and if relevant, other treatment team members, which may include a psychiatrist.
 - c. Attested to by the completion of the CHCS Community Provider Report form furnished by an off-campus mental health provider who has direct contact with the student on a regular basis for a course of treatment.

2. Demonstrated readiness to resume studies and be a successful member of the campus community, as evidenced by:
 - a. The ability to pay attention in class and not interfere with the rights of others to learn, sleep and study;
 - b. Complete assignments independently ;
 - c. Relate to diverse individuals;
 - d. Carry on personal business without supervision;
 - e. Live under only very general supervision and in the company of one or more other students (if assigned to a campus residence);
 - f. Maintain reasonable standards of personal hygiene;
 - g. Refrain from violating provisions of the student Code of Conduct;
 - h. Attested to by the completion of the CHCS Community Provider Report form furnished by an off-campus mental health provider who has had direct contact with the student on a regular basis for a course of treatment

3. After satisfactory documentation of the aforementioned two conditions of return have been received and reviewed by the CS counselor, the student must have an evaluation with a CS counselor, and if relevant, other members of the CS team, which may include a psychiatrist. Following this evaluation, the CS counselor will make a judgment as to the student's readiness to return to Ramapo College and will obtain approval from the Director for the Center for Health and Counseling Services.

4. If the student's return from a MLOA is denied, he or she may file an appeal with the Dean of Students if the student can demonstrate that:
 - a. A specified procedural error or errors in the interpretation of College regulations were so substantial as to effectively deny the person fair consideration;
 - b. The decision is held to be arbitrary and capricious

Such appeals must be submitted in writing to the Dean of Students within five (5) business days from the date of notification of the denial of an MLOA. The decision of the Dean of Students is final.

MLOA Due to a Medical Condition

- Contact and schedule an appointment at Health Services (HS) to request an evaluation for the purpose of pursuing a MLOA. The evaluation process, which occurs over a few sessions, assesses whether a student's medical condition meets the criteria for a medical leave.
- If the student is being treated by an off-campus provider HS will require medical documentation or a detailed letter from the off-campus treatment provider stating: 1) diagnosis, 2) date of onset, 3) effect the medical condition has on the student's ability to perform academically, 4) prognosis, and 5) treatment plan. This information is reviewed by HS to determine if the medical condition warrants a MLOA. The withdrawal determination is based on the severity and onset of the condition and its impact on the student's ability to meet his/her responsibilities as a student. The

student seeking a MLOA will be asked to provide written consent to consult with his/her current treatment provider(s).

- After the evaluation is completed and has been approved by the Director for the Center for Health and Counseling Services, HS notifies the Registrar, who administers Withdrawal (W) grades. Health Services places a registration hold on the student's account until the student has been evaluated and cleared to return to Ramapo. If the student is a resident, HS notifies the Office of Residence Life that he/she has been approved for a MLOA.
- In cases where a MLOA is denied a student may file an appeal with the Dean of Students if the student can demonstrate that:
 - a. A specified procedural error or errors in the interpretation of College regulations were so substantial as to effectively deny the person fair consideration;
 - b. The decision is held to be arbitrary and capricious.

Such appeals must be submitted in writing to the Dean of Students within five (5) business days from the date of notification of the denial of a MLOA. The decision of the Dean of Students is final.

If a student chooses to take a MLOA due to a psychological condition, he/she will be **required** to meet the following **conditions of return before he/she can be medically cleared to pursue re-enrollment at RCNJ**:

1. Evidence of stabilization of the medical condition that precipitated the need for the MLOA. This must be demonstrated by:
 - a. A substantially improved condition, as defined and determined by a HS staff member and if relevant, other treatment team members, which may include a collaborating physician.
 - b. A substantially improved condition that has been maintained for a period deemed reasonable by a HS staff member and if relevant, other treatment team members, which may include a collaborating physician.
 - c. The completion of the CHCS Community Provider Report form by an off-campus medical provider who rendered direct care to the student on a regular basis for the course of treatment.
2. Demonstrated readiness to resume studies and be a successful member of the campus community, as evidenced by:
 - a. The ability to pay attention in class and not interfere with the rights of others to learn, sleep and study;
 - b. Complete assignments independently;
 - c. Relate to diverse individuals;
 - d. Carry on personal business without supervisions;
 - e. Live under only very general supervision and in the company of one or more other students (if assigned to a campus residence);
 - f. Maintain reasonable standards of personal hygiene;

Academic Standards and Code of Conduct

The granting of a MLOA does not in any way excuse the student from the usual academic standards and student conduct processes set forth by College policy. Unless there is documented preexisting condition, students who are accused of violating the Code of Conduct are not eligible to apply for a MLOA.

Notification

The College reserves the right to notify a student's designated emergency contact that a MLOA has been issued. The student's designated emergency contact may be asked to make arrangements for the safe removal of the student from the college environment.

MISSING STUDENT POLICY

Ramapo College students are encouraged to identify a person to be contacted in the event of an emergency. If it has been determined that a student has been missing, officials will notify the student's identified emergency contact person. Students are strongly encouraged to keep their emergency contact information current in the student system. In order to obtain further information and to update their information, students may access the "Personal Information" area upon logging in to the "Web for Students." "Update Emergency Contact" is the option to choose to enter the information.

Any information regarding the report of a missing student should immediately be reported to college officials. Reports of a missing student must be directed to the Public Safety Department located on the 1st floor of the C-Wing or at (201) 684-6666.

Officials will use all means available in an attempt to locate the student. If a student has been determined to be missing, the Public Safety Department will notify the student's emergency contact person and the appropriate law enforcement agency. If the student is under the age of 18, the College is required to notify her/his legal guardian.

OFFICIAL COMMUNICATIONS (E-MAIL)

All registered students are required to have a Ramapo College e-mail account which they check daily for important information and announcements from the College. Students will be held responsible for information disseminated in this way.

Alert Me Now is a service that delivers emergency alerts and college closing notices to students registered phones and/or cell phones via voice or text message. A student can provide up to three phone numbers (1 text, 2 voice).

Students will be guided on how to set up their e-mail account and enter their Alert Me Now information during New Student Orientation. This information can also be obtained from Information Technologies Services (ITS) or on the college website, in the FAQ section of

the ITS page. Alert Me Now registration information is available at <http://www.ramapo.edu/emergency/> (click on the sign up link under the “Alert Me Now” logo).

OPEN PUBLIC RECORDS ACT

The Open Public Records Act (OPRA) gives the public greater access to government records maintained by public agencies in New Jersey. A request for access to a government record must be submitted in writing using the Ramapo College Request for Public Records Form (Fees may apply for processing information request).

There are both general and specific exemptions that apply to the definition "government record." ORGANIZATION OR TEAM AFFILIATED EVENT POLICY¹⁷

A “premise” of an organization or team will be defined as a living unit where one or more members of the organization or team dwell.

An organization/team-affiliated event is defined as any situation sponsored or endorsed by the organization/team, or any event an observer would associate with the organization/team or any event or situation that occurs on the organization/team’s premises (see definition of premise above).

The Code of Conduct permits the College to issue an Interim Suspension to a student group when the reported activities violate any of the conditions in the Interim Suspension Policy (see Section M of the Code of Conduct).

PARENTAL NOTIFICATION POLICY

In cases of a health and safety emergency, a College official may find it beneficial to notify a parent or identified emergency contact in order to facilitate a plan which will support and protect the student and/or the community. Under the Family Education Rights and Privacy Act of 1974, this type of disclosure is permitted without the student’s consent.

Parental Notification for Student Violations of the Alcohol and Other Drug Policy

A 1998 amendment to The Family Education Rights and Privacy Act of 1974 authorizes higher education institutions to inform a parent or legal guardian of any student under age 21, who has been found in violation of any federal, state or local law or any rule or policy of the institution governing the use or possession of alcohol or controlled substances.

The Office of Student Conduct will notify parents/guardians of students under 21 years of age when a student is found responsible¹⁸ for (1) a violation of the drug policy, (2) a second violation of the alcohol policy, and (3) on the first violation of the alcohol policy when one or more of the following occurs:

- The student demonstrates a reckless disregard for his or her personal safety or the safety of others;
- Medical attention to any person, including the student, is required as a result of the student's alcohol related behavior¹⁹;
- There is significant property damage;
- The student operates a motor vehicle under the influence of alcohol;
- The incident involves another serious violation of the Code of Conduct or New Jersey Law.

POSTING POLICY

The purpose of this policy is to establish a system for efficiently disseminating information, maintaining the aesthetic appearance of the college environment and ensuring that all postings are in accordance with the New Jersey State Fire Code. To support Ramapo's commitment to an alcohol-free social environment, materials will promote a healthy, normative environment and not contain pictures of alcohol or alcohol beverage containers for events both on and off campus. This policy applies to the Scott Student Center, Berrie Center, and all academic wings and buildings. All persons and organizations, including non-members of the College and commercial establishments, are required to comply with this policy.

Designated Posting Areas

The first floor "cores" between each of the academic wings has bulletin boards for the following purposes:

- AFT/CWA/Local 195 announcements
- Human Resources announcements (locked, glass enclosed boards)

The second floor of most academic wings has bulletin boards maintained by either specific academic or administrative departments or the Center for Student Involvement.

Design Standard

All publications posted by a Ramapo College club, organization or office must follow the

¹⁸ Please Note: Parental notification will only take place after all possible appeal processes have upheld the finding of responsibility for the offense.

¹⁹ In a situation where a student's health or safety is/was seriously endangered every attempt will be made to notify the parent/guardian immediately.

College's design standard. Any posting that does not follow the standard will NOT be posted or will be removed from posting. For more information about the design standard please visit <http://www.ramapo.edu/standards/print/index.html>. The Center for Student Involvement also has a design team, CSI Design, which can assist with designing posters and flyers in accordance with the College's design standard. CSI Design can be reached via OrgSync or by calling 201.684.7775. Requests for design services should be submitted at least two weeks in advance of the date needed.

Flyers

For the purposes of this policy "flyer" refers to any "hangable" document between the sizes of 8 ½ x 11 and 11 x 17 used to advertise, announce or promote a program, event, activity or opportunity.

"Oversized" Posters and Greek Organization Banners

If an individual or organization wishes to announce an event using a poster larger than 11 x 17, it is the responsibility of the organization to ensure that the oversized poster or banner is approved by the Posting Coordinator in the Center for Student Involvement (SC-200). The Posting Coordinator may require that oversized posters and banners are also approved by the College's Fire Marshal, at the Posting Coordinator's discretion. If the oversized poster or banner is designed and printed by CSI Design, no further approval is necessary. Only after approval is granted can oversized posters and banners then be placed on designated core stairwell blacktop, using only painters' tape. Oversized posters and banners shall not hang below the bottom of the core wall. It is the responsibility of the organization to remove these posters and banners within 24 hours of the event. Failure to do so may result in a loss of posting privileges.

- There is no space available for Non-College posting in the Residence Halls.

Questions or requests for additional information about the Posting Policy can be directed to the Center for Student Involvement at (201) 684-7593.

RECYCLING GUIDELINES

The College is committed to a recycling program for its faculty, staff, and students. Recycling containers are located throughout the campus. Each campus residence is equipped with a recycling container. Campus residents are responsible for carrying their recyclables to their respective recycling collection points. In certain locations, door-to-door pick up is provided. Residents will be given specific instructions regarding recycling during check-in.

Questions regarding the recycling guidelines should be directed to Gina Mayer-Costa, Director of Environmental Health & Safety, at gmayerco@ramapo.edu.

RELIGIOUS OBSERVANCE

Ramapo College seeks to attract students with a variety of religious beliefs. While the State of New Jersey only recognizes certain days of religious observance as State holidays, the faculty of the College will help students whose religious observances come at other times to meet their academic obligations. Whenever possible, faculty do not schedule tests on these religious holidays and assist students in making up any work, including tests that they missed by being absent from class. It is the student's responsibility to notify a faculty member within the first three (3) weeks of the semester if any class session will be missed due to religious observances and to make the appropriate arrangements.

THE RESPONSIBLE USE OF ELECTRONIC COMMUNICATIONS

It is a violation of federal law and College policy to share and/or distribute copyrighted materials without the permission of the copyright holder. Violators may be subject to civil and criminal prosecution under the provisions of the Digital Millennium Copyright Act (DMCA), as well as personal sanctions specified in College policy. The Responsible Use of Electronic Communication policy is located:

http://www.ramapo.edu/policy/policy_statement.html

File sharing software is most commonly used to download music, movies and other media. Many do not realize that this software may turn a personal computer into a server, or upload site, even if that was not the intent. Many viruses also propagate through peer to peer software, and this has a direct impact on services for the entire community. Files on a network connected computer may then be illegally shared with everyone connected to the Internet. It is imperative that the file sharing capability of these systems be disabled. If a student does not know how to disable this function, contact the Help Desk at (201) 684-

7777 or helpdesk@ramapo.edu.

Industry representatives actively monitor the Internet to discover incidents of illegal file sharing. When violations are discovered, they contact the network owner and demand that the offending device be disconnected from the network. To protect the user and Ramapo College from further culpability under the DMCA, Ramapo College will disable network access for any machine for which a DMCA complaint has been received.

Students with these alleged violations will have their cases referred from the ITS Department to the Office of Student Conduct where a hearing officer will be assigned to the case. Incidents of this nature are a violation of the College's Responsible Use of Electronic Communications Policy and a violation of the Code of Conduct. Students will receive a Notice to Attend a Disciplinary Proceeding through their college e-mail. In some cases, depending on the egregiousness of the offense and/or a student's prior record, the case could be adjudicated by the College Disciplinary Review Board which administers penalties, under a finding of guilt, that are suspension and expulsion level.

If the alleged violation is one for which the student could not be suspended or expelled from the College, the case will likely be heard (although it is not mandatory) in a College Disciplinary Conference normally conducted by a professional staff member in Residence Life, the Office of Student Conduct, or a designee. The charged student will be required to attend a scheduled conference with the presiding administrator and will have the opportunity to discuss the alleged violation. Charged students have the option of taking responsibility for the alleged violation prior to the conference by signing the "Notice of Disciplinary Proceeding" and returning it to the Office of Student Conduct. Students who choose to accept responsibility (by signing and submitting the form) will not attend the scheduled conference. The presiding administrator will assess the disciplinary sanction and send this result to the student. Further information regarding Disciplinary Conferences is outlined in Section J of the Code of Conduct.

Minimum Recommended Sanctions for a 1st Violation: Not less than a \$150 fine and a required Educational Sanction. In some limited situations, a Written Warning may be issued to the student with the Educational Sanction.

Minimum Recommended Sanctions for 2nd Violation: Suspension from Housing and possible Suspension or Expulsion from the College. If the alleged violation is one for which the student could be suspended or expelled from the College, the case must be heard by the College Judicial Review Board. Specific information regarding the College Disciplinary Review Board is outlined in Sections J, K, and L of the Code of Conduct.

Once a case has been resolved in the Office of Student Conduct, the network service in the living unit will be restored by the ITS Department. In addition to sanctions under the Code of Conduct, the user will be mandated to disable the file sharing function of their software and agree to discontinue all illegal file sharing activity.

ROLLERBLADES/SKATEBOARDS/BICYCLES

For safety reasons, using rollerblades, skateboards, or bicycles within the interiors of College buildings is prohibited. Care and good judgment should be exercised when using this equipment outdoors to reduce the risk of serious injury. Riding on stairs, rails, ledges and other elevated areas is prohibited. Participants should wear protective gear as recommended

by the manufacturer. In order to avoid potentially dangerous situations, hallways, aisles, stairwells and egress areas must be kept free of obstructions at all times.

Woods Road and the Laurel Hall Parking Garage are strictly for vehicular traffic. Using this road and parking garage for any other purpose is dangerous and prohibited.

HOVERBOARDS

The use, charging, and storage of hoverboards is prohibited on College grounds.

SMOKING POLICY

Smoking is prohibited in all academic, office, and physical buildings, and in all residence halls/apartments on campus. Smokers must be at least 25 feet from the entrance to any campus building when smoking.

SOCIAL GATHERING POLICY

Location	Maximum # of Persons Permitted in Suite or Apartment (Including residents)	Smoking Permitted	Alcohol Permitted
Pine Hall	12	No	No
Linden Hall	12	No	No
Bischoff Hall	6	No	No
CPA - Phase 2 (1 bedroom)	9	No	No
CPA - Phase 2 (2 bedroom)	10	No	No
CPA Phase 1	10	No	No
The Overlook	12	No	No
Outside Areas		Yes. (Must be 25 feet from any building)	No
Mackin Hall	6	No	No
The Village	16	No	Yes, Designated Apartments Only. (when only students and others 21 and over are present)
Laurel Hall	12	No	Yes, Designated Suites Only. (when only students and others 21 and over are present)

The above guidelines are in effect at all times. Official quiet hours are in effect Sunday through Thursday from 11pm to 8am, as well as Friday and Saturday from 1am to 12pm (noon). (Quiet hours are extended at the end of each semester per a distributed schedule).

A noise violation during quiet hours occurs when noise can be clearly heard outside a suite or apartment.

A host is defined as any assigned resident of the room/suite/apartment where a gathering is taking place. For purposes of this policy, all residents on the roster who are present during the time of the incident will be regarded as the host and subjected to disciplinary action.

Any non-student guest involved in a violation will be removed and may be denied future visitation privileges. A host is also held responsible for the actions of their guest(s), including any/all damages caused by a guest.

Termination of the gathering, dispersal of guests, and removal of unregistered guests will take place if any one of the following conditions exists:

- Number of persons present exceeds occupancy limits.
- Charging for entry to the gathering is taking place or has taken place.
- A noise violation (after first warning) is taking place or has taken place.
- Disorderly/inappropriate behavior of persons is taking place in and/or outside of apartment/suite/room.
- Any law is being violated.
- If alcohol is present in an alcohol allowed residence and all persons present are of legal drinking age and fully abiding by the entire Alcohol and Other Drug Policy, the incident is to be considered an alleged violation of the Social Gathering Policy, not the Alcohol Policy.

The host(s) may be Interim Suspended if any of the above conditions exist or if it is deemed necessary by the responding college official.

Recommended Sanctions for Social Gathering Violations

1st violation – not less than a \$150 fine, Residence Probation, possible Suspension of Activities Privileges, and possible Suspension of Residence Privileges.

2nd violation – not less than a \$300 fine, Disciplinary Probation, Suspension of Activities Privileges, and Suspension of Residence Privileges.

STUDENT APPEALS OF AN ACADEMIC NATURE

Ramapo College recognizes a student's right to file an appeal of an academic nature. Student appeals of an academic nature fall into two general categories: grade appeals and other appeals of an academic nature.

Grade Appeals

Course instructors establish course requirements and performance standards. Instructors' evaluation of students' academic performance is a professional judgment based on the requirements set forth in the course syllabus and is expressed through the submission of final course grades to the Registrar at the close of each semester. Under certain limited circumstances, a student may appeal a grade.

Circumstances for which students may appeal grades

Grade appeals will be considered only if a student can provide documentation supporting his/her case. Circumstances that might justify a grade appeal include (but are not limited to): computational error; factual information not in evidence at the time the grade was posted (for example, an assignment that the student can document was submitted but was not graded by the course instructor and therefore not factored into the final grade); or an alleged violation of College Policy. Appeals that will not be considered include, but are not limited

to, those based on a student's perceived need for a higher grade (for instance, in order to raise his/her GPA or to enable the course to transfer to another institution) and those based on grades that were penalized (for example, 0 on an assignment) because the student was found responsible for violating the Academic Integrity Policy.

Procedure

If circumstances such as those described in the section entitled "Circumstances for Which Students May Appeal Grades" can be documented, the student may appeal a grade by taking the following steps:

- No later than twenty calendar days after the posting of grades, a student must bring his/her appeal to the attention of the course instructor in writing by email or certified letter. Supporting documentation must be provided. Both parties should make good faith efforts to share viewpoints and mediate differences of opinion.
- If it is mutually agreed that a grade adjustment is warranted, the course instructor forwards a Change of Grade Request, including explanatory reasons and all supporting documentation, to the Dean of the academic unit which sponsored the course. Upon the Dean's approval, the Instructor Grade Adjustment Request is forwarded to the Registrar.

If a student and the course instructor cannot reach an agreement and a student wishes to further pursue a grade appeal, the student must present a written appeal (by email or certified letter), including pertinent course materials or course work, to the Dean of the academic unit which sponsored the course in question within twenty calendar days of the final determination conference between the student and the course instructor.

- The Dean will confer with the student and the course instructor, jointly or independently as he/she sees fit, review pertinent documents and course materials, and confer with other faculty or administrative staff members as appropriate.
- If the Dean determines that a grade change is warranted, the Dean will forward an Instructor Grade Adjustment Request with explanatory reasons to the Registrar and advise the course instructor and student in writing.
- If the Dean determines that a grade change is not warranted, the course instructor and student will be so informed in writing by email.

If the Dean renders an opinion which does not support the student's grade appeal, the student may petition for a review by the Office of the Provost. The petition is initiated by the submission of a written statement by the student, submitted by email or certified letter, that explains his/her position and includes any evidence that contradicts the Dean's decision or contains information that had heretofore been unavailable. Such a petition must be made within twenty calendar days of the final, written determination by the Dean. The Office of the Provost reserves the right to hear the petition and will reject any request for review that does not offer clear evidence that the Dean made a factual mistake, violated school policy, or otherwise acted outside the purview of the Dean.

- The Provost or his/her designee will consider only those grade appeals that have previously received full deliberative discussion at both the instructor and Dean level.
- After conferring with the student, Dean, and course instructor and reviewing the pertinent documentation, the Provost or his/her designee may approve or decline

the student's grade appeal. The Provost or his/her designee will advise the student, the course instructor, and the Dean of his/her final recommendation.

The decision of the Provost or his/her designee is final.

Other Appeals of an Academic Nature

Course instructors exercise the right of academic freedom. In addition, they have responsibility for managing their classrooms. If, after considering those faculty prerogatives and reviewing relevant policies, students still wish to make appeals of an academic nature (other than grade appeals), they must follow this procedure:

Procedure

Preferably as soon as a student believes that he or she has cause to make an appeal, but no later than 20 calendar days after the last day of the semester in which course is scheduled, the student may meet with the course instructor or, if the student prefers and makes a compelling case for doing so, with the Dean of the school in which the course is offered.

1. If the student meets with the instructor, both student and instructor should make good faith efforts to share viewpoints and discuss differences of opinion. If the student and the instructor are unable to reach a mutually acceptable resolution, the student may appeal to the Dean of the school in which the course is offered within 20 calendar days after the conference between the student and the instructor. If that Dean is different from the Dean of the instructor's primary convening group, the Dean of the school in which the course is offered may consult with the Dean of the instructor, depending on the nature of the appeal. The Dean(s) may also confer with the student, the instructor, and/or other appropriate College personnel jointly or independently to reach a resolution. The decision of the Dean of the school in which the course is offered is final.
2. If the student prefers to meet with the Dean of the school in which the course is offered first, the Dean may decide, depending on the nature of the concern, either to offer the student strategies for communicating directly with the instructor or to accept the appeal without prior consideration by the instructor. If the Dean accepts the appeal immediately, the Dean of the school in which the course is offered will consult with the instructor in addition to the student and, depending on the nature of the appeal, may consult with the Dean of the instructor, and/or other appropriate College personnel jointly or independently to reach a resolution. The decision of the Dean of the school in which the course is offered is final.

STUDENT COMPLAINTS OF A NON-ACADEMIC NATURE

The College recognizes that students may have occasion to file formal complaints regarding College policies, procedures, or behavior of a person or persons affiliated with the College (student, employee, agent of the College, or visitor). In most cases, the best course of action is for the student to address his/her concern directly with the office or person deemed responsible for the policy, procedure or behavior; however, there may be times when a student wishes to speak with a supervisor and/or make a more formal complaint. Students who wish to file such complaints should follow the procedure outlined below. Complaints of a non-academic nature may include, but are not limited to, complaints about the policies

or procedures of a particular unit or office, professional conduct of an employee, conduct of another student or their guest, or act of discrimination or bias²⁰.

1. Complaints against students should be filed in the Public Safety Department. If the complainant has a question about this procedure or is uncertain how to proceed with a complaint he/she may contact the Director of Student Conduct for guidance (201) 684-7869.

If the complaint appears to fit the written criteria for discrimination or bias, the complaint will be forwarded to the Director of Affirmative Action and Workplace Compliance for further review. A student may also choose to contact the Director of Affirmative Action and Workplace Compliance directly to file such a complaint. The complaining student will be notified by either the Director of Affirmative Action and Workplace Compliance or the staff in the Office of Student Conduct (depending on the nature of the complaint and who it is made against) regarding next steps. If the complainant has a question about this procedure or is uncertain how to proceed he/she may contact the Director of Office of Affirmative Action and Workplace Compliance for guidance (201) 684-7540.

STUDENT DISSENT/DISRUPTION OF COLLEGE FUNCTIONS

Ramapo College provides a number of channels through which students may register their dissent, raise issues, or question College policies or procedures. Among them are the Student Government Association, public statements at Board of Trustees meetings, meetings with individual administrators or faculty members, and through recognized or registered student organizations. Ramapo College prides itself on the degree of access to the governance process afforded to its students.

Ramapo College acknowledges the right of students to peacefully protest College policies or indicate dissent from governmental policies or private citizens' actions through lawful speech, protests, assemblies, or the display of symbolic attire. The College, in turn, has the right to enforce reasonable regulations with respect to the time, manner, and place in which these activities may occur to ensure normal College functions and activities continue unimpeded and that the freedom of other members of the academic community are not unduly restricted. In enforcing reasonable regulations, the College's goal is not to restrict free speech or peaceable assembly. Rather, it is to give the College the opportunity to provide space that accommodates the reasonable needs of both the College and those engaged in acts of speech or protest.

At Ramapo College, lawful dissent changes to disruption when students interfere with the rights of others to teach, learn, and conduct normal business. These disruptions may include, but are not limited to:

1. Interference with the freedom enjoyed by members of the Ramapo College community or its invited guests to speak or hear one another during in-class or out-of-class educational programs or activities.
2. Interference with the normal administrative, advisement, or ceremonial functions of the College (e.g., meetings, orientation, counseling, graduation, athletic contests, etc.).
3. Interference with the public service activities of the College (e.g., the speeches of invited speakers, the activities of groups renting the College's facilities, etc.).
4. The occupation of rooms or defined areas used for teaching or administrative purposes or of space(s) which have not been reserved using the College's normal room or space scheduling system.

Following a warning from the President or his/her designee, students who continue to disrupt normal College activities or functions through speech or actions, or who violate State laws concerning disruptions at educational institutions, may be subject to the disciplinary sanctions of the Code of Conduct published in this Handbook. The College also reserves the right to seek injunctive relief from municipal or State courts depending on the severity or longevity of a student disruption of normal College functions.

STUDENT RECORDS

Ramapo College recognizes the importance of maintaining certain records for each student which contribute to and confirm the student's educational progress.

In order to protect the rights of students regarding these educational records, the College has established policies and guidelines which describe the records maintained, provisions for releasing information, provisions for student inspection and review of records, and provisions for changes in records when warranted. These rules conform to State and Federal laws (the U.S. Department of Education guidelines for the "Family Educational Rights and Privacy Act of 1974 as amended," (FERPA) also known as the Buckley Amendment).

These policies are generally supervised by the Office of the Registrar. Additional information is available here: <http://www.ramapo.edu/registrar/ferpa/>
