

**The Student Government Association (SGA–MO)
Student Leadership Award
Endowed Gift Agreement**

- Name:** This endowment is known as The Student Government Association (SGA–MO) Student Leadership Award at A.T. Still University (ATSU) – Kirksville College of Osteopathic Medicine (KCOM).
- Establishment:** This fund was established on September 5, 1996, by the SGA–MO and the Kelly Elder and Dan Gally memorial funds to KCOM. This endowment is being amended to ensure compliance with federal regulations and current ATSU policies. Each year after the close of ATSU's fiscal year, the donor or other named individuals, will receive an annual report on the activity relative to the endowment. The annual fund report should be sent to:
- SGA President – Missouri Campus
c/o SGA Advisor(s)
ATSU
Kirksville, MO
- Purpose:** The purpose of this endowment fund is to provide financial assistance for a first or second-year KCOM student(s) who has exhibited exceptional leadership qualities through SGA–MO. Income from the fund will be used to make financial award(s) for selected student(s).
- Funding:** This fund has obtained the minimum amount required (\$10,000) to be a named endowment according to ATSU guidelines.
- Anyone having an interest in supporting this fund, either now or in the future, is invited to make contributions. Contributions may be made in the form of current gifts or deferred gifts.
- Management:** A. T. Still University (ATSU) will at its sole discretion manage and invest the funds. The amount of income available each year for SGA–MO student leadership award(s) will be dependent upon the endowment fund total principal and performance of the fund's investments. Current University investment policy, which is subject to change by the University, directs that eighty percent (80%) of annual earnings will be made available for distribution and twenty percent (20%) of the annual earnings will be reinvested into the fund principal. This allows the fund to grow, thus producing increased financial support in future years while adjusting for inflation.
