Student Government Association Senators must full or part time students or completing a degree and must be in good academic, social and judicial standing who are working towards a degree in the college they are representing. Senators are required to attend all SGA Senate meetings, which are typically held every Tuesday evening from 6:30 to 8:00 PM, although some meetings may go longer. Each Senator will also be appointed to a Senate committee, which will meet at least weekly. Senators are expected to attend and contribute to all Senate and committee meetings. Senators are expected to schedule and work two (2) office hours per week in the Student Government Association office. Senatorial terms run from March 15th through March 14th.

In the space below please state any anticipated time conflicts (i.e. other organizational meetings).

If you are elected or appointed to the SGA Senate for the upcoming term, what goals and objectives would you like to see accomplished (Please list and discuss at least three in the space below.)

To ensure candidates are eligible to serve as Senators we are required to check with the University about your academic, judicial and social standing as well as credit hours. By signing below you authorize permission to the SGA Advisor to check your academic, judicial and social standing, ensuring you have met the requirements (2.20 cumulative and semester GPA for undergraduate students and 3.00 cumulative and semester GPA for graduate students as well as at least part time status). No student will have access to your academic information, but the Advisor will indicate to the Senate whether you are eligible or not.

By signing below, I give permission to the Student Government Association Advisor(s) and SIA committee to review my files each semester to ensure I am of good academic, judicial, and social standing.
