

Student Bar Association - Open Positions 2014-2015 Academic Year

The Student Bar Association (SBA) provides a wonderful opportunity to get involved with the student body as a whole. Through important events like Race Judicata, Welcome Week and Barrister's Ball, we work hard to create a cohesive student body. This year we will be focusing on better support for the student organizations on campus, streamlining SBA processes, and reaching out to our local community. We hope each of you will take a moment to consider joining our team and making California Western a better place!
