Hello, my name is Brittany Gleitsman and I am proud to be your Student Government President. I'm from Los Angeles, California and this will be my third year in Student Government at USF Sarasota-Manatee. I currently work at Sarasota Bay Estuary Program as a marketing intern and have a passion for the environment and our community. I graduated in May of 2010 with a Bachelors of Science in Marketing and am staying at USF to earn my second bachelors degree in Hospitality Management. I love being involved with Student Government because I have the opportunity to represent you all as students and help you get more involved in campus life. In the next year I look forward to more student involvement and planning bigger and better events for our students.

JOSHUA TYRRELL  
SGA Executive Board Vice-President  
2010–2011

(941) 359-4560 | jtyrrell@sar.usf.edu

My name is Joshua Tyrrell. I'm from Bradenton, FL. My major is Finance. SGA has been a "family affair," since both of my sisters were part of SGA and involved in one of the clubs on campus, Intersarsity Christian Fellowship. Being a part of SGA gives me the opportunity to enjoy the College experience. Along with the experience, it provides a chance to serve, and this will be my second year with the Executive Board (last year I served as Secretary).

This next school year will be awesome! The events we have planned, you won't want to miss!

ROMMEL BORRAS

Please stop by the Student Government Offices (located in A110, near Jonathan's Café). We will be happy to discuss your options on how you can become a viable member of Student Government and work to benefit your and future generations of USF Sarasota-Manatee students.
