NO EXCEPTIONS

Do not post on benches/seating areas
(things can get torn off causing litter)
NO EXCEPTIONS

Do not post on or otherwise deface any artwork
NO EXCEPTIONS

- Do not post using pushpins or thumbtacks. They can cause damage to tires on wheelchairs, carts, or other vehicles *
- Do not staple on walls *
- Do not use duct tape, masking tape, or any other tape or adhesive that can cause damage by peeling paint, leaving residue, or any other damage *
Use Painter's Tape or Gaffer's Tape. Painter's Tape is less expensive but less adhesive, for lightweight uses, i.e. flyers; Gaffer's Tape quite expensive but more adhesive, for heavier uses, i.e. banners. Gaffer's Tape is still too strong for wooden walls (it will take paint off the walls) so use Painter's Tape in those instances.
- * Do not post in any manner that causes or can cause damage to school property
- Do not write on anything permanent (walls, floors, ground, etc.) with chalk, paint, markers, etc.
- Do not post in restrooms
- Do not block paths; either pedestrian or vehicular
- Do not use any college document holders, bins, or racks
- Do not post on the Library
- Do not post on classroom walls

NOTE: These pictures are only examples representative of how and where you cannot post. You are not limited by these examples alone and will be held to the standard they represent.
